GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From A. W. B. HIGGENS, Esq., President, District Board, Tinnevelly, to the Chief Secretary to Government, dated 10th December 1895, Current No. 944.

I have the honour to submit, for the sanction of Government, the consolidated local fund budget of this district for 1896–97, together with the usual subsidiary statements and the revised estimate for 1895–96.

REVISED ESTIMATE OF 1895–96.

2. *Receipts—Opening Balance.*—The figures adopted are those furnished by the Accountant-General in the result statement of the Supplemental treasury account for March 1895. The increase of Rs. 29,350 over the budget estimate under the district board and of Rs. 49,380 under the taluk boards is chiefly due to the non-execution of certain public works (original) and to short expenditure on road maintenance for reasons explained in the administration report of the previous year and Statement No. III that accompanied it (*vide* G.O., No. 1707 L., dated 16th September 1895).

3. *Land Cess.*—The estimate is raised by Rs. 2,000 in anticipation of arrear collections.

4. *Tolls.*—The large increase of Rs. 7,970 over the budget is due to keen competition.

5. *House-tax.*—The increase of Rs. 7,700 is due to the establishment of unions with house-tax in the village of Vasudevanallur under Tinnevelly taluk board, Melaseval under Sérmádévi and Séttúr under Srívilliputtúr taluk boards: *vide* G.Os., No. 647 L., dated 5th April 1895, No. 409 L., dated 6th March 1895, and No. 977 L., dated 5th June 1895, respectively. The revision of the tax in the unions under the Tuticorin taluk board also contributes to the increase.

6. *Contributions from Municipalities.*—Besides the sum of Rs. 60 contributed by the Tuticorin municipality for the services of an inspecting schoolmaster, Rs. 40 are expected from the Tinnevelly municipality for the same purpose.

7. *Contributions from Private Individuals*, under medical services, are raised by Rs. 670 in anticipation of the collection of arrears from the Uthumalai estate on account of the dispensary at Virakeralampudur and from the Zamindar of Sivagiri for the institution at Sivagiri.

8. *Medical—Miscellaneous.*—Credit is taken for a sum of Rs. 1,400, being the sale-proceeds of Government promissory notes belonging to the Srívaikuntam hospital and authorized to be sold in G.O., Mis. No. 1523 L., dated 23rd August 1895, for the improvement of the quarters of the medical subordinate in charge of the institution.

9. *Contribution by Private Individuals for purposes other than Education, Medical or Works.*—The decrease of Rs. 210 is due to some of the villages conserved having been constituted unions and to the consequent discontinuance of contribution by the villagers.

10. *Choultry Rents.*—The budget estimate is reduced by Rs. 950 on account of the unfavourable character of the season in the Tuticorin taluk.

11. *Market Rents.*—The increase of Rs. 1,100 is due to competition. The markets are being rendered more attractive by the erection of sheds, &c.

12. *Contributions by Private Individuals for Public Works.*—The increase of Rs. 1,440 is made up of the contributions of Rs. 1,310 promised by the inhabitants of Melapalaiyam and Vannikonendal for the erection of school-houses and of Rs. 130 contributed by the Zamindar of Sivagiri for the construction, for irrigation purposes, of a slab drain across road No. XI, Tenkási-Madura road.

13. *Allotment from the District Fund.*—A sum of Rs. 1,000 was originally allotted in favour of the Tinnevelly taluk board to meet the deficit balance. The board having secured a *plus* balance of Rs. 730, that amount is transferred to the Sérmádévi taluk board which closed with a *minus* balance.

14. The other items follow more or less the figures of the budget and do not call for special remarks.

15. *Charges—Grant I, Public Works.*—The increase of Rs. 43,890 over the budget estimate is chiefly due to subsequent allotments from the reserve and balance on account of the incomplete works of the preceding year as per details given in Statement No. IX-B.

Original Works—Communications.—The increase of Rs. 6,500 under the district board iucludes the allotments of Rs. 1,320 for diversion of the ramps in road No. III, Palamcottah-Tuticorin road, of Rs. 1,590 for cutting a steep, rocky portion of road No. IV, Palamcottah-Tiruchendúr road, and of Rs. 967 for certain masonry works connected with roads. Rs. 2,620 will, it is hoped, be required for the new Ettiyapuram-Vilatikulam road. The subsequent allotments under taluk boards include the provision for the improvement of a village road (Rs. 1,000), for a bridge across Marudur-Melakal channel (Rs. 1,065), for the extension of the railway feeder road from Tulukapati railway station to Kanniseri (Rs. 1,500), and for the construction of culverts in lieu of road dams on road No. XXVI, Srívilliputtúr-Sáttúr road (Rs. 1,500).

