GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From W. H. WELSH, Esq., President, District Board, South Canara, to the Chief Secretary to Government, dated Mangalore, 17th December 1895, Dis. No. 591-D.B.

I have the honour to submit herewith the consolidated budget estimates of the District Board of South Canara for the ensuing official year 1896–97. The prescribed statements and a copy of the resolution of the district board passing the estimates are enclosed.

CONSOLIDATED REVISED ESTIMATE FOR 1895–96.

Receipts.

2. The total assets of the local boards for the current year are expected to amount to Rs. 3,48,360 against the budget estimate of Rs. 3,19,640, showing an increase of Rs. 28,720. The increase is chiefly due to an excess over the estimate in the opening balance, in the receipts from tolls, ferry rents, fees and fines and public works—miscellaneous. The receipts excluding the opening balance and grants from Government for education amount to Rs. 2,33,250 against the budget estimate of Rs. 2,27,120, giving a net increase of Rs. 6,130.

3. The principal items varying from the receipts assumed in the sanctioned budget are explained below.

4. *Opening Balance.*—The increase in the opening balance is due to short expenditure during 1894–95 under all the grants as explained in the last administration report.

5. *Fees and Fines.*—The amount taken credit for in the original estimate of the Uppinangadi taluk board on account of fee collections at the Kulgunda cattle fair was Rs. 1,020. The actual collection, however, was Rs. 1,450. Hence an increase under this head.

6. *Public Works.*—Sale of old materials shows an increase in consequence of the sale of the old windows of the Hosdrug school and old timber of the Vokkettur bridge.

7. *Contributions from Municipalities.*—Rs. 230 (or Rs. 235) is the amount promised by the Mangalore municipality being a moiety of the cost of adding two rooms to the local fund vaccine depôt at Mangalore, one of which is intended for the use of the municipal vaccinators.

8. *Miscellaneous.*—Rs. 1,170 includes Rs. 948 being sale-proceeds of Local fund boats and Rs. 100 being remuneration paid by the Landing and Shipping Dues Committee on account of the services of the Local Fund Engineer in preparing a plan and estimate.

9. The variation in other items is explained in the remark column of statement IX.

Charges.

10. The total charges according to the revised estimate amount to Rs. 3,06,950 against the budget estimate of Rs. 3,07,230. The chief variations are explained below.

11. *Grant I.*—As it is not expected that the whole of the allotments for the Sullya bridge, Rs. 27,590, will be spent during the current year, a portion of it has been transferred to the Oomilar bridge and other purposes, another portion is reserved for transfer to the Kadimbilla bridge and the balance Rs. 9,000 is surrendered. A portion of the allotment for the Malpé bridge has been likewise reserved for

transfer to other works and the balance amounting to Rs. 10,000 has been surrendered. In addition to the allotments already sanctioned for the public works mentioned in the budget, subsequent provision has also been made for works from the reserve or by transfer from allotments for other works. The following are the principal of these works:—

		Rs.
Constructing a travellers' bungalow at Charmadi	.. .. ..	2,440
Gravelling Coast road north of Mabukal river	.. .. ..	1,805
Constructing a bridge over the Balcutta stream	.. .. ..	1,482
Do. bridge over the Yermal stream	.. .. ..	5,000
Do. four bridges on the Barkur-Shiriyar road	.. ..	4,000
Do. two chattrams at Malpé and Kárkala	.. .. ..	3,200

The board considers it needless extravagance to build a chattram at Kárkala where there is already sufficient accommodation. A sum of Rs. 1,560 has been provided for payment of scrutiny charges on account of the Kadimbilla, Sullya and Birchinhalla bridges which have been already sanctioned. The provision for the local fund engineering establishment has been reduced by Rs. 900 which sum is expected to be saved in consequence of the transfer of the old Engineer on Rs. 500 and the appointment of a new Engineer on Rs. 400.

12. *Grant II.*—The provision for inspection has been reduced with reference to the actuals of the first six months of the year and in consequence of the appointment of an inspecting schoolmaster on Rs. 22-8-0 in the place of a deceased one on Rs. 32-8-0. The increase in "Miscellaneous" under elementary schools results from a provision made by the Udipi Taluk Board to purchase furniture for the Kárkala Primary school and to meet the cost of contingent charges payable during the last year, but paid this year and from an additional provision made by the Mangalore Taluk Board for dieting and clothing the pupils of the Panchama school at Jeppu, the original allotment of Rs. 100 having been found insufficient.

13. *Grant III.*—The Kasaragod board has sent a woman for training in midwifery at Madras for subsequent employment at Hosdrug and has therefore increased the allotment against "midwives and midwifery pupils." The provision for the fixed charges of the vaccination establishment has been reduced, because the first-class Deputy Inspector draws his pay at the rate of Rs. 60 under instructions from the Sanitary Commissioner against Rs. 70 provided in the budget. Provision under "Improvement of water-supply" has been increased for the purpose of sinking wells at Bellare, Beltangadi, Charmadi Bekal and Coondapoor. In addition to the one existing scavenger at Coondapoor, the taluk board has appointed another temporarily to clear latrines from November last to March 1896. A proposition statement is submitted herewith for the sanction of Government.

14. Other variations are explained in the remark column of the statement.

15. The revised budget closes with a balance of Rs. 41,410 including balance under endowments as shown below:—

	Rs.
District Board	18,070
Mangalore Taluk Board	4,800
Kasaragod do.	1,820
Uppinangadi do.	1,850
Udipi do.	13,330
Coondapoor do.	1,540
Total ..	41,410

BUDGET ESTIMATE FOR 1896-97.

Receipts.

16. *Opening Balance.*—Rs. 41,410 is the closing balance of the revised estimate as detailed above.

17. *Cess on land*—Rs. 1,32,620.—This is the estimated collections from land-cess adopted from the statement furnished by the Collector.

18. *Market Rents, Rs.* 1,630.—The estimate under this head has been slightly increased with reference to the actuals of last year. It also includes Rs. 130 expected from a new market started at Bajpe in the Mangalore taluk at which it is proposed by the taluk board to levy fees next official year.

19. The variations in other items are explained in a foot-note appended to the statement.

20. The total estimated receipts, including the opening balance, amount to Rs. 2,79,580.

Expenditure.

21. *Grant I—(a) New Works—I. Communications, Rs.* 50,630.—This allotment is intended for the following works:—

		Rs.
(1)	Completion of the Kadimbilla bridge	9,170
(2)	Constructing the Sullya bridge	10,850
(3)	" an iron bridge over the Uppala stream	8,000
(4)	" a culvert at Chibidri	3,500
(5)	Renewing metal on portion of road No. 4	2,000
(6)	Completion of the Yennoor bridge	2,180
(7)	" Hossangadi bridge	2,720
(8)	" Yermal bridge	8,500
(9)	Revetting sides of road near Gundibail	1,000
(10)	Metalling portion of Coast road near Udiavar	710
(11)	Improving the landing place at Kotebaglu in Coondapoor taluk.	700
(12)	Constructing a road from Panambur to Karnad	350
(13)	Petty new works	550
(14)	Ferries—petty works	400

Works Nos. (1), (2), (6), (7) and (12) have been already noticed in paragraph 30 of the current year's budget covering letter printed in G.O., No. 155 L., dated 24th January 1895, and work No. (8) in paragraph 45 of the letter giving cover to the budget for 1894-95 printed in G.O., No. 553 L., dated 20th March 1894. The district board has recorded its opinion that all its funds which can be spared from other purposes should be devoted to the task of building bridges across the numerous rivers and streams with which the district roads are intersected, that the Coast road should be taken first and that the Yermal stream should be provided with a bridge first, the Bangramanjeshwar stream next, and then the Uppala stream. The Yermal bridge work has not yet been sanctioned by Government, so it is doubtful if it can be built this year in pursuance of the above resolution; an iron bridge at Bangramanjeshwar is down for being taken up next, but the estimate is likely to be long delayed as it must provide for deviation of the road involving interference with private property and heavy compensation; therefore, the board has put down in next year's budget the simpler bridge over Uppala stream. A provision of Rs. 8,000 has been made for it for expenditure during the ensuing year. Work No. (4) is a new granite culvert proposed to be built in the place of an old laterite bridge that collapsed last monsoon. As Chibidri is on trunk road No. 4 which has a large ghaut traffic, the culvert needs to be reconstructed as early as possible. The other items are all necessary and have been provided for.

