GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From W. J. H. LE FANU, Esq., President, District Board, Nellore, to the Chief Secretary to Government, dated Nellore, 14th December 1895, No. 1830-D.B.

I have the honour to submit herewith the consolidated revised estimate for 1895–96 and the budget estimate for 1896–97 of receipts and charges of the local funds of the Nellore district, together with the prescribed statements.

2. The estimates were passed by the district board at a meeting held on the 13th instant—*vide* copy of resolution enclosed.

3. The statement given below compares the estimated receipts and charges of the current and ensuing years :—

—	1895–96.		1896–97.
	Budget.	Revised.	
	Rs.	Rs.	Rs.
Opening balance	72,610	1,37,440	1,02,340
Receipts	2,91,920	3,04,300	2,84,780
Total ..	3,64,530	4,41,740	3,87,120
Expenditure ..	3,41,690	3,39,400	3,53,790
Closing balance ..	22,840	1,02,340	33,330

REVISED ESTIMATE FOR 1895–96.

4. RECEIPTS.—The actual receipts of the year are estimated to be Rs. 3,04,300. Including the opening balance (Rs. 1,37,440), the total assets amount to Rs. 4,41,740 against the budget estimate of Rs. 3,64,530. The increase over the budget estimate is mainly due to (1) large opening balance, (2) arrear collections under "Land-cess" and (3) increase under "Refunds of expenditure."

5. *Opening Balance.*—The year opened with a balance of Rs. 1,37,440, which is the finally audited figure of the Accountant-General. The following variations account for the net increase of Rs. 64,830 in the actuals of 1894–95 over the budget estimate (Rs. 72,610) of the current year :—

	Rs.
(1) Increase in the opening balance .. .. +	5
(2) Increased receipts under some items .. .. +	3,690
(3) Short receipts under some items .. .. —	10,119
(4) Short expenditure under all grants .. .. +	65,395
(5) Excess expenditure under debt accounts .. .. .. —	2,441
(6) Unexpended reserve .. .. +	8,300
Total ..	64,830

Item (1).—The increase of Rs. 5 is due to the adoption of round figures.

Item (2).—Rs. 3,690 were collected in 1894–95 in excess of what was anticipated in the revised estimate of that year and there were larger collections chiefly under the following heads: "Medical school-fees," "Public Works," "Other Miscellaneous items" and "Adjusting Heads." The causes mentioned in paragraphs 22, 24, 25 of No. 913-D.B., dated 10th July 1895, embodied in G.O., No. 1709 L., dated 16th September 1895, account for the increase in the first three items.

Item (3).—There was a decrease of Rs. 10,119 and the items in which this occurs chiefly are "Land-cess" and "Contributions to Provincial Funds." This is due to the causes stated in paragraphs 17 and 26 of No. 913-D.B., dated 10th July 1895, embodied in G.O., No. 1709 L., dated 16th September 1895.

Item (4).—There was exceedingly short expenditure under Grant I, and this is the main cause of variation. The short expenditure under Grants I, II and III was due chiefly to reasons given in paragraphs 35, 36, 47 and 59 of the administration report of 1894–95, embodied in G.O., No. 1709 L., dated 16th September 1895.

Item (5).—This is an adjusting head.

Item (6).—There were no applications for allotments from the reserve of Rs. 8,300.

6. *Land-cess.*—The collections according to the revised estimate are Rs. 2,60,670, and the variation is due to (1) difference of Rs. 11,701, payable by the Rajah of Venkatagiri for the triennial period ending with fasli 1302, in accordance with Board's Proceedings, Mis. No. 5899, dated 23rd November 1895; a sum of Rs. 878 payable by the Rajah of Kalahasti, and (2) causes stated in paragraph 17 of No. 913-D.B. of 1895, embodied in G.O., No. 1709 L., dated 16th September 1895.

7. *Tolls under Act V of* 1884 *and Contributions from Municipalities.*—The variation is due to (1) want of competition in sales of toll-gates and (2) provision made for contribution from the Nellore municipality from 1st November 1895 at Rs. 100 a month. This contribution was remitted up to that date—*vide* G.O., Mis. No. 2439 L., dated 1st November 1893. The amount entered under this head is the actual demand under "Tolls" and contributions from Ongole municipality *plus* the contribution from the Nellore municipality from 1st November 1895.

8. *House-tax.*—The union at Vovvéru provided in the budget of the current year was not opened; hence the decrease in the receipts under this head.