Civil Buildings.—The allotment of Rs. 8,000 provided in the budget for the erection of the technical institute has been surrendered pending the result of the industrial class recently opened in a hired building (*vide* G.O., Mis. No. 1478 L., dated 17th August 1895). The increase under taluk boards is chiefly due to the allotments for the construction of a low-caste chattram at Kurukusalai (Rs. 1,215), a dispensary at Tirukurungudi (Rs. 1,100), and a school-house at Sérmádévi (Rs. 1,000). The budget provision of Rs. 1,000 for the erection of a union office building at Sivakasi is surrendered as no estimate appears to have been framed yet.

Miscellaneous Public Improvements.—The subsequent allotment of Rs. 6,320 under this head includes the provision made for the improvements to markets and for constructing wells and bathing ghâts.

Repairs—Communications.—The increase of Rs. 13,600 is mainly composed of allotments for the repairs of ramps in road No. III, Palamcottah-Tuticorin road, for the maintenance and important renewals of roads and for payment of arrears to contractors and mile-coolies for works executed in the preceding year. It also includes a lump provision of Rs. 4,979 in the revised estimate on account of special repairs and unforeseen expenditure on roads.

Civil Buildings.—The increase under this item is due to subsequent allotments from the reserve for repairs to chattrams, hospitals and dispensaries and school-houses.

Miscellaneous Public Improvements.—The subsequent allotments sanctioned for the repair of chattram irrigation works and drinking-water ponds contribute the bulk of the increase under this head.

Public Works Department—Other Charges.—The charges for the scrutiny of estimates by the Public Works Department are raised with reference to the figures communicated by the Accountant-General.

16. The total estimated expenditure on public works is Rs. 2,28,790, viz., Rupees 2,10,825 by the Local Fund Engineer and Rs. 17,965 by miscellaneous agency. Of this Rs. 56,348 are shown in the treasury account as expenditure up to the end of September 1895, viz., Rs. 54,046 by the Local Fund Engineer and Rs. 2,302 by miscellaneous agency. The charges incurred by the Engineer during the month of September—namely, Rs. 42,238—will appear in the treasury account of October, inasmuch as the figures relating to one month are brought to the account of the succeeding month after they are audited. Accordingly this amount does not appear in the second column of the revised estimate showing expenditure during the first six months of the year. This figure added to Rs. 54,046 shown above raises the total outlay by the Engineer to Rs. 96,284 or 45·7 per cent. of the total allotment, which is only 4·3 per cent. below the normal percentage of expenditure. The expenditure, however, includes a cheque for Rs. 4,892 which was drawn by the Engineer for payment of compensation for the Ettiyapuram-Vilatikulam road, but has not been as yet disbursed to the owners of lands.

17. *Grant II, Education.*—The revised estimate under the grant exceeds the budget by a *net* sum of Rs. 1,340, which is due to increased provision under the following heads :—

		Rs.
(1)	Travelling allowance of inspecting schoolmasters	200
(2)	Miscellaneous and contingencies of the board training school on account of the opening of the industrial class	400
(3)	Salary-result schools, chiefly for result grants	620
(4)	Building and furniture grants	400
(5)	Results grants to aided schools	270
	Total ..	1,890

There is a decrease of Rs. 500 under the head of salaries of masters in the board training school due to the opening of the industrial class only from the middle of August 1895 and of a sum of Rs. 50 under the same head in elementary salary-result schools due to temporary vacancies.

18. *Grant III, Medical, Sanitation and Public and Charitable Institutions.*—The estimate under this grant is Rs. 7,440 higher than the budget. The additional provision under salaries of medical subordinates is due to the increase of Rs. 100 under the Tuticorin taluk board where the pay of the apothecary at Srívaikuntam was raised, he having put in the prescribed period of service. In the scale of establishment sanctioned for the Lady Dufferin Female dispensary, a sweeper on Rs. 5 was sanctioned. As a ward cooly was necessary to attend on the female patients, one on Rs. 4 was appointed instead of the sweeper. A water-woman was also appointed on Rs. 1–8–0, Re. 1 being derived from the savings effected in the pay of the sweeper and As. 8 being additionally sanctioned. A calf peon on a salary of Rs. 5 with fixed monthly travelling allowance of Re. 1 was newly appointed to the Sankaranayinárkóyil batch in the re-distribution of vaccine circles. There is a large total increase of Rs. 6,120 under water-supply, scavengering establishment and other sanitary outlay, which is chiefly due to the additional allotments on account of the unions newly established : *vide* paragraph 5 *supra*. The fluctuations under other minor items are explained in the remark column of Statement No. IX.

