GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

---

Read—the following paper :—

From C. H. MOUNSEY, Esq., President, District Board, Salem, to the Chief Secretary to Government, dated Salem, 13th December 1895, No. 179-Govt.

I have the honour to submit the consolidated budget of local funds of the Salem district for the year 1896–97 with the following statements :—

(1) Statements subsidiary to the budget estimate, viz., Nos. III-A, III-B, III-C, IV-A, V, VI, VII, VIII, and the statement called for in G.O., No. 1774 L., dated 11th September 1894.

(2) Consolidated revised estimate for 1895–96.

(3) List showing the budget grants for 1895–96 with subsequent additions and deductions.

(4) List showing the fixed establishment.

(5) Map of the district.

Revised Estimate for 1895–96.

2. The year opened with a balance of Rs. 1,08,003, including the balance of Rs. 11,821 under "Debt heads," against the estimate of Rs. 88,330. The increase is due partly to large receipts under "Debt head accounts" and partly to short expenditure under Grant I. Excluding Rs. 53,330 allotted from the district to taluk funds, the total receipts for the year are now estimated at Rs. 3,74,441 against Rs. 3,75,220, and the total charges at Rs. 3,92,994 against Rs. 4,28,080 budgeted. The year is expected to close with a balance of Rs. 89,450, of which Rs. 42,583 will be under district general fund, Rs. 25,932 under taluk general fund, and Rs. 20,935 under union and endowment funds. The transactions of the revised estimate for the several boards are summarized in the following statement :—

| Local Boards. | Opening Balance. | Receipts. | Total. | Expenditure. | Closing Balance. |
|---|---|---|---|---|---|

| Net figures .. | 1,08,003 | 3,74,441 | 4,82,444 | 3,92,994 | 89,450 |

The principal variations between the budget and the revised estimates are explained as follows :—

*Receipts.*

*Cess on Land.*—The income under this head is estimated at Rs. 1,95,720 against Rs. 1,90,350 shown in the budget. Owing to the favourable character of the season, a greater portion of the demand is expected to be collected this year.

*Tolls.*—The increase of Rs. 4,980 is due to keen competition for many of the Local Fund and Municipal toll-gates at the sales for the current year.

*Avenues.*—The income under this head is estimated at Rs. 24,020 against Rs. 47,010 budgeted. The revised figure represents the amount for which the avenues were leased out for the current year. The decrease is reported to be due to the fall in the price of tamarind in the market. It is doubtful whether the decrease is entirely due to this cause, and there is reason to believe that there must have been combination among bidders. Compared with the actuals of 1893–94 the figure now estimated shows a decrease of more than Rs. 18,000. In most of the taluks the avenue leases are now sold by Tahsildars. The Presidents of Taluk Boards will be requested to divide the avenues into convenient sections to admit of small capitalists bidding at sales, and to conduct the sales themselves at a proper time of year.

*Expenditure.*

*Grant I—Tools and Plant.*—During this year tools and plant were purchased for Rs. 4,000, as spreading is now done departmentally as stated in paragraph 21 of the Administration Report for 1894–95.

The other variations between the budget and the revised estimate are explained in statement No. IX. The year closes with a balance of Rs. 89,450 as stated above.

BUDGET ESTIMATE FOR 1896–97.

3. The closing balance of the current year according to the revised estimate, viz., Rs. 89,450, has been brought forward as the opening balance of 1896–97 in the budget.

*Receipts.*

4. *Rates and Taxes—Cess on Land.*—The receipts from cess on land are estimated at Rs. 1,92,830 against Rs. 1,90,350 budgeted for the current year. According to the demand, collection and balance statement appended to the budget, the estimated collections amount to 94·0 per cent. of the demand against 94·8 per cent. budgeted for the current year.

5. *Tolls.*—The income from tolls is estimated at Rs. 40,000 against Rs. 38,040 entered in the current year's budget. Of this sum, Rs. 36,660 are expected from the fifteen toll-gates of the district board, Rs. 30 are estimated to be realized as interest; and Rs. 3,310 are the estimated receipts on account of through traffic tolled by Municipalities of Salem, Tiruppattúr and Vániyambádi. The figures for 1896–97 are adopted with reference to the actuals of 1894–95 and the revised estimate for 1895–96.

6. *House-tax.*—Rs. 28,220 are entered as income under this head against Rs. 27,850, the budget estimate for the current year. The increase is due to better classification of houses in some of the unions.

7. *Education.*—The receipts under this head are estimated at Rs. 22,300 against Rs. 20,220 budgeted for the current year, and they comprise (1) school-fees amounting to Rs. 21,710, (2) sale of books, Rs. 500, and (3) miscellaneous, Rs. 90, being chiefly sale-proceeds of articles manufactured by the carpentry class at Námakkal, and the income from leasing out the compound of the Hosur board school. The increase of Rs. 2,110 under School-fees is due to (1) the opening of new schools, (2) the increased strength in most of the schools, and (3) the proposal of the Taluk Board, Hosur, to adopt in regard to the lower secondary school at Hosur the rates of fees that were in force prior to the 1st January 1895. The President, Taluk Board, Hosur, says that the town Hosur is not a backward locality in point of education and that the Notification No. 97, dated 22nd September 1894, should not therefore be extended to it. He further says that he will make a reference to Government in the matter.

...llavi with reference

8. *Medical.*—The income under this head is due to the realization from the sale of medicines (1) from the Yercaud hospital, Rs. 400, and (2) from the district board reserve stock kept at the District Medical office, Rs. 400. The sum of Rs. 60 shown against "Endowment" represents the assessment from the lands attached to the Royakotta dispensary. The estimated receipts under "Miscellaneous," Rs. 60, are fixed with reference to the actuals of 1894–95.

