No. 194 L., 29TH JANUARY 1896.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From J. H. A. TREMENHEERE, Esq., Collector and President, District Board, Bellary, to the Chief Secretary to Government, dated 9th December 1895, No. 1758.

I have the honour to submit, by separate packet, the Local Boards' consolidated budget estimate of the Bellary district for the official year 1896–97, together with the prescribed statements.

REVISED ESTIMATE FOR 1895–96.

Receipts.—1. The actual closing balance of 1894–95 was Rs. 34,582 as intimated by the Accountant-General. This has been adopted in round figures (Rs. 34,580) as the opening balance of 1895–96 for the purposes of the present estimate. After deducting the transactions of miscellaneous debt accounts, the actuals were Rs. 34,581—579 or Rs. 34,002, against the anticipated balance of Rs. 44,130 as per revised estimate of 1894–95. The decrease of Rs. 10,128 is due to a fall in the total estimated receipts by a sum of Rs. 14,270 counterbalanced by a less expenditure to the amount of Rs. 4,142. The receipts of the current year as per revised estimate are Rs. 2,30,170 against the budget estimate of Rs. 2,31,640, thus showing a small net decrease of Rs. 1,470. The variations in the more important items are explained below :—

14. Sale of old materials	430	40	— 390
Total ..	1,96,560	1,94,370	— 2,190

2. *Cess on Land.*—This is as taken from demand, collection and balance statement furnished by the Treasury Deputy Collector.

3. *House-tax.*—The increase is due to the careful revision of the tax in some of the unions, such as Yemmiganúru, Kosgi and Kampli.

4. *School-fees.*—The decrease is due to the abolition of certain schools.

5. *Sale-proceeds of Books.*—The text-books heretofore in use having been changed, the sales are small.

6. *Contribution from Private Individuals.*—This is a contribution for sinking a well in a village.

7. *Market Rents.*—The actual amount for which the markets have been leased in the current year is entered.

8. *Ferry Rents.*—The fall is from diminished competition.

9. *Fishery Rents.*—The rise is due to increased competition.

10. *Fees and Fines.*—The increase under this head is attributable to more vigorous working of the Towns' Nuisances Act.

11. *Sundry Receipts.*—Includes the fees anticipated from the temporary toll-gates at Mailar and Kuruvatti.

12. *Contribution from Private Individuals.*—Rupees 200 represents an additional contribution from villagers for a village road. The remaining Rs. 200 is the amount contributed for the construction of a chattram.

13. *Contribution from Provincial to Education.*—The decrease is due to the abolition of certain schools and the smaller claims outstanding at the beginning of the year.

14. *Building Grant.*—The officers of the Public Works Department have not yet countersigned the completion certificate of the high school building at Harpanahalli. The matter being still under correspondence, the amount of grant is not expected to be drawn before the end of this year.

15. *Sale of old Materials.*—A sum of Rs. 400 was expected from the sale of old materials of the Local Fund school building at Hospet. But subsequently the same materials were used for the repairs that were done to the building and no sale was held.

Charges.—1. The statement below gives the variations between the figures of the budget and the revised estimates :—

Grant.	Budget estimate.	Revised grant.	Revised estimate.	Difference between columns 2 and 3.	Difference between columns 3 and 4.
1	2	3	4	5	6
	Rs.	Rs.	Rs.	Rs.	Rs.
Grant I	1,16,830	1,28,190	1,22,660	+ 11,360	— 5,530
„ II	39,550	40,622	34,900	+ 1,072	— 5,722
„ III	69,120	74,117	70,230	+ 4,997	— 3,887
„ IV	16,300	16,300	15,460	..	— 840
Total ..	2,41,800	2,59,229	2,43,250	+ 17,429	— 15,979

The increase in the revised grant over the budget estimate is mainly due to allotments under Grant I sanctioned from time to time since the submission of the budget as will be seen from Statement IX-A. The decrease under the revised estimate as compared with the revised grant is due to the fact that it is thought now that certain sanctioned works under Grant I will not be carried out to the full extent of the allotment as explained later on and also due to the reduced expenditure under Grant II on account of abolition of certain schools in the course of the year and to frugal expenditure under Grants III and IV.