19. *Grant IV, Establishment and Miscellaneous.*—The total estimate under this grant exceeds the budget by Rs. 2,000. The increase is chiefly due to the entertainment of establishments and other charges connected with the new unions. In the unions under the Tuticorin taluk board, the house-tax was being collected by munsif maniyams on payment of commission. This system did not work satisfactorily and bill collectors have been entertained in all the unions with an additional cost of Rs. 150. The post of peon on Rs. 6 in the district board office has been converted into an attender on Rs. 8, who is deputed to assist in the issue of cholera medicines from the stock maintained in the district board office. A sweeper on Rs. 5 has been entertained as the office has been removed to a separate building. The provision under travelling allowance of non-official members of the district board is raised by Rs. 100 with

reference to the actuals of the first half-year. A sum of Rs. 240 is provided under Loans—Miscellaneous on account of premium and commission, &c., for the purchase of Government promissory notes to be given to the Ettiyapuram estate in repayment of the loan due to it. A sum of Rs. 200 is provided under refunds of Provident Fund subscriptions.

Under Law charges the budget estimate is raised by Rs. 130. The other items closely follow the budget.

20. The closing balance of the several funds is as shown below :—

Budget Estimate for 1896–97.

21. *Receipts.*—Excluding the opening balance, loans, debt heads and allotments from one fund to another, the total receipts of the district for 1896–97 are estimated at Rs. 4,72,200 against Rs. 4,72,350 of the revised estimate for 1895–96 and Rupees 4,51,100, the actuals of 1894–95.

22. The budget estimate of 1896–97 closely follows the revised estimate of 1895–96 except under the items explained below :—

(*a*) *Cess on Land.*—The estimate is raised by Rs. 2,100 in consideration of arrear collections and the favourable character of the season.

(*b*) *Tolls.*—The estimate is reduced by Rs. 2,700 as it is anticipated that competition may not be as keen as in 1895–96.

(*c*) *House-tax.*—The budget estimate is Rs. 1,370 less than the revised estimate, wherein credit has been taken for a large amount of arrear collections.

(*d*) *Medical—Private Contributions.*—The actual amount promised is shown, and this is Rs. 670 below the revised estimate in which arrear collections are taken into account.

(*e*) *Miscellaneous.*—No sale of Government promissory notes is estimated for, whereas the revised estimate includes Rs. 1,400 from that source.

(*f*) *Choultry Rents.*—The estimate is raised by Rs. 1,140 in expectation of a good crop.

(*g*) *Avenues.*—The estimate is reduced by Rs. 530 in view of the proposed transfer to the Revenue Department of such of the old roads as are not maintained by local boards : *vide* G.O., No. 1812 L., dated 2nd October 1895.

(*h*) *Contribution by Private Individuals on account of Public Works.*—Rs. 10,000 are taken credit for instead of Rs. 7,000 in the preceding year, as the amount payable by the Ettiyapuram estate towards the construction of the road between Ettiyapuram and Vilatikulam, which is in progress.

(*i*) *Contribution from Provincial Funds—Education.*—The salary grants allowed in favour of the teachers of the training and industrial departments of the board training school have been calculated at the rates ($\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$) sanctioned in the preceding year. The increase proposed in the salaries of the head and first assistant masters, as explained in paragraph 29 *infra*, contributes to the increase in the total amount of grant. Credit is taken for a sum of Rs. 250 only on account of furniture grants as communicated by the Director of Public Instruction. In the scheme sanctioned by Government in its order, No. 1973 L., dated 7th September 1889, for the establishment of the technical institute, a half-grant was taken to account for all the teachers except

the assistant carpentry instructor and black-smith instructor, for whom a third grant only was provided. The industrial department having now been started with a strength of twenty-six pupils in the 1st standard, and the rates of stipends having also been raised—*vide* G.O., Mis. No. 1478 L., dated 17th August 1895—it is requested that salary grants from the Provincial funds be sanctioned at the rates shown in the approved scheme. Under building grants, the Tinnevelly taluk board expects to realize a sum of Rs. 1,000 from Provincial funds.

23. *Charges—Grant I, Public Works.*—The expenditure under this grant is estimated at Rs. 2,40,620 against Rs. 2,78,100 of the revised estimate and Rs. 2,17,035, the actuals of 1894–95. The increase in the revised estimate is due to subsequent allotments as explained above.

24. Works for which estimates are not ready and for the execution of which arrangements have not been made have generally been excluded. A few unimportant works, which can probably be executed within the year, have, however, been included in anticipation of the preparation and sanction of estimates.