9. *Interest.*—The sum of Rs. 2,070, expected from Government securities, represents the interest due on (1) the sum of Rs. 5,500 invested on behalf of the Local Fund hospital at Hosur, (2) on the Price vaccination fund of Rs. 10,700, and (3) on the surplus pagoda fund of Rs. 43,000. Rs. 320, shown as interest on arrears of land-cess, are fixed with reference to the revised estimate for the current year. The interest on other items of revenue is shown under the respective heads with reference to the instructions contained in G.O., No. 2784 L., dated 6th November 1891.

10. *Miscellaneous.*—The receipts under this head are estimated at Rs. 70,470 against Rs. 80,420 in the current year's budget. The principal variations are explained below:—

(1) *Contribution from Private Individuals.*—Rs. 1,200 are expected to be realized under this head against Rs. 1,000 shown in the current year's budget. The increase occurs under the Tiruppattúr Taluk Board. The sanitary establishments of Alangayam, Kunnattur, Papireddipatti and Uttangarai were till recently under private management, and the amount of contribution realized from the public and that paid from local funds were held in Postal Savings Bank deposit, and payments were made therefrom. The President, Taluk Board, Tiruppattúr, says that owing to the difficulty experienced in placing the receipts in Savings Bank deposit, the taluk board has resolved to take the management of these sanitary establishments into its own hands. By this arrangement the contributions from private individuals will be credited to local funds and payments to the sanitary establishment will be made directly by the board.

(2) *Market Rents.*—Rs. 14,900 are estimated under this head against Rs. 13,730 in the current year's budget. The increase is due to the favourable character of the season and to the proposed extension of the fee system to the market at Taramangalam under the Salem Taluk Board with effect from 1st April 1896.

(3) *Bungalow Fees.*—The receipts under this head are fixed with reference to the actuals of 1894–95.

(4) *Fees and Fines.*—The Presidents of taluk boards consider that a large collection will be made under the Town Nuisance Act.

(5) *Fishery Rents.*—Increase is due to the favourable character of the season.

(6) *Avenues.*—The receipts under this head are estimated at Rs. 34,800 against Rs. 46,950 budgeted for the current year. The estimate for 1896–97 is fixed with reference to the revised estimate for the current year and the actuals of 1894–95.

11. *Public Works.*—The Tiruppattúr Taluk Board has resolved to construct a bungalow within the municipal limits of Vániyambádi at a cost of Rs. 2,750 and the work will be put in hand before the end of the current year; Rs. 400 promised by the Vániyambádi Municipal Council towards the construction of the bungalow is taken credit for in the budget for 1896–97. Rs. 200 are expected to be realized as fishery rents on works under the supervision of the Public Works department.

12. *Contribution from Provincial—Education—Schools.*—The estimate for 1896–97 is fixed at Rs. 9,550 against Rs. 10,025 budgeted for the current year. The figure for 1896–97 is based on the actuals of previous years.

*Building.*—One-third of the sum of Rs. 2,000 proposed to be spent during the next year on the construction of school-buildings at Sendamangalam and Atur, viz., Rs. 660, has been taken credit for under this head.

*Choultries.*—The usual allowance of Rs. 1,750 for the Thoppur chattram fund utilized for maintaining the chattrams at Thoppur, Suramangalam, Jolarpet and Morappur is repeated here. The fund is now under the management of the district board, and the sanction of Government ordered to be obtained in G.O., No. 404 L., dated 5th March 1895, has been applied for through the Board of Revenue.

13. The total receipts, excluding allotment from district to taluk funds, amount to Rs. 3,70,080, which with the opening balance amount to Rs. 4,59,530 as detailed below :—

| | Rs. |
|---|---|
| District Board .. .. .. .. .. .. .. | |
| Salem Taluk Board .. .. .. .. .. .. .. | 2,02,770 |
| Námakkal do. .. .. .. .. .. .. .. | 73,320 |
| Hosur do .. .. .. .. .. .. .. | 74,400 |
| Tiruppattúr do. .. .. .. .. .. .. .. | 71,290 |
| | 37,750 |
| Total .. | 4,59,530 |

*Expenditure.*

14. *Grant I—New Works—Communications.*—Rs. 1,500 are provided for constructing a bridge over a jungle stream in the 3rd mile, 8th furlong on the Harur-Mukkanoor road *viâ* Morappur, and Rs. 250 are provided for constructing a road from Kauveri station to Pallipalayam-Tiruchengódu road joining it on the southern side of the railway line. The latter provision is made with reference to G.O., Mis. No. 2348 L., dated 4th December 1895. It is proposed to construct bridges on the Denkanikota-Kelamangalam road and Tiruppattúr-Vengalapuram road. But as the cost of these works is not known nothing is provided in the budget. But the works will be started next year after necessary sanction.

15. *Civil Buildings.*—Rs. 11,000 are allotted for the following works :—

| | | | Rs. |
|---|---|---|---|
| 1. | Constructing a dispensary building at Thalli .. .. .. | | |
| 2. | Do. do. at Sendamangalam .. .. | | 1,500 |
| 3. | Do. do. at Omalur .. .. .. | | 1,500 |
| 4. | Do. do. at Thammampatti .. .. | | 1,500 |
| 5. | Do. a building for the overseer's office at Krishnagiri .. | | 1,500 |
| 6. | Do. a school building at Sendamangalam .. .. | | 1,000 |
| 7. | Do. a do. at Atur for Muhammadans .. | | 1,000 |
| 8. | Do. a building for the overseer's office at Harur .. | | 1,000 |
| 9. | Do. a chattram at Rasipuram .. .. .. .. | | 1,000 |
| | | Total .. | 1,000 |
| | | | 11,000 |

All these works, except the last three, were provided for in the current year's budget, but as they cannot be undertaken this year, they are provided for in the next budget. The plans for the construction of the dispensary buildings are under revision in accordance with the instructions given by the Sanitary Board. The sites required for the construction of an overseer's office at Krishnagiri and of a school-house at Sendamangalam are being acquired. Owing to the difficulty in securing a site for constructing an overseer's office at Salem, the provision made for the work in the current year's budget will be utilized in the next year in constructing an overseer's office at Harur. It may be unnecessary to spend the money on the overseer's offices, as at Námakkal, where one was provided for this year, sufficient and good accommodation is already available in the union office. It is also thought now that suitable offices can be provided at a less cost than Rs. 1,000, considering Rs. 1,500 is ample for a dispensary. A sum of Rs. 1,000 is provided for the construction of a building for the Muhammadan school at Atur. It is proposed to construct a chattram at Rasipuram at a cost of Rs. 1,000 from the Thoppur chattram fund. The proposal of the Námakkal Taluk Board to construct a school-house at Andapuram and to improve the dispensary at Tiruchengódu at an aggregate cost of Rs. 2,730 is not provided for want of funds.