9. *School-fees.*—The decrease is due to (1) closure of five board schools under the Gudur taluk board; (2) sudden withdrawal of Hindu boys from the lower secondary school at Kandukur on account of admission of Madiga converts into the school.

10. *Medical School-fees.*—Under the existing orders the school is to be closed from 1st July 1896, and consequently no fresh admissions were made this year. The original estimate is high.

11. *Choultry Rents.*—The variation is due to the inclusion of rents of Chengalpallem choultry endowment.

12. *Fishery Renis.*—There is a decrease of Rs. 400 under this head. This occurs under the Gudur taluk board, and the President of that board remarks that, from experience of the past six months and of previous years, it is not possible to realize a higher sum.

13. *Avenues.*—The increase is due to the inclusion under this head of the sale-proceeds of trees in the bed of Ashalminaha ponds.

14. *Refunds of Expenditure.*—This is an adjusting head.

15. *Contributions from Provincial Funds—Education.*—The decrease is due to (1) closure of five board schools under Gudur taluk board, (2) sanctioning grant only to the headmaster of the lower secondary school at Kandukur and (3) to there being no applications for building grants.

16. *Allotments from District to Taluk Funds.*—A sum of Rs. 58,440 was contributed from district funds to taluk funds, against the budget estimate of Rs. 32,000.

The difference of Rs. 26,440 was contributed to the Gudur and Atmakur taluk boards as noted below:—

	Rs.
Gudur taluk board	21,780
Atmakur taluk board	4,660
Total ..	26,440

The whole of the contribution was for Grant I works only.

17. The variations in other items are explained in Statement IX and call for no special remarks.

18. EXPENDITURE.—The expenditure under all grants, excluding reserve, as per budget, is Rs. 3,12,650 and, according to the revised estimate, it is Rs. 3,38,900. The total allotment under all grants is Rs. 3,94,334.

19. *Grant I, New Works—Communications.*—The amount provided in the budget is Rs. 16,630. A sum of Rs. 14,020 was subsequently allotted under this head, thus making the total Rs. 30,650. Out of this, only a sum of Rs. 18,640 is proposed to be spent in the year and this short expenditure is chiefly due to the delay in submission of estimates and tardiness in executing them afterwards.

20. *Civil Buildings.*—Out of the total allotment of Rs. 16,594, a sum of Rs. 4,620 is expected to be spent in the year. The reason is the same as that given in the previous paragraph. The Ongole Taluk Board President remarks that, owing to the late receipt of estimates, a sum of Rs. 11,840 cannot be spent within the year. The provision made for the Alúr dispensary building cannot be utilized, as the question of site is still unsettled.

21. *Miscellaneous Public Improvements.*—The short expenditure is due to the reason given in paragraph 19.

22. *Repairs—Communications.*—The total allotment sanctioned under this head amounts to Rs. 1,68,896, and, out of this, a sum of Rs. 1,40,870 is expected to be spent within the year. The expenditure up to the end of October is only 7 per cent., and therefore it was presumed that there would not be larger expenditure. It is a matter of doubt whether there will be even as much expenditure as is proposed in the revised estimate, and, if there is not, the surplus will be utilized for roads in the next year. The only important works subsequently provided under this head are (1) special repairs of Venkatachallam choultry, Muttukur road, Rs. 15,600; (2) special repairs of Dornal road, Rs. 7,000.

23. *Repairs—Civil Buildings and Miscellaneous Public Improvements.*—There are no important works under these heads.

24. *Local Fund Engineering Establishment.*—The cost of Local Fund Engineering establishment and contingencies is Rs. 25,010 against the budget estimate of Rs. 25,000. The percentage of cost of the establishment to the total outlay on works amounts to 14·8 per cent.

25. *Grant II.*—The estimated expenditure under this grant is Rs. 52,950 against the budget and total allotments of Rs. 52,230 and 53,949.

26. *Secondary Schools.*—The decrease is owing to temporary removal of the second and fourth masters of the Kandukur lower secondary school.

