GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From J. TWIGG, Esq., President, District Board, Madura, to the Chief Secretary to Government, dated 20th December 1895, No. 155.

I have the honour to forward herewith the consolidated local fund budget estimate of receipts and charges of the Madura district for 1896–97, together with the prescribed statements as per list enclosed and the map of the district required under rule 16 of the local fund rules.

REVISED BUDGET ESTIMATE FOR 1895–96.

2. Details of the revision and of explanation for variations between the original and revised estimates are given in Statement IX. The subjoined table will show at a glance the results of the revision :—

There is an increase of so much as Rs. 92,270 under receipts, which is mainly due to short expenditure under Grant I, Public Works, in the last year and consequent increase in the opening balance of the current year and partly to increase in the rents of toll-gates, markets, choultry pettahs and fisheries. Against this increase an additional expenditure of Rs. 46,630 is estimated for on account of allotments made in the year for incomplete works of the past year and slight increases under Grants II and IV, which are explained in the statement. The balance at the close of the year is thus expected to be Rs. 73,620 against Rs. 27,980, or Rs. 45,640 more, and this is distributed among the Union, Endowment and General funds as below :—

| | RS. |
|---|---|
| Union fund .. .. .. .. .. .. .. | 8,460 |
| Endowment fund .. .. .. .. .. .. | 29,230 |
| Net balance available for general purposes .. .. | 35,930 |

4. *Cess on Land.*—The appendix to Statement I-A shows the demand, collection and balance of land-cess for the next year as communicated by the Treasury Deputy Collector, Madura. The increase is due to larger amount of arrears expected to be collected in the next year.

| | Rs. |
|---|---|
| 1895–96 .. .. .. | 3,00,740 |
| 1896–97 .. .. .. | 3,06,380 |

| 1896–97 .. .. .. | 41,000 |

6. *House-tax.*—The increase of Rs. 1,340 is due to revision of the house-tax contemplated by some of the taluk boards in the next year and to the formation of a union at Abiramam as recommended to Government in this office No. 129, dated 2nd November 1895. The estimate excludes the tax from the villages of Kandramánikam and Kandavaráyanpatti, which have been recommended in this office No. 143, dated 2nd December 1895, to be excluded from the union of Tiruppattúr.

|---|---|

Rs. 420 more than the current year's estimate will be collected under "Sale of old materials" owing to the sale of the materials procured for the construction of the taluk board office building at Periyakulam, which is not required. As the site of the Varahanadi bridge is proposed to be fixed at a place which will in no way benefit the Periyakulam Municipality, the second instalment of contribution—Rs. 500—is not likely to be paid. A sum of Rs. 1,560 is expected as contribution from the Tinnevelly District Board on account of the portion of the new road from Arupukota to Virudupatti under construction in that district.

| Total .. | 2,400 |

15. *Contribution from Provincial Funds.*—The decrease is due to reduced grants under the new Grant-in-aid Code and to the reduction in the number of stipendiaries to be admitted next year as detailed later on. The following are the details of the lump provision made under Educational grants :—

| | Rs. |
|---|---|
| 1895–96 .. .. .. | 16,420 |

17. *Provident Fund.*—It has been resolved to open a Provident Fund for the servants of the district and taluk boards in this district, who do not already contribute for pension, to make the local fund service more attractive, and a sum of Rupees 3,200 is expected to be realised from subscriptions in the budget year. The sanction of Government for the establishment of the fund from the commencement of the next official year under the rules laid down in G.O., No. 1675 L., dated 7th July 1890, is being solicited in a separate communication. Meantime the proposal does not practically affect the budget now submitted.