22. *II. Civil Buildings.*—The Udipi board had made a provision for a chattram at Udipi. The allotment has been transferred to work No. (9) mentioned in the preceding paragraph which is an important work and for which the taluk board had asked the district board for funds. The funds do not suffice for a chattram at Udipi and in such a thriving town accommodation for travellers ought to be provided by private enterprise. The amount provided under this head is intended for the erection of buildings for Board Primary schools in the Mangalore, Udipi and Coondapoor taluks.

23. *(b) Repairs—I. Communications.*—The current year's allotment for the repair of the district and taluk board roads has been repeated except in the case of the portion of Coast road No. 22 in Kasaragod taluk and of the road from Kandlur to Shiddapur in Coondapoor taluk. The provision for the former has been reduced by

the taluk board from Rs. 2,736 to Rs. 1,968. This provision is made for 41 miles instead of 57 as heretofore. The portion of the road from Hosdrug to Cavoy does not really exist and the maintenance grant intended for this section appears to have been hitherto spent by the Engineering department on the existing road from Ullal to Hosdrug. The allotment for the Kandlur-Shiddapur road has been reduced by Rs. 100 and this sum has been provided for another minor road from Bailur to Balcutta which was hitherto maintained from the village road allotment. For want of funds no allotment has been made for repainting iron bridges next year, so this expenditure will have to be met from reserve.

24. The Kasaragod and Uppinangadi boards had provided Rs. 3,500 each for the repair of village roads in the two taluks. But the budgets passed by the two boards showed deficits amounting to about six and five thousand rupees respectively, even without providing the prescribed "reserves" and "balances." The taluk boards therefore requested the district board to supplement their funds to make up the deficits. As it is not possible for the district board from paucity of funds to make such large grants, it has been found necessary to curtail the budgets of the two boards in order to lessen the deficits as far as possible and to make up the difference by allotments from district funds. In thus curtailing their budgets the allotments provided for the repair of village roads have been reduced to Rs. 630 in the Kasaragod taluk and Rs. 1,000 in the Uppinangadi taluk. Rs. 1,000 in the Uppinangadi taluk is intended for the improvement of the village road from Bellare to Devachalla for which a contribution of Rs. 500 was made by the neighbouring villagers in 1892–93, but the work was not done for want of funds with the taluk board.

25. Statement No. III-B furnishes details of allotments under the head "Repairs."

26. Rs. 610 are provided for the scrutiny of the plans and estimates of the Uppala bridge and Chibidri culvert.

27. *Local Fund Engineering Establishment, Rs.* 19,900.—This assignment, which includes travelling allowance also, provides pay for the Engineer at Rs. 400 for the whole year and an increase of Rs. 10 per mensem for the supervisor for eleven months. The increase at Rs. 20 for two months for the Engineer is provided for. A proposition statement for the revision of this establishment has been sanctioned in G.O., Mis. No. 2369 L., dated 5th December 1895.

28. *Grant II—(a) Inspection, Rs.* 3,640.—In deference to the recommendation of the Director of Public Instruction, it is proposed to appoint an additional inspecting schoolmaster on Rs. 20 for the Kasaragod taluk and to revise the scale of pay of the seven existing inspecting schoolmasters at the following rates :—

Present sanctioned scale.	Rs.	*Proposed scale.*	Rs.
1 on	32½	2 on	30
2 on	30	2 on	25
4 on	20	2 on	22½
		1 on	20

29. The inspecting schoolmaster who was drawing Rs. 32–8–0 died lately. The inspecting schoolmasters now in charge of the Mangalore division and Kasaragod taluk already draw Rs. 30 each. It is proposed to allow the inspecting schoolmasters in charge of Uppinangadi taluk and of Muhammadan schools Rs. 25 each. Uppinangadi taluk is nearly as extensive as the Kasaragod taluk for which two inspecting schoolmasters are found necessary by the Director of Public Instruction as shown below. As the schools in the former taluk are scattered over the whole of it "the distance between schools is generally so great that travelling is rendered very costly." Most of the taluk is malarious. It has also been recognised by Government as "backward" in education. The inspecting schoolmaster of Muhammadan schools has to travel over good distances to visit schools in three taluks or more when schools are opened in other taluks. The inspecting schoolmasters in

charge of Udipi division and Coondapoor taluk are to have Rs. 22–8–0 each. The Assistant Inspector considers that as the Udipi division contains two Board Lower Secondary schools and the inspecting schoolmaster has to assist him in their examination "a person of fairly high general educational qualifications" is required for the division. The present incumbent is a trained F. A. The Coondapoor taluk is educationally a "backward" locality.

30. The present pay of Rs. 20 for the inspecting schoolmaster of the Mulki division is considered enough. About appointing an additional inspecting schoolmaster in the Kasaragod taluk the inspecting officers state as follows :—

The Sub-Assistant Inspector of Schools, Kasaragod Range, writes :—

"Travelling is most difficult and tiresome in the taluks of Kasaragod and Uppinangadi which together cover an area more than that of the other three taluks of the district." * * *

"The Kasaragod taluk contains 243 villages and 96 public schools. Considering the physical features of the taluk, the constitution of the villages, the difficulties of travelling, the distance between schools, the general backwardness of the taluk in point of education, the low attainments of the teachers, the desirability of improving the general condition of primary education and the need of better supervision of schools, I am of opinion that an additional inspecting schoolmaster is urgently required for the taluk. A single inspecting schoolmaster can ill-afford to efficiently and successfully supervise all the existing schools, nor can he visit them as often as desirable. As education has not spread itself even in half the number of villages, it is desirable to open more schools."

The Assistant Inspector says :—

"M.R.Ry. Seshagiri Prabhu strongly advocates the necessity for the appointment of an additional inspecting schoolmaster for the Kasaragod taluk and the reasons assigned by him speak for themselves. The area of the taluk, which, comparatively speaking, is one of the backward taluks in the division, the large number of schools now existing in it, which cannot be properly supervised by one man and the vast scope there still exists for the opening of new schools, fully justify the Sub-Assistant's recommendation."

31. Pay, travelling allowance and contingencies have been provided for the new inspecting schoolmaster like the others of the same grade at Rs. 20, Rs. 10, and Rs. 2–8–0, respectively, per mensem. The assignment under this head also includes a provision of Rs. 30 for the purchase of a chair, table and almyrah for the use of the inspecting schoolmaster of the Mulki division.

32. *Secondary Schools.*—The Taluk Board of Coondapoor having resolved to pay the maximum salary, Rs. 40, as per scale sanctioned in G.O., Mis. No. 1090 L., dated 16th May 1889, to the Third Master of the Coondapoor High school, necessary provision has been made to give the increase of Rs. 5 from 1st April next.