2. *Communications—New Works.*—The original amount sanctioned under this head is Rs. 2,170 and this was increased by subsequent allotments for the marginally-noted works to a total of Rs. 6,905. Of this, Rs. 506 has been spent up to the end of September ; but a sum of Rs. 6,200 in all is expected to be spent before the close of the year, leaving small balances under each work as they will not be quite completed before the end of the year.

	Rs.
(1) Additional allotment for the Kallerampuram road	1,120
(2) Constructing side drains at Harpanahalli	282
(3) Constructing side drains at Hadagalli	830
(4) Constructing market road at Hampasagar	100
(5) Constructing side drains in the main road at Kotturu	1,000
(6) Constructing side drains at Nárayanadévarakéri	1,003
(7) Constructing side drains at Kanekallu	400
Total ..	4,735

3. *Communications — Repairs.*—A sum of Rs. 79,970 was allotted under this head. Of this, Rs. 400 provided for the repairs of the Kanekallu town roads were transferred to new works for the construction of side drains there. A sum of Rs. 25,360 has been spent in the first six months of the year and it is hoped that the balance will be almost spent within the year.

4. *Civil Buildings—New Works.*—There is an allotment of Rs. 3,600 under this head in the current year's budget. Rs. 115 were subsequently allotted by the Adóni Taluk Board for completing the construction of a cheap Pariah school in Alur, an incomplete work of last year. A very small amount of work has been yet done in the construction of chattrams at Kanekallu and Harehalu and only half of the amounts allotted for them in the budget for 1895–96 is expected to be spent in the year. Hence the decreased revised estimate of Rs. 2,210.

5. *Civil Buildings—Repairs.*—The allotment of Rs. 1,250 in the current year's budget was increased by subsequent allotments to Rs. 1,652 for repairs to choultries and bungalows under the Hospet Taluk Board. Out of this, a sum of Rs. 1,350 is expected to be spent within the year.

6. *Miscellaneous Public Improvements—New Works.*—Including subsequent allotments, the net amount allotted under this head is Rs. 11,966. Of this, only Rs. 627 were spent in the first six months of the year, but the boards concerned expect to spend in all Rs. 10,560 during the year. The decrease in the anticipated outlay is due (1) to the fact that the work of sinking two wells on the Siruguppa road will not be completed before the close of the year as a trial boring has been ordered only recently ; (2) to the fact that the Bellary Taluk Board expect to spend only Rs. 800 and Rs. 500 against allotments of Rs. 1,000 and Rs. 800, respectively, on the market sheds at Siruguppa and Rayadrug.

7. *Miscellaneous Public Improvements—Repairs.*—A sum of Rs. 3,200 allotted in the budget has been increased to Rs. 3,792 by subsequent allotments Out of this Rs. 3,500 are expected to be spent.

8. *Grants II, III and IV.*—The variations under these grants are not large and where necessary explanations are given in the remarks column of Statement IX. Under Law charges in Grant IV, the revised estimate is Rs. 300 against a *nil* budget estimate. This expenditure is expected to be incurred on account of prosecutions for fraud that have been instituted against a contractor and three Local Fund overseers. The total expenditure for the current year under all the heads as per revised estimate is Rs. 2,43,250, leaving a probable balance of Rs. 21,500 as shown below :—

	Rs.
Opening balance	34,580
Receipts	2,30,170
Total ..	2,64,750
Expenditure	2,43,250
Closing balance ..	21,500

2. *Cess on Land.*—This is as taken from demand, collection and balance statement furnished by the Treasury Deputy Collector.

3. *House-tax.*—The increase is due to the careful revision of the tax in some of the unions, such as Yemmiganúru, Kosgi and Kampli.

4. *School-fees.*—The decrease is due to the abolition of certain schools.

5. *Sale-proceeds of Books.*—The text-books heretofore in use having been changed, the sales are small.

6. *Contribution from Private Individuals.*—This is a contribution for sinking a well in a village.

7. *Market Rents.*—The actual amount for which the markets have been leased in the current year is entered.

8. *Ferry Rents.*—The fall is from diminished competition.

9. *Fishery Rents.*—The rise is due to increased competition.

10. *Fees and Fines.*—The increase under this head is attributable to more vigorous working of the Towns' Nuisances Act.

11. *Sundry Receipts.*—Includes the fees anticipated from the temporary toll-gates at Mailar and Kuruvatti.