16. *Miscellaneous Public Improvements.*—Rs. 11,730 are allotted under this head for the construction of sheds and effecting other improvements in markets.

No sanitary works have been proposed for want of funds.

17. *Repairs—Communications.*—Rs. 1,31,245 are provided for repairs against the allotment of Rs. 1,27,610 for the current year. It is proposed to take the road from Natrampalli to Mothur in the Tiruppur taluk on the list of roads under maintenance grant, and a sum of Rs. 500 is included in the provision made. Rs. 450 are

provided for repairing the road from Kammanellore to Kallavi with reference to G.O., No. 2348 L., Mis., dated 4th December 1895. Last year Rs. 4,975 were specially spent on two roads and one parapet wall. This year Rs. 9,490 is distributed on twenty-five roads excluding the two roads referred to above. The maintenance allowances on thirteen roads have been increased as noted in the margin, and upon four roads have been doubled and upon another four roads have been increased by a lump sum of Rs. 3,275 excluding Rs. 865 provided for the first time for special repairs of another four roads. The provision for the improvement of roads in some of the unions has been increased as compared with current year. The total assignment of Rs. 1,31,245 includes Rs. 800 for town roads, Rs. 1,600 for village roads and Rs. 3,410 for union roads. Rs. 1,325 are intended to be utilised from market funds for the maintenance of the following feeder roads :—

From Rs. 125 to Rs. 150 on one road,

| | | | Grand Total .. | 1,325 |

The total provision under Communications including allotments under New works is Rs. 1,32,995. But including the proposed expenditure on the construction of two bridges referred to in paragraph 14 *supra*, the total expenditure is expected to be more than the limit fixed in G.O., No. 1686, dated 14th September 1895.

18. *Civil Buildings.*—Rs. 4,950 are provided under this head against Rs. 4,550 in the current year.

19. *Miscellaneous Public Improvements.*—Rs. 6,100 are assigned for the upkeep of avenues and Rs. 4,250 for repairs of sheds in markets, against Rs. 7,000 and Rs. 5,990, respectively, in the current year. Rs. 500 provided by the Taluk Board, Námakkal, for the repairs of sheds in the Námakkal market, have been struck out to prevent the market fund having a deficit.

20. *Local Fund Engineering Establishment.*—Rs. 22,710 are allotted for the pay of the Local Fund Engineering establishment, as detailed below, against Rs. 21,610 provided in the current year's budget. The allotment for 1896-97 provides (1) for the establishment as revised in G.O., No. 870 L., Mis., dated 16th May 1895, and G.O., No. 1255 L., Mis., dated 18th July 1895, (2) for the payment of salary due to the bridge watcher of Cauvery, (3) for the entertainment of two clerks on Rs. 17-8-0 for each of the personal assistants and a muchi on Rs. 8 for the Engineer's office. The bridge watcher was till now paid directly from works. But as he is permanently employed,

the Inspector of Local Fund Accounts considers that the sanction of Government to his entertainment should be applied for. The work of the personal assistants is now confined to check-measuring the works (the work done in other districts by overseers checked as far as possible as is done here by the Engineer), and they are not in any way responsible for the execution of works. It is now proposed to place them in divisional charge which necessitates giving to each of them a clerk on Rs. 17–8–0. It is impossible, it is now thought, for the Engineer to do his department justice when he has the whole district under his direct control. By relieving him of some of his direct charge and giving it to the personal assistants, increased efficiency will be secured. Further at present the personal assistants have no real work to do. They are at hand to check-measure only and prepare estimates (which they have perhaps not been called on as yet to do) when specially called on to do so, but theoretically there should never be occasion for such a service. The fact that there is occasion is merely the proof that the Engineering establishment is undermanned, and the proposed arrangement is, it is believed, the best course to remedy the defect. The matter has been gone into carefully in lengthy consultations. I am sanguine that in the course of two or three years when the defects of the roads noticed in G.O., No. 1642 L. and M., of 7th September 1895, reviewing the Administration Report for 1894–95, are remedied, the services of one assistant will be sufficient. The Engineer says that the services of a muchi is indispensably required in his office. I request that Government will be pleased to sanction the proposals now made.

* The overseer on Rs. 80 per mensem is looking for employment elsewhere, if he gets it he will be replaced by one on Rs. 70 which should be quite sufficient as he will work directly under the District Board Engineer.

Mis., dated 21st June 1894. The Engineer's request to allow him a duffadar on Rs. 8 is not adopted as unnecessary.

21. *Tools and Plant.*—Rs. 1,500 are provided under this head against Rs. 1,000 budgeted for the current year. The increase is required for the purchase of scientific instruments for the Engineer. He states that they are absolutely necessary; the bill for repairs of the existing ones will be for a few hundred rupees.

From the provision made under Contingencies it is proposed to purchase copies of Forrest's Hand-book of Gymnastics for distribution to the inspecting schoolmasters. The proposal of the educational officers to grade the pay of the inspecting schoolmasters ranging from Rs. 25 to Rs. 40 has not been taken up for want of funds. Their proposal to divide the Salem and Námakkal taluks, which are at present in charge of two Hindu inspecting schoolmasters, into three parts and to place them in charge of three Hindu inspecting schoolmasters, is not adopted as unnecessary. The request of the inspecting schoolmaster of Muhammadan schools that his pay may be raised from Rs. 25 to Rs. 30 will be considered when there is any vacancy.

