GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From H. BRADLEY, Esq., President, District Board, Coimbatore, to the Chief Secretary to Government, dated 1st January 1896, Disposal No. 1–D.B.

I have the honour to submit the local fund consolidated budget estimate of the Coimbatore district for 1896–97 passed by the district board at its meeting of the 20th ultimo. The prescribed statements are enclosed except those relating to education, which with the district map will follow.

2. In considering the budget proposals the board has noticed that the expenditure from local funds under education, hospitals, vaccination and sanitation has rapidly increased during the last ten years and has recorded the following resolution:

"In view of the rapid increase of expenditure during the last ten years under education, hospitals, vaccination and sanitation, especially the latter, the board ventures to record a strong protest against further increased demands and to request that a definite rule may be laid down by Government to control the expenditure under each of these heads."

The expenditure under all these heads has increased and is increasing so rapidly without any corresponding increase of income that, in the opinion of the board, the time has come for the expenditure under each of these heads to be limited to fixed proportions of its income.

REVISED ESTIMATE FOR 1895–96.

3. The year opened with a balance of Rs. 48,420 against the budget estimate of Rs. 41,680. The balance in favour of endowments was Rs. 6,880 against Rs. 5,820 and that in favour of general funds Rs. 41,540 against Rs. 35,860. The increase was due to large receipts under debt heads.

4. The receipts are now estimated at Rs. 4,15,170 against the budget estimate of Rs. 3,91,870 and the charges at Rs. 3,82,670 against the estimate of Rs. 3,59,220. The year is expected to close with a surplus of Rs. 32,500—Rs. 27,810 appertaining to general funds and Rs. 4,690 to endowments.

5. The transactions of the several local boards, according to the revised estimate, are summarized below:—

6. The principal variations between the budget and the revised estimates are explained below.

Receipts.

(1) *Land-cess.*—The income from this source is estimated at Rs. 2,01,500 against the budget estimate of Rs. 1,95,030. The increase is mostly due to the arrears at the close of the year.

(2) *Tolls.*—The actual bids of the district board's farms largely exceeded the budget estimate.

(3) *Miscellaneous.*—The revised estimate of Rs. 60,070 against Rs. 59,770 under this head is based on the actuals of the last six months.

(4) *Public Works.*—(*a*) The old hospital building at Kollegal was, owing to keen competition, sold in auction for Rs. 3,760 against Rs. 1,000 as estimated in the budget.

(*b*) The Kollegal taluk Board expects contributions from the inhabitants for the construction of school buildings at Kollegal and Ramapuram.

(5) It is proposed to raise the allotments granted to the taluk boards to Rupees 92,630 in order to remove the deficits with which they would otherwise close the year. The usual application will be submitted in due course.

Charges.

(6) *Grant I.*—Besides petty works to the value of Rs. 4,900, the following additional works were proposed for execution in the current year:—

The revised estimate for the total charges under Grant I amounts to Rs. 2,14,110 against the budget of Rs. 1,93,270 and Rs. 2,08,270, the grant for the year. The increase over the latter will be provided for by formal allotment of funds.

(7) *Grant II.*—The charges under this grant are Rs. 58,250 against Rs. 58,950, the budget estimate. The variations are explained in statement IX.

(8) *Grant III.*—The expenditure according to the revised estimate amounts to Rs. 86,140 against the budget estimate of Rs. 83,960. Larger provision for medicines, well works and scavenging establishment accounts for the increase.

(9) *Grant IV.*—The revised allotment under this grant amounts to Rs. 24,170 against Rs. 23,040, the budget estimate.

The revision of establishment sanctioned by local boards under the powers given to them in G.O., No. 889 L., dated 17th May 1884, is detailed in the proposition statements submitted herewith for sanction.

Budget Estimate for 1896–97.

7. The closing balance of Rs. 32,500 has been brought forward in the budget for 1896–97.

10. *House-tax.*—The receipts from house-tax are estimated at Rs. 17,540 against Rs. 15,050 entered in the current year's budget. The increase is due to the proposed enhancement of the rates of the tax from half to the maximum in the unions of Satyamangalam, Gopichettipalayam, Perundalayur, Kempanyakanpalaiyam, Anamalais and Sálúr and to the revision of the tax registers in Kollegal. Sanction of Government to enhance the rates in the first four unions will be applied for in a separate communication and for the other two applications have been submitted—*vide* this office Reference on Current No. 936, D.B. of 7th December 1895.

11. *Education.*—The receipts from education are placed at Rs. 16,630. They comprise (1) school-fees Rs. 15,970, (2) sale of books Rs. 600, and (3) Rs. 60, the amount to be recovered from trained students who have failed to serve as schoolmasters.