25. *Original Works—Communications.*—A sum of Rs. 10,000 is provided for the Ettiyapuram–Vilatikulam road which is under construction, and Rs. 9,350 for five other roads shown below, which are not expected to be completed within 1895–96 :—

	Rs.
(1) Road from Arumuganeri salt pans to Kayalpatnam	4,000
(2) Road from Udangudi market to Kulasékarapatnam	3,000
(3) Road from Suganthalai village to meet road No. IV-C., Athur branch	950
(4) Improving the road from road No. VI to the Tambraparni river *viâ* Mela Seval village	400
(5) Extension of the road joining road No. I near Tulukapati Railway station	1,000
Total ..	9,350

Civil Buildings.—Rs. 14,000 are provided for the local fund office building which is in course of construction, Rs. 840 for improvements to the dispensary building at Ottappidáram, Rs. 1,550 for the construction of hospital assistant's quarters in the same station for which estimates have been prepared, Rs. 870 for the Tirukurungudi dispensary building which is under construction, and Rs. 400 for the erection of an office building for the Puliyangudi panchayat.

Miscellaneous Public Improvements.—The estimated expenditure under this head is placed at Rs. 5,700, Rs. 1,000 for drains at Virudupati, Rs. 300 for a slaughter-house at Sáttúr and Rs. 4,400 for the erection of sheds in the markets under the Tinnevelly and Tuticorin taluk boards, where there are large surplus balances to be utilized.

26. *Repairs—Communications.*—The total expenditure under this head is estimated at Rs. 1,40,240, which is made up of Rs. 1,31,800 for ordinary annual repairs, Rs. 7,200 for the execution of important renewals on 11 miles and 440 yards, Rs. 540 for the repairs of a village cart-tract, and Rs. 700 for the re-gravelling of streets in unions. The ordinary maintenance grants of the district and taluk board roads have been raised by Rs. 33,270 as shown below :—

	Grant for 1895–96.	Grant for 1896–97.
	Rs.	Rs.
District roads	65,000	97,190
Tinnevelly taluk road	6,270	6,590
Tuticorin „	11,340	11,340
Sérmádévi „	9,640	9,740
Srívilliputtúr „	6,280	6,940
Total ..	98,530	1,31,800

Thus the total allotments for communications alone, both under new works and repairs amount to Rs. 1,58,890. Deducting from this the net receipts from tolls (Rs. 57,750), the remainder Rs. 1,01,140 represents the amount allotted from land-cess, which is

* District Board	.. .. ..	39·5
Taluk Boards	.. .. ..	44·2
		34·8

per cent. of the total receipts under that head or 79 * per cent. of the prescribed minimum. This percentage will be somewhat raised by subsequent allotments which may be made during the year out of the reserve.

A large increase has been allowed in the maintenance grants to the roads under the district board with a view to maintain them in good condition.

Civil Buildings.—A sum of Rs. 520 is provided for the repairs of seven chattrams, six under the Tinnevelly and one under the Srívilliputtúr taluk boards.

Miscellaneous Public Improvements.—A total sum of Rs. 6,510 is provided under this head, Rs. 5,770 for maintenance of avenues and plantations, Rs. 400 for repairs to a flight of steps in the Tambrapurni river and Rs. 340 for the repairs of two market sheds.

27. *Establishment.*—The pay of the Local Fund Engineer was fixed at Rs. 500 with travelling allowance at Rs. 4 per diem in G.O., Mis. No. 2025 L., dated 5th September 1892. In the covering letter of the budget for 1895–96 dealt with in G.O., No. 261 L., dated 9th February 1895, it was reported that the question of raising the pay of the Engineer had been considered, but that the Engineer's claim had been refused for reasons stated. This conclusion was approved by Government. As reported in my letter, Current No. 1150, dated 10th December 1895, Mr. D. P. Chester, the Local Fund Engineer, has now submitted his resignation, which has been accepted with effect from 6th June 1896. The board considers that it will be better able to secure the services of a competent Engineer, if the pay of the post is raised to Rs. 600. Even with this addition the precentage of expenditure on account of establishment will not be more than 16·5 per cent. Although Mr. Chester may be in service until the 6th June 1896, yet a sum of Rs. 1,200 is provided on account of the difference of pay for the whole year, on the supposition that he may wish to be relieved before the due date. No other changes in the pay of the engineering staff seem to be at present needed. Provision is made for an increment of Rs. 2–8–0 in the salary of the fourth clerk of the Local Fund Engineer's office, which has been Rs. 10 from the year 1889, and is considered inadequate. The provision under contingencies includes the cost of purchasing a copy of Scowry's estimating book (*vide* G.O., Mis. No. 2362 L., dated 5th December 1895).

