FEBRUARY.

Budget.

Reviewing the Chingleput District Board — for 1896–97.

No. 286 L., 12TH FEBRUARY 1896.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From G. S. FORBES, Esq., President of the District Board, Chingleput, to the Chief Secretary to Government, dated Saidapet, 20th December 1895, No. 1144-L.

I have the honour to submit the revised estimate of receipts and charges of the local boards of the Chingleput district for the official year 1895–96 and the consolidated budget estimate for 1896–97, together with the prescribed statements and a map (will follow) of the district corrected up to date.

REVISED ESTIMATE FOR 1895–96.

2. The following abstract compares the receipts and charges as now revised with those anticipated in the original budget :—

	Revised estimate.	Budget estimate.
	RS.	RS.
Opening balance	43,730	23,700
Receipts	2,63,240	2,40,230
Total ..	3,06,970	2,63,930
Expenditure	2,90,750	2,60,040
Balance ..	16,220	3,890

3. The opening balance, as advised by the Accountant-General after audit of the accounts of 1894–95, was Rs. 58,490, but as this was arrived at inclusive of an erroneous credit under "land-cess" of Rs. 14,760 in the accounts of that year, the opening balance has been taken exclusive of it. The increase as compared with the budget figure is the result mainly of enhanced receipts in 1894–95 under "land-cess," "house-tax," "fees and fines" and "fishery-rents," and short expenditure under grants I, II and III.

4. The revised estimate of receipts shows a net increase of Rs. 23,010 over the budget estimate, the items chiefly contributing to this increase being "land-cess" "tolls," "house-tax," "fees and fines," and "contributions from private individuals and from Government." The increased expenditure occurs mainly under "communications"—Grant I, slightly set off by savings in the allotments under grants II and III. With regard to the increase under "land-cess," it may be explained that, according to the demand, collection and balance statement submitted with the annual report for 1894–95, there was a balance of Rs. 5,550 excluding the cess due on Kachinad taluk. This taluk having been transferred from North Arcot from 1st April 1894 (end of fasli 1303) five-eighths of the demand which fell due from April to June 1894 belongs to this district. Consequently the proportionate demand for that period amounting to Rs. 5,690 is added to the aforesaid arrear. The current demand as shown in the demand, collection and balance statement appended to this statement is taken at Rs. 1,70,500, which is the beriz for fasli 1304 inclusive of Rs. 9,100 on account of the Kachinad taluk, the cess of which has not yet been, however, finally

reported. The total amount to be realized is thus taken at Rs. 1,81,740, of which Rs. 1,72,650 or 95 per cent. of the demand will, it is expected, be collected within the year. Though the amount shown for the first six months is only Rs. 37,116, still a sum of Rs. 6,000 collected within that period and credited to other heads is being now adjusted by the Treasury Deputy Collector, and the Collector of North Arcot reports that a sum of Rs. 13,650 out of the arrear and current demands abovementioned has been collected in that district. He has been asked to remit the same to this district. The season is favourable for agriculture.

The details of the items comprised under "contribution" from "private individuals" and from "the Government" are as given below :—

(1) From private individuals. The amount promised—

	Rs.
(*a*) By M.R.Ry. Ramakrishnayya Pantulu Garu for the construction of a hospital at Saidapet	1,250
(*b*) By the Madras Railway Company towards the construction of a drain in Sembium	300
(*c*) By Doctor Nailer towards the cost of a latrine at Chingleput.	250
(*d*) By M.R.Ry. Muttukumaraswami Mudaliyar Avargal towards the construction of the Thomas' out-patient ward in the hospital	100
Total ..	1,900

(2) From Government—

	Rs.
(*a*) Towards the repair of district roads sanctioned in G.O., Mis. No. 1765 L., dated 23rd September 1895	15,000
(*b*) Towards the cost of raising the road near Vishagundikuppam tank sanctioned in G.O., Mis. No. 1245 L., dated 15th July 1895	750
(*c*) Towards the construction of the Thomas' out-patient ward sanctioned in G.O., Mis. No. 2870 L., dated 23rd December 1893	250
Total ..	16,000

The other variations are explained in the remarks column of statement IX.

BUDGET ESTIMATE FOR 1896–97.

5. The year is expected to open with a balance of Rs. 16,220. Adding to this the estimated receipts of the year, the total assets are calculated at Rs. 2,60,970. Deducting Rs. 2,50,260, the amount proposed to be spent, the year will close with a balance of Rs. 10,710, of which Rs. 1,260 belong to the union funds and Rs. 1,700 to endowment funds. The amount available for provision under reserve and balance is thus reduced to Rs. 7,750 or 3·2 per cent. of the estimated receipts excluding opening balance and endowment receipts, and is distributed as shown in the margin.

	Rs.
Reserve	6,070
Balance available for general purposes.	1,680

6. (1) *Rates and Taxes*—(*a*) *Cess on Land.*—According to the demand, collection and balance statement appended to statement IX, a balance of Rs. 9,090 will be left uncollected at the end of the current year. Taking the current demand at the same figure, Rs. 1,70,500 as the demand in the revised estimate, the total amount to be realized in 1896–97 will be Rs. 1,79,590, of which Rs. 1,70,600 or 95 per cent. will, it is anticipated, be collected within the year. The decrease as compared with the actuals of 1894–95 is due to the collection in that year of arrears of the previous years.