12. *Medical.*—The contributions from municipal funds for which credit is taken are towards the salary of the district board's female apothecary lent for service to the Karur Municipal Council.

13. The receipts from miscellaneous items are calculated at Rs. 60,940 against the current year's budget estimate of Rs. 59,770 and Rs. 60,070, the revised estimate, and are mostly based on the actuals of the current year.

14. *Public Works.*—(1) A contribution of Rs. 1,230 is expected from the Forest department towards the repair of the Anamalais-Sethumadai road, for the completion of which Rs. 2,460 is provided in the budget. The Coimbatore Board expects Rs. 50 from private individuals for the repair of Itteries.

The Kollegal taluk Board expects a grant of Rs. 1,733 for the primary school building at Kollegal, which is expected to be completed in the year, and of Rs. 116 for constructing a school building at Ramapuram.

16. The total receipts of the several local boards including the opening balance but excluding the allotment from one fund to another are Rs. 4,13,170 as follows:—

Expenditure.

17. *Grant I, New Works.*—Rs. 7,850 are provided for new works. The details are given in statement III-A. Under civil buildings a sum of Rs. 2,190 is provided for constructing cheap school sheds in the Erode taluk (Rs. 300), for extending the Udamalpet High school building (Rs. 1,600), and for constructing a school-house at Avanashi (Rs. 290).

18. *Repairs.*—The allotment for repairs is Rs. 1,59,140 against Rs. 1,57,160 for 1895–96. The increase is due to (1) provision of Rs. 2,000 for special repairs to the road from Cochin frontier to Ettimadaipudur in Coimbatore taluk, (2) to four short roads proposed to be newly taken up for maintenance in the Erode and Pollachi taluks, (3) to the enhancement of the maintenance allotment of items Nos. 4 and 14 of the general roads and No. 34 of the market feeder roads in statement III-B, and (4) to the larger provision for town roads by the Coimbatore and Pollachi taluk boards, and is counterbalanced by the provision of Rs. 2,460 for the completion of the Anamalais-Setumadai road against Rs. 4,770 in 1895–96. A sum of Rs. 2,470 is provided for the maintenance of avenues against Rs. 1,700 in 1895–96.

19. The provision under the other heads of Grant I is the same as for the current year, but the amount of Rs. 260 being the pensionary contribution of the engineer's office establishment hitherto shown under Grant IV is now included under his grant. Under contingencies provision is made for the supply to the engineer of a copy of the *Coimbatore District Gazette* and of correction slips to the Civil Service Regulations.

20. The total charges under Grant I amount to Rs. 1,98,840, of which Rs. 38,430 relate to endowments.

21. *Grant II, Inspection.*—The details of the provision of Rs. 5,760 against Rs. 5,500 in the current year's budget are given below :—

	Rs.
Salaries of—	
Two inspecting schoolmasters, at Rs. 40	960
Two do. do. at „ 35	840
Three do. do. at „ 30	1,080
Three do. do. at „ 25	900
Local allowance to the inspecting schoolmaster, Kollegal, sanctioned in G.O., Mis. No. 2326 L., dated 16th October 1889, at Rs. 15 ..	180

Salary of peons to the inspecting schoolmasters of Satyamangalam and Kollegal, one on Rs 6 for each	144
Travelling allowances	1,200
Contingencies	400
Total ..	5,764

The increase is due to (1) the proposed local allowance of Rs. 5 a month to the inspecting schoolmaster, Satyamangalam, as he has much to do above the ghauts and (2) to the increased provision under travelling allowances which experience has shown to be necessary. The sanction of Government is solicited for the grant of the local allowance to the inspecting schoolmaster of Satyamangalam. The usual proposition statement is sent through the Director of Public Instruction.

22. The Educational department having proposed larger expenditure under education, the district board after a very full discussion resolved "that with the exception of the increased grant proposed under inspection, it is unable to increase the provision for education above the budget figures of last year (1895–96) and that that amount be placed at the disposal of the Educational department to work out the details of the expenditure." The Assistant Inspector of Schools, Eighth Division, has been requested to furnish details for the preparation of statement IV and on receipt of his reply the statement with explanation for necessary variations will be submitted.

