20. Recd Dis no. $\frac{1628}{800}$ of 31-8-95 from the President, District Board, Godavari stating

that if the Board Consider it necessary
to have a special allowance of Rs 3

sanctioned to the Compound of Yelamaram
Dispensary it may do so with the previous
sanction of the Government.

The District Surgeon's proposal to raise the pay of the Compounder at Yelamaram from Rs 9 to 12 on account of its unhealthy character seems to be reasonable and the Board therefore resolves to obtain the sanction of Government for the increase of pay sought for.

SIR,

In submitting herewith extracts from
the Taluk Board resolutions nos. $\frac{4}{28-6-95}$ & $\frac{20}{14-9-95}$
I have the honor to state that the District
Surgeon recommends a special allowance
of Rs 3 to the Compounder attached to the
Dispensary at Yleswaram on account of
its unhealthy character. The matter has
been referred to the Dispensary Committee
for opinion which supports the recommen-
dation of the District Surgeon. The Taluk
Board therefore sanctions the increase
of pay to the Compounder from Rs 9 to Rs 12.

4/3426/95

I therefore request that the Government will be pleased to accord sanction for the increase of the pay of the Compounder as a special case.

SURGEON-GENERAL WITH THE

To

THE Honorable the Chief Secretary to Government,
Local and Municipal Department

SIR,

With reference to endorsement No. 1696 dated the 29th November 1895 on Local and Municipal Current No. 3426 L, herewith returned as requested, I have the honor to state that there is no objection to the grant of a special allowance of Rs 3/- to the Compounder owing to the unhealthy character of the climate. The President District Board in the latter part of his letter reference on Current No. 7/SB dated the 27th September 1895 recommends an increase of pay instead of a special allowance. This I consider objectionable as a fixed scale of pay has been sanctioned for Compounders and increases are granted subject to completing the prescribed period of service and passing the requisite
