Proceedings of the Board of Revenue

(Land Revenue).

Dated 14 December 1895.

No. 6229 Mis.

Read ~~the~~ following:—

(1). Again Boards Proceedings, No. 7956 Mis. dated 13 December 1890.

(2). Endorsement of E Turner Esquire Collector of Madura, No. 718, dated 10 March 1891.

And the following Reference thereon dated 18 April 1891.

The Board finds from the statement received with the Collectors letter dated 15 September 1882, No. 329 recorded in Board's Proceedings No. 8257 Mis. dated 27 October 1882 that 106 institutions were transferred to the Local Fund Boards in pursuance of Boards Proceedings No. 944, dated 31st May 1881. The list now received contains 40 institutions of which only two+ shown in the margin are found in the statement above referred to. As regards the remaining

+ Musthanandal chattram choultry at Vadamadura

38

38 institutions, the Collector is requested to report how they came under the management of the Local Fund Boards. He should also explain why steps have not been taken for the formal re-transfer of the remaining (106 - 2 or 104) institutions transferred under Board's Proceedings No. 944, dated 31st May 1881.

(3) Letter from J. Twigg Esquire, Acting Collector of Madura, to the Secretary to the Commissioners of Land Revenue, Ref. on C. No. 854/Genl of 95. dated 21st March 1895.

(4) Letter from the same officer, to the Secretary to the Commissioners of Land Revenue, Dis. No 1366 of 95, dated 24 April 1895.

And the following Reference thereon dated 27 June 1895.

Of the 106 institutions shown in list A, the Board finds that the management and superintendence of four (Nos. 2, 5, 7 and 8) have already been entrusted to the Madura Municipality under Government Order No. 2128, dated 10 June 1893, communicated with Board's Proceedings No. 3548 Mis., dated 14 June 1893. These should not therefore have been

included

included in the present list. The chattrams at Pudur and Madura (Nos. 1 & 9) should also be excluded from the list as they are situated within the Municipal limits of Madura and as the Chairman of the Municipality is said to have been addressed in regard to their transfer. Items Nos. 18 to 21 are shown in the statement as being situated at Dindigul. Such of the institutions shown in this list or in lists B and C as are situated within the limits of a Municipality should be excluded and steps should be taken for their being transferred to the Municipalities concerned under Section 26 (2) of the District Municipalities Act IV of 1884.

2. Government Order No. 664 dated 21st May 1872 quoted in column 8 of the statement against Muthanendal chattram (Item No. 94) contains no reference to that institution. The entry requires explanation.

3. The Palni Taluk Board's Resolution forwarded with the letter last read above, merely approves of the list of endowed institutions furnished by the

Tahsildar

Tahsildar as requiring formal transfer. A revised resolution expressing the Taluk Board's consent to undertake the management and superintendence of the several institutions shown in the list should be obtained and forwarded.

4. In regard to statement B, the Board observes that the management and superintendence of the Vallamadam water shed have been formally transferred to the Taluk Board of Tirumangalam under Government Order No. 447, dated 21st June 1888. No further action is therefore called for in respect of that institution. The management and superintendence of the remaining institutions would appear to have been formally transferred to the old Local Fund Boards of Madura or Dindigul circles under Section 11 of Act IV of 1871. A formal relinquishment of management and superintendence by the present District Board which represents the old Local Fund Boards

of

of Madura and Dindigul circles is therefore necessary before a valid transfer can be made to the Taluk Boards concerned. The Collector is accordingly requested to obtain a relinquishment from the District Board.

5. The Collector should expedite the reply to this reference as the matter has been pending for a very long time.

(5) Also Endorsement of J. Twigg Esquire, Acting Collector of Madura, R.O.C. No. $\frac{2844}{\text{genl}}$ of 95 dated 25 September 1895

And the following Reference thereon dated 31st October 1895.

The Collector is requested to expedite the submission of the Dindigul Taluk Boards' Resolution referred to in para 2 of the endorsement read above and to return the statement forwarded with the Boards Reference dated 27 June 1895 on General Register No. 873 of 1891 and Sub Register Nos. 1104 and 1652 of 1895.

(6) Also letter from J. Twigg Esquire, Acting Collector of Madura, to the Secretary to the Commissioners of Land Revenue. Dis. No. 4019 of 95, dated 12 November 1895.

Resolution

Submitted to Government with the Boards recommendation that sanction may be accorded under section 51(2) of the Madras Local Boards Act V of 1884 for the transfer of the management and superintendence of the several endowed chattrams and other charitable institutions named in the revised statement received with the Collectors' letter dated 25 September 1895, with the exception of those noted on the margin + omit to the Taluk Boards concerned which are willing to take charge of them.
