Sir,

I have the honour to reply to Government Order No. 2348 & this dated 4th December last calling upon the local board to show cause why the railway feeder road from Tiruppur to Kadambattur should not be repaired at the cost of the board.

2 The road in question is 3 miles in length, of which a mile and a half is metalled and in good order. The remaining portion is unmetalled and is sandy. A

sum of Rs 240 is however spent annually for the maintenance of the whole road. In September 1894, an estimate for Rs 2000 for metalling the sandy portion was prepared but could not be worked out for want of funds. I am however addressing the divisional officer in the matter and steps will be taken to repair the road and make it passable to the extent funds are available.

I have the honour to be
 sir

Your most obedient servant