27. *Elementary Schools.*—The variation is due to the (1) closure of five board schools under the Gudur taluk board; (2) non-entertainment of a master on Rs. 7 provided in the budget under the Ongole taluk board; (3) the fourth master's place in the Kottapattam school having been left vacant owing to the school falling short of the prescribed strength; (4) fixing the minimum pay of the teachers under the Gudur taluk board at Rs. 7 a month, as the minimum of Rs. 5 allowed to some of the schools was found quite insufficient; (5) payment of the personal allowance of Rs. 157 to the headmaster of Kavali school; (6) payment of the house-rent to some of the

schools sanctioned subsequently ; (7) supply of furniture to some schools ; (8) increasing the pay of the master of Thummagunta school from Rs. 5 to Rs. 7 by the Nellore taluk board.

28. *Grant III—Medical.*—The estimated expenditure under this grant amounts to Rs. 67,970 against the budget and total allotments of Rs. 66,050 and Rs 70,094. The decrease occurs chiefly under "House-rent to hospital assistants." The sum of Rs. 1,440, provided by Government under this head, was not utilized as there are no Government hospital assistants to whom only this allowance is allowable—*vide* clause 4, paragraph 4 of G.O., No. 357 L., dated 26th February 1895.

29. *Scavenging Establishment.*—The union at Vovvéru was not opened during the year, and hence the decrease under this head.

30. The variations under other items are explained in Statement IX and call for no special remarks.

31. *Grant IV.*—The expenditure amounts to Rs. 21,170 against the total allotment of Rs. 21,262, and the decrease is due to the union at Vovvéru not having been started.

32. *Closing Balance.*—The year is expected to close with a balance of Rs. 1,02,340, of which Rs. 5,700 pertain to union, and Rs. 9,680 to endowment, funds. This closing balance will be adopted as the opening balance of 1896–97.

BUDGET FOR 1896–97.

33. *Receipts.*—The actual receipts of 1896–97, excluding opening balance (Rs. 1,02,340), amount to Rs. 2,84,780, against the budget and revised estimates of Rs. 2,91,920 and Rs. 3,04,300 of the current year. The decrease under the current year's revised estimate occurs mainly under "Land-cess," "Medical school-fees," "Fishery rents," "Avenues," "Refunds of expenditure" and "Miscellaneous debt accounts."

34. *Land-cess.*—The demand of land-cess is expected to be as follows :—

	Rs.
Arrears	2,803
Current	2,46,961
Total ..	2,49,764

Of the demand, a sum of Rs. 2,47,878 or 99·2 per cent. is expected to be collected within the year. As compared with the revised estimate of the current year, the collections show a decrease due to the fact that the revised estimate includes arrears to be paid by the Venkatagiri and Kalahasti Rajahs as explained in paragraph 6 *supra*. The variation is also due to the reasons given in paragraph 17 of No. 913-D.B., dated 10th July 1895, embodied in G.O., No. 1709 L., dated 16th September 1895.

35. *Tolls under Act V of* 1884.—The current year's demand is adopted for 1896–97.

36. *Contributions from Municipalities.*—A sum of Rs. 2,280 is provided under this head. This includes the sum of Rs. 1,000, the estimated amount of contribution from the Nellore municipality.

37. *House-tax.*—The variation is due chiefly to not opening the union at Vovvéru and the construction of new houses in some of the unions.

38. *School-fees.*—The variation is due to (1) closure of 29 schools under the Gudur and 5 schools under the Atmakur taluk boards, (2) raising the Gudur primary school to the lower secondary grade, (3) increased receipts expected from the lower secondary school at Kávali.

39. *Medical School-fees.*—There is no income under this head as the school is to come to a close from 1st July 1896.

40. The current year's budget figures, with slight variations, are adopted under "Choultry rents," "Bungalow fees," "Rents and produce of land," "Refunds of expenditure."

41. *Fees and Fines, Avenues and Sundry Receipts.*—These are fluctuating items.

42. *Fishery Rents.*—The current year's revised estimate figure is adopted with a variation of Rs. 200.

43. *Contributions from Provincial Funds.*—A sum of Rs. 4,240 is provided against Rs. 4,210 in the current year's revised estimate. The variation is due to the closure of the schools under the Gudur and Atmakur taluk boards and to the raising of the Gudur primary school to the grade of a lower secondary school.

44. *Allotments from District Funds.*—A contribution of Rs. 7,000 is provided for the Atmakur taluk board to meet its requirements.

45. *Expenditure—Grant I, New Works—Communications.*—For want of sufficient funds and owing to the necessity to restore the existing roads to a good condition, no new works of importance are provided next year.