33. At the recommendation of the educational officers the Taluk Boards of Udipi, Kasaragod and Uppinangadi propose to work the Lower Secondary schools at Udipi, Kárkala, Kasaragod and Puttur from the ensuing year on the salary grant system in consideration of the loss sustained by the teachers in results grants from Provincial funds under the present assignment system under which a school is paid the difference between the income and expenditure as bonus. One of the proposals made by the Udipi board at the recommendation of the educational officers for adoption in the ensuing year is the separation of the primary departments of the Udipi and Kárkala Secondary schools and their amalgamation with the Board Primary schools at those places. The other proposal made by this and the Kasaragod and Uppinangadi boards is to revise the scale of pay of the teachers of their Secondary and amalgamated Primary schools as shown below :—

34. The Taluk Board of Udipi has to construct the Malpe bridge and a ... Barkur to the port of Kangarcutta, to gravel portions of the coast road and to ... many other important and costly improvements, for some of which the board has asked for grants from district funds. Had it not been for the allotment of nearly Rs. 25,000, which was provided for the Malpe bridge from district funds, and which will remain unutilized on the work during the current year owing to the estimates not being ready, the taluk board would not have been able to make provision for expenditure during the current and ensuing years on the Yermal bridge and other large items as they have done. Compared with the pressing wants of the taluk the That the charges of the Kasaragod and Uppinangadi boards have largely exceeded board is not as rich as the unspent allotment of the Malpe bridge has made it appear. their receipts has been already remarked. Such being the case these boards do not seem to be justified in being very liberal in all at once proposing promotions for their servants. The district board has therefore proposed to allow the teachers the following scale of pay:—

	Secondary Schools.	
	At Udipi.	At Kárkala.
	Rs.	Rs.
Headmaster	42	42

35. Provision has been made in the consolidated budget according to this scale by reducing the allotment under fixed salaries of masters of secondary schools by Rs. 180 in the Udipi taluk, Rs. 270 in the Kasaragod taluk and Rs. 140 in the Uppinangadi taluk, and by reducing the allotment for board primary schools by Rs. 140 in the Udipi taluk. The Kasaragod board has provided for an increase of Re. 1 to the peon attached to the Secondary school at Kasaragod who has a service of 15 years.

36. *Elementary Schools.*—The Mangalore Taluk Board has proposed to close the schools at Tannirbhavi and Kenjar and to abolish the post of second masters of the Kodange (Mittabail) and Mijar schools on account of the falling off in attendance. That board has also proposed to give an increase of Re. 1 to the pay of each of the headmasters of the four Canarese schools at Mudabidri, Kuttettur, Surathkal and Kolachikambla and of the Hindustani school at Tokur. The Panchama school at Kasaragod has been transferred to Kudlu, where there is a considerable Madiga population. The Udipi board has proposed to abolish the primary school at Gundami for want of sufficient attendance and to utilize the savings by giving a monthly increase of Re. 1 each to the headmasters of the Padubidri, Suda, Marne, Barkur, Brahmavar, Kalyanpur, Tonse, Kaup and Miyar board primary schools in consideration of their long services. The salary-distributing peons of the Udipi and Coondapoor taluks are to receive Rs. 2 in addition to their present pay (Rs. 7) as a fixed travelling allowance or Rs. 9 per mensem, because their work is both "laborious and responsible." The Mangalore taluk Board has increased the provision for the dieting and clothing charges of the Panchama school at Jeppu, the current year's allotment having been found inadequate. Rs. 2 have been provided under the head "Miscellaneous" for the supply of text books to each of the Board Primary schools in the Uppinangadi taluk.

37. *Grant-in-aid—Results Grant.*—The allotment provided by the Kasaragod and Uppinangadi boards has been brought down from Rs. 2,400 and Rs. 350 to Rs. 2,000 and Rs. 250, respectively, in order to lessen the deficits in their budgets. The reduced figures, however, exceed the last year's actuals by Rs. 241 in the former case and by Rs. 69 in the latter.

38. *Grant III—Medical Subordinates.*—A civil hospital assistant on Rs. 45 has been replaced by a local fund hospital assistant on Rs. 25. Full 12 months' provision has been made for the increase sanctioned for the six local fund hospital assistants from July last. The Coondapoor board has made a provision for a local allowance of Rs. 10 for the Kollur hospital assistant as per G.O., No. 229 L., dated 16th February 1895.

39. *Clerks and Servants.*—Full 12 months' salary has been provided for the compounders sanctioned this year for the Kárkala and Puttur hospitals. The Kasaragod board has provided for a separate cook on Rs. 5 for the Kasaragod hospital at the recommendation of the apothecary who represents that caste patients object to take food cooked by the ward cooly who dresses wounds and assists in surgical operations, &c. The board has also provided for an increase of Re. 1 to the pay of the toty attached to the Kasaragod hospital in consideration of his long service and of the extra work he does in connection with the chattram at that station.

40. *Midwives and Midwifery Pupils.*—A provision made for the stipends and pay of a woman sent to Madras for training in midwifery accounts for the increase under this head. The midwife at Mudabidri has been transferred to Manjeshwar as she had no sufficient work at the former place.

41. *Medical Pupils, Rs.* 600.—This amount is made up of the stipends equi for three medical pupils undergoing training at Madras and of a provision for stipe for 11 months at Rs. 25 per mensem for a female medical pupil proposed by t district board to be trained at Madras for the apothecary's grade for eventual em ployment in the district. The amount also includes Rs. 70 intended for supply o class books and travelling allowance. One of the male pupils is expected to pass the hospital assistant's grade and return to the district in July 1896.

42. *District Medical and Sanitary Officer's Establishment.*—Provision has been made for an Assistant clerk on Rs. 9 for the District Medical and Sanitary Officer's office. The establishment at present consists of one clerk and two peons as sanctioned in G.O., No. 2591 L., dated 23rd October 1891. The District Medical and Sanitary Officer, however, considers that an assistant clerk is absolutely necessary. Attention of Government is respectfully invited to the following extract from the District Medical and Sanitary Officer's report for 1894-95 printed in G.O., No. 1950 L., dated 19th October 1895, reviewing the Local Fund Administration Report of this district for the same year:—

* * * * *

"Only one clerk is allowed for the District Medical Officer's office, the work of which has been steadily increasing year by year, and is now beyond the power of one man to cope with efficiently, while in the event of the clerk's absence on leave or ill-health no one can be found competent to temporarily fill the post and the records fall into confusion and disorder.

"In proof that the duties are too arduous for one man, I may mention that the present very industrious clerk has no relaxation even on the authorized holidays enjoyed in other offices and is threatened with the affection known as writer's cramp due to the excessive work of the office.

"In other districts, *e.g.*, North Arcot, a second clerk is allowed, and I trust, therefore, that a similar concession may be made here."

43. *Miscellaneous.*—At the recommendation of the District Medical and Sanitary Officer the Kasaragod and Uppinangadi Taluk Boards have made provision for supplying certain medical books of reference and additional furniture for the use of their dispensaries. Compensation in lieu of house-rent at Rs. 3 per mensem has also been provided for the only one Government hospital assistant now serving in the district. The house-rent paid for the midwife at Puttur is raised from Rs. 2 to Rs. 4 pe mensem.

44. *Vaccination — Fixed Charges.*—At the recommendation of the District Medical and Sanitary Officer three pupil vaccinators at Rs. 4 each sanctioned by the district board, as authorized in G.O., No. 889 L., dated 17th May 1894, have been entertained since August last. A copy of the resolution of the district board sanctioning their entertainment is enclosed. The sanction of Government is solicited to the increase in the establishment. The provision made for the pay of these pupil vaccinators accounts for the increased allotment under this head.

45. *Improvement of Water-supply.*—For this purpose the Mangalore, Kasaragod and Uppinangadi boards have allotted Rs. 100 each, the Udipi board Rs. 500 and the Coondapoor board Rs. 300.

46. *Scavenging Establishment.*—The provision made under this head is for the pay of 38 sweepers and 15 scavengers and 6 peons who supervise their work. The sweepers are employed in keeping the streets clean and the scavengers in removing fœcal matter.

47. *Choultries—Establishment.*—As a sweeper on Rs. 3 per mensem at Nagody cannot be procured, the Coondapoor board has provided for an increase of Rs. 2.

48. *Public Bungalows.*—The pay of the Gurpur bungalow sweeper is proposed to be raised from Rs. 3 to Rs. 4 at the recommendation of the local fund Engineer.

49. *Grant IV.*—For the establishment in the Collector's office the board has by nine votes to three (three members abstaining) voted to increase the local fund accountant's pay from Rs. 25 to Rs. 30 per mensem.

