6. (1) *Rates and Taxes.*—The receipts under this head are estimated at Rs. 4,33,700 and are based on the land revenue collections estimated for the Provincial budget.

7. *House Tax.*—Rs. 17,130 are entered as income under this head against Rs. 15,840, the budget estimate of the current year. The increase is due to the proposed formation of Pápánasam, now included in the Swamimalai union, into a separate union with three other villages under the Kumbakónam taluk board, for which sanction of Government will be applied for separately, and to the revision of the tax in certain unions under the Tanjore and Negapatam taluk boards.

8. *Education*—(*a*) *School Fees.*—The amount entered for 1896-97 against the district board is that given by the Educational officers; the increase under the taluk boards is due to the expected higher collections in (1) the Tirutturaippúndi lower secondary school in which a second form is proposed to be opened and (2) the Tiruválúr high school and Kivalur and Enangudi middle schools, in the latter two of which rates of fees have been raised by the taluk board at the instance of the Educational officers.

11. *Interest on Government Securities.*—The amount shown under this head for 1896-97—viz., Rs. 34,740—represents the interest at $3\frac{1}{2}$ per cent. on the investments made in favour of Railway Guarantee Fund (Rs. 5,21,000 up to 1895-96), Medical School, Tanjore (Rs. 1,00,100), Rajah's chattrams (Rs. 1,12,200), and chattrams and hospitals under the taluk boards (Rs. 2,49,400), while the interest for 1895-96 was calculated at 4 per cent. for the first four months and at $3\frac{1}{2}$ per cent. for the rest of the year, as the investments had been tendered for conversion to the $3\frac{1}{2}$ per cent. with effect from 1st August 1895.

This is provided at the instance of the Surgeon-General. It will provide separate rooms for the separate treatment of the sexes and is proposed to be erected in one corner of the hospital enclosure near the

(*b*) Provision is made for the construction of a new building near the bathing ghât at Sethukkarai for Rs. 3,000 as the present chattram is reported to be not much used.

24. *Repairs—Communications.*—The district board has proposed to renew three miles of road No. 14 and one mile of road No. 28 near Porayar at a cost of Rupees 7,500 as the roads were reported to be in a bad condition. With reference to G.O., No. 1686 L., dated 14th September 1895, ordering that not less than one-half of the estimated income from land cess *plus* the anticipated net receipts from tolls should be allotted for communications, I beg to report that in this district Rs. 2,04,080, or Rs. 3,460 over the minimum, is proposed to be spent on communications—*Vide* margin for particulars.

The taluk boards of Kumbakónam and Negapatam have provided Rs. 550 each for the continuance of the survey establishments sanctioned in the current year's budget to prepare plans of the streets in unions and large villages, and Rs. 400 has been allotted by the former board for the purchase of the requisite survey stones, instruments, &c.

(*b*) Under the district board a sum of Rs. 8,550 is provided for maintenance of avenues against Rs. 6,000 in 1895–96. All the young avenues put down during the last two years will be entirely under maintenance next year. The increased provision is therefore required till the young trees have grown up.

(*c*) In Statement No. III-B, additional columns are opened, as in the budgets of the Salem district, for showing the amounts proposed to be spent on the maintenance and upkeep of avenues in the roads in this district.

26. (*e*) *Establishment—Tolls and Ferries.*—No provision is made for the establishment under tolls at Tiruválúr, as the gates have been leased out.

27. *Contribution to Provincial Funds.*—A sum of Rs. 42,000 is provided as contribution to Government on account of the construction of the Mayávaram-Muttupet Railway (*vide* G.O., No. 846, Financial, dated 29th October 1895).

of an annual increment of one rupee to the sixth assistant teacher in the same school; (3) the entertainment of a superintendent on Rs. 15 in the Tiruvádi Sanskrit high school to look after the boarders out of school-hours; and (4) the increase of pay from Rs. 15 to Rs. 17–8–0 of the fourth assistant of the same school.

31. *Salary-result System.*—The transactions of the Nídámangalam chattram girls' school shown under elementary schools in the current year's budget are exhibited under "Secondary schools, Salary-result system," for 1896–97, as the school was raised to a lower secondary school at the close of 1894–95.

