To the Chief Secretary to Government, Local and Municipal Department

Sir.

The Local Fund Hospital Assistants at Addanki, Kavigiri,
Kandukur, Gudur, Vaidupet, Salurpet, and Pulkatagiri are
being paid a monthly house rent of Rs 2½, Rs 2, and 1½
as noted in the margin as compensation for free quarters. The
Treasury Deputy Collector in the Audit Department, has now
objected to this charge, being of opinion that the claim of Local
Fund Hospital Assistants to house rent charges is inadmissible
under G.O. No. 1005 L dated 6th June 1894, which restricts the
grant of the allowances only to the Government Hospital
Assistants.

2. In G.O. No. 1005 L dated 6th June 1894 and 154 L dated
24th January 1895, the grant of such compensation not
exceeding Rs 5 a month has been sanctioned to Government

Hospital assistants, and the District Surgeon therefore contends that the above orders do not affect the case of Local Fund Hospital Assistants. On this consideration, a sum of Rs 2½ was provided in the Budget for 1896-97 for house rent to every Local Fund Hospital Assistant.

(3) As however the question is not free from doubt, I have the honor to request instructions in the matter, and if the Local Fund Hospital Assistants should not be allowed house rent, I request that Government will be pleased to accord its sanction for payments already made and those which may be made up to the end of this official year, as it would be very hard to recover the amounts already paid and as it is desirable to give notice to the Hospital Assistants concerned that they will not be allowed house rent from 1st April 1896 in case it should be so decided by Government. The Hospital Assistants locally trained are of inferior calibre to the Government Hospital Assistants. They are serving in their own District and there is, in my opinion, no necessity to give them this allowance, which, even in the case of Government Hospital Assistants is only of recent date.