7. (*b*) *Tolls.*—There are seven toll-gates and three subsidiary bars at present. Government has recently sanctioned in G.O., Mis. No. 2177 L., dated 18th November 1895, the opening from April next of another subsidiary gate at Kadapperi to meet the evasion of tolls at Vandalur on the southern trunk road. The incorrue from tolls

for 1896–97 is nevertheless taken at Rs. 40,000 or Rs. 1,200 less than the revised estimate. It is not considered safe to take a higher estimate. Credit is also taken at Rs. 1,680, as in the current year, for the toll contribution payable to the district board by the Conjeeveram Municipality. This is Rs. 7 less than the actuals of 1894–95 and identical with the revised estimated figure.

8. (*c*) *House-tax, Rs.* 15,800.—The figure of the revised estimate has been adopted ; the increase is due to revision of assessments in all the unions in the current year.

9. (2) *Education*—(*a*) *School-fees, Rs.* 900.—The current year's budget figure is repeated, the expectation being that the strength of the schools under the Tiruvallúr board will improve.

9-A. (3) *Medical—Contributions from* (1) *Municipalities, Rs.* 600.—The Madras Municipality are prepared to contribute towards the upkeep of a dispensary proposed to be opened at Sembiam one-half of the estimated cost—*vide* paragraph 27 *infra.*

10. (*e*) *Market-rents, Rs.* 110.—The revised estimate is adopted. No new markets are proposed by the taluk boards ; but accommodation was provided during the current year in the Uttaramerur market and it is reported to be consequently more freely resorted to.

(*f*) *Fees and Fines, Rs.* 2,600.—The current revised estimate amounts to Rs. 3,000, but this includes Rs. 220 being the fines imposed under section 67 of the Act on zemindars, shrotriemdars, inamdars and others who failed to furnish land-cess accounts. As this item occurs only once in three years and other items under this head are fluctuating, the budget estimate for 1896–97 is taken at Rs. 400 less than the revised estimate.

(*h*) *Fishery-rents, Rs.* 2,750.—The revised estimate is repeated. The actuals of 1894–95 which amounted to Rs. 3,736 included Rs. 574, being arrears of previous years, and also special receipts of Rs. 920 credited by the Public Works Department.

(*i*) *Rents and produce of Land, Rs.* 470.—The budget estimate for the current year was high owing to the anticipation of special receipts. The estimate for 1896–97 has therefore been taken at the same figure as in the revised estimate.

11. (*b*) *Public Works— d*) *Contributions from Private Individuals, Rs.* 3,000.—This comprises the following items :—

(*a*) Rs. 1,500 being the balance of the amount promised by M.R.Ry. Viraswami Chetti Garu towards the cost of constructing a hospital at Saidapet ;

(*b*) Rs. 1,250 promised by M.R.Ry. M. Ramakrishnayya Pantulu Garu towards the cost of building a dispensary at Tiruvattiyur ; and

(*c*) Rs. 250 being a moiety of the amount promised by the ryots of Palanthandalum and certain other villages towards the cost of completing the road to that village.

M.R.Ry. Viraswami Chetti Garu has promised to pay the amount due by him as soon as the foundations are laid, and M.R.Ry. Ramakrishnayya Pantulu Garu as soon as a site is selected. The plan and estimate for the Saidapet hospital are before Government—*vide* this office No. 900 L., dated 15th October 1895. The President, taluk board, Saidapet, reports that a site will shortly be selected for the dispensary at Tiruvattiyur.

12. (7) *Contribution from Provincial Funds*—(1) *For Education, Rs.* 620.—The estimate furnished by the Educational officers has been cut down by the taluk boards with reference to the actuals of the past two years.

13. *Allotments from the District Fund, Rs.* 21,700.—To cover the short receipts of the taluk boards, it is proposed to transfer to them the following amounts :—

	Rs.
Chingleput	3,260
Saidapet	13,120
Tiruvallúr	5,320
Total ..	21,700

Expenditure.

14. *Grant I—Public Works* (*a*) *New Works* (1) *Communications, Rs.* 900.—The President of the Saidapet Taluk Board recommends a provision of Rs. 1,000 for completing the road from Tirunnirmalai to Palantandalam which is at present useless owing to the want of the necessary bridges and culverts. The villagers propose to assist with a contribution; the board are, however, unable to make a larger provision this year than Rs. 500, leaving the work to be completed next year. Strong representations have been made of the urgency of a metalled road from the Lunatic Asylum to the Perambúr Workshops for the most part of which there is already a cart-track. An estimate for Rs. 2,980 has been prepared but the board, owing to want of funds, are not in a position to reform and metal the road this year. They allot, however, Rs. 400 to acquire the land needed for that part of the proposed road which lies between Tawker's choultry and the Perambúr railway station, align it and make it passable. This will at any rate open a direct line of communication and the reforming and metalling will be done in future years.