25. *Sessional Schools.*—A sum of Rs. 1,200 is provided, as in the current year, for maintaining a school throughout the year as detailed below :—

| | Rs. |
|---|---|
| Pay of a master on Rs. 20 for one year | 240 |
| Stipends for sixty students, at Rs. 5 each per mensem, tenable for three months | 900 |
| Rent and miscellaneous charges | 60 |
| Total | 1,200 |

The proposal is to hold three schools at different centres for a period of three to four months attended by twenty students.

As usual provision has been made for sending two Muhammadan students for training in Madras.

26. *Secondary Schools on Salary System.*—Rs. 13,420 are provided under this head against Rs. 11,990 in the current year. It is proposed by the Taluk Board, Hosur, to abolish the scavengers attached to the secondary schools of Hosur, Dharmapuri and Krishnagiri and to leave the scavengering work to the sanitary establishment of the respective unions. As this proposal is unobjectionable and also economical, it is extended to the schools of Námakkal and Tiruchengódu. The services of the watcher attached to the secondary school at Krishnagiri will be dispensed with as unnecessary. A drawing master on Rs. 20 will be entertained for the Námakkal school, as the school promises to be self-supporting. The proposal of the Námakkal Taluk Board to open III Form in the secondary school at Tiruchengódu is accepted. It is likely to reduce the net cost of the school. During the current year the attention of the President, Taluk Board, Salem, was called to the enormous expenditure incurred by the board on account of the secondary school at Rasipuram (salary-result system), and he was requested to take steps to have the net cost of the school reduced as much as possible. He now reports, at the instance of the educational officers, that if the school is placed on the salary system and III Form opened, the net cost of the school will be reduced. The proposal will be accepted as a tentative measure. If the net cost of the school continues to be heavy, the secondary department will be closed. The following scales of establishment are proposed for the schools at Tiruchengódu and Rasipuram:—

*Tiruchengodu School.*

27. *Secondary Schools on Salary-result System.*—Rs. 3,920 are provided under this head against Rs. 4,480 entered in the current year's budget. The school at Rasipuram will be placed on the salary system as stated in paragraph 26 *supra*. During the year the secondary school at Uttankarai has been reduced to the primary grade owing to poor strength and the primary school at Harur has been raised to the secondary grade. The increase in the cost of establishment of the Harur school is counterbalanced by the corresponding decrease under the Uttankarai school. The proposal of the Salem Taluk Board to raise the Muhammadan upper primary school at Atur to the secondary grade is accepted both on its merits and as an incentive to the

leading members of the Muhammadan community elsewhere in the district. The proposal of the Námakkal Taluk Board to open III Form in the secondary school at Sendamangalam and to place it on salary system is not adopted as the average daily attendance of the school is only 70. The pay of the headmaster of the Denkanikota school will be raised from Rs. 16 to Rs. 20 as the present pay is too low.

28. *Primary Schools on Salary System.*—There are no schools in this district under this system. But in accordance with the recommendation of the educational officers, the primary school at Námakkal will be placed under this system. The average attendance of the school is 151. The scale of establishment will be as shown below:—

| | Rs. |
|---|---|
| Headmaster .. .. .. .. .. .. .. .. | 20 |
| First Assistant .. .. .. .. .. .. .. .. | 15 |
| Second do. .. .. .. .. .. .. .. .. | 10 |

| Sixth do. .. .. .. .. .. .. .. .. | 5 |

| Total .. | 74 |

29. *Primary Schools on Salary-result System.*—The total provision under this head is Rs. 42,060 against Rs. 43,740 in the current year's budget. The difference is due to the following:—

*Salem Taluk Board.*—The proposal of the Salem Taluk Board to open a Muhammadan school at Thammampatti and a Pariah school at Mallikondam is accepted. But the proposal of the same board to open a Muhammadan school at the Pensioner's lines near the limits of the Salem Municipality is not accepted. If a school is really wanted at this place the matter should be brought to the notice of the Salem Municipal Council. The Muhammadan upper primary school at Atur will be raised to the secondary grade as stated in paragraph 27 *supra*. The proposal to open Hindu schools at Kandayampally, Bommayampatti, and Pagalpatti is not accepted for want of funds. If schools in these villages are really necessary, the schools at Vellalapatti, Karuppur and Othiathúr, which have an average daily attendance of only 12, 12 and 16, respectively, should be transferred to them. The schools at Navakurichi and Keeripatty have been transferred on account of their poor strength to Ayilpatti and Devikurichi respectively. The establishments attached to the primary schools at Gangavalli, Thadavur, Naduvalur, Mullukurichi, Neermullikuttai, Panamarathupatty, Chendarapatty, Aragalur and Narasingapuram are revised without any additional cost to the board. The proposal of the taluk board to revise the establishment of some of the remaining schools is not taken up for want of funds.

*Námakkal Taluk Board.*—The primary school at Námakkal will be placed on salary system as stated in paragraph 28 *supra*. It is proposed to open a school at Vallavandi Nad on the Kollimalai hills for the education of the Malayali students. The pay of the gymnastic instructor of the Sunkeri school is raised from Rs. 8 to Rs. 10, as he has to attend the school at Komarapalayam. The establishments attached to the primary schools at Mathugapatti, Thathiengarpett, Pudupatti, Kapilamalai, Komarapalaiyam and Edappady are revised without any additional cost to the board, and the servant attached to the Komarapalaiyam night school will be removed. The proposal of the taluk board, at the instance of the educational officers, to revise the establishment of some of the remaining schools is not accepted for want of funds.

The President, Taluk Board, Námakkal, will be requested to have the schools which have a strength of less than twenty students and which are not intended for backward and indigent classes or are not situated in backward localities, transferred to other localities as remarked by the Director unless there is improvement in their strength.

*Hosur Taluk Board.*—The Panchama school at Natrampalli is transferred on account of its poor strength to Barur.