BUDGET ESTIMATE FOR 1896-97.

Revenue and Receipts—1. This closing balance of Rs. 21,500 has been adopted as the opening balance for the budget estimate of 1896-97. The receipts of the year are estimated at Rs. 2,22,390 against Rs. 2,31,640 in the budget estimate of the current year and Rs. 2,30,170 in the revised estimate :—

13. Contribution from Provincial—Public Works includes building grant	4,700	6,200	4,700	6,700	+ 500

2. *Cess on Land.*—The receipts under this head are estimated at Rs. 1,33,200. The demand, collection and balance statement furnished by the Treasury Deputy Collector is submitted. The decrease as compared with the budget estimate of 1895-96 is due to the rather high estimate framed last year and to the comparative absence of collectable arrears, and to the transfer of twenty-three villages and four hamlets of the Rayadrug taluk to the Anantapur district.

3. *Tolls.*—The budget amount of 1895-96 is repeated.

4. *House-tax.*—The increase is due to the inclusion of Hathibelagal village in the Alur Union, sanctioned by Government in G.O., No. 2023 L., dated 23rd October 1895.

5. *School-fees.*—The decrease is due to the abolition of certain schools mentioned further on in the report.

6. *Market Rents.*—The increase is due to the increased income expected from the Chittavádigi and Hospet markets.

7. *Fishery Rents.*—The amount represents the revenue as anticipated by the Revenue Department who manage it.

8. *Rents and Produce of Land.*—The increase is due to the transfer of more dasabandam inams to the management of the Bellary and Adóni taluk boards as detailed in Statement VII.

9. *Sale-proceeds of Books.*—The decrease is due, as explained in the revised estimate, to the small sale which the books in stock obtain.

10. *Contribution from Provincial—Education.*—The increase is due to the strict arrangement made for drawing the arrears as well as current salary grants of the existing schools by the taluk boards concerned.

11. *Contribution from Provincial—Public Works.*—This comprises Rs. 4,700 Provincial grant for Rámandrúg roads and Rs. 2,000 for the high school building at Harpanahalli.

Charges.—The estimated expenditure for 1896-97 is Rs. 2,32,080.

Grant I, Public Works—New Works—Communications.—1. A sum of Rs. 8,000 is allotted against Rs. 2,170 for the current year. The following are the works on which the amount is proposed to be spent :—

	Rs.
(1) Constructing a road leading from Bellary-Kályandrúg road to the market at Kanekallu	1,000
(2) Constructing a road leading from Desanur to Siruguppa market	500
(3) Constructing a road leading from the village of Gudekal to the market at Yemmiganúru	1,000
(4) Constructing side-drains at Hospet and reforming certain roads.	2,500
(5) Constructing side-drains at Kampli	1,500
(6) „ „ at Harpanahalli	1,500
Total	8,000

The above works are proposed by the taluk boards concerned as calculated to benefit certain markets and unions, the allotments being made from the balances at the credit of these institutions.

2. *Repairs—Communications.*—The allotments under this head are Rs. 58,200 for roads under the district board and Rs. 24,300 for those under the taluk boards inclusive of roads in unions, or a total of Rs. 82,500, against Rs. 58,200 for the former and Rs. 21,770 for the latter, or a total of Rs. 79,970, in the current year. It will be thus seen that the allotment for the district board roads remains the same, while an increase of Rs. 2,530 is given to the taluk board and union roads. Owing to the great fall in the expected receipts under land-cess, it would not have been possible to allot for repairs even on the current year's scale, had it not been for the large reductions, chiefly of a permanent character which are proposed under Grants II and III.

3. *Civil Buildings—New Works.*—Rs. 1,600 are allotted as shown below :—

	Rs.
(1) Completing chattram at Harehalu	500
(2) „ „ at Kanekallu	500
(3) Lump sum for school-sheds	600
Total	1,600

Works Nos. 1 and 2 are under execution and the amounts now provided are for completing them.

4. *Civil Buildings—Repairs.*—A sum of Rs. 1,050 is allotted for casual repairs to chattrams, bungalows, &c.