At the instance of the Educational officers, the district board has sanctioned the marginally-noted increase to the Orattanadu middle school. The superintendent is intended to take care of the boarders out of school-hours and the dhoby to wash their clothes. The remaining sum of Rs. 100 for mats, pillows, &c., is deemed absolutely necessary for their comfort. The pay of the peon attached to the Rajamadam chattram school is raised from Rs. 4 to Rs. 5 as it is considered to be low. Under taluk boards, the increase is due to the entertainment of a gymnastic teacher on Rs. 10 per mensem in the Tirutturaippúndi middle school.

The post of the cook at Vilangulam dispensary is proposed to be dispensed with as unnecessary, and provision is made, at the recommendation of the District Surgeon, for a Brahmin cook on Rs. 8 at the Rajah Mirasidar hospital for the distribution of proper diet to the Brahmin and Siva in-patients. The Negapatam taluk board has provided for a civil apothecary to the Tiruválúr hospital, the institution having become since the opening of the Máyavaram-Muttupet Railway too important to be placed under the charge of a hospital assistant. Provision has been made for increasing the pay of the lascar of the Védáranniyam dispensary by one rupee.

It is necessary to point out that this endowment is fully utilized without this increment and that the board's general revenues do not admit of this contribution, since there are many other much more pressing and beneficial purposes to which funds cannot be assigned. 36. *Scavenging Establishments.*—With reference to G.O., No. 1791 L., dated 30th September 1895, calling for a report as to whether any of the scavenging establishments are specially maintained to clear away fœcal matter, or whether these are employed in merely removing ordinary rubbish from village sites, the President, Taluk Board, Tanjore, reports that a night-soil cart is engaged at Vallam on contract and that the contractor employs toties for the removal of fœcal matter. In the Kumbakónam taluk, the sweeping establishments maintained in the unions and other villages are intended for the removal of ordinary rubbish from village sites and the scavenging establishments to clear away fœcal matter. In the unions of the Negapatam taluk board, toties are engaged in removing night-soil from latrines. At Avadayarkoil, in the Pattukkóttai taluk, toties attend also to the removal of fœcal matter. In the Mannárgudi taluk, two toties are entertained in each of the unions specially for removing fœcal matter, and one in Kuthanallur, a conserved non-union village.

A chattram accountant on Rs. 15 per mensem has been provided for the Local Fund Account branch of the Treasury Deputy Collector's office, the present establishment being unable to cope with the increase in the chattram work. A provision of Rs. 140 is also made for the payment of ¼th pensionary contribution to Government on behalf of V. S. Krishnaswami Aiyangar, whose services have been lent to the district board (*vide* G.O., Mis. No. 2648, Revenue, dated 4th July 1895). Some minor changes in the establishments of the chattrams have also been sanctioned. The details and reasons will be found in the proposition statements. The establishment proposed for Vedaranniyam having been in excess of the maximum rate of Rs. 15 prescribed in G.O., No. 1091 L.F., dated 6th September 1886, the district board has sanctioned a bill-collector on Rs. 5 for six months only instead of one on Rs. 7 throughout the year.

In the Kumbakónam taluk, the sweeping establishments maintained in the unions and other villages are intended for the removal of ordinary rubbish from village sites and the scavenging establishments to clear away fœcal matter. In the unions of the Negapatam taluk board, toties are engaged in removing night-soil from latrines. At Avadayarkoil, in the Pattukkóttai taluk, toties attend also to the removal of fœcal matter. In the Mannárgudi taluk, two toties are entertained in each of the unions specially for removing fœcal matter, and one in Kuthanallur, a conserved non-union village.

37. *Choultries—Establishment.*—At the recommendation of the Deputy Collectors, Tanjore and Pattukkóttai, the district board has sanctioned the marginally-noted changes * in the offices of the chattram tahsildars. A chattram accountant on Rs. 15 per mensem has been provided for the Local Fund Account branch of the Treasury Deputy Collector's office, the present establishment being unable to cope with the increase in the chattram work. A provision of Rs. 140 is also made for the payment of $\frac{1}{6}$th pensionary contribution to Government on behalf of V. S. Krishnaswami Aiyangar, whose services have been lent to the district board (*vide* G.O., Mis. No. 2648, Revenue, dated 4th July 1895). Some minor changes in the establishments of the chattrams have also been sanctioned. The details and reasons will be found in the proposition statements. The increase under the taluk boards is due to the provision for the marginally-noted changes † in the Negapatam and Tanjore taluks.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th January 1896, No. 99.