(*b*) *Civil Buildings, Rs.* 3,850.—This includes (*a*) Rs. 2,350 for constructing a hospital at Saidapet.

(*b*) Rs. 1,250 for constructing a dispensary at Tiruvattiyur.

(*c*) Rs. 250 for building school-houses.

The allotment of Rs. 500 proposed by the Saidapet Taluk Board for constructing a Union office building at Sembiam has been struck out, as the money is required more urgently for sanitary works in that union.

(*c*) *Miscellaneous Public Improvements, Rs.* 950.—This is required for a masonry sewage drain in Sembium. The plan and estimate are being settled by the Sanitary Board.

15. (*b*) *Repairs*—(1) *Communications, Rs.* 1,02,460.—The grants for the undermentioned roads, which are in bad order, have been raised so far as funds permit:—

District Board.

Read—	Rs. 1895-96.	Rs. 1896-97.
1. Western trunk road	15,100	16,100
2. Road from Kortaliyar bridge to Puthur railway station.	3,960	4,950
3. Road from Tirumuzhi junction to Sathiavedu, *viâ* Tiruvallúr.	3,900	4,900
Chingleput Taluk Board.		
4. Road from Wálajábad to Sunkawar's choultry ..	1,520	1,720
5. Road from Madurántakam to Chunampet ..	1,480	1,850
Saidapet Taluk Board.		
6. Paper mills road	75	200
Tiruvallúr Taluk Board.		
7. Recoating the 7th to 11th miles of the Red Hills, Tiruvallúr road.	..	3,000

The total allotments under "Communications," including a contribution of Rs. 250 sanctioned in G.O., Mis. No. 2156 L., dated 13th November 1895, for payment to the cantonment of St. Thomas' Mount towards the maintenance of cantonment roads, through which carts carrying materials to Local Fund roads pass, amounts to Rs. 1,03,610 or 81·8 per cent. of half the estimated land-cess and net toll receipts, and is Rs. 22,870 less than the minimum prescribed in G.O., No. 1686 L., dated 14th September 1895. The board regrets its inability to provide more funds under this head. The board has, however, had to provide Rs. 15,250 under Grant IV on account of the repayment of the loan incurred for the construction of the Kortaliyar bridge.

(3) *Miscellaneous Public Improvements, Rs.* 3,000.—Of this sum Rs. 50 are intended to be spent in repair of market sheds and the balance, Rs. 2,950, is considered sufficient for maintaining existing avenues and replacing trees that have decayed or disappeared.

16. (3) *Local Fund Engineering Establishment, Rs.* 17,800.—The current year's budget included Rs. 1,500, being the moiety of the *bonus* sanctioned in G.O., No. 1261 L., dated 9th July 1894, to the late District Board Engineer. This charge therefore disappears from future estimates.

(4) *Tolls and Ferries, Rs.* 120.—The usual provision for meeting cost of advertising sale of tolls and painting license carts is repeated.

17. (*d*) *Tools and Plant, Rs.* 500.—An allotment of Rs. 1,000 has been recently sanctioned for the purchase of new tools. The District Board Engineer's estimate of Rs. 1,000 for 1896–97 is therefore reduced to Rs. 500 which, it is considered, should be sufficient for further purchases as well as repairs in the next year.

(*e*) *Contingencies, Rs.* 1,100.—This provision is the same as in the current year.

(*f*) *Contributions to Cantonments, Rs.* 250.—This is the amount required for payment to the St. Thomas' Mount Cantonment in the circumstances stated in paragraph 15.

18. The allotments provided under "Establishment," "Contingencies" and "Tools and Plant" have been distributed between the taluk and district boards at the percentage rates noted in the margin which are calculated with reference to G.O., No. 1942 L., dated 5th August 1890.

Establishment	15·3
Contingencies	·09
Tools and plant	·02

19. (*f*) *Miscellaneous, Rs.* 180.—This represents the amount of license fees expected to be collected in the current year and refunded to the contractors concerned in the ensuing year.

20. The total provision under Grant I is Rs. 1,31,800 and is equal to 53·8 per cent. of the estimated receipts.

21. *Grant II, Education*—(*a*) *Inspection, Rs.* 3,800.—This is the same as in the current year's budget.

22. (*b*) *Training Schools.*—Nil.

(*c*) *Sessional Schools, Rs.* 1,280.—The rate of house-rent provided in the current year has been found insufficient, and hence the slight increase under this head.