28. *Grant II, Education.*—The industrial class of the board training school was opened about the middle of August 1895. There are at present 26 pupils on the roll against 30 sanctioned in the first standard. In 1896–97 it is proposed to introduce classes of higher standards and to raise the rate of stipends to pupils as shown below.:—

Class.	Number.	Present monthly rate.	Proposed rate.	Monthly total as per present rate.	Monthly total as per proposed rate.
		Rs. A. P.	Rs.	Rs.	Rs.
A	20	1 8 0	2	30	40
B	10	2 0 0	3	20	30
C	5	3 0 0	4	15	20
	35			65	90
Per annum ..				780	1,080

It is also proposed to give an increase of pay to the headmaster from Rs. 60 to Rs. 65 and to the first assistant from Rs. 30 to Rs. 35 in consideration of the increased responsibilities and work thrown on them by the technical classes. The entertainment of a rattan work instructor on Rs. 12 a month seems also necessary, and provision is accordingly made.

29. Under salary-result schools, the Taluk Boards of Tinnevelly and Tuticorin propose to entertain each one additional teacher on Rs. 5, and the Taluk Boards of Sérmádévi and Srívilliputtúr two each on the same pay. The Tinnevelly taluk board raises the pay of the headmaster of the school for the "fifth" class at Sankaranainárkóyil from Rs. 7 to Rs. 9, while the Srívilliputtúr taluk board raises the pay of the headmaster of four schools from Rs. 7 to Rs. 9 and of the assistant from Rs. 5 to Rs. 7 and of the teacher of one school from Rs. 6 to Rs. 7. These two taluk boards remove four teachers on Rs. 5 each as unnecessary, one under the former and three under the latter. The Sérmádévi taluk board has dispensed with the services of one gymnastic teacher on Rs. 12, and the Srívilliputtúr board has proposed the entertainment of one additional gymnast on Rs. 15.

A sweeper on Rs. 3 is proposed for the Salary-result school at Tirukurungudi.

The Tinnevelly taluk board has abolished the two night schools under it, as they did not come up to expectations.

30. Results grants to aided schools are estimated at Rs. 22,200 against Rs. 23,770 of the revised estimate and Rs. 21,130, the actuals of 1894–95. The question of reducing the grants of unqualified teachers by a larger amount than 5 per cent. is under consideration and when finally settled, it will tend to reduce the budget estimate under result grants to some extent.

The total charges on account of education are estimated at Rs. 58, 040, while the receipts amount to Rs. 9,940 inclusive of Rs. 1,000 anticipated under building grants on account of salary-result school buildings, and leaving a net cost to local boards of Rs. 48,080 or 18·8 against 22 per cent. of land cess in the budget of 1895–96. The large percentage in 1895–96 was due to the proposed expenditure of Rs. 8,000 for the construction of a building for technical institute.

31. *Grant III, Medical Sanitation and Public and Charitable Institutions.*—The budget estimate under this grant falls short of the revised estimate by Rs. 6,850.

32. There is a decrease of Rs. 1,850 under medical institutions which is chiefly due to the proposed abolition of the dispensary at Edayangudi, the local mission agency being prepared to provide medical aid at that station.

The increase of Rs. 100 in the salaries of medical subordinates under district board is owing to the provision for charge allowance to the Lady Apothecary for the whole year instead of eight months only in 1895–96. A female volunteer on a scholarship of Rs. 5 is proposed to be trained under the Lady Apothecary for the post of compounder. Provision is made for the graded promotion of the medical subordinates in charge of the institutions at Ambásamudram, Sivagiri and Sankaranainárkóyil and of the compounders of Sankaranainárkóyil, Srivaikuntam and Sáttúr. The pay of the midwife of Tenkasi is proposed to be raised from Rs. 7 to Rs. 8, and that of the ward cooly of the Srivaikuntam hospital from Rs. 5 to Rs. 6, the latter has a service of eighteen years and is reported to be useful. In other respects there is no important change.

33. *Sanitation.*—The estimate under water-supply is reduced by Rs. 4,820, the year promising to be good one and any necessity for large outlay not being anticipated. The provision under village site improvement and scavengering establishment have been raised by Rs. 480 and Rs. 1,730, respectively.

Under village-site improvement the Srívilliputtúr taluk board proposes to entertain at an annual cost of Rs. 480, an itinerating gang consisting of a maistry on Rs. 10 and five coolies on Rs. 6 each to visit the non-union villages of Sáttúr taluk and to effect sanitary improvements. There was a similar gang here before, but it was abolished on account of the difficulty felt in engaging coolies. It is proposed to try the system again, which is reported to work fairly well in the Srívilliputtúr taluk.

