No. 3, REVENUE, 8TH JANUARY 1896.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from V. A. BRODIE, Esq., President, District Board, Gódvári, to the Chief Secretary to Government, dated 26th November 1895, Ref. on Cur. No. 2546 :—

I have the honour to state that the Administrator of Yanam has brought to my notice that the statement showing the rates of tolls to be charged at the ferries between the French and the British territories, appended to the notification published under G.O., No. 492, Revenue, dated 5th June 1891, is silent as to the rate of tolls to be levied on push-pushes and that the renter of the Nilapalli ferry has consequently been charging them at the rate fixed for “a loaded cart with bullock yoked,” viz., 3 to 8 annas per push-push according to the different seasons of the year. The rate now charged by the ferry renter being very heavy, he proposes that the rate be reduced to 2 annas during freshes and to 1 anna during the other months of the year.

2. His proposal was approved of by the District Board, to whom the management of all the ferries has been transferred (*vide* copy enclosed of its Resolution No. 26, dated 16th November 1895).

3. I have, therefore, the honour to request that Government will be pleased to sanction the revised rate and to order its inclusion in the statement of tolls above referred to.