23. *Grant III, Hospitals and Dispensaries.*—Rs. 33,400 (excluding Rs. 40 for cholera charges) against Rs. 32,250 in the current year's budget are provided for the

maintenance of eight hospitals and ten dispensaries, for the treatment of patients of both sexes and of a dispensary in Pollachi for women and children. The increase is due to—

(i) departmental increments to the salaries of medical officers at Dhárápuram and Satyamangalam from July next, counterbalanced by the provision for a civil apothecary on a monthly salary of Rs. 125 in lieu of one on a monthly salary of Rs. 150 at Pollachi ;

(ii) (*a*) increments to compounders at Pollachi and Gopichettipalaiyam who have become eligible for them, (*b*) the proposed entertainment of a compounder on Rs. 9 for the women and childrens' dispensary at Pollachi and a toty on Rs. 4 in Gopichettipalaiyam counterbalanced by the provision for a junior compounder in lieu of a senior one at Aravakurchi, and (*c*) increasing by Rs. 3 the salary of the midwife at Dhárápuram, by Re. 1 that of the sweeper at Kodumudi, and by As. 8 that of the dhobi at Méttupálaiyam ;

(iii) increased provision for medicines at Dhárápuram, Aravakurchi and Hanur ;

(iv) increased provision for house-rent to Government hospital assistants employed by the taluk boards ; and

(v) alterations in the provision for contingent charges according to the requirements.

The provision under contingencies includes the purchase of a copy of each of the following books for each of the institutions under the Erode, Kollegal and Pollachi Taluk Boards :—

(1) Manual for Pupil Nurses.
(2) Do. for Midwives.
(3) Indian Clinical Manual.
(4) Waring's Bazaar Medicines.

Proposition statement for the changes in the establishments referred to in ii (*b*) and (*c*) are submitted for sanction through the Surgeon-General.

24. The provision of Rs. 2,250 for the District Medical officer's establishment includes the pay and charge allowance of the female apothecary working at Karúr (the contribution towards these being taken credit for under receipts), the pay of a special third-class hospital assistant entertained by the district board for reserve duty under G.O., Mis. No. 2528 L., dated 4th December 1894, and the pensionary contribution of the office establishment.

25. *Vaccination.*—A sum of Rs. 11,260 is provided for vaccination against Rs. 11,290 in 1895–96. The details of the provision are given in the subjoined table :—

26. *Sanitation.*—The grants for sanitation amount to Rs. 27,150 against Rupees 23,480 for the current year and Rs. 22,379, actuals of 1894–95. Details are given in statement VI. Increased provision is made under all the minor heads. With reference to the remarks made by the Sanitary Commissioner in his notes of inspection of Méttupálaiyam Union, communicated with G.O., No. 2040 L., dated 25th October 1895, an additional provision of Rs. 1,000 is made for the employment of temporary scavengers and purchase of appliances. Details as to these are being settled by the authorities concerned. The Coimbatore taluk Board has resolved to transfer two of the scavengers of the Satyamangalam Union to Gopichettipaliyam Union on account of the transfer of the taluk cutcherry and to entertain an additional sweeper at Kuniyamuthur Union. The Erode taluk Board has provided for an additional toty in the Bhaváni Union on account of the introduction of the private scavenging system and has resolved to reduce the number of sweepers at Aravakurchi by two and to raise the number at Pallapatti by two. Pollachi taluk Board proposes to do away with the services of the assistant sanitary maistries in Véttagáranpudúr and Palladam Unions.

The provision of Rs. 360 made by the Coimbatore taluk Board for the entertainment of temporary sweepers at Re. 1 per mensem in thirty villages and the proposals of the taluk Board of Pollachi to entertain sanitary maistries at Anamalais and Súlúr and to increase the pay of those at Véttagáranpudúr and Palladam and of the assistant maistry at Udamalpet have been disallowed by the district board.

The burial-grounds at Méttupálaiyam, now used by the Hindus and the Muhammadans, having been condemned on sanitary grounds, provision is made under "Other sanitary outlay" for the purchase of fresh grounds at a cost of Rs. 1,000.

With reference to G.O., No. 1791 L., dated 30th September 1895, I have the honour to report that the scavengers employed to remove ordinary rubbish are also removing fœcal matter.

27. *Markets.*—The decrease of Rs. 140 is due to the proposal of the Erode taluk Board to dispense with the services of the watermen at Kodumudi, Malayampalaiyam, Unjalur and Sivagiri, as the avenues in these markets do not require further

watering, and to reduce the number at Andiyur by one and is counterbalanced by the entertainment of two sweepers for the Pollachi market.

28. *Choultries.*— The Pollachi taluk Board proposes to increase the pay of the female sweepers of all the choultries from Re. 1 to Rs. 2.