5. *Miscellaneous Public Improvements—New Works.*—An allotment of Rs. 5,500 has been made for expenditure under this head against Rs. 6,050 in the current year. It comprises the following items :—

	Rs.
(1) Sinking dasabandam wells under the Bellary Taluk Board	500
(2) Improving the Yemmiganúru market	1,400
(3) „ „ Kosgi market	400
(4) „ „ market at Kahtalam	200
(5) Constructing additional market-sheds at Hospet	1,500
(6) „ „ „ at Chittavadigi	1,500
Total	5,500

6. *Miscellaneous Public Improvements—Repairs.*—Rs. 1,780, against Rs. 3,200 of the current year, are allotted under this head according to requirements. Under avenues only Rs. 1,400 are provided against Rs. 2,400. It is not possible to give more. The remaining amount comprises the following items :—

	Rs.
For repairing the dasabandam well at Chinnakottur	300
„ „ „ at Vottumaruvani, Adóni taluk	80

7. *Local Fund Engineering Establishment.*—Rs. 19,570 are allotted under this head against Rs. 19,120 of the current year. The second increment of the Engineer's pay raising it to Rs. 450 per mensem will be given from July next.

Grant II, Education—1. The total grant proposed for education is Rs. 34,360 against Rs. 39,550 in the current year's budget, being a decrease of Rs. 5,190 or 13 per cent. under the current year's grant. The details of reduction are explained further on in the report.

2. *Inspection.*—The provision under this head is repeated. The Director's proposal to provide for a Muhammadan inspecting schoolmaster for the Muhammadan schools in the district cannot, it is regretted, be carried out for want of funds.

3. *Sessional Schools.*—Provision under this head is repeated.

4. *Training Schools.*—Rs. 150 are allotted for providing the training of teachers in the district normal school.

5. *Secondary Schools—Salaries of Masters.*—The provision is the same as in the current year.

6. *Servants.*—Last year's provision remains unaltered in this case also.

7. *Elementary Schools—Salary System—Salaries of Masters.*—The provision made is Rs. 3,200 against Rs. 4,340 of the current year. The decrease is due to the conversion of the Kudligi and Náráyanadévarakéri primary schools to salary-result system with a reduced staff. It is proposed to give an additional teacher on Rs. 5 to the primary school at Rayadrug in view of the increasing strength there.

8. *Servants.*—The provision is Rs. 160 against Rs. 420 in the current year. The decrease is due to the conversion of the two salary system schools into salary-result system ones as noted above and to the following reductions in the staff of the servants of the other schools, viz., (1) a sweeper in the board primary school at Hospet, (2) a peon and a sweeper in the board primary school at Harpanahalli, (3) a sweeper in the Hadagalli primary school, (4) the peon and sweeper of the Kotturu primary school, a sweeper on Rs. 3 being substituted instead.

9. *Salary-result system schools—Salaries of Masters.*—Rs. 6,060 are provided against Rs. 6,980 in the current year. The following schools are proposed to be abolished (1) Bellary Taluk Board: those at Tekkalakota, Rakatla, Yemmiganúru, Sirigeri and Karekal Virapuram which now cost Rs. 972; (2) Adóni Taluk Board: those at Kautalam, Helalagundi and Chinnatambalam costing Rs. 546; and (3) Hospet Taluk Board at Hirehadagali, Holal, Chigeteri, Oochengidrug, Itigi, Kunchur, Kanchikeri, Hansi and Teligi costing in all Rs. 1,531. These are proposed to be abolished mainly with a view to set free funds for more expenditure on roads in accordance with the wishes of Government. The selection of schools for abolition has been guided by considerations such as the following, viz., (1) the existence of purely aided schools in the neighbourhood of the Local Fund schools proposed to be abolished, (2) the comparatively poor results hitherto achieved by some of them, and (3) the comparative unimportance of the villages in which some are situated. The following revisions and reductions are made in some of the schools: (1) Bellary Taluk Board: (*a*) Reduction of a teacher on Rs. 12 in the Kanekulla school: (*b*) provision for two teachers on Rs. 10 and Rs. 5 in the Rupanagudi school: (2) Adóni Taluk Board: (*a*) Addition of a six rupee master to the Santakudlur school and (*b*) a five rupee master to the Alur Pariah school; (3) Hospet Taluk Board: (*a*) Reduction of the second master on Rs. 6 in the Muhammadan school at Hospet. The Chigiteri Madiga school is given a reduced total provision of Rs. 100 against Rs. 145 in the current year.