The Tinnevelly taluk board raises the pay of four sanitary maistries in two unions, two from Rs. 8 to Rs. 9 and two from Rs. 6 to Rs. 7 and removes one maistry on Rs. 6; the Tuticorin taluk board raises the pay of one maistry from Rs. 6 to Rs. 8; the Sérmádévi board increases in one union the pay of a maistry from Rs. 7 to Rs. 10 with an additional maistry on Rs. 6, and at the same time recommends a maistry for another union on Rs. 6 removing a maistry on the same pay: while the Srívilliputtúr

board allows an increment of 8 annas to the pay of two maistries in two unions raising it from Rs. 5½ to Rs. 6 and appoints a maistry on Rs. 6 for another union.

In two unions of the Tinnevelly taluk board, proposal is made for increasing the salary of two sanitary peons from Rs. 5 to Rs. 6 and in another for the entertainment of a peon on Rs. 6. In three unions of the Sérmádévi taluk board the entertainment of three peons on Rs. 5 each is recommended, while in three unions of the Srívilliputtúr board increase of salary for five peons from Rs. 5 to Rs. 6, for six peons from Rs. 5 to Rs. 5½, and the entertainment of two new peons on Rs. 5 each are proposed.

Provision is also made for the entertainment of 56 additional sweepers, 20 for the three unions formed during 1895–96—Vasudevanallur (5), Melaseval (8) and Setur (7); 33 for fifteen old unions; 6 under Tinnevelly, 3 Tuticorin, 5 Sérmádévi and 1 under Srívilliputtúr taluk boards; and three for the non-union villages of Vikramasingapuram and Vellanguli in the Ambásamudram and Thisayanvilai in the Nanguneri taluks. The Tinnevelly taluk board has removed four sweepers from the three unions and eight sweepers from eleven non-union villages; the Sérmádévi taluk board, two sweepers from two unions and one from the non-union village of Rungasamudram, Ambásamudram taluk; while the Srívilliputtúr board has dispensed with one sweeper from the village of Pavali, Sáttúr taluk. The estimate for sanitary arrangements at fairs and festivals is raised by Rs. 400.

34. The sweepers employed for removing rubbish also clear away fœcal matter from the streets and lanes. No special establishment is anywhere entertained for the latter purpose.

35. *Markets.*—The Sérmádévi taluk board removes the gardener of the Singikulam market, as his services are no longer required. No fee is levied there at present, and the taluk board will be requested to introduce the fee-levying system, if necessary.

36. *Choultries.*—There is an increase of Rs. 370 under feeding and a decrease of Rs. 840 under contingencies, occurring chiefly under the Sérmádévi taluk board. The pupils receiving instruction in the Sanscrit school attached to the Tirukurungudi chattram are fed there, and this contributes to the increase. The provision under contingencies is reduced as no paddy is expected to be purchased as in the preceding year. The chattrams collect in kind the quantity required for consumption.

Certain changes are proposed in the scale of establishment. The Tinnevelly taluk board proposes the removal of the waterman attached to the Gengaikondan chattram and the reduction of Rs. 2 each from the pay of the sweepers of Vannikonendal and Panavadali chattrams. It recommends the entertainment of a waterman on Rs. 6 and a sweeper on Rs. 5 for the Muhammadan rest-house at Melaviraraghavapuram near the Tinnevelly railway station, which is nearing completion. The Tuticorin taluk board recommends the employment of a servant on Re. 1 for the Nana Rao's choultry at Kayatar transferred to the taluk board in 1893, while the Srívilliputtúr board proposes the reduction of Re. 1 from the pay of the waterman and an addition of 8 annas to that of the sweeper of the Sáttúr chattram.

37. *Bungalows.*—There is a decrease of Rs. 50 under contingencies, which is due to no provision being made for the purchase of furniture as in 1895–96.

38. *Contributions.*—The estimate under this head is Rs. 230 higher than the revised estimate. There is a decrease of Rs. 170 under contributions to municipalities, while under contributions to private individuals there is an increase of Rs. 400; the latter sum is provided by the Srívilliputtúr taluk board in aid of the dispensary proposed to be opened by the Spinning Mill Company at Kovilpati.

39. *Miscellaneous.*—Under lighting charges a reduction of a total sum of Rs. 2,200 is proposed, Tinnevelly taluk board Rs. 750, Tuticorin taluk board Rs. 250, Sérmádévi taluk board Rs. 1,100 and Srívilliputtúr taluk board Rs. 100.

40. *Grant IV, Establishment and Miscellaneous.*—The salary of the local fund second accountant in the Collector's office was fixed at Rs. 20 before the Local Fund Act came into force. It continues to be the same notwithstanding the large amount of additional work the accountant has to perform consequent on the formation of local boards and unions; it is proposed to raise it to Rs. 25.

41. In reference to the Proceedings of the Board of Revenue, No. 317, dated 29th August 1895, the Tuticorin taluk board is prepared to contribute Rs. 14 per mensem

plus pensionary contribution for a taluk gumastah in Srívaikuntam taluk, where local fund work cannot be conveniently done by the existing establishment. The district board supports the proposal.