50. *Local Board's Office Establishment.*—The Taluk Board of Mangalore proposes to increase the salary of its two clerks from Rs. 20 and Rs. 10 to Rs. 23 and Rs. 12, respectively. The President of the Board writes:—

"Considering the multifarious and responsible work of a taluk board clerk, the taluk board recommended the increase of his pay to Rs. 25 which was sanctioned by Government in 1892-93 and ever since the first clerk drew pay at the increased rate until December 1893, when the post fell permanently vacant, and the present clerk was appointed to it. The salary was then reduced to the original scale of Rs. 20 to start with. The clerk then had to rest satisfied with the hope that he would be allowed the increase on doing his work satisfactorily. Now that he has been two years in his present post and as Local Fund clerks have neither prospects of promotion nor are eligible for pension, the taluk board has allowed an increase of Rs. 3 to him and Rs. 2 to the second clerk who gets only Rs. 10 and has served two years satisfactorily."

The district board considers that an increase has been proposed needlessly soon and has struck off the increase proposed for the second clerk, leaving that for the head clerk undisturbed as his work is responsible.

51. The Taluk Boards of Udipi and Coondapoor have decided to draft the two vice-president's clerks on Rs. 15 each on the President's establishment and to raise the pay of the senior of these two clerks from Rs. 15 to Rs. 20 and thus to give the President's office the following establishment:—

	Rs.
Head clerk	30
Second clerk	20
Third clerk	15
One attender	7

The second clerk has a service of five years. The district board, considering the proposed increase too great, has made provision in the consolidated budget only for giving the second clerk an increase from Rs. 15 to Rs. 17.

52. (*d*) (6) *Miscellaneous.*—Under this head the Kasaragod and Uppinangadi boards have provided Rs. 20 and Rs. 30, respectively, for the purchase of a few copies of the Canarese translation of Dr. King's simple sanitary rules for supply to potels of kasba stations and village schoolmasters.

53. The savings effected by curtailing the several proposals made by the Udipi, Coondapoor and Mangalore boards, together with the excesses over the prescribed closing balances in the budgets of the first two boards, have been allotted or added to important public works of the respective boards.

54. *Reserve.*—Rs. 23,660 entered under this head is made up as follows:—

	Rs.
District Board	14,370
Mangalore Taluk Board	1,830
Kasaragod do.	1,680
Uppinangadi do.	1,230
Udipi do.	2,590
Coondapoor do.	1,960
Total ..	23,660

55. *Allotment to Taluk Funds.*—The allotments made by the district board to the several taluk boards are detailed below:—

	Rs.
Mangalore Taluk Board	2,670
Kasaragod do.	12,720
Uppinangadi do.	3,560
Udipi do.	3,070
Coondapoor do.	6,200
Total ..	28,220

56. *Balance.*—The total expenditure thus estimated amounts to Rs. 2,67,760, leaving a closing balance of Rs. 11,820 as shown below :—

		RS.
District Board		
Mangalore Taluk Board		7,180
Kasaragod do.		920
Uppinangadi do.		840
Udipi do.		610
Coondapoor do.		1,290

57. Proposition statements on account of the changes proposed in the several establishments and the road map of the district are submitted herewith.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th January 1896, No. 97.

I have the honour to submit the following remarks on the educational portion of the South Canara District Board budget estimate for 1896–97.

2. *Receipts.*—(i) The amount of Rs. 900 for which credit has been taken as one-third grant towards the cost of enlarging the Coondapoor Board high school building may stand. But no corresponding provision appears to have been made under Grant I.

(ii) In view of the fact that the estimated receipts of the board secondary schools exceed the charges and of the inability of this department to sanction increased grants to board schools, the additional grant to secondary schools for which credit has been taken, viz., Rs. 1,590, should be disallowed.

3. *Charges.*—The revised scale of pay proposed by the President for the existing staff of inspecting schoolmasters does not seem to be well graduated. In all graded establishments there should be fewer appointments in the higher than in the lower grades. I would accordingly recommend that the following scale be adopted :—

		RS.
One on Rs. 35		35
One on „ 30		30
One on „ 24		24
Two on „ 22		44
Two on „ 20		40
	Total ..	173

The total cost, it will be observed, is nearly the same as at present.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 15th January 1896, No. 87-S.

I have the honour to state that I have no remarks to offer on the vaccinal grant proposed by the South Canara District Board in its budget for the ensuing year. That for sanitation, which amounts to but 2·7 per cent. of the probable receipts, is, as has been remarked in previous budgets, pitched at too low a figure. In spite of the animadversion contained in paragraph 4 (5) of G.O., No. 1950 L., dated 19th October 1895, on the inadequacy of the board's efforts in the matter of improving water-supply, the most important feature in village sanitation, the current year's petty estimate

(Rs. 1,100) is repeated under this head. It cannot be that the needs of a whole district having a population of 1,015,159 in this direction can in any sense be met by such a trivial outlay. I would therefore advise that the district board be requested to reconsider this item of its forecast. The District Sanitary Officer's reports from South Canara show, notwithstanding its favourable physical and social features (which on the West-coast districts are constantly used as an excuse for doing almost nothing for sanitation), that it is time some definite forward effort should be made by this board.

2. Statement VI which accompanied the budget shows that the expenditure proposed in column 8 is in several instances disproportionate to the requirements of the populations entered in column 5.

3. No works of sanitary import are proposed for execution under Grant I.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 30th January 1896, No. 55.

I have the honour to state that the provision made in Grant III of the budget estimate of the District Board, South Canara, for the maintenance of the hospitals and dispensaries for the year 1896–97, is sufficient.

2. The provision for an assistant clerk for the office of the District Medical and Sanitary Officer appears very necessary.

3. The District Medical and Sanitary Officer brings to my notice that he has recommended to the district board the removal of the dispensary at Kollúru to Baindur and the one at Shunkernarain to some other place in the district. As no mention is made in the budget about his proposals, I reserve my remarks until the question is referred to me.

ORDER—No. 324 L., dated 15th February 1896.

REVISED ESTIMATE FOR 1895–96.

2. The current receipts and charges are now estimated at Rs. 2,38,990 and Rs. 3,06,950, respectively, against Rs. 2,32,860 and Rs. 3,07,720 anticipated in the sanctioned budget, the increase in the receipts occurring chiefly under Tolls and Public Works—Miscellaneous. The reduction in the salaries of the inspecting schoolmaster

and Deputy Inspector of Vaccination, and the entertainment of the temporary scavenger at Coondapoor, referred to in paragraphs 12 and 13 of the President's letter, are approved.

BUDGET ESTIMATE FOR 1896–97.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 2,38,170 against Rs. 2,38,990 in the revised estimate. The proposal to levy fees in the market at Bajpe, referred to in paragraph 18, is approved. With reference to paragraph 2 (ii) of the Director's letter read above, the contribution from Provincial funds on account of education will be reduced by Rs. 1,590. The omission pointed out by him in paragraph 2 (i) should be explained.

4. *Charges.*—The probable charges are put down at Rs. 2,67,840 against Rupees 3,06,950 in the revised estimate, the decrease, which appears under Grants I and III, being partly counterbalanced by an increase under the reserve.

(2) *Grant I.*—No expenditure should be incurred on the proposed construction of a culvert at Chibidri and the bridge over the Uppala stream until the plans and estimates have been sanctioned by competent authority. The provision for tools and plant amounts to 1·4 per cent. of the allotment for public works. It is hoped that, when the actual expenditure on works is raised by additional allotments sanctioned in the course of the year, the outlay on this item will not exceed the prescribed limit of one per cent.

(3) *Grant II.*—The revised scale of pay for inspecting schoolmasters recommended by the Director in paragraph 3 of his letter is approved, and the entertainment of an additional inspecting schoolmaster for the Kasaragod taluk proposed in paragraph 28 of the President's letter is sanctioned. The proposed revision of the establishments of the schools at Udipi, Karkala, Kasaragod and Puttur, referred to in paragraphs 33 to 35, 'cannot be approved in the present state of the taluk boards' finances. The alterations in the educational establishments proposed in paragraph 36 are sanctioned, with the exception of the increases in the salaries of the headmasters of the schools at Mudabidri, Kuttettur, Surathkal, Kolachikambla, Tokur (Hindustani), Padubidri, Suda, Marne, Barkuru, Brahmavar, Kalyanpur, Tonse, Kaup and Miyar, and the peons employed for the distribution of salaries in Udipi and Coondapoor taluks.