The establishments attached to all the schools, except those noted in the margin, are revised with reference to their present strength. The revision shows a net decrease of Rs. 108.

*Tiruppattúr Taluk Board.*—As stated in paragraph 27 *supra*, the school at Harur has been raised to the secondary grade and the school at Uttankarai has been reduced to the primary grade.

It is proposed to open a Muhammadan school at Jolarpet and a Muhammadan and a Pariah school at Harur.

The proposal to open a Pariah school at Mallapuram, and a Hindustani school at Singarpett and Kallani, and a Hindu school at Chintalpady is not accepted.

The pay of the gymnastic instructor of the Alangayam school will be raised from Rs. 10 to Rs. 12, as he has to attend more than five schools. The school at Byrnayakamatti has been transferred on account of poor strength to Mampatti.

The President, Taluk Board, Tiruppattúr, will be requested to transfer the schools at Kandali and Natham to some other villages if no improvement is shown in their strength. Provision is made for an additional teacher on Rs. 6 for each of the schools at Natrampalli and Kadatur and the Hindustani school at Alangayam. The revision of establishment of the some of the remaining primary schools is not taken up for want of funds.

*Result Grants.*—Rs. 8,710 are provided under the head against Rs. 9,910 in the current year's budget; as suggested by the Educational department no individual distribution of the allotment is made in statement IV.

30. *Grant-in-aid—Result Grants.*—The current year's figures are repeated. Maximum rates will be allowed for all lower primary schools.

31. The total assignment for education under Grant II amounts to Rs. 75,020 against Rs. 74,880 budgeted for the current year, and including Rs. 3,500 provided under Grant I for construction and repairs of school buildings, the total allotment for education exceeds the receipts by Rs. 13,872. Including one-sixth of land-cess generally made available for education, the educational receipts are estimated as under:—

| | Rs. |
|---|---|
| One-sixth of land-cess .. .. .. .. .. .. .. .. | 32,138 |
| School-fees .. .. .. .. .. .. .. .. | 21,710 |
| Sale of books .. .. .. .. .. .. .. .. | 500 |
| Provincial grants .. .. .. .. .. .. .. .. | 10,210 |
| Miscellaneous .. .. .. .. .. .. .. .. | 90 |
| Total .. | 64,648 |

32. *Grant III—Medical Services—Hospitals and Dispensaries—Medical Subordinates.*—Rs. 18,370 are provided for the medical subordinates against Rs. 17,570 entered in the current year's budget. The increase is due to the medical subordinate of Sendamangalam having been promoted from the third to the second grade and to the medical subordinates of Thammampatti, Royakotta and Palakode having been replaced during the current year by officers drawing higher rates of pay. Provision is also made for the increment due to Civil Apothecary at Yercaud from the 30th June 1896. The dispensary at Royakotta in the Krishnagiri taluk will be transferred to Velur in the Námakkal taluk, as the daily attendance is not satisfactory. The endowment attached to the Royakotta dispensary will be attached to the Krishnagiri hospital under the Hosur Taluk Board. The proposal to open dispensaries at Valappadi and Pappireddipatti made by the Taluk Boards of Salem and Tiruppattúr,

respectively, and the proposal of the Salem Taluk Board to convert the Rajapuram dispensary into a hospital are not accepted, as the Board is not at present prepared to incur a permanent expenditure of about Rs. 3,000 a year.

*Clerks and Servants.*—Rs. 3,340 are provided under this head against Rs. 3,420 in the current year.

It is proposed to dispense with the services of the female attendant of the Krishnagiri hospital as unnecessary, her place being intended to be taken up partly by the midwife now under training in Madras. The compounder on Rs. 12 attached to the Dharmapuri hospital died during the year and his place is filled up by one drawing Rs. 9. The proposal of the Taluk Boards of Salem and Námakkal to entertain a compounder in the hospitals of Atur and Námakkal, respectively, on Rs. 9 each are disallowed.

*Diet of Patients.*—The increase under this head provides for the proposed conversion of the gosha women's dispensary at Salem into a hospital.

*Medicines and Surgical Apparatus—Supplies.*—The difference under these heads is due to the fact that the medicines, &c., purchased from Messrs. Burgoyne, Burbridge and Co. and other firms are, in accordance with the instructions given by the Accountant-General, charged to "Supplies" and not to "Medicines."

*Midwives and Midwifery Pupils.*—The current year's figure is repeated.

*District Medical Officer's establishment including travelling allowance.*—The current year's figure is repeated. The proposal of the District Medical Officer to raise the pay of his first clerk from Rs. 25 to Rs. 30 is not accepted, as the establishment has been strengthened only in the current year by an additional clerk on Rs. 15.

*House-rent to Hospital Assistants.*—Rs. 445 are provided under this head.

*Contingencies.*—Rs. 3,050 are provided under this head. The Civil Apothecary at Yercaud is paid a house-rent of Rs. 20 a month. The Taluk Board, Salem, proposes to discontinue this allowance from 1st April 1896 in consideration of the provision of a hospital assistant.

*Miscellaneous.*—The provision made under this head is for the purchase of a copy of the *Lancet* and "The Indian Medical Journal."

33. *Vaccination.*—Rs. 10,900 shown in the current year's budget is repeated here:—

(i) *Establishment connected with vaccine operations—*

34. *Sanitation.*—Rs. 32,140 are provided under this head against Rs. 32,520. The decrease is due to (1) the abolition of a tank-watcher in the Krishnagiri union, (2) the revision of the scavengering establishments in the unions of Denkanikota, Palakode and Krishnagiri, (3) to low provisions under "Improvement of water-supply" and "Other sanitary outlay" owing to the favourable character of the season. The sanitary associations of Mallapuram, Mallappadi, Singarapett and Thirthamalai did not work well during this current year, and so no provision is made for the same in the budget. It is proposed to entertain sanitary establishments at Murandhahalli, Shulagiri and Andiappanur, as contribution is expected from the inhabitants of the respective places. The sanitary establishments of Murandhahalli and Shulagiri will be under the management of the local sanitary associations; but the establishment at Andiappanur will, for the reasons stated in paragraph 10 *supra*, be under the supervision of the taluk board. The proposal of the Salem Taluk Board to entertain sanitary establishments in twelve villages at an annual cost of Rs. 1,050 is not accepted for want of funds. With reference to G.O., No. 1791 L., dated 30th September 1895, it is submitted that special establishments for removing fœcal matters are entertained in all the unions under the Námakkal Taluk Board and in the towns of Hosur, Denkanikota, Atur, Rasipuram, Sankaridrug, Komarapalayam, Suramangalam and Panamarathupatti. In Dharmapuri and Krishnagiri fœcal matters are removed by the ordinary establishment. In other places the work of the sanitary establishment is confined only to the removal of rubbish.