10. *Servants.*—Rs. 460 are allotted against Rs. 590 of the current year's budget. The decrease is due to the abolition of the schools noted above. The schools at Kudligi and Náráyanadévarakéri under the salary-result system are given each a servant on Re. 1.

11. *Results Grants.*—The provision under this head is repeated. The other savings are under contingencies as noted in Statement IV.

Grant III, Medical Service—1. The total allotment under this head is Rs. 60,020 against Rs. 69,120 of the current year, or a decrease of Rs. 9,100 or 13 per cent. under the grant of the current year.

2. *Hospitals and Dispensaries—Medical Subordinates.*—The allotment under this head is Rs. 11,620 against Rs. 12,470 of the current year. The decrease is due to the abolition of the dispensary at Moka under the Bellary Taluk Board and that at Kautalam under the Adóni Taluk Board. Moka is a small village with a population of 2,920 situated at a distance of only ten miles from Bellary and connected by a good road. The dispensary there has not been working satisfactorily and the abolition of it is not likely to be felt by the public. Kautalam has a population of 4,060 souls and is situated at a distance of ten miles from Kosgi where there is a dispensary and sixteen from Adóni where there is a municipal hospital. The taluk board, however, has deprecated its abolition and prefers to effect the proposed saving by replacing the civil apothecaries now in charge of the hospitals at Alur and Yemmiganúru by first-class hospital assistants. The district board is inclined to concur with the taluk board, but pending the opinion of the Surgeon-General, who has been addressed, the provision for apothecaries is retained and the abolition of the dispensary must be provided for.

3. *Clerks and Servants.*—A provision of Rs. 3,220 is made against Rs. 3,500 of the current year. Here, too, the reduction is due to the abolition of the two dispensaries noted above. The pay of the compounder of the Siruguppa dispensary is proposed to be raised from Rs. 9 to Rs. 12 as he has completed his five years' service in the department.

4. *District Medical and Sanitary Officer's Office Establishment.*—The provision is the same as in the current year.

5. *House-rent to Hospital Assistants.*—Rs. 40 are provided under this head for the civil hospital assistant at Kampli. It is proposed that the other civil hospital assistants, now in the employ of the board should be substituted by Local Fund hospital assistants, of whom the board has three spare hands undergoing the preliminary practical training in the main hospital at Bellary.

6. *Vaccination.*—The provision made in the current year is repeated with the following exceptions. In the case of animal vaccination and travelling batta to vaccinators the allotment is reduced by Rs. 200 and Rs. 300, respectively, the reduced allotment in the former head being due to the use of lanoline paste instead of fresh lymph from the calf as recommended by the District Medical and Sanitary Officer. In the vaccine staff the following changes have been made in the course of the year. The Bellary range, having been found heavier than the Harpanahalli, has been allowed to exchange its second-class vaccinator for the first-class man of the latter. Further, a second-class vaccinator of the Harpanahalli range having resigned in June 1895, a temporary additional pupil-vaccinator was made to fill the post till last November when it was filled permanently by a competent second-class man. Proposition statements for these changes accompany.

7. *Sanitation.*—A provision of Rs. 17,560 in round numbers is made under the heads of sanitation against Rs. 22,170 in the current year. Details are given in Statement VI. The decrease is especially under (1) Scavengering establishment, (2) Improvement of water-supply, (3) Improvement of village sites, and (4) Other sanitary outlay. The decrease under scavenging establishment is due to the revision which the taluk boards made of these establishments in their unions and the consequent reduction of superfluous hands. In cases of (2), (3) and (4) no lump sum is allotted as heretofore, but only the necessary and important works now in hand or clearly anticipated next year have been provided for, leaving the other incidental expenditure to be met by allotment from union funds as necessity for such expenditure may arise.

8. *Markets.*—The current year's provision is repeated. The services of the servants attached to the dasabandam inams at Suluvagi and Honnarahalli have been dispensed with.

9. *Choultries.*—Rs. 630 are allotted under this head for establishment charges against Rs. 670 last year. The difference is due to the following proposals, viz., (1) reduction of servant on Rs. 2 in the Yemmiganúru choultry under the Bellary Taluk

Board, (2) the reduction of servant on Rs. 3 in the Ramandrug choultry under the Hospet Taluk Board, and (3) provision for a sweeper on Rs. 2 per mensem for the Hadagalli Kundachar choultry.