I have the honour to state that I fully approve of the educational portion of the budget estimate of the Tanjore District Board, and would only recommend that the amount of Rs. 9,370 for which credit has been taken as contribution from Provincial funds be reduced to Rs. 7,370 with reference to the actuals of 1893–94 and of 1894–95, which amounted to Rs. 5,704 and Rs. 6,009, respectively.

2. If the proposed reduction be made, the total receipts under education will be Rs. 20,580 and the total charges proposed under Grant II amount to Rs. 63,660. The net expenditure under Grant II will thus be Rs. 43,080, which is about 13 per cent. of the estimated income from land-cess.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 6th January 1896, No. 73-S.

Referring to the budget estimate of the District Board, Tanjore, for 1896–97, I have the honour to state that the allotments therein made for vaccination and sanitation, viz., Rs. 10,110 and Rs. 39,580, respectively, are in advance of those for the current year (Rs. 9,610 and Rs. 35,090). I have no remarks to offer on this portion of the budget, except that the provision made for the improvement of water-supply (Rupees 4,790) might be enhanced with advantage. I would here request attention to the fact that Tanjore has earned a notoriety for the prevalence of diseases engendered by the use of unwholesome water. The district being cut up by rivers and irrigation channels, the sources of drinking-water supply are freely contaminated, and it is therefore of prime importance to devise means for their protection.

2. From Statement VI that accompanied the budget, it is observed that the number of scavengers and sweepers employed in the unions has not been fixed with reference to actual requirements of their population. As a rule, there ought to be two scavengers and one sweeper for every 1,000 of the living, and I would advise that the staff be revised on this basis.

3. Under Grant I, a sum of Rs. 7,250 is entered for the construction of three wells and repairing eleven tanks. It is presumed that before these works are put in hand for execution, the estimates therefor will be subjected to the scrutiny of the Sanitary Board.

4. The total receipts of the year have nowhere been stated, either in the statements or in the extract from the budget letter forwarded to me, and I am thus precluded from judging whether a fair proportion thereof has been set apart for sanitation.

---

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 31st January 1896, No. 65.

With reference to Grant III of the budget estimate of the Tanjore District Board for the year 1896–97, I have the honour to state that the allowance of Rs. 25 per mensem provided for the demonstrator of the school is inadequate, as the board cannot expect a good and an efficient apothecary to remain long at this arduous task of teaching when his charge allowance would be the same in another appointment of a less laborious nature with every prospect of other income by private practice. The allowance should therefore be increased to Rs. 50 per mensem, and for this purpose an additional amount of Rs. 300 provided for in the budget.

2. The other items call for no further remarks.

From G. STOKES, Esq., President, District Board, Tanjore, to the Chief Secretary to Government, dated Camp, Vallam, 25th February 1896, Dis. No. 133-D.B.

In modification of the proposal made in paragraph 37 of my letter, Disposal No. 708, dated 14th December 1895, submitting the budget report for 1896–97, I have the honour to submit herewith a copy of the district board's resolution, No. 22, dated 10th February 1896, requesting sanction for employment of a Rs. 15 clerk to the district board's office instead of to the Treasury Deputy Collector's office as proposed therein under the following circumstances.

2. Since the submission of the budget, it was brought to my notice that a Rs. 20 clerk sanctioned for the Local Fund Account department in the treasury (*vide* G.O., Mis. No. 187 L., dated 21st January 1888) has been working in the district board's office for a long time, and I directed in this office Disposal No. 40, dated 21st January 1896, that the clerk should work in the treasury. As the Rs. 20 clerk above referred to, together with the attender already sanctioned in G.O.,

No. 589 L., dated 28th March 1894, should be quite able to relieve the Account Department of its heavy work and as the work in the district board's office suffers by this change, the district board passed the resolution adverted to in paragraph I on my motion.

3. I therefore request that Government will be pleased to sanction the enclosed proposition statement and to include the present proposal in the budget for 1896–97 now before Government.

22. Read this office Disposal No. 40, dated 21st January 1896, directing that the Collector's Local Fund clerk on Rs. 20 sanctioned for the Local Fund Account department in the treasury and working in the district board's office should be sent back to the treasury, and President's memorandum, dated 13th February 1896, thereon.