46. *Civil Buildings.*—The following works are provided under this head :—

	Rs.
Choultry at Addanki	7,000
Dispensary at Addanki	2,500
Do. at Allúru	3,900
Do. at Singarayakonda	2,500
Constructing building for Ongole taluk board's office	500
Petty works	600
Total ..	17,000

Of the above, the first five are provided for in the current year's budget also ; but, for reasons given in paragraph 20 *supra*, they were not carried out.

47. *Miscellaneous Public Improvements.*—A sum of Rs. 650 is provided under this head.

48. *Repairs—Communications.*—A sum of Rs. 1,38,250 is provided for the repairs of roads in 1896–97, and this is more than the limit fixed in G.O., No. 1686 L., dated 14th September 1895. Of this sum, Rs. 44,420 relate to taluk, and Rs. 93,830 to district, boards. The roads in the district are generally bad, and some of them, as Nellore-Kistnapatam road and Ongole-Kottapatnam road, &c., require immediate attention. Both are important roads, and I can state from personal inspection that the former is in many places practically impassable. The estimate for the former is ready, and that for the latter is said to be under preparation. Provision of Rupees 28,600 is made in the budget for the special repairs of the Nellore-Kistnapatam road. This is a taluk board road ; but it has now been taken up under district board with reference to rule 17 of Local Fund Rules. It is believed that there will be large savings under works at the end of the current year and these will be allotted for roads in the course of next year.

49. *Civil Buildings and Miscellaneous Public Improvements.*—There are no important works.

50. *Local Fund Engineering Establishment and Contingencies.*—The cost of Local Fund Engineering establishment and contingencies comes to Rs. 25,000, and its proportion to the total outlay on works is 15·8 per cent.

51. *Grant II.*—The estimated expenditure under this grant amounts to Rs. 49,200 against the budget estimate of Rs. 52,230 of 1895–96. The decrease is due to the closure of 29 schools under the Gudur and 5 under the Atmakur taluk boards.

52. *Inspection.*—The current year's figures are adopted. The Director of Public Instruction has proposed the following re-organization of inspecting schoolmasters :—

	Rs.
One inspecting schoolmaster on	40
Two inspecting schoolmasters on	35
Three do. on	30
Three do. on	25

The present scale is as follows:—

	Rs.
Two inspecting schoolmasters on	35
One inspecting schoolmaster on	30
Six inspecting schoolmasters on	25

The proposed change involves an additional expenditure of Rs. 25 per mensem, but no additional amount is provided as the current year's budget figure covers this increase also.

53. *Sessional Schools.*—The current year's provision is repeated for next year as recommended by the educational officers.

54. *Secondary Schools—Salaries of Masters.*—The increase is due to (1) raising the Gudur primary school to the lower secondary grade and (2) making provision for the personal allowance of the headmaster of Kávali school. The Ongole taluk board have provided for the Kandukur lower secondary school as usual.

55. *Servants and Miscellanous.*—The increase is chiefly due to the raising of the Gudur primary school to the grade of a lower secondary school.

56. *Elementary Schools.*—The decrease is due to the closure of the schools under the Gudur and Atmakur taluk boards. The Nellore, Atmakur and Gudur taluk boards have adopted the proposal of the educational officers to fix the salaries of the masters according to the scale given below:—

Grade of school.	Average attendance.	Number of teachers.	Salary.
I	101 and upwards.	5	Rs. 15, 12, 10, 8, 7.
II	81 to 100	4	„ 12, 10, 8, 7.
III	56 to 80	3	„ 10, 8, 7.
IV	36 to 55	2	„ 10, 7.
V	26 to 35	1	„ 8.
VI	18 to 25	1	„ 7.

An allowance of Rs. 11 to the establishment of the Rapur school was sanctioned by the Gudur taluk board in the current year on account of the school being situated in a backward locality, though it did not possess the required strength. The current year's figures are therefore adopted for this school.

57. *Grants-in-Aid.*—The current year's figure is adopted with a variation of Rs. 70.

58. *Purchase of Books.*—The figures of the educational officers are adopted.

59. *Grant III—Medical.*—The estimated expenditure for 1896–97 is Rupees 70,290 against the budget estimate of Rs. 66,050 for the current year. The increase is explained below.

60. *Medical Subordinates.*—The increase under this head is due to (1) making provision for payment of salaries of some of the hospital assistants at the increased rates of pay as they have passed the departmental examinations, (2) making a provision for an allowance of Rs. 10 per mensem to the hospital assistant attached to the Sríharikóta dispensary, as recommended by the District Surgeon, on account of the unhealthy surroundings of the place. Elephantiasis is so common that every one is afraid to go there. The allowance proposed is therefore reasonable.