23. (*e*) *Elementary Schools—Salary-result System, Rs.* 6,210.—The Tiruvallúr Taluk Board has proposed to open two new schools—one for caste boys and the other for Panchamas—for want of funds the school for caste boys has been struck out. The school at Panjetti has diminished in numbers and will be closed. The school at Salavakkam which had combined a section for Muhammadans will be formed into two separate schools—one for Muhammadans and the other for Hindus. There will thus be 33 schools on the salary-result system in 1896–97, for the upkeep of which a total provision of Rs. 6,210 is made against Rs. 5,990 in the current year. The increase is chiefly due to (1) the pay of a teacher for the Muhammadan school at Salavakkam on Rs. 7 and of a teacher for the Panchama school under the Tiruvallúr Taluk Board on Rs. 5;

(2) the pay of an additional teacher proposed for the Muhammadan school at Poonamallee on Rs. 7;

(3) the pay of assistant teachers entertained for Varadayyapalayam and Sholavaram schools on Rs. 5 each;

(4) the pay of a third assistant to be entertained for the Sholavaram school on Rs. 5;

(5) increased pay to the head and first assistant masters of the Sholavaram school by one rupee each and to the Headmaster of the Varadayyapalayam school from Rs. 5 to Rs. 7;

(6) increased provision under "Results stipends" and "Contingencies."

24. Sanction of Government is solicited with retrospective effect from 1st April 1895 to the establishments referred to in clause (3) and from 1st April 1896 for those mentioned in clauses (1) and (2), (4) and (5).

25. (2) *Result Grant, Rs.* 14,000.—The revised estimate figure is adopted. The figure advised by the educational officers is high and is not warranted by the actuals of the past two years.

26. The total provision under Grant II amounts to Rs. 26,650 and is 10·8 per cent. of the estimated receipts.

27. *Grant III (a)—Hospitals and Dispensaries.*—There are fourteen dispensaries and hospitals maintained by local boards and it is proposed to open a dispensary at Sembiam from 1896–97. The dispensary, which was maintained at Sembiam till 1892, was transferred in that year to Tiruvattiyur under sanction conveyed in G.O., Mis. No. 965 L., dated 23rd April 1892, in consideration of the urgent necessity for an institution of the kind at the latter place where there are weekly festivals largely frequented, and the board was unable to provide funds for dispensaries at both the places. In the Government Order quoted, it was suggested that the services of the railway apothecary might be secured on payment of a contribution to the Railway Company from Local funds, but the proposal was not agreeable to the railway authorities. Sembiam and the numerous villages in its neighbourhood have since then keenly felt the want of medical relief and it is accordingly proposed to allot Rs. 1,200 for a dispensary staff and contingencies; it being understood that a building will be provided by the people. The Madras Municipality will contribute one-half of the annual cost. Including this allotment, the provision under "Hospitals and Dispensaries" is estimated at Rs. 25,620 against Rs. 24,720 in the current year's budget. The increase is the net result of enhanced provision under (1) "Medical Subordinates," (2) "Clerks and Servants," (3) "Midwives" and (4) "Medicines" and reduced grants under the other heads. Under items (1) and (2) the increase is due to the promotion in 1896–97 of hospital assistants and compounders attached to certain dispensaries to higher grades and to the provision made for the entertainment of (*a*) a 3rd-class hospital assistant, (*b*) a compounder, (*c*) a midwife and (*d*) a sweeper for the dispensary at Sembium. It is also due to an increase of one rupee to each of the ward coolies of the Tiruppórúr and Ponnéri dispensaries and the postings of a 1st-class hospital assistant to Chingleput hospital in the place of a 3rd-class man hitherto attached to it. Under item (3) the increase is due to the revision of the scale of pay of the midwives sanctioned by the district board with reference to G.O., No. 441 L., dated 9th March 1895. The present scale provides pay Rs. 8 per mensem *plus* extra remuneration at 8 annas for every case of labour attended over and above a prescribed minimum. According to the scale now adopted, there will be two classes of midwives, those fully certificated being of the 1st class and those locally trained being of the 2nd class. The rate of pay for a 1st-class midwife is fixed at Rs. 12, rising after three years of approved service to Rs. 15; and that for a 2nd-class midwife at Rs. 7, rising to Rs. 10 by annual increment of one rupee if service is approved. The reduction in the other heads follows chiefly on the omission of the provision under "Diet of patients" and "Furniture" for the Madurántakam and Tiruvallúr dispensaries, as the Chingleput Taluk Board has abandoned the idea of converting the former into a hospital and, as there is no immediate prospect of the necessary wards being provided in the latter within the year. The provision for the proposed hospital at Saidapet is also reduced, as the necessary accommodation for in-patients cannot well be ready till late in the year.

28. The District Medical and Sanitary officer has proposed the entertainment of a male attendant on Rs. 15 and a female attendant on Rs. 12 for the Chingleput hospital by way of giving some effect to the suggestion of Surgeon-General with the Government. Provision has been made accordingly. This is also a reason of the increase.

29. The sanction of Government is solicited for (1) the opening of the dispensary at Sembiam and the establishment proposed for it;

(2) an increase of pay to the ward coolies attached to the Tiruppórúr and
(f éri dispensaries;
ions in the pay of the midwives; and
taiment of a male and a female attendant in the Chingleput
ital.