35. *Markets.*—The increase under this head provides for the assessment for the sites of some of the markets under the Hosur Taluk Board.

*Choultries.*—It is proposed to entertain a watcher on Rs. 3 for the Dharmapuri chattram, a watcher on Rs. 5 for the Hogayanakkal chattram, and a watcher on Rs. 4 and a sweeper on Rs. 1-8-0 for the Tiruppattúr chattram, and sweepers on 1 rupee and 8 annas for the chattrams at Uthamasholapuram and Pallipatti respectively.

*Public Bungalows.*—The services of the sweeper attached to the Hosur bungalow will be dispensed with. It is proposed to entertain an establishmeut at a cost of Rs. 18 a year for the bungalow at Dharmapuri.

The proposal of the Námakkal Taluk Board to entertain a watcher on Rs. 4 for the Námakkal bungalow is disallowed.

*Contribution.*—The actuals 1894-95 under Contribution to "Sanitary inspection" and reserve medical staff have been adopted for 1896-97. The contributions due to the Salem Municipality and the District Board, Coimbatore, have been repeated from the current year's budget. In addition to the usual contribution of Rs. 1,050 due to the Municipalities of Tiruppattúr and Vániyambádi, the Tiruppatúr Taluk Board proposes to make a contribution of Rs. 2,250 towards the construction of a hospital at Vániyambádi.

*Miscellaneous.*—Rs. 3,220 are provided under this head against Rs. 3,080 in the current year's budget. The increase is intended to provide for the lighting of some of the newly constituted unions and of the towns of Paramathi and Sankaridrug. The Námakkal Taluk Board wants Rs. 1,350 for putting up lights in the unions of Námakkal, Tiruchengódu and Sendamangalam. But as this amount is very large considering the expenditure in other parts of the district (*vide* paragraph 57 of the District Administration Report for 1894-95), it is reduced to Rs. 900, and the President, Taluk Board, Námakkal, will be requested to restrict the expenditure to the allotment now made by reducing the establishment and by other economical arrangements.

39. *Grant IV—Controlling Establishment at the Presidency.*—Rs. 2,390, calculated at ·62 per cent. of the receipts, are provided under this head as per G.O., No. 2190 L., dated 19th November 1895.

*Printing work done at Government Press.*—Rs. 800 are provided under this head with reference to the revised estimate for the current year.

40. *Establishment in the Collector's Office.*—The current year's provision of Rs. 2,830 is repeated. Rs. 1,650, being the cost of audit establishment, are included in the provision made.

41. *Local Board's Establishment.*—The decrease is due to the revision of the establishments of Pennagaram, Palacode and Kaveripatnam unions and the conversion of the peon's place in the Karimangalam union into that of a maistry and bill-collector. The proposal of the Námakkal Taluk Board to raise the pay of the union clerks of Sendamangalam, Thathiengarpett and Tiruchengódu in excess the scale fixed in G.O., No. 1091 L. F., dated 6th September 1886, is not accepted. The proposal of the same board to entertain a gumastah on Rs. 15 and one on Rs. 10 for the taluk offices of Námakkal and Tiruchengódu, respectively, is not accepted. The proposal of the Tiruppattúr Taluk Board to convert the peon of the Taluk Board office on Rs. 5 into an attender on Rs. 8 is approved. It is proposed to entertain a bill-collector on Rs. 5 for the Atur union.

*Miscellaneous.*—The provision under this head includes the cost of the following books and periodicals:—

*District Board.*

(1) A copy of the "Salem District Gazette."
(2) A copy of "Madras Educational Journal."
(3) Correction Slips for Civil Account Code and Civil Service Regulations.
(4) One copy of the Revised Educational Calendar and Directory, if published.

*Salem Taluk Board.*

(1) One copy of "Indian Journal of Education."
(2) One copy of Civil Account Code, with Correction Slips.
(3) One copy of Census List for the district for 1891.

*Hosur Taluk Board.*

(1) One copy of the "Salem District Gazette."
(2) One copy of Civil Account Code, with Correction Slips.
(3) One Ready Reckoner.

45. A copy of the resolution of the district board passing the budget and the necessary proposition statements are herein enclosed.

---

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated 28th December 1895, No. 36-S.

I have the honour to report that the Salem district board estimates its expenditure on vaccination and sanitation during 1896–97 at Rs. 10,900 and Rs. 32,140, respectively. The allotment for the first-named object is but a repetition of the figure entered in the current budget and may be accepted. With regard to the latter, which shows a slight decrease in comparison with the grant for 1895–96, I am of opinion that the subject of improving water-supply, on which special stress was laid by Government in paragraph 5 of G.O., No. 1642 L., dated 7th September 1895, has not received at the hands of the local authorities the attention it merits. I would therefore advise the district board that this part of its budget be reconsidered, invoking, if need be, the aid of the District Sanitary Officer in the selection of works. Numerous "step-wells" exist in this district. By expenditure on them, sufficient to convert them into draw-wells, a considerable grade of sanitary protection could be acquired.

2. No extracts from Statements I-A and I-B have been furnished to me, and in consequence I am not able to ascertain what proportion of the available resources has been assigned for sanitation—one of the main objects of my review being thus frustrated.