18. *Expenditure—Grant I.*—The provision made for expenditure under this grant is Rs. 2,73,020, against the current year's provision of Rs. 2,58,940, and Rs. 2,69,004, the actuals of the last year.

| | Rs. |

The works, Nos. (3), (4), (6) and (8) are new ; the rest are already in progress. For item No. (5) a contribution of half the cost will be applied for from the Court of Wards in charge of Sáptúr estate. A good number of the works suggested by the District Board Engineer and the taluk boards have had to be struck out for want of funds. A provision of Rs. 3,120 has been made for planting avenues on certain selected roads in the district against Rs. 2,050 in the current year.

| | Rs. |
|---|---|
| 1895-96 .. .. .. | 1,56,820 |
| 1896-97 .. .. .. | 1,59,180 |

20. *Repairs.*—The maintenance allotments have been revised with reference to the actual needs of each road, and the following important works are provided for :—

The allotment for communications alone (new works and repairs) including cost of masonry works is Rs. 1,97,630, which is 57 per cent. of the estimated receipts under land-cess and tolls.

21. *Local Fund Engineering Establishment, &c.—Charges.*—The post of the Assistant Engineer, Dindigul, has not been permanently filled up for some time past. It was considered that the sub-division was too large for one officer to manage and the District Board Engineer, Mr. Underwood, was asked to report, after he gained some experience of the district, whether two Supervisors might not be appointed in the place of one Assistant Engineer. He now reports that the sub-division cannot be conveniently supervised by one officer and submits proposals to have the ranges of the Sub-divisional officers reconstituted, and have four Sub-divisional officers in the place of the three officers at present. The sub-divisions to be are :—(1) Dindigul sub-division, comprising the north and south Dindigul taluks and the Palni taluk, 358 square miles ; (2) Periyakulam sub-division, comprising the north and south Periyakulam taluks and West Ramnad taluk, 265½ square miles ; (3) Madura sub-division, comprising Madura, Mélúr and West Ramnad taluks, 274¼ square miles ; (4) Ramnad sub-division, comprising the north and south Sivaganga taluks and East Ramnad taluk, 303 square miles. The Ramnad division will be in charge of the Assistant Engineer as usual on Rs. 200 rising to Rs. 250. For the other divisions there will be three Supervisors on the following scale of pay :—

| | Rs. | Rs. |
|---|---|---|
| One Supervisor on .. .. .. .. .. .. .. | | 120 to 140 |
| Do. do. .. .. .. .. .. .. .. | | 110 to 120 |
| Do. do. .. .. .. .. .. .. .. | | 100 |

| | Rs. |
|---|---|
| 1895-96 .. .. .. | 39,490 |
| 1896-97 .. .. .. | 39,530 |

For the extra division formed an establishment of an accountant on Rs. 20 per mensem, a clerk on Rs. 15 a month, and a sweeper on Rs. 1-8-0 per mensem is proposed, resulting in a net saving of about Rs. 10 per mensem.

22. The allotment for "Tools and plant" is made at one per cent. on the provision made for works, and in the distribution of the allotments under this head and under "Contingencies," "Establishment" and "Travelling allowance" between the district and taluk funds, the principle advised in G.O., No. 1942 L., dated 5th August 1890, was adopted.

23. *Grant II, Education.*—The total charges against this grant are estimated at Rs. 69,170, against the current year's estimate of Rs. 68,640, and Rs. 60,162, the actuals of last year.

24. *Inspection.*—The increase is due to the provision made for the appointment of an inspecting schoolmaster for Muhammadan schools on Rs. 30 per mensem, as recommended by the Educational authorities.

| | Rs. |
|---|---|
| 1895-96 .. .. .. | 5,720 |
| 1896-97 .. .. .. | 6,310 |

25. *Training Schools—Technico-normal Institute—Salaries of Masters.*—Provision is made for the appointment of an assistant instructor on Rs. 15 per mensem to teach cabinet-making in the industrial department of the institute, and this together with the provision made for the usual increment to which the assistant superintendent is entitled in the next year accounts for the increase.

| | Rs. |
|---|---|
| 1895-96 .. .. .. | 6,560 |
| 1896-97 .. .. .. | 6,780 |

26. *Stipends of Students.*—The decrease below the current year's estimate is due to less provision made for new admissions to meet the additional charges rendered necessary against the other items of the institute.

| | Rs. |
|---|---|
| 1895-96 .. .. .. | 6,830 |
| 1896-97 .. .. .. | 6,530 |

27. *Clerks and Servants.*—The increase is due to the provision of Rs. 5 a month to pay the municipality for having the school latrine cleaned.