(4) *Grant III.*—The additions to, and alterations in, the establishments of the hospitals and dispensaries referred to in paragraphs 39 and 40 are sanctioned. The provision for the entertainment of an assistant clerk in the office of the District Medical and Sanitary Officer will be allowed to stand pending the submission of a proposition statement. The entertainment of the three pupil vaccinators on Rs. 4 each per mensem referred to in paragraph 44 is sanctioned, with effect from the date of their appointment. The remarks of the Sanitary Commissioner in his letter read above will be referred to the taluk boards for careful consideration. The Government agrees with the Sanitary Commissioner that the provision for the improvement of water-supply is inadequate. Any funds that may become available during the year should be devoted to this important object. The increase in the salaries of the sweepers attached to the choultry at Nagodi and the bungalow at Gurpur, proposed in paragraphs 47 and 48, is approved.

(5) *Grant IV.*—The increase proposed in paragraph 49 in the salary of the first accountant in the local fund branch of the Collector's office is not approved, no sufficient reason being shown for an enhancement. The increase in the pay of the head clerk of the Mangalore Taluk Board's office, and of the second clerk of the Udipi and Coondapoor Taluk Boards' office (from Rs. 15 to Rs. 17), proposed in paragraphs 50 and 51, is sanctioned.

5. *Reserve and Balance.*—The reserve will be reduced by Rs. 1,050 in order to avoid the deficit with which the taluk general funds will otherwise close the

year. The budget, as revised by Government, closes with a balance of Rs. 11,880, of which Rs. 4,700 appertain to endowments, leaving Rs. 7,180, or 3 per cent. of the receipts, available for general purposes.

Revised Estimate for 1895-96.

2. The current receipts and charges are now estimated at Rs 2,38,990 and Rs 3,06,950, respectively, against Rs 2,32,860 and Rs 3,07,720 anticipated in the sanctioned budget, the increase in the receipts occurring chiefly under tolls and public works - Miscellaneous. The reduction in the salaries of the Inspecting school master and Deputy Inspector of vaccination and the entertainment of the temporary scavenger at Coondapoor, referred to in paras. 12 and 13 of the President's letter are approved.

Budget Estimate for 1896-97.

3. Receipts. The receipts for the ensuing year are placed at Rs 2,38,170 against Rs 2,38,990 in the revised estimate. The proposal to levy fees in the market at Bajpe, referred to in para. 18

is approved. With reference to para. 2(ii) of the Director's letter read above, the contribution from Provincial funds on account of education will be reduced by Rs 1590. The omission pointed out by him in para. 2 (i) should be explained.

4. Charges. The probable charges are put down at Rs 2,67,840 against Rs 3,06,950 in the revised estimate, the decrease which appears under Grants I & III being partly counterbalanced by an increase under the Reserve.

(2) Grant I. No expenditure should be incurred on the proposed construction of a culvert at Chibidri and the bridge over the Elppala ~~stream~~, until the plans and estimates have been sanctioned by competent authority.

authority. The provision for tools and plant amounts to 1.4 per cent of the allotment for public works. It is hoped that, when the actual expenditure on works is raised by additional allotments sanctioned in the course of the year, the outlay ~~on tools and plant~~ on this item will not exceed the prescribed limit of one per cent.

(3). Grant II. The revised scale of pay for Inspecting Schoolmasters, recommended by the Director in para. 3 of his letter is approved, ~~but~~ the entertainment of an additional Inspecting Schoolmaster for the Kasaragod Taluk, proposed in para. 28 of the President's letter, ~~cannot be~~ sanctioned, ~~as the Government is not satisfied of its necessity~~. The proposed

revision of the establishments of the schools at Udipi, Karkala, Kasaragod and Puttur, referred to in paras 33 to 35 cannot be approved, in the present state of the Taluk Boards' finances. The alterations in the educational establishments proposed in para 36 are sanctioned, with the exception of the increases in the salaries of the headmasters of the schools at Mudabidri, Kuttettur, Surathkal, Kolachikambla, Jokur (Hindustani), Padubidri, Suda, Marne, Barkur, Brahmvar, Kalyanpur, Tonse, Kaup and Mijar, and the peons employed for the distribution of salaries in Udipi and Coondapoor Taluks.

(4) Grant III ∧ ~~The remarks of the Surgeon General on the abolishments for Medical services~~

∧ The additions to and alterations in the establishments of the hospitals and dispensaries referred to in paras. 39 and 40 are sanctioned. The provision for the entertainment of an assistant clerk in the office of the District Medical and Sanitary Officer will be allowed to stand pending

will be awaited. The entertainment of the three pupil vaccinators on Rs 4 each per mensem, referred to in para 44 is sanctioned, with effect from the date of their appointment. The remarks of the Sanitary Commissioner in his letter read above will be referred to the Taluk Boards for consideration.

The increase in the salaries of the sweepers attached to the choultry at Nagodi and the bungalow at Gurpur, proposed in paras 47 and 48 is approved.

The Govt agrees with the S.C that the provision for the improvement of water supply is inadequate. Any funds that may become available during the year should be devoted to this important object

(5) Grant IV. The increase proposed in para 49 in the salary of the first accountant in the Local Fund branch of the Collector's Office is not approved, no sufficient reason being shown for an enhancement. ~~the head~~ The increase in the pay of the head clerk of the Mangalore Taluk Boards office, and of the second clerk of the Udipi and Co

Taluk Boards' office (from Rs 15 to Rs 17), proposed in paras ~~49 to 51~~ 50 to 51 is sanctioned.

5. Reserve and Balance —

The reserve will be reduced by Rs 1,050 in order to avoid the deficit with which the Taluk general funds will otherwise close the year. The budget as revised by Government closes with a balance of Rs ~~12,180~~ 11,870 of which Rs 4,700 appertain to endowments, leaving Rs ~~7,480~~ 7,170 or 3 per cent of the receipts available for general purposes.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From W. H. WELSH, Esq., President, District Board, South Canara, to the Chief Secretary to Government, dated Mangalore, 17th December 1895, Dis. No. 591-D.B.

I have the honour to submit herewith the consolidated budget estimates of the District Board of South Canara for the ensuing official year 1896–97. The prescribed statements and a copy of the resolution of the district board passing the estimates are enclosed.

CONSOLIDATED REVISED ESTIMATE FOR 1895–96.

Receipts.

2. ~~*Statement IX.*~~—The total assets of the local boards for the current year are expected to amount to Rs. 3,48,360 against the budget estimate of Rs. 3,19,640, showing an increase of Rs. 28,720. The increase is chiefly due to an excess over the estimate in the opening balance, in the receipts from tolls, ferry rents, fees and fines and public works—miscellaneous. The receipts excluding the opening balance and grants from Government for education amount to Rs. 2,33,250 against the budget estimate of Rs. 2,27,120 giving a net increase of Rs. 6,130.

3. The principal items varying from the receipts assumed in the sanctioned budget are explained below.

4. *Opening Balance.*—The increase in the opening balance is due to short expenditure during 1894–95 under all the grants as explained in the last administration report.

5. *Fees and Fines.*—The amount taken credit for in the original estimate of the Uppinangadi taluk board on account of fee collections at the Kulgunda cattle fair was Rs. 1,020. The actual collection, however, was Rs. 1,450. Hence an increase under this head.

6. *Public Works.*—Sale of old materials shows an increase in consequence of the sale of the old windows of the Hosdrug school and old timber of the Vokkettur bridge.

7. *Contributions from Municipalities.*—Rs. 230 (or Rs. 235) is the amount promised by the Mangalore municipality being a moiety of the cost of adding two rooms to the local fund vaccine depôt at Mangalore, one of which is intended for the use of the municipal vaccinators.

8. *Miscellaneous.*—Rs. 1,170 includes Rs. 948 being sale-proceeds of Local fund boats and Rs. 100 being remuneration paid by the Landing and Shipping Dues Committee on account of the services of the Local Fund Engineer in preparing a plan and estimate.

9. The variation in other items is explained in the remark column of statement IX.

Charges.

