Most Respectfully sheweth:-

1. That your appellants are the inha-

2. That their street lies on the
western side of the Town; and is situated on

North by a branch road to the High road.
3. That their street is not close
to the Town, nor makes any inconvenience
to the Town; but it is altogether separated
from

from the town.

4. That the Union Chairman of the place being Musselman formed ill opinion against them, and lately reported President, Taluk Board, Berhampur, to remove their street to another place but received orders negatively.

5. That again the Chairman moved the matter to get their street removed to another place, resolving to have daily market over it.

6. That the President of the District Board favoured, your petitioners with an endorsement No. 3426
28-11-95, that the proposal made by the President, Taluk Board, Berhampur, was approved. (The said endorsement is herewith sent).

7. That your petitioners are too poor to have new houses like their own, in which they now live.

8. That the place on which they now reside is so rocky that the market cannot conveniently be held, and much money will be required for its repairs, but there is a place just opposite to the Lundi-cha Mutt, and it is conveniently fit for the market

market.

9. That when there is no harm whatever to the Town people nor to the Government; to get their street removed to another place, seems unjust and the town people liable to this proposal.

10. That in conclusion your petitioners humbly pray that your honour will graciously be pleased to consider the injustice of the Lower Authorities and give them justice by cancelling the order of the President, District Board, Ganjam; for which act of Charity and Kindness, your petitioners, shall as in duty bound, ever pray.

Petitioners humbly beg to remain

Most Honoured Sir,

Your Most obedient humble servants

Enclosure:-

Proceedings of the President, District Board, Ganjam dated Chatrapur 28th November 1895.

Read petition dated 8th Instant from Haddi

Haddi Niladu &c of Ichapur representing
that their street is neither close to the
Town nor causes any inconvenience to it and
that the Chairman being a Muhammadan
tries to remove it to another place although
it has been in existence for about 700 years
and to establish a market there, and pray-
ing that their case may be reconsidered and
justice be given to them &c.

Read also Berhampur Taluk Board
President's letter No 1608 A. of 19th Instant
stating that the Haddi street is an eyesore
and a nuisance by reason of its pigs and
the habits of its people and the statement
that the street is quite apart from the
Town is false, and that he proposes to
remove it and to build a market there
and that a place in return has been
offered to the Haddies and full compen-
-ation will be paid.

Order No $\frac{34,26}{28-11-95}$