| | Rs. |
|---|---|
| 1895–96 .. .. .. .. | 560 |
| 1896–97 .. .. .. .. | 610 |

28. *Miscellaneous.*—The increase under this head is due to the extra provision of Rs. 100 under tools, which is said to be absolutely necessary, and Rs. 22 under Journals—Pitman's Shorthand (weekly) Rs. 8, and educational portion of the *Fort St. George Gazette*, Rs. 14. A list of the library books intended to be purchased is found among the enclosures.

| | Rs. |
|---|---|
| 1895–96 .. .. .. .. | 3,080 |
| 1896–97 .. .. .. .. | 3,200 |

29. *Sessional Schools.*—The current year's provision of Rs. 1,360 for holding four sessional schools is repeated for the next year.

30. *Lower Secondary Schools.*—The Tirumangalam Taluk Board has adopted the recommendation of the Educational authorities to raise the standard of the lower secondary school at Tirumangalam and to appoint a headmaster on Rs. 20 per mensem for the school. Provision is made accordingly. This addition under expenditure is partly counterbalanced by reduction of Rs. 190 under "Miscellaneous expenditure" as the furniture required for the school has already been supplied.

| | Rs. |
|---|---|
| 1895–96 .. .. .. .. | 900 |
| 1896–97 .. .. .. .. | 950 |

31. *Boards' Primary Schools.*—The decrease is due to the closure of the schools at Nagar Pudukkóttai, Athikaraipatti, Alanganur, Sirayikotai, Tinayathur, Kodumalur, Kanuthaigudi, Eluvankotai, Iluppagudi, and of the night schools at Peraiyúr and Kallurani. The services of the second masters of the schools at Bodinayakanpatti, Gudalótti and Tiruvattur will be dispensed with. The teachers at Tiruvedagam, Nattam and Kunnuvarankotai will be given slight increases to their pay, and the pay of the teacher at Sithiankotai reduced from Rs. 8 to Rs. 7. The Sivaganga Taluk Board has provided increases to the pay of all its teachers and additional teachers to some of the schools by closing three of its schools and reducing its charges under "Results stipends" and "Contingencies" correspondingly. A school for Panchamas in the Madura taluk, a school at Peraiyúr in the Tirumangalam taluk and a night school at Peranmalai in Sivaganga taluk are the only new schools that will be formed next year. The Ramnad Taluk Board provided Rs. 1,120 more on account of educational charges for the next year on account of the revision of its school establishments, but the increase had to be cut down both for want of funds and for the reason that the taluk board was already incurring too high an expenditure on account of education. The other proposals for which provision has been made as stated above have been embodied in the proposition statement attached as enclosure.

| | Rs. |
|---|---|
| 1895–96 .. .. .. .. | 21,440 |
| 1896–97 .. .. .. .. | 21,010 |

32. The estimate under "Clerks and servants" is Rs. 10 more owing to the proposed appointment of a sweeper for the Bodinayakanpatti salary-result school in the Madura taluk.

33. The provision against "Miscellaneous" includes subscription for copies of the following journals proposed by certain taluk boards:—

(1) "Vivekachinthamani".

(2) Part II, Educational portion of the "Fort St. George Gazette."

34. A sum of Rs. 480 will be paid by the district board to the Training Mission Institution at Pasumalai as contribution for the next year, as sanctioned in G.O., Mis. No. 222 L., dated 5th February 1895.

35. *Grant III.*—The total charges against this grant are estimated to amount to Rs. 1,29,560 against the current year's provision of Rs. 1,30,800, and Rs. 1,17,539, the actuals of 1894–95.