29. *Public Bungalows.*—The increase of Rs. 40 is due to the proposed increase in the pay of the watchers at Pollachi, Avanashi and Ramapuram from Rs. 3 to Rs. 4, Rs. 2 to Rs. 3 and Rs. 4 to Rs. 6, respectively.

30. *Contributions.*—The actuals of 1894–95 are entered as contributions to provincial services for medical college, &c. At the instance of the Coimbatore taluk Board, the district board has agreed to pay from its funds the annual contribution to the hospital at the district head-quarters.

31. *Miscellaneous.*—The establishment and other charges of the Terampalaiyam water-pandal and the four musafferkhanas in the Bhaváni taluk are entered under this head.

32. *Lighting Charges.*—The additional provision made by the taluk boards of Erode, Pollachi and Kollegal has been struck out by the district board with reference to the remarks of Government in paragraph 41 of the General Local Fund Review for 1893–94. The increase allowed is due to a slight increase in the number of lamps on the Bhaváni and the Cauvery bridges at Bhaváni.

33. *Grant IV.*—A sum of Rs. 23,630 is budgeted for miscellaneous charges against Rs. 23,350 in the current year.

34. With reference to G.O., No. 2190 L., dated 19th November 1895, a sum of Rs. 2,140, calculated at 0·62 per cent. of the actual receipts of 1894–95, has been put down as the charges on account of the controlling establishment. For the printing work done at Government Press, Rs. 450 are provided.

35. The cost of the local fund account and audit establishment in the Collector's office is estimated as Rs. 2,550 against Rs. 2,450 in the current year. The increase is due to the inclusion of Rs. 50, pensionary contribution of the account department, which has hitherto been shown separately and of Rs. 100 for contingent charges.

36. The increase of Rs. 550 over the current year's provision of Rs. 7,580 for the local board's establishment is due to the proposed entertainment of peons on Rs. 6 a month, one for each of the taluk boards of Coimbatore and Pollachi, and the inclusion of Rs. 410, the pensionary contribution of the clerks. The Pollachi taluk Board proposed to increase the pay of the bill collectors of some of the unions, but the district board declined to sanction the increase as no reason was given for it.

Under miscellaneous contingent charges provision is made for the purchase of the following :—

The District Board's office—

(1) The *Coimbatore District Gazette.*
(2) Correction slips to the Civil Account Code and the Civil Service Regulations.

The Erode Taluk Board's office—

(1) The *Coimbatore District Gazette.*
(2) Revised Grant-in-Aid Code.
(3) Educational Rules.

37. The interest on the Pollachi market loan debentures for Rs. 16,000 at 6 per cent., due for 1896–97, amounts to Rs. 960 and towards sinking fund Rs. 1,340 are provided.

38. The reserve, calculated at 10 per cent. of the estimated receipts, Rs. 2,94,260, under general funds, amounts to Rs. 29,430, but only Rs. 20,500 are provided.

39. The total expenditure under all grants including the reserve amounts to Rs. 3,92,820 out of the total estimated assets of Rs. 4,13,170 and leaves a balance of Rs. 20,350, of which Rs. 4,410 appertain to endowments, Rs. 300 to union funds and Rs. 15,640 to general funds.

40. I regret the delay in the submission of this budget. It is due to the fact that the taluk board figures were not received until long after the due date.

From H. BRADLEY, Esq., President, District Board, Coimbatore, to the Chief Secretary to Government, dated 28th January 1896, Dis. No .1-C.D.B.

In continuation of this office letter, dated 1st instant, Disposal No. 1-D.B., I have the honour to submit the budget estimate for 1896–97 relating to education other than inspection. The proposals of the Educational Department made with reference to the District Board's Resolution No. 147 of 1895 have been adopted with an

addition of Rs. 240 for the pay of the drawing master at the Udamalpet High School. This addition was provided in order to give an appointment of not less than Rs. 20 a month to a stipendiary student who has studied in the School of Arts at Madras for six years on a monthly stipend of Rs. 10. His course was completed on the 31st March last.

2. *Sessional Normal Schools.*—A provision of Rs. 1,350 against Rs. 1,200 in the current year is made to maintain an itinerating sessional school throughout the year working at three centres for three-and-half months at each. This amount includes the salary of a teacher on Rs. 20 a month, 60 stipends at Rs. 5 for three-and-half months against three months of the current year and a contingent allowance of Rs. 60 a year.