61. *Servants.*—The increase under this head is due to (1) making provision for raising the pay of the compounders of Kandukur, Addanki, Kanigiri and Gudur hospitals from Rs. 7 to Rs. 9, (2) raising the pay of the compounder of the Kávali hospital from Rs. 8 to Rs. 9, (3) raising the pay of the scavengers attached to the Kandukur, Kanigiri and Addanki hospitals from As. 8 to Re. 1, (4) raising the pay of the hospital dhoby of Kávali by Re. 1, (5) entertaining a toti on Rs. 2 in Kávali hospital, (6) making provision for an allowance of Rs. 2 to the servant attached to the Sríharikóta dispensary on account of the unhealthy climate of that place.

62. *Medicines and Surgical Instruments.*—The figures advised by taluk boards are adopted. The Ongole taluk board have increased the amount by Rs. 50 for each of the in-patient hospitals. Import duty has to be paid as the medicines are now obtained direct from Europe; hence the increase.

63. *Midwives.*—The increase is due to (1) raising the pay of all midwives by Re. 1, as recommended by the District Surgeon, on the strength of G.O., No. 1381 L., dated 26th July 1894, (2) making provision for four reserve midwives at Rs. 5 each per mensem, (3) making provision for an allowance of Rs. 3 per mensem to the midwife attached to the Sríharikóta dispensary owing to the unhealthy climate of Sríharikóta.

64. *Medical Pupils.*—As suggested by Government in clause 3, paragraph 4 of G.O., No. 1709 L., dated 16th September 1895, provision is made for two female students on scholarships of Rs. 20 each. The medical school is to come to a close from 1st July 1896, and so provision is made for four months only.

65. *District Surgeon's Establishment.*—A sum of Rs. 1,150 is provided under this head. The District Surgeon proposed an increase of Re. 1 to his peon and this is provided for.

66. *House-rent to Hospital Assistants.*—The District Surgeon proposed that every Local Fund hospital assistant should be allowed a house-rent allowance of Rs. 2–8–0 a month (half of what is allowed to Government hospital assistants). The board considered that this is absolutely necessary, and have accordingly made provision for the same in the budget. These hospital assistants were not allowed any allowance this year, as it was considered that it was not in accordance with the instructions of Government—*vide* clause 4, paragraph 4 of G.O., No. 357 L., dated 26th February 1895.

67. *Contingencies and Miscellaneous.*—The current year's revised estimate figure, with a slight variation of Rs. 20, is adopted.

68. *Vaccination.*—The current year's figures are adopted. The pay of the depôt vaccinator has been raised from Rs. 15 to Rs. 18, as recommended by the District Surgeon, on account of the responsible work which he has to perform at the depôt. The whole vaccine department has to be supplied with paste from the depôt, and it is therefore desirable to have a competent man in charge of it.

69. *Improvement of Water-supply.*—A sum of Rs. 5,040 is provided under this head. Two watchers on Rs. 4 each have been entertained in the current year to watch the ponds at Gudur and Venkatagiri, and these are provided for next year also.

70. *Scavengering Establishment.*—The increase under this head is due to (1) making provision for the entertainment of a toty on Rs. 6 a month at Gudur, (2) raising the pay of the supervisor of the Gudur union by Rs. 2, (3) making provision for an additional scavenger in the Sangam union on Rs. 4 a month, (4) entertaining two scavengers at Darsi at Rs. 3–8–0 each. The scavengers are generally employed in merely removing ordinary rubbish except in some places where they are paid higher rates to remove fœcal matter. Toties are employed for this purpose.

71. *Other Sanitary Outlay.*—The increase is due to (1) making provision for the purchase of dust-bins in all unions under the Ongole taluk board and at Podili and Darsi, (2) constructing two latrines at Gudur.

72. *Choultries.*—The increase under establishment is due to making provision for a servant on Rs. 5 and a sweeper on Rs. 2 for Karedu choultry recently completed.

73. A sum of Rs. 7,000 is provided in the budget for the construction of a choultry at Addanki, and this has to be met from Velagapudi shrotriem endowment funds. Till the choultry is completed, it is proposed to feed travellers by giving sadavarthi, at an expense of Rs. 300 a year, from this endowment funds; and to keep up the accounts of sadavarthi and be in charge of the store in that place, it is proposed to entertain temporarily a servant on Rs. 6 a month.