42. The board proposes to raise the pay of the district board head clerk from Rs. 70 to Rs. 80 in consideration of the service and general efficiency of the present incumbent. It will be understood, however, that in case of another person being appointed to the post, the pay would not be more than Rs. 70. The responsibilities of the head clerk are considerable and it seems right that he should be well paid.

The Taluk Boards of Tuticorin and Sérmádévi each wish the pay of their head clerks to be raised from Rs. 25 to Rs. 30, considering that the pay now given is too low for the responsibilities of the office, and the district board has sanctioned the proposal in each case. The Srívilliputtúr Taluk Board recommends to raise the salary of its second clerk from Rs. 12 to Rs. 15—a scale in force in all other taluk boards in the district—and this has been approved by the district board.

The Sérmádévi Taluk Board proposes the entertainment of karnam on Rs. 10 and a bill collector on Rs. 6 for the union of Melaseval and an increase of Rs. 2 (from Rs. 10 to Rs. 12) and of Re. 1 (from Rs. 6 to Rs. 7) in the pay of the karnam and bill collector of the unions of Tenkási, Kalladakurichi, Viravanallur and Sérmádévi. The Srívilliputtúr Taluk Board proposes the same increase in the case of the Virudupati union and the entertainment of a karnam on Rs. 10 and a bill collector on Rs. 6 for the union of Séttúr. The Tinnevelly Taluk Board recommends the establishments of a karnam Rs. 10 and a bill collector on Rs. 5 for the union of Vasudevanallur.

43. *Loans and Interest.*—A sum of Rs. 3,500 is provided under district funds towards the repayment of the eighth instalment of the Ettiyapuram loan of Rs. 35,000, obtained for the construction of the Srívaikuntam iron bridge, and Rs. 530 under interest payable to the same estate. The loan of Rs. 45,000 borrowed from the endowment fund has been paid up in full.

Provident Fund.—Bonus and interest are calculated as usual on the subscriptions and the principal of the preceding year respectively.

Besides the allotments for minor items, law charges, subscriptions to usual periodicals, &c., which are nearly the same as in 1895–96, the Taluk Board of Tinnevelly has made provision for the purchase of a copy of Civil Service Regulations and Account Code.

The reserve is estimated at 7 per cent. for all the boards together exclusive of the opening balance, revenue under endowed institutions and unions and debt heads, and the balance at 1·1 per cent.

Allotment from the District Funds.—As all the taluk boards together have only Rs. 8,060 for their reserve and balance against Rs. 24,000 according to the prescribed percentage, it is proposed to supplement their funds by a sum of Rs. 5,500—Rs. 1,000 each to Tinnevelly and Tuticorin, Rs. 2,000 to Sérmádévi and Rs. 1,500 to Srívilliputtúr Taluk Boards. With this grant it may be possible to effect an improvement in the percentage of expenditure on public works under Grant I, which is far below the prescribed minimum in all the taluk boards except Tuticorin as shown below, the Tuticorin percentage being 48·7:—

Tinnevelly	27·2
Sérmádévi	27·6
Srívilliputtúr	30·3

The budget closes with a balance of Rs. 67,240 as shown below:—

The district board's resolution sanctioning the budget and the revised estimates and the proposition statement together with the map of the district are enclosed.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th January 1896, No. 100.

I have the honour to state that I approve of the educational portion of the Tinnevelly District Board budget estimate for 1896–97, subject to the following remarks.

2. *Receipts.*—The building grant, for which credit has been taken by the Tinnevelly Taluk Board, should be reduced to Rs. 500, as the department is not in a position to allot a larger grant for the district in the ensuing year.

3. *Charges.*—(i) It is not clear what provision has been made for the construction of suitable school sheds for the proper accommodation of board primary schools. I would recommend that a sum of Rs. 1,000 at least be allotted for the purpose.

(ii) The proposal to increase the rates of salary to the teachers in the Industrial department of the Technical Institute has my approval.

4. The net expenditure on education, omitting building grants from account, will be Rs. 49,100 (58,040—8,940), which is 19 per cent. of the estimated receipts from land-cess.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 15th January 1896, No. 83-S.

I have the honour to state, for the information of Government, that the District Board of Tinnevelly estimates its expenditure on vaccination and sanitation next year at Rs. 11,180 and Rs. 61,590, respectively, against Rs. 10,960 and Rs. 58,280, the sanctioned grants for the current year. This part of the board's programme does not present any special features for comment. The proposed sanitary outlay is 13 per cent. of the probable current receipts.