3. *Secondary Schools—Salary system.*—A sum of Rs. 12,980 against Rs. 8,440 in 1895–96 is allotted under this head. The increase is due to (1) the proposed conversion of the lower secondary schools at Bhaváni and Kollegal now on salary-result system into salary system schools, (2) to the transfer of the Satyamangalam primary school to this head—*vide* G.O., Mis. No. 1156 L., dated 4th July 1895, (3) to the proposed entertainment of a drawing master at Udamalpet, and (4) to the proposed increase of As. 8 in the salary of the sweeper at Dhárápuram. The sanction of Government is solicited to these alterations, for which proposition statements are submitted through the Director of Public Instruction.

4. *Elementary Schools—Salary system.*—The board primary schools at Pollachi and Udamalpet are shown under this head. The increase of Rs. 40 is due to the entertainment of an additional teacher on Rs. 10 a month at Udamalpet, counterbalanced by a smaller provision under contingencies.

5. *Elementary Schools—Salary-result system.*—The number of schools proposed to be managed on this system during 1896–97 is 106, of which twelve are intended for Panchamas. The schools at Velankurchi, Kurumandur, Periyagraharam, Pallapatti, Gomangalampudur and Harvanapuram (girls' school) are to be abolished, and it is proposed to establish a school at Sokkampalaiyam in the Coimbatore taluk, at Alangayam in the Dhárápuram taluk and at Tavattupailaiyam in the Bhaváni taluk; the last two for Panchamas. The total charges are Rs. 22,370. A revised scale of salaries based upon the average attendance of the schools (*vide* appendix to statement IV-A of the budget for 1895–96) has been proposed. The additions to, and the alterations in, the establishment of the primary schools due to this revision are detailed in the accompanying * proposition statements, to which sanction of Government is solicited.

* Through the Director of Public Instruction.

6. *Grant-in-aid.*—A sum of Rs. 14,340 against Rs. 14,950 in the current year's budget is provided for results in consideration of the reduction in the number of salary-result schools.

7. *Miscellaneous.*—Rs. 540 are allotted for the purchase of books and commission on their sale.

8. The total charges under Grant II amounts to Rs. 59,450 against Rs. 58,950 in the current year's budget.

9. Owing to the addition of Rs. 240 referred to in paragraph 1 above, the reserve of the Pollachi Board is reduced by that amount (Rs. 240). The reserve as revised now is as follows:—

	Rs.
(1) Coimbatore taluk Board	700
(2) Erode do.	410
(3) Pollachi do.	1,030
(4) Kollegal do.	1,450
Total taluk boards ..	3,590
District ..	16,670
Grand Total ..	20,260

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated 14th February 1896, No. 275-S.

I have the honour to state that the Coimbatore District Board estimates its expenditure on vaccination and sanitation during 1896-97 at Rs. 11,260 and Rs. 27,150, respectively, against Rs. 11,290 and Rs. 23,480 sanctioned for the current year. The allotment for the former object calls for no notice, while that for the latter, which amounts to only 7 per cent. of the estimated current receipts, needs reconsideration with reference to the following remarks :—

(1) For the improvement of water-supply, a matter which concerns the health of a rural population of 1,935,376 and on which special stress was laid by Government in its review of the administration report of the past year, a sum of Rs. 5,790 is set apart. This is in my opinion insufficient for requirements. Seeing that no works falling under this category are proposed for execution under Grant I, the need for a larger outlay is apparent. I would advise that the District Sanitary Officer be consulted in this matter.

(2) Particulars of the scavenging establishments furnished in statement VI go to show that rubbish conservancy has been given a more prominent place in village sanitation than night-soil disposal, which ought to take the lead.

2. I would invite the notice of Government to the disproportionate attention paid to education in the district when compared with sanitation, the sum spent last year being 10·3 per cent. for the former against the present proposal of 7 per cent. for the latter. It does not seem a sound investment of public money to educate a generation, the majority of whom will die before they can become producers, at a rate greater than normal for lack of sanitary safeguards.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, Madras, to the Chief Secretary to Government, dated 14th February 1896, No. 1361.

Adverting to the budget estimate of the Coimbatore District Board for 1896-97, I have the honour to state that the provision therein made for education under the several heads may be accepted. The allotment for building and furniture grants to results schools is inadequate; but in view of the fact that the board has proposed to expend on Grant II over a sixth of the estimated land-cess in addition to the educational receipts, I do not press for any increased provision under the head. Any lapses in the assignment for results grants may be utilized for the purpose.

2. The proposition statement received from the President is submitted for approval and sanction.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 18th February 1896, No. 139.

With reference to Grant III of the budget estimate of the District Board, Coimbatore, for the year 1896-97, I have the honour to state that no provision appears to have been made for the erection of a dispensary and quarters for the hospital assistant at Kodumudi. The present rented building is quite unsuited for the dispensary purposes and there is difficulty in procuring a decent house in the town for locating the dispensary.

