Order No. 115 Dated 20/1/96

The Board's proposal to ~~raise~~ increase the pay of the St. Engineer is approved, ^{but} the salary should be fixed at Rs 500 per mensem rising to Rs 600 by five annual increments of Rs 20.

It appears however to Govt. 2. ~~The District Board~~ ^{was} that if the District Board ~~was~~ only willing to employ a native instead of a European, ^{it could} they would probably secure the services of a good engineer for ^{an} less than Rs 500 per mensem a month.

SUBJECT.

Requesting sanction for in-
creasing the pay of the Local
Fund Engineer from Rs 500 to
Rs 600 per mensem.

(For orders)

11-11

For orders

The District Board proposes to
raise the pay of the Local Fund Engi-
neer from Rs 500 to Rs 600 from June
1896, and has made the necessary
provision for this in the budget for
1896-97. The President states that,
even with this increase, the cost of
the Local Fund Engineering establish-
ment will not exceed 16.5 per cent of
the outlay on public works in that
year. The salaries of the Local Fund
Engineers in the several Districts
are shown on page 238 of the Civil
List for the quarter ending 30th Sep-
tember 1895.

The L.F. Engineer's pay used to be
Rs 600, but was reduced to Rs 500
in 1892, when an additional assist. engineer
was sanctioned (vide G.O. No. 2025 L).
There do not appear to be any
strong reasons for or against the
proposed increase of pay, as
the Dt. Bd. with respect to the old
scale of pay, it is submitted that they
may be allowed to do so.

Initially in one of the large
districts. Out of 21 there are
but seven districts the pay of
whose L.F. Engineer is over 500

If Local Board would not sanction
as they do after Europeans done
they would probably do so

Yes. L.F. Engineer's pay 500-
20-600 - If the proposal made
is accepted it is submitted that the
salary should be increased.
The District has two L.F. Engi-
neers but have two or more L.F.

Current No. 1150 of 4895

District Board Office Tinnevelly,

Dated, 10th December 1895,

From,

3642 L

A. W. B. Higgins Esq.,

President District Board

Tinnevelly,

To,

The Chief Secretary to Government,

Fort Saint George,

Sir,

I have the honor to report that the
Local Fund Engineer of this District, in
Mr. B. P. Chester, whose appointment was
sanctioned in G. O. No. 2401 L. No. dated
17th October 1892, resigned his appointment
on the 6th instant.

2. Under the terms of the advertisement
issued in September 1892, under which
he was entertained, his resignation

which I have accepted, will take effect
from 6th June 1896.

3. Mr. Chester's pay has been Rs. 500 per
mensem with Rs. 4 per diem as travelling
allowance. At my suggestion the District
Board has at its Budget meeting pro-
posed to give the Engineer, to be appointed
in place of Mr. Chester, Rs. 600 per mensem
with travelling allowance at Rs. 4 per diem.
Provision has been made accordingly
in the Budget for 1896-97.

4. I now request that Government may
be pleased to sanction the increased rate
of pay in advance of the sanction of
the Budget for 1896-97, so that I may
be in a position to advertise for an
Engineer without delay. The increased
rate of pay appears to be necessary
in order to secure the services of a

really efficient Engineer, and I believe
that it will in the long run be an actual
economy. Even with this increase the cost
of ^{the} Local Fund Public Works establishment
will not exceed 16.5 per cent of the expen-
-diture by that agency.

I have the honor to be,

Sir,

Your most Obedient Servant,

11-12-95

W. H. G. G. G.
President.
