(Through the Surgeon General with
the Government of Madras).

Sir,

Referring to the concluding
portion of para 2 of G. O. 13th March
1895, No: 4262, I have the honor
to state that the Council was
asked to pay with retrospective
effect from the 30th June 1894 by the
District Medical and Sanitary
officer of Madras in his letter No.
250
21-9-94 (copy enclosed) the charge
allowance due to the female
apothecary, Mrs. Higgins at

8
rate of Rs 25 a month. She is said
to be entitled to this extra allowance
in addition to her pay of Rs 50 per
mensem as she has completed 2 years
Service though she was employed by
this Council only from the 9th September
1893.

2. As Miss Higgins was educated
at the expense of the District Board
the President thereof was addressed
by the Council as to the terms on
which her services were entertained.

The President in his letter No. $\frac{3831}{23-11-94}$,

copy of which is submitted herewith,
replied that the granting of the charge
allowance was left to the option
of the Council and that the female
apothecary will be at liberty to
resign her appointment if the
allowance to which she is entitled
is not paid. It was then considered

that the withholding of the payment

of the allowance might lead to the
closing of the institution which was
after considerable difficulties, established
in this town and the Council therefore
thought it fit to retain her services by
paying off the allowance.

3. Hence necessity arose to provide
in the Revised Estimate for 1894-95
and the budget estimate for 1895-96
for her charge allowance at 25 Rs
per mensem with effect from the
30th June 1894 - to which the sanction
of Government is again solicited.

I have the honor to be,
