GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following paper :—

From C. J. WEIR, Esq., President, District Board, Ganjám, to the Chief Secretary to Government, dated Chatrapur, 31st December 1895, No. 3669.

I have the honour to submit, for the approval and sanction of Government, extract from the proceedings of the district board proposing to abolish the Chicacole and Parlákimedi Taluk Boards as they are at present constituted and to form one board instead, under the name of the Chicacole Taluk Board.

2. Parlákimedi Taluk Board is conterminous with the zamindari of that name which forms part of the Principal Assistant Collector's division. The Principal Assistant Collector is therefore the President of this board as well as of the Chicacole Taluk Board; but in practice the work of the former board has been conducted by the Vice-President. The Vice-President is at present the Deputy Tahsildar and Sub-Magistrate, Parlákimedi. He has very heavy magisterial duties and a considerable amount of Revenue work in connection with abkári and income-tax. He has also a very considerable amount of Agency work which not only occupies much of his time but also takes him into remote places. It is therefore very undesirable in my opinion that this officer should be responsible for taluk board work.

3. So long, however, as there are two separate boards it is impossible for the President at Chicacole with due regard to his other duties to attend the Parlákimedi meetings or control the working of the office there.

I may add that I consider it is very desirable to have a strong hand controlling local fund expenditure in Parlákimedi, as the expenditure up to date in this portion of the district has been out of all proportion to receipts or to expenditure in other parts of the district. I therefore strongly recommend the amalgamation of the two boards. I may mention that a small saving in establishment will be thereby effected for which I have taken credit in the budget for 1896–97.

4. As to the procedure to be adopted if Government adopt the proposal, I presume the existing Taluk Boards of Chicacole and Parlákimedi should be dissolved by the Governor in Council by a notification passed under section 5, Act V of 1884, and a fresh taluk board consisting of the two dissolved boards constituted, new members being appointed thereto. I consider eighteen members would suffice for the new board; it will be about the same size and have a smaller income than the existing Berhampur Taluk Board which has eighteen members.

ENCLOSURE.

4. Read letter, No. 901, of 26th November 1895, from the President, Taluk Board, Chicacole, submitting proposals for the amalgamation of the Chicacole and Parlákimedi Taluk Boards.

Resolution.—The board approve of the proposals to amalgamate the Chicacole and Parlákimedi Taluk Boards.

The board consider that, if Government sanction the proposal, some of the savings effected should be devoted to strengthening the establishment of the Berhampur Taluk Board.

Order—No. 164 L., dated 24th January 1896.

The proposed amalgamation of the Chicacole and Parlákimedi local fund taluks is approved, and the following notification will be published in the Fort St. George and Ganjám District Gazettes :—

NOTIFICATION.

In exercise of the power conferred by section 5 of the Madras Local Boards Act V of 1884, and in modification of notification, No. 322, published at page 234, Part I-A., of the *Fort St. George Gazette*, dated 1st October 1886, so far as it relates to the Taluk Boards of Chicacole and Parlákimedi, the Governor in Council is pleased to declare the portions of the Ganjám district comprising the revenue taluk of Chicacole and the zamindari of Parlákimedi to be a local fund taluk, by name Chicacole, for the purposes of the said Act, and to direct that the provisions of the said Act regarding taluk boards shall come into force in the said taluk from 1st April 1896, when the existing Taluk Boards of Chicacole and Parlákimedi will be dissolved.

2. Under section 19 of the aforesaid Act, the Governor in Council is pleased to declare that the maximum number of members to be appointed for the new Taluk Board of Chicacole shall, for the time being, be eighteen and that they shall be appointed by the Governor in Council.

2. The number of members to be appointed by election as members of the district board by the new taluk board will be fixed at seven.

3. The President of the District Board will be requested to submit proposals early in March 1896 for the appointment of members for the new taluk board.

4. As the town of Chicacole is situated at the extreme southern corner of the new local fund taluk of Chicacole, the President of this Taluk Board should arrange to hold some of the meetings of the board at Parlákimedi or Tekkali.

The L F map is put up. The objection to the proposal made is that Chicacole is pretty nearly at the extreme South of the Taluq as it would stand if the two were amalgamated. It is however to be said that even Parlakimidi itself is not so far from Chicacole as the Northern portion of the existing Chicacole L. F. Taluq is from the place where meetings are now held by the members of that Board.

Matter might be worked by holding some of the meetings at Parlakimidi instead of Chicacole or at Tekali.