10. *Bungalows.*—The allotment for the up-keep and servants of bungalows is Rs. 1,110 against Rs. 1,300 in the current year. The decrease is due to the less provision for expenditure under contingencies of the bungalows.

11. *Contributions.*—The provision of Rs. 1,500 is repeated as usual under contributions to municipalities. Provision is made towards contributions to Provincial services by repeating the actuals of 1894–95.

Grant IV, Miscellaneous.—1 Rs. 1,370 are allotted for the controlling establishment at the Presidency in accordance with instructions contained in G.O., No. 2190 L., dated 19th November 1895.

2. *Local Board's Office Establishment.*—The current year's provision is repeated.

3. The variations in other items are small and call for no remarks.

4. The budget closes with a balance of Rs. 11,810 inclusive of Rs. 4,070 under unions and Rs. 7,470 under endowments, leaving a net balance of Rs. 270, and no funds are available for providing a reserve as was done last year.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated 9th January 1896, No. 98.

I have the honour to state that I approve of the educational portion of the Bellary District Board budget estimate, subject to the following remarks.

2. *Receipts.*—The amount of Rs. 2,000, for which credit has been taken as building grant from Provincial funds for the Harpanahalli school, may stand.

3. *Charges* (i).—I would strongly recommend, in the interests of Muhammadan education, that the question of appointing a Muhammadan Inspecting Schoolmaster be reconsidered by the district board.

(ii) It is a matter of great regret that the abolition of many primary schools has had to be decided upon to give effect to the orders of Government. But in view of the fact that the board has proposed a net expenditure on education of 16 per cent. of its estimated income from land-cess, I do not press for an increase in the allotment under Grant II.

4. The proposition statement received from the president is herewith submitted.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Maidkur, 21st January 1896, No. 146-S.

Referring to the Bellary District Board budget for 1896–97, I have the honour to state that the allotments therein made for vaccination and sanitation, viz., Rupees 8,180 and Rs. 17,560, respectively, fall short of those sanctioned for the current year by Rs. 600 and Rs. 4,610. The decrease in the case of the former object has not been explained.

2. The sanitary grant which forms 7·8 per cent. of the estimated receipts is far too small for requirements, being especially so under the head "Improvement of water-supply" for which the petty assignment of Rs. 1,350 is made. The need for a very much larger expenditure in this direction is apparent from the fact that the water source is largely that of "step-wells," the contamination of which must occur largely. A sum allotted towards the altering of these wells would be wisely spent. Until this is accomplished, I see no justification for the expenditure of Rs. 5,000 on markets which is proposed under "New works," and I advise this sum be diverted to improvements of existing wells in consultation with the District Sanitary Officer.

3. From Statement VI it is observed that, out of a total allotment of Rs. 13,892 for scavenging establishment, only Rs. 44 will be spent for the benefit of non-union villages.

REVISED ESTIMATE FOR 1895–96.

2. The current receipts and charges are now estimated at Rs. 2,30,170 and Rs. 2,43,250, respectively, against Rs. 2,31,640 and Rs. 2,48,170 anticipated in the sanctioned budget. The decrease in the receipts occurs chiefly under Contributions from Provincial funds on account of education, while that in the Charges appears mainly under Grant II. It is presumed that the additional allotments provided under Grants I and III have been sanctioned by the local boards.

BUDGET ESTIMATE FOR 1896–97.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 2,22,390 against Rs. 2,30,170 in the revised estimate, the decrease being chiefly under Land-cess.

4. *Charges.*—(1) The probable charges are put down at Rs. 2,32,080 against Rs. 2,43,250 in the revised estimate, the decrease occurring chiefly under Grant III.

(2) *Grant I.*—None of the new works provided for in the budget should be undertaken until the plans and estimates for them have been sanctioned by competent authority.

(3) *Grant II.*—The additions to, and alterations in, the educational establishments proposed in the president's letter under this head are sanctioned. The recommendation made in paragraph 3 (i) of the Director's letter read above cannot be approved for want of funds.