Medical and Sanitary Officer's Establishment, Rs. 670.—This establish-
(1) a clerk on Rs. 25, (2) one travelling compounder on Rs. 9, and (3)
s. 7 each. With reference to G.O., No 1094 L., dated 14th June 1894,

it is proposed to abolish the post of travelling compounder, and to utilize the savings in meeting the pay of a second clerk for the District Medical and Sanitary officer on Rs. 12 as the work in his office has very greatly increased and cannot be overtaken without the help of another clerk. Provision has accordingly been made and the sanction of Government is solicited for it.

31. *Medical pupils.*—The question of employing a female apothecary and of contributing to the training of medical pupils was more than once considered by the board. The board was prepared to entertain a female apothecary, but considering the growing demands under grant I and the increasing charges for the pay of medical subordinates, it has not been found possible to provide funds for this item. The board has also in mind the proximity of female hospitals and institutions in the City of Madras.

32. *Vaccination*—(1) *Fixed charges.*—The temporary vaccinator on Rs. 15 sanctioned in G.O., No. 267 L., dated 11th February 1895, has since been made permanent by resolution of the district board, dated 10th August 1895. There is work for two vaccinators in the Kachinad taluk. There is no other change in the vaccine staff and the provision is therefore the same as in the current year. The details are as follow:—

	Rs.
Two deputy inspectors of vaccination, one on Rs. 70 and the other on Rs. 60	1,560
Seven first-class vaccinators on Rs. 18 each	1,512
One first-class vaccinator on Rs. 15 for the Kachinad taluk	180
Thirteen second-class vaccinators on Rs. 10 each	1,560
Four pupil-vaccinators and two peons on Rs. 6 each	432
Total	5,244

Sanction of Government is solicited for the permanent retention of the temporary vaccinator above referred to.

(2) *Contingencies, Rs.* 3,100.—The increase is due to the proposal to give travelling allowance to vaccinators instead of rewards. This was sanctioned by the district board in its resolution No. 9, dated 9th March 1895. The details are as given below:—

	Rs.
Travelling allowance to deputy inspectors of vaccination and their peons	720
Travelling allowance to vaccinators	900
Animal vaccination	1,000
Postal charges	120
Stationery	100
Printing	100
Batta to mothers of vaccinated children	20
Supplies of instruments from medical depôt	80
Sundries	60
Total	3,100

33. *Sanitation.*—The allotments under this head amount to Rs. 18,970 against Rs. 18,500 in the current year. The increase appears mainly under "scavenging establishments" and is due to the provision—

(1) for two additional toties for the latrines in the Chingleput union and the retention of the temporary coolies in the same union, made by the Chingleput taluk board; and

(2) the same for three additional drain carts for the Tiruvallúr union made by the Tiruvallúr Taluk Board.

The Saidapet Taluk Board has proposed to entertain an overseer on Rs. 7 in the Sembiam union and a sanitary inspector at an annual cost of Rs. 400 for the taluk, but these proposals have been struck out. There are only two carts working in

Sembiam, and the sanitary peon now employed should be sufficient to supervise them. As for the sanitary inspector, apart from the question of the utility of such an establishment, there are no funds.

The provision under "improvement of water-supply" includes the pay of thirteen watchmen entertained by the Tiruvallúr Taluk Board for guarding from pollution fresh water wells at places noted in statement VI. The sanction of Government is solicited for this establishment with retrospective effect from date of their entertainment. With reference to G.O., No. 1791 L., dated 30th September 1895, it is reported that the scavenging establishment is employed generally in the removal not only of ordinary rubbish from public streets and places, but also in clearing away night-soil found on the sides of streets.

34. (*d*) *Markets, Rs.* 50.—The taluk boards have proposed no expenditure on markets, but as fees are collected in them, it is but proper to contemplate some expenditure on them. The taluk boards will be required to utilize the amount provided under this head in employing sweepers or watchmen to keep the market premises clean and sanitary.

(*e*) *Choultries, Rs.* 320.—The increase of Rs. 20 is intended to cover—

(1) the increase of pay sanctioned by the Saidapet Taluk Board to the water Brahmin employed at Pallávaram choultry by one rupee; and

(2) the tax on the shops attached to the choultry, which has been imposed by the cantonment authorities.

Sanction of Government is solicited for the increase of pay to the water Brahmin above referred to.

35. (*g*) *Contributions to* (1) *Provincial services.*—The actuals of 1894–95 are adopted as required by G.O., No. 641 L., dated 2nd April 1887.

(2) *To Municipalities, Rs.* 1,800.—This is the usual contribution paid by the Chingleput Taluk Board to the Conjeeveram municipality towards the cost of the Municipal hospital and the arrangements made at the festival held in connection with Vishnu temple at that station.

36. (*h*) *Miscellaneous—Lighting charges, Rs.* 2,580.—The decrease under this item represents the reduction of the grant to Sembiam union, as the current year's provision included the cost of new lamps and posts. The proposal of the Tiruvallúr Taluk Board to introduce lighting in the Ponneri union has been struck out for want of funds and with reference to the remarks of Government in paragraph 41 of G.O., Nos. 2541 and 2542 L., dated 6th December 1894.

