-lingam Pillai lessee of the Srivankuntham
bridge toll-gate for 1894-95 stating that

traffic was prevented by the District Board Engineer from passing over the bridge on the 16th idem and till 12 o'clock in the noon of the following day and requesting that Rs 10-7-0 being the proportionate amount of the rental be remitted.

Read District Board Engineer's letter No. ³⁵³/₄₃₇ dated 6th March 1895, stating that the planking of the bridge appeared to be in a state of decay, that in the interests of the public and the Contractor the bridge had to be closed for 18 hours; and that the lessee is not entitled to any Compensation.

The Board resolves to pay Rs 5/- as Compensation to the Contractor.

CURRENT No. 1415

From,

A. Dr. B. Higgins Esquire,
President, District Board,
Tinnevely.

To,

The Chief Secretary to Government,
Fort Saint George.

Sir,

The planking in the road way of the Srivaikuntham bridge across the Tambraparni river appeared to be in a state of decay in certain places. On the 16th February 1895, the local Hindu P. Dr. Department made the necessary examination of the planking portion and the traffic had to be stopped in consequence. The lessee of the toll farm of the bridge claimed a Compensation of Rs 10-7-0, calculated for 30 hours on the total rental for the year, (Rs 2505/-). The District Board Engineer reporting that the bridge was shut out for traffic for 18 hours only, the District Board has in its Resolution No. 3 dated 29th April 1895 (copy enclosed) decided that Rs 5/- will be

be an adequate compensation.

I have the honor to request that
Government may be pleased to sanction
the payment of the Compensation of
Rs 5/- from "Toll Contingencies".

I have the honor to be,

Sir,

Yours most obedt. servant.

H. S. S.
President.