10. ~~*Statement IX.*~~—The total charges according to the revised estimate amount to Rs. 3,06,950 against the budget estimate of Rs. 3,07,230. The chief variations are explained below.

11. *Grant I.*—As it is not expected that the whole of the allotments for the Sullya bridge, Rs. 27,590, will be spent during the current year, a portion of it has been transferred to the Oomilar bridge and other purposes, another portion is reserved for transfer to the Kadimbilla bridge and the balance Rs. 9,000 is surrendered.

A portion of the allotment for the Malpé bridge has been likewise reserved for transfer to other works and the balance amounting to Rs. 10,000 has been surrendered. In addition to the allotments already sanctioned for the public works mentioned in the budget, subsequent provision has also been made for works from the reserve or by transfer from allotments for other works. The following are the principal of these works:—

		Rs.
Constructing a travellers' bungalow at Charmadi	.. .. ..	2,440
Gravelling Coast road north of Mabukal river	.. ..	1,805
Constructing a bridge over the Balcutta stream	.. .. ..	1,482
Do. bridge over the Yermal stream	.. .. ..	5,000
Do. four bridges on the Barkur-Shiriyar road	.. .. ..	4,000
Do. two chattrams at Malpé and Kárkala	.. .. ..	3,200

The board considers it needless extravagance to build a chattram at Kárkala where there is already sufficient accommodation. A sum of Rs. 1,560 has been provided for payment of scrutiny charges on account of the Kadimbilla, Sullya and Birchinhalla bridges which have been already sanctioned. The provision for the local fund engineering establishment has been reduced by Rs. 900 which sum is expected to be saved in consequence of the transfer of the old Engineer on Rs. 500 and the appointment of a new Engineer on Rs. 400.

12. *Grant II.*—The provision for inspection has been reduced with reference to the actuals of the first six months of the year and in consequence of the appointment of an inspecting schoolmaster on Rs. 22-8-0 in the place of a deceased one on Rs. 32-8-0. The increase in "Miscellaneous" under elementary schools results from a provision made by the Udipi taluk board to purchase furniture for the Kárkala Primary school and to meet the cost of contingent charges payable during the last year, but paid this year and from an additional provision made by the Mangalore taluk board for dieting and clothing the pupils of the Panchama school at Jeppu, the original allotment of Rs. 100 having been found insufficient.

13. *Grant III.*—The Kasaragod board has sent a woman for training in midwifery at Madras for subsequent employment at Hosdrug and has therefore increased the allotment against "midwives and midwifery pupils." The provision for the fixed charges of the vaccination establishment has been reduced, because the first-class Deputy Inspector draws his pay at the rate of Rs. 60 under instructions from the Sanitary Commissioner against Rs. 70 provided in the budget. Provision under "Improvement of water-supply" has been increased for the purpose of sinking wells at Bellare, Beltangadi, Charmadi Bekal and Coondapoor. In addition to the one existing scavenger at Coondapoor, the taluk board has appointed another temporarily to clear latrines from November last to March 1896. A proposition statement is submitted herewith for the sanction of Government.

14. Other variations are explained in the remark column of the statement.

15. The revised budget closes with a balance of Rs. 41,410 including balance under endowments as shown below:—

	Rs.
District board	18,070
Mangalore taluk board	4,800
Kasaragod do.	1,820
Uppinangadi do.	1,850
Udipi do.	13,330
Coondapoor do.	1,540
Total ..	41,410

Budget Estimate for 1896-97.

Receipts.

16. ~~*Statement I-A*~~—*Opening Balance.*—Rs. 41,410 is the closing balance of the revised estimate as detailed above.

17. *Cess on land*—Rs. 1,32,620.—This is the estimated collections from land-cess adopted from the statement furnished by the Collector.

18. *Market Rents, Rs.* 1,630.—The estimate under this head has been slightly increased with reference to the actuals of last year. It also includes Rs. 130 expected from a new market started at Bajpe in the Mangalore taluk at which it is proposed by the taluk board to levy fees next official year.

19. The variations in other items are explained in a foot-note appended to the statement.

20. The total estimated receipts amount to Rs. 2,79,580.

Expenditure.

21. *Grant I, Statement I-B—(a) New Works—I. Communications, Rs.* 50,630.—This allotment is intended for the following works:—

		Rs.
(1)	Completion of the Kadimbilla bridge	9,170
(2)	Constructing the Sullya bridge	10,850
(3)	„ an iron bridge over the Uppala stream	8,000
(4)	„ a culvert at Chibidri	3,500
(5)	Renewing metal on portion of road No. 4	2,000
(6)	Completion of the Yennoor bridge	2,180
(7)	„ Hossangadi bridge	2,720
(8)	„ Yermal bridge	8,500
(9)	Revetting sides of road near Gundibail	1,000
(10)	Metalling portion of Coast road near Udiavar	710
(11)	Improving the landing place at Kotebaglu in Coondapoor taluk.	700
(12)	Constructing a road from Panambur to Karnad	350
(13)	Petty new works	550
(14)	Ferries—petty works	400

Works Nos. (1), (2), (6), (7) and (12) have been already noticed in paragraph 30 of the current year's budget covering letter printed in G.O., No. 155 L., dated 24th January 1895, and work No. (8) in paragraph 45 of the letter giving cover to the budget for 1894-95 printed in G.O., No. 553 L., dated 20th March 1894. The district board has recorded its opinion that all its funds which can be spared from other purposes should be devoted to the task of building bridges across the numerous rivers and streams with which the district roads are intersected, that the Coast road should be taken first and that the Yermal stream should be provided with a bridge first, the Bangramanjeshwar stream next, and then the Uppala stream. The Yermal bridge work has not yet been sanctioned by Government, so it is doubtful if it can be built this year in pursuance of the above resolution; an iron bridge at Bangramanjeshwar is down for being taken up next, but the estimate is likely to be long delayed as it must provide for deviation of the road involving interference with private property and heavy compensation; therefore, the board has put down in next year's budget the simpler bridge over Uppala stream. A provision of Rs. 8,000 has been made for it for expenditure during the ensuing year. Work No. (4) is a new granite culvert proposed to be built in the place of an old laterite bridge that collapsed last monsoon. As Chibidri is on trunk road No. 4 which has a large ghaut traffic, the culvert needs to be reconstructed as early as possible. The other items are all necessary and have been provided for.

22. *II. Civil Buildings.*—The Udipi board had made a provision for a chattram at Udipi. The allotment has been transferred to work No. (9) mentioned in the preceding paragraph which is an important work and for which the taluk board had asked the district board for funds. The funds do not suffice for a chattram at Udipi and in such a thriving town accommodation for travellers ought to be provided by private enterprise. The amount provided under this head is intended for the erection of buildings of Board Primary schools in the Mangalore, Udipi and Coondapoor taluks.

23. (*b*) *Repairs—I. Communications.*—The current year's allotment for the repair of the district and taluk board roads has been repeated except in the case of the portion of Coast road No. 22 in Kasaragod taluk and of the road from Kandlur to Shiddapur in Coondapoor taluk. The provision for the former has been reduced by

the taluk board from Rs. 2,736 to Rs. 1,968. This provision is made for 41 miles instead of 57 as heretofore. The portion of the road from Hosdrug to Cavoy does not really exist and the maintenance grant intended for this section appears to have been hitherto spent by the Engineering department on the existing road from Ullal to Hosdrug. The allotment for the Kandlur-Shiddapur road has been reduced by Rs. 100 and this sum has been provided for another minor road from Bailur to Balcutta which was hitherto maintained from the village road allotment. For want of funds no allotment has been made for repainting iron bridges next year, so this expenditure will have to be met from reserve.