37. The total allotments under Grant III amounts to Rs. 61,270 and is 25 per cent. of the estimated total receipts.

38. *Grant IV, General administration—(a) Controlling establishments at the Presidency, Rs.* 1,650, *and Printing work done at Government Press, Rs.* 250.—The estimates have been fixed with reference to G.O., No. 2190 L., dated 19th November 1895.

(*b*) *Establishment in the Collector's Office, Rs.* 2,600.—The increase of Rs. 60 is required to meet the contingent charges of the audit branch and the travelling allowance of the head audit clerk, the current year's allotment being found inadequate.

(*c*) *Local Board's Office Establishments, Rs.* 5,850.—The increase of Rs. 150 represents—

(1) the increase from Rs. 10 to Rs. 15 in the pay of the second clerk of the Chingleput Taluk Board office;

(2) the pay of an additional peon to the Tiruvallúr Taluk Board office on Rs. 6; and

(3) the increase of one rupee in the pay of bill collectors of the Chingleput and Tiruvallúr unions, raising it in the former from Rs. 6 to Rs. 7 and in the latter from Rs. 5 to Rs. 6.

The present staff of the Chingleput Taluk Board office includes one head clerk on Rs. 25, a second clerk on Rs. 10 and a peon on Rs. 7. The second clerk's pay is increased as the present pay is too low to attract competent hands and does not qualify for pension. The single peon now allowed to the Tiruvallúr Taluk Board office is unable to cope with the office work and circulation to the members of "meeting"

papers every month; there is no facility of railway communication in the Tiruvallúr and Ponneri taluks which comprise the range. In the case of the bill collectors the increase is put on the ground of long and approved service which renders it undesirable that their experience should be lost.

The sanction of Government is solicited for the increase of pay of the second clerk of the Chingleput Taluk Board office and the proposed entertainment of an additional peon in the Tiruvallúr Taluk Board Office.

39. (*d*) *Contingencies, Rs.* 3,590.—The provision under the several items under this head is fixed with reference to the actuals of 1894–95.

40. (*e*) *Pension, Rs.* 700.—This includes the pension payabe to the undermentioned individuals :—

	Rs.
(1) Ranga Rao, late local fund head accountant at Rs. 30 sanctioned in G.O., No. 841, dated 25th July 1895	360
(2) Vencoba Rao, late local fund overseer, at Rs. 25–7–0 sanctioned in G.O., No. 1494, Pension, dated 22nd November 1894	305
(3) Muttuswami Naicker, tamil pandit of the late Saidapet high school, at Rs. 7–5–6 a quarter	29
Total ..	694
or in round figure ..	700

41. (*g*) *Repayment of loans, Rs.* 15,250.—This is the total amount of instalments of principal and interest payable in 1896–97 in respect of the loan from Government on account of the iron girder bridge over the Kortallaiyar river.

42. (*i*) *Miscellaneous—Law charges, Rs.* 430.—The increase is required by the taluk boards for defending a number of suits pending in courts filed by encroachers on public streets and for any new demands that may arise.

43. The allotments under Grant IV amount to Rs. 30,540 or 12·4 per cent. of the estimated receipts.

44. The consolidated revised and budget estimates have been passed by the district board at its meeting held on the 14th instant, and a copy of its resolution is enclosed.

45. The usual proposition statements in respect of the additions to, and alterations in the existing establishments, and for the new establishments proposed in the foregoing paragraphs accompany.

From G. S. FORBES, Esq., President of the District Board, Chingleput, dated Saidapet, 26th December 1895, No. 1174 L.

From the Honourable Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 10th January 1896, No. 131.

With reference to the educational portion of the budget estimate of the Chingleput District Board, I have the honour to state that I approve of the proposals made therein, subject to the following modifications:—

(i) The allotment for results grants has been reduced by Rs. 700. I would recommend that the current year's allotment be repeated so as to allow of the same proportion of net cost being assigned to results schools in the ensuing year. The actuals of 1894–95 did not represent the full earnings of the year.

(ii) The provision for furniture grant is very inadequate and should be raised by Rs. 300 at least. During the past year such grants were sanctioned from Provincial funds.

2. No information is given in the extract from Statement I-A furnished to me as to the amount of land-cess estimated for the ensuing year. The proposed expenditure under Grant II, including the increases I have recommended above, amounts to Rs. 27,650, of which Rs. 1,970 is expected to be covered by school-fees, &c., and grants from Provincial funds. The net charges under Grant II will thus be Rs. 25,680, which is about 15 per cent. of the probable income from land-cess, taking the current year's figure as the basis of calculation.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 15th January 1896, No. 91-S.

Referring to the vaccine and sanitary portions of the Chingleput District Board budget for 1896–97, I have the honour to state that in either case the allotments made show an advance on those sanctioned for the current year. I would, however, remark that the proposed expenditure on the improvement of water-supply, which amounts to only Rs. 2,350 is quite incommensurate with requirements. I would, therefore, advise that, unless the board's resources are found absolutely inelastic, additional funds be made available for this most important feature of village sanitation, a feature already recognised as such by Government—*vide* paragraph 4 (5) of G.O., dated 19th September 1895, No. 1725 L.

