Local and Municipal Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

O R D E R, No.265 L.Mis., dated 8th February 1896.

Referring to paras.2 and 3 of G.O., No.2418 L., dated 12th December 1895, the President will explain at the earliest possible date the enormous expenditure on the Ootacamund-Gudalur and Gudalur-Vaitri roads, as compared with the toll revenue derived therefrom.

2. Although labour is dear and the rainfall, to which these roads are exposed, is exceedingly heavy, the expenditure of Rs.300 per mile per annum on a road, which, judging from the tolls collected, carries an average of about 4 carts per diem, in the case of the Gudalur-Vaitri road, seems absolutely inordinate.

3. There may be some explanation other than mismanagement of this, but whatever it may be, the President should submit it as expeditiously as possible.
