For orders.

As to whether under the circumstances stated by the Director of Public Instruction, the Sub Assistant Inspector of schools can be removed from the Taluk Board, and the Assistant Engineer, Nandyal, appointed in his place, as recommended by the President.

V.A. 16/1/96

He can apparently only attend one or two meetings in the year, owing to his heavy inspection work &c: especially as he is a member of three taluk boards. It is submitted that it is useless retaining him in the Bd. where the Asstt. Engr. would be of more use. His explanation of non-attendance is ~~not~~ fairly satisfactory but may be held to be "sufficient reason" ~~for removing~~ for non-attendance throughout the year.

Wd. 17.1.96

It is obvious that this Officer cannot see to his ordinary duties and attend the meetings of three different Taluq Bds. with any usefulness. The DPI should be told to instruct the Sub Insp. to resign his seat on the Nandyal Bd. The man recommended can then be put in. If the Taluq Bd at any time requires the advice of an expert on edl matters or subjects they can request him to attend the particular meeting at which they are discussed. I can see nothing wrong about his explanation.

SIR,

MRRy. S. Hanumanta Rao garu, Sub Assistant Inspector of Schools, Nandyal Range and a member of the Nandyal taluq board did not attend any meetings of the board since the date of his appointment i.e. for eleven meetings. When called upon to explain, he pleads that he could not attend the meetings without seriously affecting his programme in prejudice to his official duties and states that he would attend such of the meetings as may be specified to specially required his attendance. This unsatisfactory state of affairs is a repetition of the last year. (please vide para 2 No. 1841L dated 7. 10. 95). The President of the Taluq board thinks from the tone of the Sub Assistant's explanation "that he does not care to attend the meetings and seems to think it a great 'condescension of his post to do so'" and recommends his removal from the Board and the appointment of MRRy R. Srinivasa Iyengar avergal, Assistant Engineer, Nandyal in his stead. I have therefore the honor to request that the Government will be pleased to approve of the above recommendations.

Sir,

With reference to your endorsement on the Kurnool District Board President's letter no $\frac{55}{2-11-95}$ to Government regarding my non-attendance of the Nandyal Talug Board meeting since january 1895 (the date of my appointment as member of this Board) I beg respectfully to state that I have been receiving invariably meeting notices 2 or 3 days prior to the date of meeting.

2. In the months of January & February, there was Primary Examination in this District & I was required by the Chairman of Primary examination Board to attend each & every centre not only of this Range but also some centres of the Markapur Range as it is very difficult to secure competent local members in this district & I have done so accordingly. I was not able to attend the Talug Board meetings in those months.

examination work & in the Taluk. As I could not finish the same before the close of the year, I was given assistance of the Sub asst. Inspector of Schools, Anantapur Range & we both with great difficulty finished the examinations of this range.

4. In the months of April and May (Annual Returns time) my permanent Clerk was transferred to Madanapally. I had a new man to act for him. He was not then in a position able to do anything without me. I was also then new to this range. I had to verify the figures of schools relating to the other Sub asst. Inspectors of schools concerned with the District. Attendance of the Nandyal Taluq Board meeting will take not less than 3 days for journey from Kurnool to Nandyal & back. As I had very heavy Annual Returns work in those months, I did not attend meetings of them.

5. Since the month of June, I have grant examinations in different Taluqs. In the black cotton soil of this district, travelling is very difficult especially from June to October. There was not heavy rains this year; otherwise, there would have been arrears left of grant examination work as last year.

6. In the Current month, there is examination

I am sorry to say I was not able to attend the Nandikotkur Taluq Board meeting since it wa
6 on the same day on which the Nandyal meeting was held & I am hurrying on with grant examina of the Schools posted in those days.

7. The range Consists of six Taluqs & I have to examine for grant during 7 months (2 months Pri-mary Examination and 3 months Conference & Annu Returns and Reports) 270 schools, an average 2 sch a day in addition to bad travelling during the rain Season & heavy Correspondance work taking 20 da for examination alone in a month. I think that unless I spend at least 2 hours in a school when examine it for grants I can hardly do any justi to the School masters who have laboured through the year, which even is not possible to secure in some cases as matters here stand now.

8. In these Circumstances, I very much regre to state that unless the Range is made to Consi of 4 Taluqs, as it was once, it is not possible to full justice to my work in every branch.

Sir,

With reference to Nandyal Taluq Board President's no: 866 dated 5th instant, requiring me to explain for my not attending any of the meetings since my appointment, I beg to inform you that the notice of the meeting is invariably sent to me one or two days before the fixed date when I am on tour in other Taluks, thus I am unable to attend the meeting on the due dates.

2- The grant examination of Schools will suffer much if I were to attend the meetings in preference to my inspection

inspection work and there will be no justice done to the managers of the Schools.

3. On an average not less than three Schools are now being examined daily and the dates of Taluk Board meetings is not known to me till one or two days prior to their holding, I beg that the Presidents of the three Taluk Board of which I am member be requested to specify the dates of certain meetings which specially require my attendance and intimate to me the same at least a week before so that I may arrange my tour programme accordingly and attend as many meetings as I possibly can.

OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 21st December 1895.

Local & Municipal Dept.
CURRENT No. 37642

No. 13,819

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,

With reference to the enclosed endorsement of Government no. 1649 L&M, dated 16th November 1895, I have the honour to submit herewith in Original the explanation of M.R.Ry. S. Hanumantha Rau, Sub Assistant Inspector of Schools, Nandyal Range, for not having attended any of the meetings of the Nandyal Taluk Board.

2. From the explanation of the Sub-Assistant Inspector, Government will observe that he was unable to attend any of the meetings either because the inspection work was very heavy

heavy at the time and in consequence he could not have attended them without seriously interfering with his grant examination work, or, because the meeting notices did not reach him in time while on tour so as to enable him to travel the necessary distance and be present at the meetings. His heavy inspection work, his itinerant life and his being a member of three different Taluk Boards prevent him from attending more than one or two meetings of each of the Taluk Boards during the year.

3. I have on several occasions brought to the notice of Government the heavy strain on the Sub-Assistant Inspectors owing to the increasing work under inspection, but Government has not been able to strengthen the agency for lack of funds. The Sub-Assistants have as a class very hard work to do, so much so that most of them do not enjoy several of the sanctioned holidays, lest by doing so they would leave their work in arrears. They are, however, required to attend as many meetings as possible in which the annual budget estimates and other important educational proposals are proposed to be discussed.

4. In these circumstances I would specially request that Government will be pleased not to insist upon the regular attendance of Inspecting Officers in Taluk Board and Municipal meetings.

5. In his letter to Government the President District Board Kurnool remarks that "the President of the Taluk Board thinks from the tone of the Sub-Assistant's explanation that he does not care to attend the meetings and seems to think it a great condescension of his post to do so." I herein enclose

D Duncan

nclose for the information of Government
a copy of the explanation referred to.
So far as I can see there is nothing
bjectionable in the explanation either
in the matter or in the manner and
I fail to understand what portion
of the letter the President takes exception
to, as tending to lead to the inference
that the Sub Assistant considers it a
condescension to attend the meetings
of Taluk Boards.

6. I take every opportunity to impress
on the officers of this Department of
all grades to work in a friendly and
courteous way with members of local
boards, as their cooperation is a
sine qua non for the advancement
of elementary education.

I have the honour to be

Your most obedient servant