24. The Kasaragod and Uppinangadi boards had provided Rs. 3,500 each for the repair of village roads in the two taluks. But the budgets passed by the two boards showed deficits amounting to about six and five thousand rupees respectively, even without providing the prescribed "reserves" and "balances." The taluk boards therefore requested the district board to supplement their funds to make up the deficits. As it is not possible for the district board from paucity of funds to make such large grants, it has been found necessary to curtail the budgets of the two boards in order to lessen the deficits as far as possible and to make up the difference by allotments from district funds. In thus curtailing their budgets the allotments provided for the repair of village roads have been reduced to Rs. 630 in the Kasaragod taluk and Rs. 1,000 in the Uppinangadi taluk. Rs. 1,000 in the Uppinangadi taluk is intended for the improvement of the village road from Bellare to Devachalla for which a contribution of Rs. 500 was made by the neighbouring villagers in 1892–93, but the work was not done for want of funds with the taluk board.

25. Statement No. III-B furnishes details of allotments under the head "Repairs."

26. Rs. 610 are provided for the scrutiny of the plans and estimates of the Uppala bridge and Chibidri culvert.

27. *Local Fund Engineering Establishment, Rs.* 19,900.—This assignment, which includes travelling allowance also, provides pay for the Engineer at Rs. 400 for the whole year and an increase of Rs. 10 per mensem for the supervisor for eleven months. The increase at Rs. 20 for two months for the Engineer is provided for. A proposition statement for the revision of this establishment has been sanctioned in G.O., Mis. No. 2369 L., dated 5th December 1895.

28. *Grant II—(a) Inspection, Rs.* 3,640.—In deference to the recommendation of the Director of Public Instruction, it is proposed to appoint an additional inspecting schoolmaster on Rs. 20 for the Kasaragod taluk and to revise the scale of pay of the seven existing inspecting schoolmasters at the following rates:—

Present sanctioned scale.	Rs.	*Proposed scale.*	Rs.
1 on	32½	2 on	30
2 on	30	2 on	25
4 on	20	2 on	22½
		1 on	20

29. The inspecting schoolmaster who was drawing Rs. 32–8–0 died lately. The inspecting schoolmasters now in charge of the Mangalore division and Kasaragod taluk already draw Rs. 30 each. It is proposed to allow the inspecting schoolmasters in charge of Uppinangadi taluk and of Muhammadan schools Rs. 25 each. Uppinangadi taluk is nearly as extensive as the Kasaragod taluk for which two inspecting schoolmasters are found necessary by the Director of Public Instruction as shown below. As the schools in the former taluk are scattered over the whole of it "the distance between schools is generally so great that travelling is rendered very costly." Most of the taluk is malarious. It has also been recognised by Government as "backward" in education. The inspecting schoolmaster of Muhammadan schools has to travel over good distances to visit schools in three taluks; or more when schools are opened in other taluks. The inspecting schoolmasters in

charge of Udipi division and Coondapoor taluk are to have Rs. 22–8–0 each. The Assistant Inspector considers that as the Udipi division contains two Board Lower Secondary schools and the inspecting schoolmaster has to assist him in their examination "a person of fairly high general educational qualifications" is required for the division. The present incumbent is a trained F. A. The Coondapoor taluk is educationally a "backward" locality.

30. The present pay of Rs. 20 for the inspecting schoolmaster of the Mulki division is considered enough. About appointing an additional inspecting schoolmaster in the Kasaragod taluk the inspecting officers state as follows:—

The Sub-Assistant Inspector of Schools, Kasaragod Range, writes:—

"Travelling is most difficult and tiresome in the taluks of Kasaragod and Uppinangadi which together cover an area more than that of the other three taluks of the district." * * *

"The Kasaragod taluk contains 243 villages and 96 public schools. Considering the physical features of the taluk, the constitution of the villages, the difficulties of travelling, the distance between schools, the general backwardness of the taluk in point of education, the low attainments of the teachers, the desirability of improving the general condition of primary education and the need of better supervision of schools, I am of opinion that an additional inspecting schoolmaster is urgently required for the taluk. A single inspecting schoolmaster can ill afford to efficiently and successfully supervise all the existing schools, nor can he visit them as often as desirable. As education has not spread itself even in half the number of villages, it is desirable to open more schools."

The Assistant Inspector says:—

"M.R.Ry. Seshagiri Prabhu strongly advocates the necessity for the appointment of an additional inspecting schoolmaster for the Kasaragod taluk and the reasons assigned by him speak for themselves. The area of the taluk, which, comparatively speaking, is one of the backward taluks in the division, the large number of schools now existing in it, which cannot be properly supervised by one man and the vast scope there still exists for the opening of new schools, fully justify the Sub-Assistant's recommendation."

31. Pay, travelling allowance and contingencies have been provided for the new inspecting schoolmaster like the others of the same grade at Rs. 2,010 and Rs. 2–8–0, respectively, per mensem. The assignment under this head also includes a provision of Rs. 30 for the purchase of a chair, table and almyrah for the use of the inspecting schoolmaster of the Mulki division.

32. *Secondary Schools.*—The taluk board of Coondapoor having resolved to pay the maximum salary, Rs. 40, as per scale sanctioned in G.O., Mis. No. 1090 L., dated 16th May 1889, to the Third Assistant of the Coondapoor High school, necessary provision has been made to give the increase of Rs. 5 from 1st April next.

33. At the recommendation of the educational officers the taluk boards of Udipi, Kasaragod and Uppinangadi propose to work the Lower Secondary schools at Udipi, Kárkala, Kasaragod and Puttur from the ensuing year on the salary grant system in consideration of the loss sustained by the teachers in results grants from Provincial funds under the present assignment system under which a school is paid the difference between the income and expenditure as bonus. One of the proposals made by the Udipi board at the recommendation of the educational officers for adoption in the ensuing year is the separation of the primary departments of the Udipi and Kárkala Secondary schools and their amalgamation with the Board Primary schools at those places. The other proposal made by this and the Kasaragod and Uppinangadi boards is to revise the scale of pay of the teachers of their Secondary and amalgamated Primary schools as shown below:—

	Udipi Secondary School.		*Kárkala Secondary School.*	
	From Rs.	To Rs.	From Rs.	To Rs.

34. The taluk board of Udipi has to construct the Malpe bridge and a road from Barkur to the port of Kangarcutta, to gravel portions of the coast road and to execute many other important and costly improvements, for some of which the board has asked for grants from district funds. Had it not been for the allotment of nearly Rs. 25,000, which was provided for the Malpe bridge from district funds, and which will remain unutilized on the work during the current year owing to the estimates not being ready, the taluk board would not have been able to make provision for expenditure during the current and ensuing years on the Yermal bridge and other large items as they have done. Compared with the pressing wants of the taluk the board is not as rich as the unspent allotment of the Malpe bridge has made it appear. That the charges of the Kasaragod and Uppinangadi boards have largely exceeded their receipts has been already remarked. Such being the case these boards do not seem to be justified in being very liberal in all at once proposing promotions for their servants. The district board has therefore proposed to allow the teachers the following scale of pay:—

	Secondary Schools	
	At Udipi. Rs.	*At Kárkala.* Rs.
Headmaster	42	42
Second master	27	30
Third do.	25	25
Gymnastic teacher	11	11

Second master	25	25
Third do.	20	20
Fourth do.	15	15
Fifth do.	..	12
Gymnastic teacher	11	11

35. Provision has been made in the consolidated budget according to this scale by reducing the allotment under fixed salaries of masters of secondary schools by Rs. 180 in the Udipi taluk, Rs. 270 in the Kasaragod taluk and Rs. 140 in the Uppinangadi taluk, and by reducing the allotment for board primary schools by Rs. 140 in the Udipi taluk. The Kasaragod board has provided for an increase of Re. 1 to the peon attached to the Secondary school at Kasaragod who has a service of 15 years.