36. *Pay of Medical Subordinates.*—The decrease is due to the proposed abolition of the minor dispensary at Tiruchuli by the Ramnad Taluk Board for the reasons assigned in paragraph 86 of the current year's budget report, and to the substitution of a first-class hospital assistant at Uthamapalayam in place of the civil apothecary as sanctioned in G.O., No. 1803 L., dated 2nd October 1895. The estimate includes provision for the usual increment to which the medical officers at Tirumangalam, Nilakotai, Thandikudé, Virupakshi, Rámésvaram, Kilakarai, Sivaganga, Tiruppavanam and Karakudi will be entitled in the next year.

| | Rs. |
|---|---|
| 1895–96 .. .. .. | 17,820 |
| 1896–97 .. .. .. | 17,360 |

37. *Clerks and Servants.*—The Tirumangalam Taluk Board proposes to entertain a cook on Rs. 5 for the Usilampatti dispensary, and the Dindigul Taluk Board a compounder on Rs. 9 for the Andipatti dispensary. The compounder of the Tiruchuli dispensary is to be dispensed with and a fourth-class compounder substituted for the third-class man in Virupakshi.

| | Rs. |
|---|---|
| 1895–96 .. .. .. | 7,710 |
| 1896–97 .. .. .. | 7,740 |

38. *Medicines and Surgical Instruments.*—The increase under this head is due to the increasing number of patients.

| | Rs. |
|---|---|
| 1895–96 .. .. .. | 6,390 |
| 1896–97 .. .. .. | 6,840 |

39. *Midwives.*—The current year's budget figure provided increase in the scale of pay of midwives, which, however, was not approved of by Government (*vide* its Order, No. 374 L., dated 2nd March 1895). The decrease is therefore only apparent.

| | Rs. |
|---|---|
| 1895–96 .. .. .. | 3,640 |
| 1896–97 .. .. .. | 2,750 |

40. *Medical Pupils.*—The provision made against this head is for the following purposes:—

| | | Rs. |
|---|---|---|
| (1) | For two medical pupils studying in the Madras Medical College at Rs. 9 per mensem .. .. .. .. .. .. | 216 |
| (2) | For one pupil at Rs. 7 per mensem for six months and at Rs. 9 per mensem for the other six months .. .. .. .. | 96 |
| (3) | For two new students proposed to be trained from October next at Rs. 7 per mensem .. .. .. .. .. .. .. | 84 |
| (4) | Allowance to the four passed hospital assistants kept in the reserve establishment at Rs. 20 per mensem .. .. .. | 960 |
| | Total .. | 1,356 |

| | Rs. |
|---|---|
| 1895–96 .. .. .. | 1,650 |
| 1896–97 .. .. .. | 1,360 |

The decrease below the current year's estimate is due to two of the six reserve hospital assistants having been permanently provided for in the taluk board dispensaries.

41. *Contingencies.*—The decrease is only apparent, as provision in the current year's budget by certain taluk boards as compensation for house-rent for certain hospital assistants was made by misunderstanding G.O., No. 154 L., dated 24th January 1895, which referred only to civil hospital assistants and not to the local fund hospital assistants, and the same provision is not repeated for the next year. The provision for the next year includes also subscription for copies of the "Indian Medical Gazette."

---

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 11th January 1896, No. 190.

With reference to the educational portion of the budget estimate of the Madura District Board for 1896–97, I have the honour to state that I fully approve of the provision made therein under Grant II and of the estimated receipts. The net charges proposed, viz., Rs. 55,160, represent 18 per cent. of the land-cess estimate. It will be observed that the cost to the board on account of the Madura Technical Institute alone is as high as Rs. 7,760. Measures are under contemplation to reduce the expenditure on this institution. Copy of my Proceedings is enclosed for information.

Enclosure.

Proceedings of the Director of Public Instruction, No. 187, dated 11th January 1896.

Read endorsement No. 1373 M., dated 17th December 1895, of the Inspector of Schools, Southern Circle, on letter from the Assistant Inspector of Schools, 7th Division, submitting proposals called for regarding the reduction in the estimated expenditure of the Madura Technical Institute for 1896–97.

