Statement of Kunduthodiyil Sankaran Nambiar of Nethirimangalam amsam desam of Walluvanad Taluk given before Revenue Inspector Achuthan Nair on 26th July 1895.

I have seen the jenmam valuation account in respect of my jenmam land known as Kakattamparamba required to be taken up by government for constructing a school building at Pattambi. I am satisfied as to the correctness of the boundaries and measurement therein given. I understand that the rate adopted in calculating the jenmam value is 4 to 9 paras of seed (a para containing 40 nalis) per acre with the commutation value of 5 Rs. for an extent sowing a para of seed. I also understand that the value thus fixed for an extent of 28 cents sowing 2½ paras of seed is Rs. 12-8-0. I am willing to part with my jenmam right in respect of Kakkattamparamba to the extent specified in the schedule for the said jenmam value of Rs. 12-8-0.

Read over and admitted to be correct.