36. *Elementary Schools.*—The Mangalore taluk board has proposed to close the schools at Tannirbhavi and Kenjar and to abolish the post of second masters of the Kodange (Mittabail) and Mijar schools on account of the falling off in attendance. That board has also proposed to give an increase of Re. 1 to the pay of each of the headmasters of the four Canarese schools at Mudabidri, Kuttettur, Surathkal and Kolachikambla and of the Hindustani school at Tokur. The Panchama school at Kasaragod has been transferred to Kudlu, where there is a considerable Madiga population. The Udipi board has proposed to abolish the primary school at Gundami for want of sufficient attendance and to utilize the savings by giving a monthly increase of Re. 1 each to the headmasters of the Padubidri, Suda, Marne, Barkur, Brahmavar, Kallianpur, Tonse, Kaup and Miyar board primary schools in consideration of their long services. The salary-distributing peons of the Udipi and Coondapoor taluks are to receive Rs. 2 in addition to their present pay (Rs. 7) as a fixed travelling allowance or Rs. 9 per mensem, because their work is both "laborious and responsible." The Mangalore taluk board has increased the provision for the dieting and clothing charges of the Panchama school at Jeppu, the current year's allotment having been found inadequate. Rs. 2 have been provided under the head "Miscellaneous" for the supply of text books to each of the Board Primary schools in the Uppinangadi taluk.

37. *Grant-in-aid—Results Grant.*—The allotment provided by the Kasaragod and Uppinangadi boards has been brought down from Rs. 2,400 and Rs. 350 to Rs. 2,000 and Rs. 250, respectively, in order to lessen the deficits in their budgets. The reduced figures, however, exceed the last year's actuals by Rs. 241 in the former case and by Rs. 69 in the latter.

38. *Grant III—Medical Subordinates.*—A civil hospital assistant on Rs. 45 has been replaced by a local fund hospital assistant on Rs. 25. Full 12 months' provision has been made for the increase sanctioned for the six local fund hospital assistants from July last. The Coondapoor board has made a provision for a local allowance of Rs. 10 for the Kollur hospital assistant as per G.O., No. 229 L., dated 16th February 1895.

39. *Clerks and Servants.*—Full 12 months' salary has been provided for the compounders sanctioned this year for the Kárkala and Puttur hospitals. The Kasaragod board has provided for a separate cook on Rs. 5 for the Kasaragod hospital at the recommendation of the apothecary who represents that caste patients object to take food cooked by the ward cooly who dresses wounds and assists in surgical operations, &c. The board has also provided for an increase of Re. 1 to the pay of the toty attached to the Kasaragod hospital in consideration of his long service and of the extra work he does in connection with the chattram at that station.

40. *Midwives and Midwifery Pupils.*—A provision made for the stipends and pay of a woman sent to Madras for training in midwifery accounts for the increase under this head. The midwife at Mudabidri has been transferred to Manjeshwar as she had no sufficient work at the former place.

41. *Medical Pupils, Rs.* 600.—This amount is made up of the stipends required for three medical pupils undergoing training at Madras and of a provision for stipends for 11 months at Rs. 25 per mensem for a female medical pupil proposed by the district board to be trained at Madras for the apothecary's grade for eventual employment in the district. The amount also includes Rs. 70 intended for supply of class books and travelling allowance. One of the male pupils is expected to pass the hospital assistant's grade and return to the district in July 1896.

42. *District Medical and Sanitary Officer's Establishment.*—Provision has been made for an Assistant clerk on Rs. 9 for the District Medical and Sanitary Officer's office. The establishment at present consists of one clerk and two peons as sanctioned in G.O., No. 2591 L., dated 23rd October 1891. The District Medical and Sanitary Officer, however, considers that an assistant clerk is absolutely necessary. Attention of Government is respectfully invited to the following extract ~~for~~ the District Medical and Sanitary Officer's report for 1894–95 printed in G.O., No. 1950 L., dated 19th October 1895, reviewing the Local Fund Administration Report of this district for the same year:—

* * * * *

"Only one clerk is allowed for the District Medical Officer's office, the work of which has been steadily increasing year by year, and is now beyond the power of one man to cope with efficiently, while in the event of the clerk's absence on leave or ill-health no one can be found competent to temporarily fill the post and the records fall into confusion and disorder.

"In proof that the duties are too arduous for one man, I may mention that the present very industrious clerk has no relaxation even on the authorized holidays enjoyed in other offices and is threatened with the affection known as writer's cramp due to the excessive work of the office.

"In other districts, *e.g.*, North Arcot, a second clerk is allowed, and I trust, therefore, that a similar concession may be made here."

43. *Miscellaneous.*—At the recommendation of the District Medical and Sanitary Officer the Kasaragod and Uppinangadi taluk boards have made provision for supplying certain medical books of reference and additional furniture for the use of their dispensaries. Compensation in lieu of house-rent at Rs. 3 per mensem has also been provided for the only one Government hospital assistant now serving in the district. The house-rent paid for the midwife at Puttur is raised from Rs. 2 to Rs. 4 per mensem.

44. *Vaccination — Fixed Charges.*—At the recommendation of the District Medical and Sanitary Officer three pupil vaccinators at Rs. 4 each sanctioned by the district board, as authorized in G.O., No. 889 L., dated 17th May 1894, have been entertained since August last. A copy of the resolution of the district board sanctioning their entertainment is enclosed. The sanction of Government is solicited to the increase in the establishment. The provision made for the pay of these pupil vaccinators accounts for the increased allotment under this head.

45. *Improvement of Water-supply.*—For this purpose the Mangalore, Kasaragod and Uppinangadi boards have allotted Rs. 100 each, the Udipi board Rs. 500 and the Coondapoor board Rs. 300.

46. *Scavenging Establishment.*—The provision made under this head is for the pay of 38 sweepers and 15 scavengers and 6 peons who supervise their work. The sweepers are employed in keeping the streets clean and the scavengers in removing fœcal matter.

47. *Choultries—Establishment.*—As a sweeper on Rs. 3 per mensem at Nagody cannot be procured, the Coondapoor Board has provided for an increase of Rs. 2.

48. *Public Bungalows.*—The pay of the Gurpur bungalow sweeper is proposed to be raised from Rs. 3 to Rs. 4 at the recommendation of the local fund Engineer.

49. *Grant IV.*—For the establishment in the Collector's office the board has by nine votes to three (three members abstaining) voted to increase the local fund accountant's pay from Rs. 25 to Rs. 30 per mensem.

50. *Local Board's Office Establishment.*—The taluk board of Mangalore proposes to increase the salary of its two clerks from Rs. 20 and Rs. 10 to Rs. 23 and Rs. 12, respectively. The President of the Board writes:—

"Considering the multifarious and responsible work of a taluk board clerk, the taluk board recommended the increase of his pay to Rs. 25 which was sanctioned by Government in 1892–93 and ever since the first clerk drew pay at the increased rate until December 1893, when the post fell permanently vacant, and the present clerk was appointed to it. The salary was then reduced to the original scale of Rs. 20 to start with. The clerk then had to rest satisfied with the hope that he would be allowed the increase on doing his work satisfactorily. Now that he has been two years in his present post and as Local Fund clerks have neither prospects of promotion nor are eligible for pension, the taluk board has allowed an increase of Rs. 3 to him and Rs. 2 to the second clerk who gets only Rs. 10 and has served two years satisfactorily."

The district board considers that an increase has been proposed needlessly soon and has struck off the increase proposed for the second clerk, leaving that for the head clerk undisturbed as his work is responsible.

51. The taluk boards of Udipi and Coondapoor have decided to draft the two vice-president's clerks on Rs. 15 ~~on~~ each on the President's establishment and to raise the pay of the senior of these two clerks from Rs. 15 to Rs. 20 and thus to give the President's office the following establishment:—

	Rs.
Head clerk	30
Second clerk	20
Third clerk	15
One attender	7

The second clerk has a service of five years. The district board, considering the proposed increase too great, has made provision in the consolidated budget only for giving the second clerk an increase from Rs. 15 to Rs. 17.

52. (*d*) (6) *Miscellaneous.*—Under this head the Kasaragod and Uppinangadi boards have provided Rs. 20 and Rs. 30, respectively, for the purchase of a few copies of the Canarese translation of Dr. King's simple sanitary rules for supply to potels of kasba stations and village schoolmasters.

53. The savings effected by curtailing the several proposals made by the Udipi, Coondapoor and Mangalore boards, together with the excesses over the prescribed closing balances in the budgets of the first two boards, have been allotted or added to important public works of the respective boards.

54. *Reserve.*—Rs. 23,660 entered under this head is made up as follows:—