2. The proposal of the board to entertain (1) a compounder on Rs. 9 for the women and children's dispensary at Pollachi, (2) a toty on Rs. 4 for the dispensary at Gopichettipalaiyam, and the provision for the increase to the pay of the (1) midwife attached to the dispensary at Dhárápuram, (2) sweeper attached to the dispensary at Kodumudi, and (3) dhobie attached to the dispensary at Méttupálaiyam have my approval.

3. The proposition statement received with the budget extracts is herewith forwarded.

REVISED ESTIMATE FOR 1895–96.

2. The current receipts and charges are now estimated at Rs. 3,66,750 and 3,82,670, respectively, against Rs. 3,50,190 and Rs. 3,70,230 in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, tolls and public works, and that in the charges under Grants I and III, being partly counterbalanced by a decrease under the reserve. It is presumed that the plans and estimates for the new works, proposed in paragraph 6 (6) of the President's first letter for execution during the current year, have been sanctioned by competent authority. The revision of the establishments referred to in the concluding portion of paragraph 6 of the same letter is sanctioned.

BUDGET ESTIMATE FOR 1896–97.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 3,80,670 against Rs. 3,66,750 in the revised estimate, the increase which occurs chiefly under land-cess, house-tax, school-fees and contribution from Provincial funds on account of education being partly counterbalanced by a decrease under public works.

4. *Charges.*—(1) The probable charges are put down at Rs. 3,92,820 against Rs. 3,82,670 in the revised estimate, the increase which occurs chiefly under Grant III and the reserve being partly counterbalanced by a decrease under Grant I.

(2) *Grant I.*—None of the new works provided for in the budget should be undertaken until the plans and estimates have been sanctioned by competent authority. The allotment for communications falls short of the minimum prescribed in G.O., No. 1686 L., dated 14th September 1895, by Rs. 7,625. The deficiency should, as

far as possible, be remedied by subsequent allotments from the reserve as occasion may offer. As required by paragraph 7 of the Government Order just quoted, the President should have reported specifically on the action taken to follow the instruction there issued.

(3) *Grant II.*—The proposal to grant a local allowance of Rs. 5 per mensem to the Inspecting Schoolmaster, Satyamangalam, is approved. The entertainment of two teachers on Rs. 10 and Rs. 7, respectively, for the primary schools at Udamalpet and Sokkampalaiyam, proposed in paragraphs 4 and 5 of the President's second letter, cannot be sanctioned, as a very considerable proportion of the receipts of the taluk boards concerned is already spent on education and further funds are not available. The remaining additions to and alterations in the educational establishments referred to in paragraphs 3 and 5 of the same letter are sanctioned.

(4) *Grant III.*—The additions to and alterations in the medical establishments referred to in paragraph 23 (ii) (*b*) and (*c*) of the President's first letter are sanctioned. The remarks of the Surgeon-General in paragraph 1 of his letter will be referred to the Erode taluk Board for consideration. The proposal to reduce the number of sweepers at Aravakurichi from six to four is approved. With reference to his remarks in paragraph 1 (2) of his letter, the Sanitary Commissioner will be referred to the concluding portion of paragraph 26 of the President's first letter, in which he reports that the scavengers employed to remove ordinary rubbish are also removing fœcal matter. The other remarks of the Sanitary Commissioner will be referred to the local boards for consideration. The revision of the market establishments proposed in paragraph 27 of the President's first letter is sanctioned, but the alterations in the chattram and bungalow establishments referred to in paragraphs 28 and 29 cannot be approved in the absence of any explanation of their necessity. The provision made for lighting the union at Satyamangalam will be passed on the condition that the necessary contribution is made from taluk funds as required by section 142 of the Local Boards Act. The expenditure from taluk funds on unions is very large, especially under the Coimbatore and Pollachi taluk boards. The levying of house-tax at increased rates, as now proposed, will, it is hoped, obviate the necessity for these large contributions in future.

(5) *Grant IV.*—The entertainment of a peon on Rs. 6 for each of the taluk boards of Coimbatore and Pollachi is sanctioned.

5. *Reserve and Balance.*—For want of funds a reserve of only Rs. 22,550, or 7·2 per cent. of the receipts, will be provided. The budget, as revised by Government, closes with a balance of Rs. 18,470, of which Rs. 2,510 appertain to endowments and Rs. 300 to unions, leaving Rs. 15,660 or 5 per cent. of the receipts, excluding those of the unions and endowments, available for general purposes.