2. The *only* work of a sanitary character proposed for execution under Grant I is the construction of a drain in the Sembiam Union at a cost of Rs. 950. Although if funds cannot be devoted to sanitation to any greater extent than the meagre provision shown, I would rather, as above suggested, that such little as is procurable for sanitation be devoted to water-supply, I find it necessary to advise the attention of Government to the utterly inadequate provision made for night-soil conservancy in the midst of large populations in the district. As an instance of poor arrangements in the Sembiam Union (which is practically a part of the town of Madras having a population of 452,518 and itself containing 14,276 inhabitants), not a single scavenger is provided, and only four sweepers. The Saidapet Union, on the opposite side of Madras, with a population of 11,981, is provided with only four latrine toties. I regard this condition of affairs as a standing danger to the health of Madras town.

From G. S. FORBES, Esq., President of the District Board, Chingleput, to the Chief Secretary to Government, dated Saidapet, 23rd January 1896, No. 51 L.

In continuation of my letter, Dis. No. 1144 L., dated 20th December 1895, submitting the budget estimates of the local boards for 1896–97, I have the honour to report that in the revised estimate for 1895–96 submitted with the above, a sum of Rs. 14,050 was anticipated as the probable collection of land-cess in Kachinad taluk for a part of fasli 1303 and the whole of fasli 1304 (1894–95 and 1895–96). The estimate was based on the figures reported in 1893 by the Collector of North Arcot as the probable proportion of the Kálahasti demand, which would fall to this district on the transfer of the Kachinad portion of it. The subject-matter was under correspondence with the President of the District Board of that district at the time of the submission of the budget. But since then he definitely informed me that, although the total amount of the cess collected for the period mentioned above is Rs. 17,211–6–8, it is not possible for his board to transfer the whole or any portion of the amount in the current year owing to the crippled state of its finances but that provision has been made for the full payment in the next year's budget and the necessary transfer will be effected in 1896–97.

2. I have no authority to compel the payment of the sum and apparently this board must put up with the inconvenience. But in consequence, alterations in the revised estimate for 1895–96 and the budget estimate for 1896–97, as submitted to Government, will be required. I have the honour, therefore, to request that the figures may be altered in Statements IX, I-A and I-B, as shown below, and that the enclosed statements of demand, collection and balance of land-cess may be substituted for those submitted as appendices to Statements IX and I-A.

REVISED ESTIMATE FOR 1895–96.

	As originally submitted.	As now revised.
	Rs.	Rs.
Opening balance	43,730	43,730

Net balance available for general purposes	39,541	30	—1,190	..	..	..	..

REVISED ESTIMATE FOR 1895–96.

2. The current year's receipts and charges are now estimated at Rs. 2,49,190 and Rs. 2,90,750, respectively, against Rs. 2,40,230 and Rs. 2,60,040 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under tolls, fees and fines, public works and contributions from Provincial funds on account of public works partly counterbalanced by a decrease under land-cess, and that in the charges under Grant I, Communications. The entertainment from 1st April 1895 to 31st March 1896 of the assistant teachers for the schools at Varadayyapalayam and Sholavaram, referred to in paragraph 23 of the President's first letter, is sanctioned.

BUDGET ESTIMATE FOR 1896–97.

3. *Receipts.*—The probable receipts for the ensuing year are placed at Rs. 2,61,260 against Rs. 2,49,190 in the revised estimate, the increase which appears mainly under land-cess being partly counterbalanced by a decrease under tolls and contributions from Provincial funds on account of public works.

4. *Charges.*—(1) The charges are put down at Rs. 2,56,330 against Rs. 2,90,750 in the revised estimate, the decrease occurring chiefly under Grant I, Communications.

(2) *Grant I.*—None of the new works provided for in the budget should be undertaken until the plans and estimates for them have been sanctioned by competent authority.

(3) *Grant II.*—The proposals to divide the school at Salavakkam into two separate schools and to open a Panchama school under the Tiruvallúr Taluk Board, referred to in paragraph 23 of the President's first letter, are sanctioned, but the other additions to and alterations in the educational establishments proposed in the same paragraph cannot be sanctioned owing to paucity of funds. For the same reason the recommendations of the Director contained in paragraph 1 (1) and (2) of his letter read above cannot be adopted.

(4) *Grant III.*—The provision for medical services will be allowed to stand, pending the remarks of the Surgeon-General. The permanent retention of the temporary vaccinator, the entertainment of the tank watchmen with retrospective effect from the date of their employment, and the increase in the pay of the water Brahman at the Pallávaram choultry, proposed in paragraphs 32, 33 and 34 of the President's first letter, are sanctioned. The very serious attention of the taluk boards will be drawn to the remarks of the Sanitary Commissioner in paragraph 2 of his letter read above. From Statement VIII it appears that the taluk boards are to contribute to union funds Rs. 700 over and above the lighting charges expected to be incurred in the several unions. The boards should endeavour to reduce this contribution by taking steps to increase the receipts or reduce the expenditure of the unions concerned.

