The case seems to be rather a  
hard one: perhaps the Council

We have laid down the  
rule, and without doubt  
rightly, that we will not  
allow any encroachments;  
and I think we must adhere  
to it. As I said before, if we  
begin making exceptions, who  
knows where we shall end?  
The fact that in this case the  
encroachment has been made  
to a European makes it addi-  
tional. The Petitioner finally necessary  
to refuse to alter the order already  
issued. If we give way now in this  
case, how can we uphold the  
orders we have just issued in the  
case of Engelmann?

The Rev. E. Fohl,  
Ev. Lutheran Missionary,

Rajahmundry

To  
The Chief Secretary to Government,  
Local & Municipal  
Madras.

Sir, I have the honor to state that the President of Rajahmundry Talug Board has forwarded to me for information President's Letter 158 to Government requesting to sanction the sale of 90 Sq. Yards of land to the Rev. L. C. Schmidt who encroached upon the land in question on grounds alleged to in the Talug Board's resolution No. 174, dated 22.11.94.

I am further in receipt of Government order of 8<sup>th</sup> March 1895. No. 421. G. O. No. 1, not approving of sale of the encroached land. This order affects us very sadly, and I most ardently request you will be good enough to recommend the matter for reconsideration.

The encroachment referred to has been

20 421 L

2.  
made years ago in the sincerest innocence of the case. Three substantial houses have been built on the spot during the last two years, and though the land belongs to the Rev. L. Or. Schmidt, who is on furlough, the houses are occupied ~~the~~ by Native Christians, and have been erected partly from their scarce savings, which all and much more would be lost, if these houses were to be removed.

On the otherhand, the road is so broad that no inconveniences arise in any way. Trees stand in between the road and the land, and even if these houses were to be removed to vacate the slip of land which is not one yard broad, the public would be in no way benefited, as no harm is done in any way now. At any rate, I request <sup>and trust</sup> ~~sincerely~~ that Government will permit the owner, Rev. L. Or. Schmidt to return, which will be the case in August or early September, before final action is taken. <sup>much</sup> ~~but~~ I trust and beg that Government will kindly reconsider (and sanction the sale of 90 Sq. Yards in question. I have the honor to be,