(4) *Grant III.*—The provision made for hospitals and dispensaries will be passed, subject to the remarks of the Surgeon-General. The circumstances under which it is proposed to use lanoline paste instead of fresh animal lymph for vaccination should be reported. The Sanitary Commissioner's suggestion in paragraph 2 of his letter read above to divert the provision of Rs. 5,000 made for market improvements to water-supply cannot be approved. The amount provided for scavenging establishments in non-union villages is Rs. 176 and not Rs. 44 as stated in paragraph 3 of his letter. It is observed that out of Rs. 2,835, contribution from taluk boards to union funds, no less than Rs. 1,335, excluding lighting charges, are contributed to the unions of Rayadrug (200), Yemmiganuru (255), Alur (640) and Kautalam (240). The President, District Board, should see whether either the expenditure cannot be reduced in these unions, or the receipts increased so as to do away with the necessity for this contribution which could then be allotted as balance available for expenditure on general purposes. The proposed expenditure on Grant III (*c*) (3) Sanitation, Scavenging Establishments is very large; the president should consider whether it cannot be reduced.

5. *Reserve and Balance.*—The reserve calculated at 10 per cent. of the estimated receipts, excluding those of the endowed institutions, should be Rs. 17,890, but owing to want of funds only Rs. 310 are provided. The budget, as revised by Government, closes with a balance of Rs. 11,540, of which Rs. 4,070 appertain to unions and Rs. 7,470 to endowed institutions, leaving nothing available for general purposes.

It is hoped that the district board will be able to remedy this to some extent in the light of the remarks in paragraph 4 (4) *supra*.

Revised Estimate for 1895-96.

2. The current receipts and charges are now estimated at Rs. 230170 and Rs. 243250 respectively against Rs. 231640 and Rs. 248170 anticipated in the sanctioned budget. The decrease in the receipts occurs chiefly under contributions from Provincial Funds on account of education, while that in the charges appears mainly under Grant II. It is presumed that the additional allotments provided under Grants I and III have been sanctioned by the Local Boards.

Budget Estimate for 1896-97

3. Receipts.— The receipts for the ensuing year are placed at Rs. 222390 against Rs. 230170 in the revised estimate, the decrease being chiefly under land cess.

4. Charges.— (1) The probable charges are put down at Rs. 232080 against Rs. 243250 in the revised estimate

decrease occurring chiefly under Grant III.

(2) Grant I.— None of the new works provided for in the budget should be undertaken until the plans and estimates for them have been sanctioned by competent authority.

(3) Grant II.— The additions to and alterations in the educational establishments proposed in the President's letter under this head, are sanctioned. The recommendation made in para 3(1) of the Director's letter read above cannot be approved for want of funds.

(4) Grant III.— The provision made for hospitals and dispensaries, ~~vaccination and sanitation~~ will be passed, subject to the remarks of the Surgeon General ~~and the Sanitary Commissioner~~.

5. & 6. Reserve and Balance.— The reserve calculated at 10 per cent of

* Vide para 6 of the budget letter under Grant III.

1* The circumstances under which it is proposed to use lanoline paste instead of fresh animal lymph for vaccination should be reported. The Sanitary Commissioner's suggestion in para. 2 of his letter read above to divert the provision of Rs. 5000 made for market improvements to water supply cannot be approved. The amount provided for scavenging establishments in non-union villages is Rs. 176 and not Rs. 44 as stated in para. 3 of his letter.

It is observed that out of Rs 2835, contribution from the Bds to Union funds, no less than Rs 1335, excluding lighting charges, are contributed to the Unions of Rayadrug (200) Gooty Tarpatri (253), Alur (640) & Kanakanahalli (240). The President, DC Bd., should see whether either the expenditure cannot be reduced in these unions, or the receipts increased, so as to do away with the necessity for this contribution from Taluk Board funds, which could be [illegible] Balance of the Taluk Fund.

Grant III (3) Sanitation, Scavenging establishments is very large, being in excess of that for garden, especially of the San. Commr. should consider whether it cannot be reduced.

of the estimated receipts, excluding those of the endowed institutions should be Rs. 21530 (17890 + 3640), but owing to want of funds only Rs. 310 are provided. The budget as revised by Government closes with a balance of Rs. 11540, of which Rs. 4070 appertain to Unions and Rs. 7470 to endowed institutions, leaving nothing available for general purposes.

VN 22/1/96 WBD 23.1.96 It is hoped that the DC. Bd. will be able to some extent to remedy this in the light of the remarks in para 5(4) supra