*Resolution.*—The employment of the Rs. 15 clerk should be made to the district board office to be paid from Chattram funds and not to the Treasury Deputy Collector's office as proposed in the budget.

### Revised Estimate for 1895–96.

2. The current receipts and charges are now estimated at Rs. 8,47,160 and Rs. 8,87,220, respectively, against Rs. 8,12,230 and Rs. 7,99,570 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, interest on Government securities and contribution from Provincial funds on account of the Máyavaram-Muttupet railway, and that in the charges under Grant I and investments. With reference to G.O., No. 2986 W., dated 22nd November 1895, communicated with G.O., No. 2325 L., dated 2nd December 1895, the provision for New Works—Communications will be reduced by Rs. 4,000, being the amount allotted for the Lakshmangudi village road. The balance to be carried forward to the ensuing year's budget will be Rs. 2,42,270, distributed among the several funds as shown below :—

| | Rs. |
|---|---|
| Union funds .. .. .. .. .. .. | 5,060 |
| Endowment funds .. .. .. .. .. .. | 98,840 |
| Railway Guarantee fund .. .. .. .. .. | 51,440 |
| General funds .. .. .. .. .. .. | 86,930 |
| Total .. | 2,42,270 |

### Budget Estimate for 1896–97.

3. *Receipts.*—The receipts for the next year are placed at Rs. 8,49,900 against Rs. 8,47,160 in the revised estimate. The proposals for the formation of the Pápanásam Union and the levy of fees in the market at Randoupulikadu, referred to in paragraphs 7 and 14, respectively, of the President's letter, should be expedited. The Provincial grant for education will be reduced from Rs. 9,370 to Rs. 7,370, with reference to paragraph 1 of the Director's letter read above.

4. *Charges.*—(1) The probable charges are put down at Rs. 9,68,660 against Rs. 8,83,220 in the revised estimate, the increase occurring chiefly under Grant III, Investments and the Reserve.

(2) *Grant I.*—Under New Works—Communications a sum of Rs. 4,300 is provided for expenditure by the Public Works Department on the Lakshmangudi village road ; but this work does not appear in the list of works to be executed by that department. As the sum of Rs. 4,000 provided for this in the current year has been struck out in paragraph 2 *supra*, the allotment for 1896–97 will be raised to Rs. 8,300, and Rs. 2,030 will be provided on account of supervision and tools and plant. The retention for another year of the temporary survey establishments referred to in paragraph 25 of the President's letter is sanctioned.

(3) *Grant II.*—The additions to, and alterations in, the educational establishments proposed in paragraphs 29 to 31, are sanctioned.

(4) *Grant III.*—The alterations in the medical establishments referred to in paragraphs 32 and 33 are approved. The Surgeon-General's recommendation in paragraph 1 of his letter read above will be referred to the district board for consideration. The attention of the taluk boards will be drawn to the remarks and suggestions of the Sanitary Commissioner in paragraphs 1 to 3 of his letter, and that of the President of the District Board to the omission pointed out by him in paragraph 4. The additions to, and alterations in, the choultry establishments referred to in paragraph 37, as modified by the President's second letter read above, are sanctioned. It is observed that the taluk boards spend on an average over Rs. 1,000 on each union, in some cases the contributions exceeding Rs. 2,000. Great care should be taken to limit these contributions as much as possible so that general funds may not be spent to a disproportionate degree for the benefit of the small population residing in unions.

(5) *Grant IV.*—The contribution for controlling establishments at the Presidency will be raised from Rs. 6,260 to Rs. 6,290, with reference to G.O., No. 2190 L., dated 19th November 1895.

5. *Reserve and Balance.*—The reserve, calculated at 10 per cent. of the estimated receipts, excluding receipts appertaining to endowment and union funds, should be Rs. 42,850, *i.e.*, Rs. 21,340 under the district and Rs. 21,510 under taluk funds. The budget, as revised by Government, closes with a balance of Rs. 1,19,420, of which Rs. 2,390 appertain to unions, Rs. 81,390 to endowed institutions, and Rs. 15,090 to the Railway Guarantee Fund, leaving Rs. 20,550, or 5 per cent. of the receipts, available for general purposes.