2. Statement VI forwarded with the budget shows that the unions and other villages mentioned therein are very disproportionately supplied with sweepers and toties. I would advise that the board be requested to determine the staff requisite for each unit proposed to be conserved on the basis of one sweeper and two toties for every 1,000 of the population concerned.

3. No extract from statement III has been furnished to me, and it is therefore impossible for me to see whether any works of a sanitary nature are budgeted for execution under Grant I.

From the President, District Board, Tinnevelly, dated 24th January 1896, Reference on C. No. 944 of 1895.

REVISED ESTIMATE FOR 1895–96.

2. The current receipts and charges are now estimated at Rs. 4,83,920 and Rs. 5,37,650, respectively, against Rs. 4,59,740 and Rs. 4,93,190, anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under tolls, house-tax and miscellaneous debt accounts, and that under charges under Grants I and III. The transfer of funds in the manner proposed in paragraph 13 of the President's letter is inadmissible under the rules. The proper course is for the district board to withdraw in its favour the amount available under the Tinnevelly Taluk Board and to re-allot it to the Sérmádévi Taluk Board. The additions to and alterations in the Medical, Vaccination, and District Board's office establishments, referred to in paragraphs 18 and 19, are sanctioned.

BUDGET ESTIMATE FOR 1896–97.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 4,78,580 against Rs. 4,83,920 in the revised estimate. The Provincial grant for education will be reduced by Rs. 500 with reference to paragraph 2 of the Director's letter read above.

4. *Charges.*—(1) The probable charges are put down at Rs. 5,19,660 against Rs. 5,37,650 in the revised estimate, the decrease under Grants I and III being partly met by the increase under reserve.

(2) *Grant I.*—The provision for New Work—Buildings will be raised by Rs. 1,000 with reference to paragraph 3 (1) of the Director's letter. The allotment for communications is 90 per cent. of the minimum prescribed in G.O., No. 1686 L., dated 14th September 1895. The remark in paragraph 26 is noted, and it is hoped that subsequent allotments during the year will raise the total expenditure on communications to the prescribed minimum. The President's attention will be drawn to the omission pointed out by the Sanitary Commissioner in paragraph 3 of his letter read above. The increase in the pay of the fourth clerk of the Local Fund Engineer's office from Rs. 10 to Rs. 12–8–0, proposed in paragraph 27 of the President's letter, is approved. The provision for the Local Fund Engineering establishment will be reduced by Rs. 1,200 with reference to G.O., No. 115 L., dated 20th January 1896.

(3) *Grant II.*—The additions to and alterations in the educational establishments referred to in paragraphs 28 and 29 are sanctioned.

(4) *Grant III.*—The remarks of the Surgeon-General on the provision for medical services will be awaited. The addition to and alterations in the scavenging establishments of the non-union villages and the market and choultry establishments, proposed in paragraphs 33, 35 and 36, are sanctioned. The suggestion made by the Sanitary Commissioner in paragraph 2 of his letter will be referred to the taluk boards for consideration. Under contributions to Provincial services for the Medical College, Sanitary Inspection and Medical Reserve Staff, the actuals of the previous year will be repeated, as required in G.O., No. 641 L., dated 2nd April 1887, and paragraph 4 (4) of G.O., No. 261 L., dated 9th February 1895. The proposal of the Srívilliputtúr Taluk Board to contribute Rs. 400 in aid of a private dispensary to be opened at Kovilpatti is approved. It is understood that the taluk board has satisfied itself that the institution will be placed on a sound and permanent footing.

(5) *Grant IV.*—The contribution for controlling establishments at the Presidency will be reduced from Rs. 3,030 to Rs. 2,780 with reference to G.O., No. 2190 L., dated 19th November 1895. The proposed increase of Rs. 10 in the pay of the head clerk of the District Board's office is sanctioned. The increase in the salaries of the second accountant of the Collector's office and the clerks of the Tuticorin, Sérmádévi and Srívilliputtúr Taluk Boards' offices, referred to in paragraphs 40 and 42 of the President's letter, are approved. The Tuticorin Taluk Board's proposal to contribute towards the pay and pension of a gumastah in the Srívaikuntam taluk, referred to in paragraph 41, should form the subject of a separate communication, in which the amount of work which would fall upon him should be clearly stated.

5. *Balance.*—The budget, as revised by Government, closes with a balance of Rs. 65,560, of which Rs. 12,320 appertain to the Provident Fund, Rs. 1,290 to Ferry Funds, Rs. 10,530 to Union Funds, Rs. 28,710 to endowed institutions and Rs. 10,840 to deposits, leaving only Rs. 1,870 or ·5 per cent. of the receipts available for general purposes. The balance under endowed institutions is very large, and steps should be taken to expend a portion of this sum during the year. The balance under markets might be usefully expended in making or repairing market feeder roads.