6. With reference to paragraph 2 of the President's first letter, the Government considers that there is no present necessity for going beyond the orders issued in G.O., No. 1686 L., dated 14th September 1895.

7. The Presidents of the taluk boards concerned should be required to explain the delay in the submission of their budgets referred to in paragraph 40 of the President's first letter.

REVISED ESTIMATE FOR 1895–96.

2. The current receipts and charges are now estimated at Rs. 3,66,750 and 3,82,670, respectively, against Rs. 3,50,190 and Rs. 3,70,230 in the sanctioned budget. The revision of the establishments referred to in the concluding portion of paragraph 6 of the same letter is sanctioned.

4. *Charges.*—(1) The probable charges are put down at Rs. 3,92,820 against Rs. 3,82,670 in the revised estimate, the increase which occurs chiefly under Grant III and the reserve being partly counterbalanced by a decrease under Grant I.

(2) *Grant I.*—None of the new works provided for in the budget should be undertaken until the plans and estimates have been sanctioned by competent authority. The allotment for communications falls short of the minimum prescribed in G.O., No. 1686 L., dated 14th September 1895, by Rs. 7,625. The deficiency should, as

far as possible, be remedied by subsequent allotments from the reserve as occasion may offer. As required by paragraph 7 of the Government Order just quoted, the President should have reported specifically on the action taken to follow the instruction there issued.

(3) *Grant II.*—The proposal to grant a local allowance of Rs. 5 per mensem to the Inspecting Schoolmaster, Satyamangalam, is approved. The entertainment of two teachers on Rs. 10 and Rs. 7, respectively, for the primary schools at Udamalpet and Sokkampalaiyam, proposed in paragraphs 4 and 5 of the President's second letter, cannot be sanctioned, as a very considerable proportion of the receipts of the taluk boards concerned is already spent on education and further funds are not available. The remaining additions to and alterations in the educational establishments referred to in paragraphs 3 and 5 of the same letter are sanctioned.

(4) *Grant III.*—The additions to and alterations in the medical establishments referred to in paragraph 23 (ii) (*b*) and (*c*) of the President's first letter are sanctioned. The remarks of the Surgeon-General in paragraph 1 of his letter will be referred to the Erode taluk Board for consideration. The proposal to reduce the number of sweepers at Aravakurichi from six to four is approved. With reference to his remarks in paragraph 1 (2) of his letter, the Sanitary Commissioner will be referred to the concluding portion of paragraph 26 of the President's first letter, in which he reports that the scavengers employed to remove ordinary rubbish are also removing fœcal matter. The other remarks of the Sanitary Commissioner will be referred to the local boards for consideration. The revision of the market establishments proposed in paragraph 27 of the President's first letter is sanctioned, but the alterations in the chattram and bungalow establishments referred to in paragraphs 28 and 29 cannot be approved in the absence of any explanation of their necessity. The provision made for lighting the union at Satyamangalam will be passed on the condition that the necessary contribution is made from taluk funds as required by section 142 of the Local Boards Act. The expenditure from taluk funds on unions is very large, especially under the Coimbatore and Pollachi taluk boards. The levying of house-tax at increased rates, as now proposed, will, it is hoped, obviate the necessity for these large contributions in future.

(5) *Grant IV.*—The entertainment of a peon on Rs. 6 for each of the taluk boards of Coimbatore and Pollachi is sanctioned.

5. *Reserve and Balance.*—For want of funds a reserve of only Rs. 22,550, or 7·2 per cent. of the receipts, will be provided. The budget, as revised by Government, closes with a balance of Rs. 18,470, of which Rs. 2,510 appertain to endowments and Rs. 300 to unions, leaving Rs. 15,660 or 5 per cent. of the receipts, excluding those of the unions and endowments, available for general purposes.

6. With reference to paragraph 2 of the President's first letter, the Government considers that there is no present necessity for going beyond the orders issued in G.O., No. 1686 L., dated 14th September 1895.

7. The Presidents of the taluk boards concerned should be required to explain the delay in the submission of their budgets referred to in paragraph 40 of the President's first letter.

2. The current receipts and charges are now estimated at Rs. 3,66,750 and Rs 3,82,670, respectively, against Rs 3,50,190 and Rs 3,70,230 in the sanctioned budget. Revised Estimate for 1895-96.

2. The current receipts and charges are now estimated at Rs. 366750 and Rs 387670, respectively, against Rs 350190 and Rs 370230 in the sanctioned budget. The increase in the receipts occurs chiefly under land cess, tolls, and Public Works, and that in the charges under Grants I and III, being partly counterbalanced by a decrease under the reserve. It is presumed that the plans and estimates for the new works proposed in para 6(b) of the President's first letter for execution during the current year, have been sanctioned by competent authority. The revision of the establishments referred to in the concluding portion of para 8 of the same letter is sanctioned.

