The proposed sale of

tioned.

15/95 28-V.

Sec 23 does not entitle the Council to the whole of the
road poramboke within its limits but only to the actual
streets. Perhaps, however, this may be overlooked in this instance.

No. I would not give them any more
beyond what they are entitled
to as it would form a bad
precedent. 10

The Chairman is mistaken in sup-
posing that sec 23 of Act IV of 1884 entitles
the Council to all the land within municipal
limits that is registered in the revenue
accounts as 'road poramboke'. It entitles
them to nothing beyond the actual streets.