74. *Feeding Charges.*—A sum of Rs. 300 is provided for feeding travellers as above stated.

75. *Contingencies.*—The increase is due to the provision made for supply of vessels to the Kávali choultry and to the contingent charges of the newly-constructed choultry at Karedu.

76. *Bungalows.*—The increase is due to provision for the supply of furniture for the travellers' bungalow at Kávali.

77. *Contributions to Provincial Funds—Sanitary Inspection.*—A sum of Rs. 930 is provided with reference to the actuals of 1894–95.

78. *Contributions to Municipalities.*—A sum of Rs. 7,600 is provided as contributions to municipalities. This amount includes the one-third contribution payable to the Nellore municipality on account of the female hospital. The Nellore taluk board used to pay a contribution of Rs. 3,600 to the municipality on account of the hospital at Nellore. This is now met from district funds at the instance of the Nellore Taluk Board President, as this is a general charge—*vide* rule 17 of Local Fund Rules. The patients treated at the branch dispensary belong not only to the taluks forming the Nellore taluk board but also to the whole district.

79. *Miscellaneous.*—A sum of Rs. 3,540 is provided under this head as shown below:—

	Rs.
Lighting charges	1290
Water-pandals	2,250
Total ..	3,540

80. *Grant IV—Miscellaneous.*—The total expenditure under this grant amounts to Rs. 22,220 against the budget estimate of Rs. 20,890.

81. *Local Boards' Establishment.*—The increase is due to (1) making provision for the increased establishment of the district board's office, as directed in G.O., Mis. No. 1795 L., dated 30th September 1895, (2) raising the pay of the bill-collector and union karnam of the Kandukur and the Kottapatam unions by Re. 1 each, (3) raising the pay of the Gudur and Ongole taluk boards' office establishments as shown below:—

	Present pay.	Proposed.
	Rs.	Rs.
Ongole taluk board—		
Head clerk	20	25
Second clerk	14	15
Attender	8	10
Gudur taluk board—		
Head clerk	20	25
Second clerk	12½	15
Attender	5	7

82. *Contingencies.*—The sum provided under this head is Rs. 8,980. There is an increase chiefly under "Travelling allowance to non-official members." The variations under other items do not call for any special remarks.

83. *Law Charges.*—There are some notices for civil suits for the recovery of amounts for works said to have been done under verbal orders, &c., in previous years as stated in paragraph 44 of the administration report embodied in G.O., No. 1709 L., dated 16th September 1895; hence the increase.

83 (*a*). *Books and Periodicals.*—The following books and periodicals are proposed to be purchased:—

(1) Indian Medical Gazette.
(2) Route Book.
(3) Letts' Diaries for inspecting schoolmasters.

84. *Reserve.*—A reserve (Rs. 28,480) of 10 per cent. of the year's receipts excluding opening balance, is provided for the unforeseen charges of 1896–97.

85. *Allotments to Taluk Funds.*—A contribution of Rs. 7,000 is provided for the Atmakur taluk board to enable it to meet its requirements.

86. *Closing Balance.*—Deducting the total expenditure (Rs. 3,53,790) from the gross receipts (Rs. 3,87,120) the year is expected to close with a balance of Rupees 33,330, which is 11·7 per cent. of the year's net receipts. This balance is distributed among the several funds as follows:—

From W. J. H. LE FANU, Esq., President, District Board, Nellore, to the Chief Secretary to Government, dated 8th January 1896, No. 6—D.B.

In continuation of this office letter No. 1830—D.B., dated 14th December 1895, I have the honour to submit herewith a proposition statement for the additions and alterations proposed in the budget for 1896–97.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 10th January 1896, No. 127.

I have the honour to submit the following remarks on the educational portion of the Nellore District Board budget estimate for 1896–97.

2. *Receipts.*—Credit is taken for a grant of Rs. 4,240 from Provincial funds; but the particulars given in Statement IV-A amount to Rs. 3,758 only and the actuals of 1894–95 were Rs. 2,772. The estimate under grants should be fixed at Rs. 3,240.

3. *Charges.*—The board has allotted Rs. 49,200 for expenditure under Grant II as against Rs. 52,230 in the current year's budget and it has proposed to abolish 34 of its schools, apparently with a view to give effect to the orders of Government for the proper maintenance of communications. Nellore is a backward district from an educational point of view and the net expenditure proposed on education is only about 15 per cent. of the estimated income from land-cess. The board need not therefore have taken this retrograde move.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Adinimayapalle, 22nd January 1896, No. 143—S.