3. From paragraph 16 of the budget letter, it is observed that no sanitary works will be undertaken next year. There is certainly plenty of room for efforts in this direction, and it seems to me an unsatisfactory state of affairs that a district board having an income of Rs. 4,85,465,* and interests of a population of 1,862,544 to subserve, should not have thought it necessary to curtail expenditure in other directions rather than, having allotted funds elsewhere, have found it necessary to say that *nothing* can be given for sanitary improvements.

* According to the figures for 1894–95, the estimated receipts for 1895–96 not being stated, *vide* paragraph 2 *supra*.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 17th January 1896, No. 379.

I have the honour to submit the following remarks on the educational portion of the budget estimate of the Salem district board for 1896–97.

2. *Receipts.*—Credit is taken for a grant of Rs. 9,550 from provincial funds. In view of the facts that, in the case of the high schools at Hosur and Námakkal, the estimated receipts exceed the charges, and that the department is unable to sanction new and increased salary grants, the estimate should be reduced by Rs. 620, the increased grant entered for secondary schools.

3. *Charges.*—The net expenditure on education, viz., Rs. 43,790 (75,020 — 31,230), is about 23 per cent. of the estimated income from land-cess, regarding which no information is to be found in the budget papers sent to this office, except that given at the end of paragraph 31 of the budget report, where one-sixth of the land-cess is fixed at Rs. 32,138. As this percentage seems rather high, I would recommend that the board be requested to take early steps to reduce the net cost of those secondary schools that are not self-supporting and to abolish those primary schools at which the attendance is below twenty or which are not needed in the localities.

## Revised Estimate for 1895–96.

2. The current receipts and charges are now estimated at Rs. 3,74,440 and Rs. 3,92,990, respectively, against Rs. 3,75,220 and Rs. 4,28,080 in the sanctioned budget. There are satisfactory increases in the receipts under the land-cess and from tolls, but these are more than counterbalanced by the serious decline in the income from avenues. The decrease in the charges occurs chiefly under Grants I and III and the reserve. The short expenditure under Grant I is not satisfactorily explained. It is presumed that the additional allotments provided under some of the heads have since been sanctioned by competent authority.

## Budget Estimate for 1896–97.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 3,70,080 against Rs. 3,74,440 in the revised estimate, the decrease under land-cess, tolls and miscellaneous debt accounts being partly counterbalanced by an increase under avenues and school-fees. The extension of the fee system to the market at Taramangalam, proposed in paragraph 10 (2) of the President's letter, is approved. With reference to paragraph 2 of the Director's letter read above, the contribution from provincial funds on account of education will be reduced by Rs. 620.

4. *Charges.*—(1) The probable charges are put down at Rs. 4,28,740, against Rs. 3,92,990 in the revised estimate, the increase being mostly under Grants I and III and the reserve.

(2) *Grant I.*—The additions to the local fund engineering establishment, proposed in paragraph 20 of the President's letter, are sanctioned. As the Sanitary Commissioner points out in paragraph 3 of his letter read above, it is very unsatisfactory that no provision is made from this grant for sanitary improvements. This is a serious defect. If during the year funds should become available, the board should devote them to carrying out some of the sanitary works which the district requires.

(3) *Grant II.*—The proposals of the taluk boards to revise the establishments of the secondary schools at Tiruchengódu and Rasipuram, referred to in paragraph 26 of the President's letter, are sanctioned, with the hope that their net cost will thereby be reduced. The entertainment of a drawing master on Rs. 20 in the Námakkal high school proposed in paragraph 26 cannot be approved, in view of the high percentage (33·6) of expenditure on education to receipts under the Námakkal Taluk Board. For the same reason the opening of a primary school at Vallavandinad for Malayalis must be deferred. But the district board will consider whether reductions cannot be made in the educational grant in other directions which will provide the necessary funds for so desirable an object. The revision of the establishments of the primary schools at Harur and Atur (Muhammadan), the increase in the pay of the headmaster of the lower secondary school at Denkanikota, and the entertainment of an additional teacher on Rs. 6 in each of the primary schools at Natrampalli, Kadatur and Alangayam (Muhammadan) proposed in paragraphs 27 and 29 cannot be sanctioned, as the Government is not satisfied of their necessity. With these exceptions, the additions to, and alterations in, the educational establishments proposed in paragraphs 26 to 29 are sanctioned. The Director's suggestions in paragraph 3 of his letter will be referred to the taluk boards concerned for consideration and report.

(4) *Grant III.*—The remarks of the Surgeon-General on the provision for medical services will be awaited. Meanwhile, in the circumstances explained, the proposal to abolish the post of female attendant in the Krishnagiri hospital is approved. The proposition statements relating to the sanitary establishments required in Anddappanur, Alangayam, Kunnattur, Papireddipatti and Uttangarai are sanctioned; but the work of the sweepers in these villages, as well as in the places referred to at the end of paragraph 34 of the President's letter, should be chiefly confined to the removal of fœcal matter and not merely ordinary rubbish. With reference to the remarks in paragraph 1 of the Sanitary Commissioner's letter, it is observed that the taluk boards have already allotted a fair share (13 per cent.) of their receipts for expenditure on sanitation. The omission referred to in paragraph 2 of his letter should not be allowed to recur. The additions to, and alteration in, the choultry and bungalow establishments referred to in paragraph 35 of the President's letter are sanctioned. The proposed contribution of Rs. 2,250 to the municipal council of Vániyambádi towards the construction of a hospital is approved. The provision made for lighting the towns of Paramathi and Sankaridrug and the unions of Thathiengarpet, Morupatti, Mohanur, Nanjai-Edayar, Velur, Vengarai, Podanur, Edappadi and Harur will be struck out as being for the present unnecessary, and that for lighting the Hosur union will be reduced by Rs. 50, so as not to exceed the current year's figure, a corresponding reduction being made in the allotments from taluk to union funds.