(5) *Grant IV.*—The provision for controlling establishments at the Presidency should be Rs. 1,700 according to G.O., No. 2190 L., dated 19th November 1895, and not Rs. 1,650 as stated in paragraph 38 of the President's budget letter. In the case of printing work done at the Government Press, to which the above Government order does not apply, as supposed by the President, the actuals of 1894–95 (Rs. 360) will be repeated. The increase in the pay of the second clerk of the Chingleput Taluk Board's office and the entertainment of an additional peon on Rs. 6 in the Tiruvallúr Taluk Board's office, proposed in paragraph 38 of the President's budget letter, are sanctioned.

5. *Reserve and Balance.*—The reserve calculated at ten per cent. of the estimated receipts, excluding those of the endowed institutions and unions, should be Rs. 24,150, but owing to want of funds only Rs. 10,350 are provided. The budget, as revised by

No. 286 L., 12TH FEBRUARY 1896.

Government, closes with a balance of Rs. 2,960, of which Rs. 1,260 appertain to unions and Rs. 1,700 to endowed institutions, leaving nothing available for general purposes.

(True Extract.)

G. S. FORBES,

Revised Estimate for 1895-96.

2. The current year's receipts and charges are now estimated at Rs. 249190 / 260240 and Rs. 290,750 respectively against Rs. 240230 and Rs. 260,040 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under tolls, fees and fines, public works and contributions from Provincial funds on account of Public Works, and that in the charges appears mainly under Grant I - Communications.

(partly counterbalanced by a decrease under land cess.)

(from 1st April 1895 to 31st March 1896)

(The entertainment of the assistant teachers for the schools at Varadayyapalayam and Sholavaram, referred to in para. 23 of the President's first letter is sanctioned with effect from 1st April 1895 to 31st March 1896.)

Budget Estimate for 1896-97.

3. Receipts.— The probable receipts for the ensuing year are placed at Rs. 261260 / 274750 against Rs. 249190 / 260240 in the revised estimate, the increase mainly which appears under land cess, being partly counterbalanced by a decrease under tolls, fees and contributions from Provincial funds on account of Public Works.

4. Charges.— (1) The charges are estimated

~~put down~~ estimated at Rs. 25,63,30 against Rs. 29,07,50 in the revised estimate, the decrease occurring chiefly under Grant I - Communications.

(2) Grant I. — None of the new works provided for in the budget should be undertaken until the plans and estimates for them have been sanctioned by competent authority. ~~The Government~~ expects that as funds become available, the allotment for communications will be raised.

(3) Grant II. — The proposals to divide the school at Salavakkam into two separate ~~schools~~ schools and to open a Panchama school under the Tiruvallur Taluk Board, ~~with the necessary establishments~~ referred to in para. 23 of the President's first budget letter are sanctioned, but the other additions and alterations in the educational establishments proposed in the same para. cannot be sanctioned owing to paucity of funds. The recommendations of the Director contained in para. 1 (1) and (2) of his letter read above cannot be adopted ~~for the same reason.~~ for the same reason.

(4) Grant III. — The provision ~~provided under hospitals for Medical Services and dispensaries~~ will be allowed to stand, pending the remarks of the Surgeon General. The permanent retention of the temporary vaccinator, the entertainment of the ~~Tank~~ water-kehemen with retrospective effect from the date of their employment, and the increase in the pay of the water brahmin at the Pallavaram choultry proposed ~~referred to~~ in paras. 32, 33 and 34 of the President's first letter are sanctioned. The very serious reduction of the Taluk Boards will be drawn to the remarks of the Sanitary Commissioner in para. 2 of his letter read above. From statement VIII it appears that the Taluk Boards are to contribute

Rs.

Contd
Rs. 700 over and above the lighting charges expected to be incurred in the several unions. The ~~Government expects that the Taluk~~ Boards should endeavour to reduce this contribution ~~their best to avoid this proceed~~ by taking steps to increase the receipts or reduce the expenditure of the unions concerned.

(5) Grant IV.— The provision for controlling establishments at the Presidency should be Rs. 1700 according to G.O. No. 2902, dated 19th November 1895 and not Rs. 1650, as stated in para. 38 of the President's budget letter. In the case of printing work done at the Government Press, to which the ~~no reference is made in this~~ Government order above does not apply, ~~referred to~~ as supposed by the President, the actuals of 1894-95 (Rs. 360) will be repeated ~~with reference to G.O. No. 641, dated 2nd April 1897. The Government does not approve of the proposed~~ The increase in the pay of the second clerk of the Chingleput Taluk Board's office, ~~but in the circumstances stated in para 38 of the President's first letter~~, and the entertainment of an additional peon in the Taluk Board's office proposed in para. 38 of the President's budget letter is sanctioned.

5. Reserve and Balance.— The reserve calculated at ten per cent of the estimated receipts, excluding those of the endowed institutions and unions should be Rs. 24,150, but owing to want of funds only Rs. 10,350 are provided. The budget, as revised by Government, closes with a balance of Rs. 2960, of which Rs. 1260 appertain to Unions and Rs. 1700 to endowed institutions, leaving nothing available for general purposes.