With reference to the Nellore District Board's budget for 1896–97, I have the honour to state that the proposed expenditure on vaccination, which is estimated at the same figure as for the current year, calls for no notice. The allotment for sanitation, though in excess of that for 1895–96, is only 5·2 per cent. of the anticipated receipts, and cannot be regarded as an adequate proportion of available funds. The expenditure of Rs. 5,040 under "Improvement of water-supply" will secure but trivial results. The expenditure on scavenging establishments (Rs. 6,410) is also very much under-estimated. Statement VI does not detail the staff that will be employed in the villages therein mentioned. I would recommend that, in determining the staff and plant requisite to deal with the requirements of the rural populations concerned, the following formula be adhered to by the board.

For every thousand of the living there should be two toties and one sweeper; rubbish carts should be at the rate of one of not less than 32 cubic feet capacity, for every 2,000 people, allowing for full working powers of two bullocks per day; and iron night-soil carts, of 12 cubic feet capacity, at one for every 3,000, performing two trips daily.

2. I regret to find that no sanitary works of any importance are proposed for execution under Grant I.

Order—No. 288 L., dated 13th February 1896.

The estimated local fund receipts and charges of the Nellore district for 1896–97, as passed by Government, are compared below with the budget and revised estimates for 1895–96 and the actuals of 1894–95 :—

Revised Estimate for 1895–96.

2. The current receipts and charges are now estimated at Rs. 3,04,300 and Rs. 3,39,400, respectively, against Rs. 2,91,920 and Rs. 3,41,690 in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, public works and miscellaneous debt accounts, while the decrease in the charges appears principally under the reserve, being partially met by increases under Grants I and III and miscellaneous debt accounts. The alterations in the educational establishments referred to in paragraph 27 of the President's letter are sanctioned.

Budget Estimate for 1896–97.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 2,84,780 against Rs. 3,04,300 in the revised estimate for the current year, the decrease appearing chiefly under land-cess, public works and miscellaneous debt accounts. The estimated receipts under Provincial grants for education will be reduced from Rs. 4,240 to Rs. 3,240 with reference to paragraph 2 of the Director's letter read above. A provision of Rs. 2,770 has been made under allotments from taluk to union funds, against an estimate of Rs. 1,290 under lighting charges, which alone should be met from taluk funds. This is particularly noticeable under the Gudur Taluk Board, where h unions have a closing balance of Rs. 1,601, of which Rs. 792 is a contribution tm taluk funds in excess of lighting charges. Efforts should be made in the course tthe year, either to increase the receipts of the Union Panchayats or to reduce their reenditure, so that the contributions which otherwise have to be made from taluk exls may be available for expenditure in non-union areas.

tri 4. *Charges.*—(1) The probable charges are put down at Rs. 3,53,670 against ver 39,400 in the revised estimate, the increase, which occurs mainly under Grant, empl[illegible] the reserve, being partially met by decreases under Grants I and II and the staff an[illegible] debt accounts.
concerned,

(2) *Grant I.*—No expenditure should be incurred on any of the new works, for which provision has been made in the budget, until the plans and estimates are sanctioned by competent authority.

(3) *Grant II.*—The additions to and alterations in the educational establishments proposed in paragraphs 52, 54, 55 and 56 of the President's letter are sanctioned, and the Director's remarks in paragraph 3 of his letter will be referred to the taluk boards concerned for very careful consideration. If funds become available it may be advisable to re-open some of the schools now to be closed.

(4) *Grant III.*—The remarks of the Surgeon-General on the provision for medical services will be awaited. The additions to and alterations in the vaccine and choultry establishments proposed in paragraphs 68, 72 and 73 of the President's letter and the employment of two scavengers on Rs. 3–8–0 each per mensem at Darsi, referred to in paragraph 70, are sanctioned. Local boards should bear in mind that the work of scavengers should consist chiefly in the removal of fœcal matter and not in clearing away ordinary rubbish. The sanction of Government is not necessary for the entertainment of the tank watchers, referred to in paragraph 69 and shown in the proposition statement, as they are apparently paid from union funds. The remarks and suggestions of the Sanitary Commissioner in his letter read above will be referred to the taluk boards for careful consideration. The President will be requested to state whether the terms of the Velagapudi shrotriem endowment permit of its funds being appropriated for the construction of a choultry at Addanki as proposed in paragraph 73 of his letter.