(5) *Grant IV.*—The entertainment of an attender on Rs. 8 in lieu of a peon on Rs. 5 in the Tiruppattúr Taluk Board's office is sanctioned.

(1). Please see G.O. No. 2992 L dt/20-11-90, put up, in which it was laid down that, as far as possible, the expenditure of local bodies should be concentrated on

-on primary education and that until it is shown that primary education has been satisfactorily provided for, the provision of technical education would be premature.

(2) The cost of this school would be very high as a teacher on Rs. 20 per mensum is proposed. Please see pages of the Proposition statement.

(3). It does not seem to be possible to make reductions anywhere else under this Taluk Board.

## Revised Estimate for 1895-96

2. The current receipts and charges are now estimated at Rs. 3,74,440 and Rs. 3,92,990, respectively, against Rs. 3,75,220 and Rs. 4,28,080 in the sanctioned budget. The decrease in the charges occurs chiefly under Grants I and III and the Reserve. It is presumed that the additional allotments provided under some of the heads have since been sanctioned by competent authority.

There are satisfactory increases in the receipts under the land cess & from tolls, but these are more than counterbalanced by the decline of Rs. 22000 in the income from avenues.

The short expenditure under Grant I is not satisfactorily explained

## Budget Estimate for 1896-97

3. Receipts. The receipts for the ensuing year are placed at Rs. 3,70,080 against Rs. 3,74,440 in the revised estimate, the decrease, which appears mainly under land cess, tolls and miscellaneous debt accounts, being

partly counterbalanced by an increase under avenues and school - fees. The extension of the fee system to the market at Taramangalam, proposed in para: 10 (2) of the President's letter, is approved. With reference to para: 2 of the Director's letter read above, the contribution from Provincial funds on account of Education will be reduced by Rs. 620

4. Charges. (1) The probable charges are put down at Rs. 4,28,740, against Rs. 3,92,990 in the revised estimate, the increase being mostly under Grants I and III and the Reserve.

(2) Grant I. The additions to the Local Fund Engineering establishment, proposed in para: 20 of the President's letter are sanctioned.

(3) Grant II. The proposals of

of the Taluk Boards to revise the establishments of the secondary schools at Tiruchengodu and Rasipuram, ~~except the abolition of the scavenger in the former~~, referred to in para: 26 of the President's letter, are ~~cannot be~~ sanctioned, ~~as they involve an additional expenditure of Rs. 17 and Rs. 168 respectively, per annum. Steps should be taken to reduce~~ with the hope that their net cost will thereby be reduced. ~~of these schools~~. The entertainment of a drawing master on Rs. 20 in the Namakkal High school ~~and the opening of a primary school at Vallavanthi Hos for Anatalai~~, proposed in paras: 26 ~~and 29~~ cannot be approved, in view of the high percentage (33.6) of the expenditure on education to the receipts under the

See the Sanc. Const. points out in para 3 of his letter read above it is very unsatisfactory that no provision is made for sanitary improvements from this grant. This is a serious defect. If during the year funds shd. become available, the Bd. should devote them to carrying some of the sanitary works which the Dt. requires.

the Namakkal Taluk Board.

The revision of the establishments of the primary schools at Harur and Attur (Muhammadan), the increase in the pay of the Head-master of the Lower Secondary school at Denkanikota and the entertainment of an additional teacher on Rs. 6 in each of the primary schools at Natrampalli, Kadatur and Alangayam (Muhammadan) proposed in paras. 27 and 29 cannot be sanctioned, as the Government is not satisfied ~~of~~ as to their necessity. With these exceptions, the additions to and alterations in the educational establishments proposed in paras: 26 to 29 are sanctioned. The Director's suggestions in para: 3 of his letter will be referred to the Taluk Boards concerned for consideration and

For the same reason the opening of a primary school at Valavandi has to be delayed. Malayalis must be defined. But the D. Bd. will consider whether reductions cannot be made in the educational grant in other directions which will provide the necessary funds for so desirable an object

and report.

Grant III. The remarks of the Surgeon-General on the provision for medical services will be awaited. Meanwhile in the circs. explained the proposal to abolish the post of female attendant in the Krishnagiri hospital is approved. The proposition statements relating to the Sanitary establishments required in Andiappanur, Alangayam, Kunnattur, Papireddipatti and Uttankarai are sanctioned; but the work of the sweepers in these villages as well as in the places referred to at the end of para: 34 of the President's letter, should be confined chiefly ~~in~~ the removal of foecal matter and not merely ordinary rubbish ~~as otherwise the money spent upon them is likely to be thrown away~~ With reference

to

to the remarks in paras. 1 and 3 of the Sanitary Commissioner's letter, it is observed that the Taluk Boards have already allotted a fair share (13 per cent) of their receipts for expenditure on Sanitation. The omission referred to in para. 2 of his letter should not be allowed to recur. The additions to and alteration in the choultry and bungalow establishments referred to in para: 35 of the President's letter are sanctioned. The proposed contribution of Rs. 2250 to the Municipal Council of Vaniyambadi towards the construction of a hospital there is approved. The provision made for lighting the towns of Paramathi and Sankaridrug and the unions of Thathiengarpet, Mompatti,

and

Mompatti, Mohanur, Nanjai Edayar, Velur, Venjarai, Podanur, Edappadi and Karur will be struck out as being for the present unnecessary, and that for lighting the Karur union will be reduced by Rs. 50, so as not to exceed the current year's figure, and a corresponding reduction will being made in the allotments from Taluk to Union funds.

Note Vide statt VIII.

(5) Grant IV - The entertainment of an attender on Rs. 8 in lieu of a peon on Rs. 5 in the Tiruppattur Taluk Board's office, is sanctioned.

5. Reserve and Balance - The budget, as revised by Government closes with a balance of Rs. 32,080, of which Rs. 4,300 appertain to

unions and Rs. 8,600 to endow-
-ments, leaving Rs. 19,~~400~~ 180 or
6 per cent of the receipts avail-
-able for general purposes.
