Councils be also reduced from two to one each, there will be a further reduction of 56 copies, or, only 258 copies in all will have to be indented for.

I think Chairmen, M.C.'s, might have two, one for office use, one for perusal, if required —

I don't think that Panchayats should have them at all. Any panchayat wanting one to see one can borrow from the Taluq Bd.
This is a special G.O and ~~[illegible]~~ oughtn't to be treated like others. The S.E. and S.C. have cut down their requirements. Cannot others be asked if they cannot cut down theirs? One copy is enough for

11/7/11

I want to know how many Taluq Bds there are – 20 as I see. What district boards there is – 24 municipalities seem to get three copies each – why? What does the Sanitary Comr want with 7 copies – Come to before with 5 afterwards? I doubt it

There are 85 Taluk Bds, but copies of printed G.Os are also supplied to Union Panchayats in some districts. Please see, for instance, the President's letters in G.Os $\frac{2643 L}{12-11-92}$, $\frac{500 L}{15-3-95}$ and $\frac{548 L}{22-3-95}$. In G.O. $\frac{1758 L}{14-7-90}$ the Presidents of Dt Bds were requested to report the number of copies of Govt orders required by them for distribution and the orders of Govt on the replies received are pasted in the lists marked A.

Municipal Councils are furnished with only two copies each, including the signed copy, except Nellore, Ongole and Salem, which are supplied with three three and six copies, respectively, under G.Os $\frac{920 M}{28-8-88}$ and $\frac{1110 M}{28-7-90}$.

The Sanitary Commissioner and the Sanitary Engineer are supplied with six copies each, including the signed copy — vide margin of para 3 of the note — for the H.M. — but they have lately written to say that, except in a few special cases, three copies will be enough in future.

If it is considered unnecessary that Union Panchayats should be supplied with copies of the memoranda of the Army Sanitary Commission, the number now applied for from the Secretary of State may be reduced.

I don't think Union Panchayats need receive a copy, it wd. never be read except in very few cases.

~~G. No.~~

Refr. H.M.'s remark on the Contents table attached.

FOR ORDERS.

In the last list H.M. marked the report of the Army San. Commn. for Editors' table.

Upon this the note in G.O. 1838. L. 7.10.95 was written, & orders taken. These papers explain why 670 copies were considered to be required.

WC 31.10.95

C.S. For Orders

It is submitted that 670 copies are necessary, vide note attached & list (in pencil) of persons to whom copies ~~[illegible]~~ are sent, with a certain number of spare copies. If this number is not supplied from England there remain two alternatives

(1) to print the extra copies here

(2) to reduce the number circulated, which is now in accordance with the printed lists.

* [illegible] 5/11/95

ut why, because any ader
place in E.T. necessitated

NOTE for the Hon'ble Mr. Bliss, C.I.E.

Please see the Honourable Member's remarks in the note within.

2. Only 130 copies of the Memoranda of the Army Sanitary Commission are usually received from the Secretary of State and all but 27 of them are distributed among the Officers named in the margin at the rate of one copy to each. As the Government Order communicating the Memorandum in the present case was marked by the Honourable Member for the Editors' Table, for the first time this year, and as there was not a sufficient number of copies ~~of the Memorandum~~ to be sent to all the thirty Editors, after reserving the usual number for office use, &c., it was reprinted here and supplied to them.

3. In the case of all printed orders of Government, the Officers to whom they are addressed are supplied with a signed copy and a number of spare copies according to the requirements of each. Thus 670 copies of all general orders of Government are required for distribution to the Officers concerned, as shown in the marginal list, the number of copies supplied to the Presidents of District Boards, Chairmen of Municipal Councils, and Collectors being in accordance with the requests specifically made by these Officers from time to time. As the number of copies of the Memoranda received is limited, it was hitherto usual to attach this, only to the signed copies of the G.Os., of which

which one is sent to each addressee, leaving the spare copies without the Memorandum. But as the Government Order~~s are~~ is of no use without the Memorand~~um~~a, 670 copies of the latter also are required, and the Secretary of State was accordingly requested in letter No.1838 L., dated 7" October 1895, to supply this Government in future with this number of the Memorand~~um~~a instead of 130.

4. On further consideration however, it appears that the number of copies of the Order communicating the Memorand~~um~~a may be reduced to 312, as shown below:-

	No. of copies.	No. of copies now supplied.
21 Presidents of District Boards at two copies each.	42.

W.W.S.
1.ii.96

I have personally been carefully into the matter and the list now given is the result of what I worked out. The list might be cut down a little more but I do not see much to be gained by doing so.

I remain of opinion that 30 more copies will suffice

4/2/96

Presidents of Dist. Bds. ought to have two copies one for office use and one in reserve in case that a Taluq Bd. loses the single copy or it is destroyed.

Chairmen of Muni. Councils ought to have two copies for circulation &c.

The Colrs. should have one each. It is true that as Presidents of Local Bds. they get two but the Offices and records are separate.

The Sanitary Engr. & Sanitary Commr. have separate offices and have cut down their demand by one half. I dont know what they want with three but if the number is reduced they will cry out.

One might cut the Public Dept. to one copy Records to one and Office use to two as the Perusal bundles copies will be available as soon as circulation is over. It seems however not worth while to cut too close. One does not know when an extra copy of a paper of this sort may not be wanted. Besides the Editors Table list may expand.

If 312 is to be the figure to be allowed the number of extra copies to be supplied by the S of S will be 312 - 130 = 182