Budget Estimate for 1896-97.

3. Receipts. The receipts for the ensuing

ensuing year are placed at Rs 380,670 against Rs. 366,750 in the revised estimate, ~~the~~ increase, which occurs chiefly under land cess, house tax, school fees and Contribution from Provincial Funds on account of Education, being partly counterbalanced by a decrease under Public Works. ~~The application to raise the rate of the house tax levied in the unions of Satyamangalam, Gopichettipalaiyam, Perundalapur, and Kempanayakanpalaiyam from one half to the maximum, promised in para. 10 of the President's first letter, will be awaited.~~

4. Charges. — (1) The probable Charges are put down at Rs. 392,820 against Rs 382,670 in the revised estimate, the increase, which occurs chiefly under Grants III and the Reserve, being partly counterbalanced by a decrease under

No. M5-396

The allotment for Communications falls short of the minimum prescribed in G.O. No 1684 14.9.93 by Rs 7625. It is hoped that 2½ as far as possible this deficiency will be remedied by subsequent allotments from the reserve as occasion may offer. As required by para 7 of the G.O. first quoted the P.W.D. have reported specifically on the case action taken to follow the instruction there issued

under Grant I.

(2). Grant I. None of the new works provided for in the budget should be undertaken until the plans and estimates have been sanctioned by competent authority.

(3) Grant II. The proposal to grant a local allowance of Rs.5 per mensem to the Inspecting school master, Satyamangalam, is approved. The entertainment of two teachers on Rs.10 and Rs.7, respectively, for the primary schools at Ildamalpet and Sokkampalaiyam, proposed in paragraphs 4 and 5 of the President's second letter cannot be sanctioned, as a very ~~fair~~ considerable proportion of the receipts of the Taluk Boards concerned is already spent on Education and further funds are not available. The remaining additions to and alterations

alterations in the educational establishments referred to in paras. 3 and 5 of the ~~President's~~ same letter are sanctioned.

(4). Grant III. - The additions to and alterations in the Medical establishments referred to in para. 23(ii) (b) and (c) of the President's first letter are sanctioned. The remarks of the Surgeon General in para. 1 of his letter will be referred to the Erode Taluk Board for consideration. The proposal to reduce the number of sweepers at Aravakurichi from six to four is approved. With reference to his remarks in para 1(2) of his letter, the Sanitary Commissioner will be referred to the concluding portion of para 26 of the President's first letter, in which he reports that the scavengers

28

scavengers employed to remove ordinary rubbish are also removing fecal matter. The other remarks of the Sanitary Commissioner will be referred to the Local Boards for Consideration. The revision of the market establishments proposed in para. 27 of the Presidents first letter is sanctioned, but the alterations in the Chuttram and bungalow establishments referred to in paras. 28 and 29 cannot be approved in the absence of any explanation as to their necessity. The provision made for lighting the Union at Satyamangalam will be passed, on the condition that the necessary contribution is made from Taluk funds, as required by section 142 of the Local Boards Act.

+ The expenditure from Taluk funds on Unions is very large, especially under the Coimbatore & Dolachi taluk boards. The levying of house tax at increased rates, as now proposed, will, it is hoped, obviate the necessity for these large contributions in future.

(5)

(5) Grant IV. — The entertainment of a peon on Rs.6 for each of the Taluk Boards of Coimbatore and Pollachi is sanctioned.

5. Reserve and Balance. For want of funds, a reserve of only Rs ~~22,500~~ 20,500, or ~~7.2~~ 6.5 per cent of the receipts will be provided. The budget, as revised by Government, closes with a balance of Rs ~~20,560~~ 18,470, of which Rs. ~~17,000~~ 2,510 appertain to Endowments and Rs 300 to Unions, leaving Rs. 15,660 or 5 per cent of the receipts, excluding those of the Unions and endowments, available for general purposes.

(C.No. 7034)

6. With reference to para. 2 of the President's first letter, the Government considers ~~that~~ the orders ~~lately~~ issued in G.O. No. 1686 L dated 14th September 1895 ~~could be passed by the present sanctioned, to go beyond~~ that there is no present necessity for going beyond

1895. ~~ought to be sufficient to check the increased expenditure under Grants II and III, and~~ that no further restrictions are ~~necessary or desirable~~.

7. The Presidents of the Taluk Boards concerned should be required to explain the delay in the submission of their budgets referred to in para. 40 of the President's first letter.
