Through the Head Assistant Collector and the Collector of Tanjore.

SIR,

I directing to Clause 8 of S.O
No 1120 dated 21st August 1894 and
Subsequent reminders on the subject
I have the honor to state that the
Councils admit of water flowing
from the iron tank to the market
but it is feared that the supply
of water in the well might fail,
especially as it is in contemplation
to increase the supply of water
to the inhabitants during the
next few months. The want of
drinking water is being
increasingly felt throughout

town.

1. The Council have proposed
to reconsider the whole of the
market arrangements during
the course of the current official
year and to submit proposals
for its improvement in due
course.

I am, Sir,
Yours truly,
Sir

Yours most obedt.