(5) *Grant IV.*—The additions to and alterations in the district board's and the Ongole and Gudur taluk boards' office establishments, proposed in paragraph 81, are sanctioned.

5. The reserve will be reduced from Rs. 28,480 to Rs. 27,270—Rs. 13,480 under the district and Rs. 13,790 under taluk funds—being 10 per cent. of the estimated receipts, excluding those of unions and endowed institutions. The budget, as revised by Government, closes with a balance of Rs. 33,660, of which Rs. 2,350 appertain to unions and Rs. 3,260 to endowed institutions, leaving Rs. 28,050 or 10 per cent. of the receipts available for general purposes.

Revised Estimate for 1895-96.

2. The current receipts and charges are now estimated at Rs 304,300 and Rs 339,400, respectively, against Rs 291,920 and Rs 341,690 in the sanctioned budget. The increase in the receipts occurs chiefly under land cess, Public Works, and Miscellaneous Debt accounts, while the decrease in the charges appears principally under the Reserve, being partially met by increases under Grants I and III and Miscellaneous Debt Accounts. The alterations in the Educational establishments referred to in para 27 of the President's letter are sanctioned.

Budget Estimate for 1896-97

3. Receipts. The receipts for the ensuing year are placed at Rs 284780 against Rs 304,300 in the revised estimate for the current year, the decrease appearing chiefly

under Land Cess, Public Works and Miscellaneous Debt Accounts. The estimated receipts under Provincial Grants for education will be reduced from Rs 4,240 to Rs 3,240 with reference to para 2 of the Director's letter read above. A provision of Rs 2,770 has been made under allotments from Taluk to Union funds, against an estimate of Rs 1,290 under lighting Charges, which alone should be met from Taluk Funds. Efforts should be made in the course of the year, either to increase the receipts of the Union Panchayats or to reduce their expenditure, so that the contributions which ~~will~~ otherwise have to be made from Taluk Funds may be available for expenditure in non Union areas.

This is particularly noticeable under the Indur Tk. Bd., where the Unions have a closing balance of Rs 1601, of which Rs 792 is a contribution from Tk. Funds in lieu of lighting charges.

4. Charges. (1) The probable Charges are put down at Rs 3,53,670 against Rs 3,39,400 in the revised estimate, the increase, which occurs mainly under Grant III and the Reserve, being partially met by decreases under Grants I and II and Miscellaneous Debt Accounts.

(2) Grant I. No expenditure should be incurred on any of the new works, for which provision has been made in the budget, until the plans and estimates are sanctioned by Competent Authority.

(3) Grant II. The additions to and alterations in the Educational establishments proposed in paras 52, 54, 55 and 56 of the President's letter are sanctioned and the Director's remarks in para 3 of his letter will be referred to the Taluk Boards concerned for very careful consideration. If funds become available it may be advisable to reopen some of the schools now closed.

(4) Grant III. The remarks of the Surgeon General on the provision for Medical Services will be awaite

The additions to and alterations in the Vaccine and Chowltry establishments proposed in paras 68, 72 and 73 of the President's letter and the employment of two Scavengers on Rs 3-8-0 each per mensem at Darsi, referred to in para 70, are sanctioned.

Local Boards should bear in mind that the work of Scavengers should Chiefly consist in the removal of faecal matter and not in clearing away ordinary rubbish, otherwise the money spent upon them will be of very little advantage to the Community. The sanction of Government is not necessary for the entertainment of the tank watchers referred to in para 69 of the President's letter and shown in the proposition statement, as they are apparently paid from Union Funds. The remarks and suggestions of the Sanitary Commissioner in his letter read above will be referred to the Taluk Boards for careful consideration.

(5) Grant IV. The additions to and alterations in the District Board's and the Ongole and Gudur Taluk Boards' office establishments, proposed in para 81 of the President's letter are sanctioned.

5. The reserve will be reduced from Rs 28,480 to Rs 27,270 — Rs 13,480 under the District and Rs 13,790 under Taluk Funds — being 10 per cent of the estimated receipts excluding those of Unions and endowed institutions. The budget, as revised by Government, closes with a balance of Rs 33,660, of which Rs 2,350 appertain to Unions and Rs 3,260 to endowed institutions, leaving Rs 28,050 or 10 per cent of the receipts available for general purposes.
