Dear Hewitson.

I have been over the
testimonials & I think the
best man for the Palmyra
Post is R. Everard
No 11. on the list.

I find it more difficult
to select one for the Palmyra
Post, but should be inclined
to try Hardie Lee, No 19.

President Dist: Board

To
The Honble J. P. Price
Chief Secretary to Govt
Madras.

Sir,

In Continuation of my letter dated 2nd Inst Ref
on C.R. 2804/95, I have the honor to report that
the place of Assistant Engineer, Palghat, has
also fallen vacant by the resignation of
Mr. Dado who has been appointed District
Board Engineer, South Canara. Applications
were accordingly called for, for both the
vacancies at Palghat and Tellicherry.
30 applications were received for the former
and 29 for the latter. These were scrutinized
first by Mr. Maylor, the Dist Board & Engineer,
and afterwards by Mr. O'Connell, the Executive
Engineer, West Coast Division. The latter officer
recommended Mr. Everard Supervisor, Public
works department. His proposal for the place of
Assistant Engineer, Palghat, and Mr. Hardi
Lee for the Assistant ^{Engineer} Tellicherry.

Mr. Macfar has however considered that none of the applicants were fit for the appointment at Balghat and recommended Mr. Everard who had applied for the Balghat vacancy for the Assistant Engineer'ship at Tellicherry. Mr. Everard was accordingly asked by Mr. Hewatson to state whether he was willing to accept that appointment. He declined the offer and I beg to recommend ~~Mr. Hardie Lee~~ therefore, for the approval of Government the appointment of Mr. Hardie Lee for the vacant post at Tellicherry in accordance with Mr. Hewatson's instructions for my guidance on Mr. O'Connell's letter of 3rd December herein enclosed for the information of Government.

2. Mr. Hardie Lee kept four terms at "Cooper's Hill" and attended the Madras Engineering College for 2 years and is at present working in his father's (the Sanitary Engineer with the Government of Mysore) office. His application in original is also herewith submitted.

3. As for the appointment at Balghat none of the applicants were, as

remarked above, considered fit and it is therefore proposed to get a new man from England for that vacancy.

I have the honour to be
Sir,

Your most obedient servant
