For orders.

No particular form has been prescribed for
this book, & if Dk. Bd. are left to provide
their own, it is probable that every Dk. will
have a book of a different form, as the information
to be collected is of such a varied nature -
Submitted that it would be advisable to draw
up a form here & circulate for information.

draft a form

To
The President, District Board, Coimbatore.

C.S.
Would it not be advisable to ask the
Sany. Commr. to draw up a form? He has
to deal with the information recorded, and
probably like to have it collected in a
way that will suit him.