---

The net cost to the board on account of the Madura Technical Institute as per figures adopted in the budget statements for 1896–97 is Rs. 7,760, which is distributed as follows over the several departments :—

| | Rs. |
|---|---|
| Training section | 1,996 |
| Industrial section | 5,109 |
| Agricultural section | 655 |
| Total | 7,760 |

2. In regard to the training section it is not understood how the provision of Rs. 2,240 for stipends has been arrived at. In the current year's budget a uniform rate of stipends, viz., Rs. 6, has been provided for lower secondary and primary teachers and in the budget for 1896–97, it would appear that twenty-six stipends of Rs. 6 each and six of Rs. 5 each have been provided for. This item appears to be susceptible of curtailment. The number of lower secondary and primary teachers may be limited to ten and twenty, respectively, and Rs. 6 and Rs. 5 may be given as stipends for the lower secondary and primary teachers as in the case of Government training institutions. This would reduce the expenditure on stipends by Rs. 320. The suggestions in the Assistant Inspector's letter to the President, No. 6091, dated 16th December 1895, do not commend themselves to the Director, as the training of upper secondary teachers is not a legitimate charge on local funds. No further saving can be effected. If the board think it necessary, it may withdraw the grant to the Pasumalai training school for the training of upper secondary teachers.

3. The net cost to the board of the industrial or special section is very high. The proposed outlay on stipends seems susceptible of some reduction by limiting the stipends to the higher standards. The Inspector is requested to obtain and submit full details of the provision of Rs. 3,810 for stipends made in the budget estimate for 1896–97. From sale-proceeds of school manufacture only Rs. 1,830 are expected, which is disproportionate to the outlay incurred on the purchase of materials and stipends to students and apprentices, not taking the cost of staff into account. The Superintendent should be requested to consider the financial aspect of this section of the institution carefully and to report as to how the receipts may be best improved and the charges reduced so as to keep the net expenditure within the limit of Rs. 3,500 or Rs. 4,000 without impairing the efficiency of the section or reducing its scope.

4. It is observed that the agricultural section costs only Rs. 655 net. The future of this section may be considered on receipt of the final orders of Government on the establishment of farm schools and experimental farms.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 15th January 1896, No. 85-S.

Referring to the Madura District Board budget for 1896–97 in so far as it relates to vaccination and sanitation, I have the honour to state that the proposed expenditure on the improvement of water-supply, which is placed at Rs. 4,730 out of a total estimated income of Rs. 5,62,110, is absurdly disproportionate to requirements. That so important a feature of village sanitation should have met with such scant liberality is very much to be regretted. Considering the heavy expenditure proposed under Grant II, which amounts to no less than 11·4 per cent. of the estimated receipts, omitting from calculation the outlay, if any, proposed under Grant I on the construction and repair of school buildings, it would not seem equitable on the part of the board to be so very illiberal in its expenditure in a direction equally, if not more, important to the well-being of the population. The percentage of expenditure on sanitation *plus* the allotment under Grant I for improving a urani and constructing drains in Sivaganga Union is only 9. I would therefore advise that the district board be requested to revise this part of its programme, so as to liberate funds for the better protection of existing sources of water-supply.

2. Statement VI does not particularize the conservancy staff maintained in the villages therein exhibited. I am therefore unable to say whether rubbish and night-soil conservancy is adequately provided for. To help the authorities concerned in determining the staff requisite to deal with the daily accumulation correctly, I would suggest the following as the basis of calculation : one sweeper and two toties for every 1,000 of the population living. The provision of sweepers for removal of rubbish is of infinitely less importance than that of toties for the removal of night-soil.

## REVISED ESTIMATE FOR 1895–96.

2. The current receipts and charges are now estimated at Rs. 4,92,090 and Rs. 5,61,560, respectively, against Rs. 4,77,370 and Rs. 5,14,930 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under tolls, market and fishery rents and public works, and that in the charges under Grant I, being partly counterbalanced by a decrease under Grant III and the reserve. The revision of the Narikudi and Muthanandal chattram establishment, referred to in paragraph 46 of the President's letter, cannot be sanctioned in the absence of any explanation as to its necessity.

## BUDGET ESTIMATE FOR 1896–97.

3. *Receipts.*—The receipts for the next year are put down at Rs. 4,88,490 against Rs. 4,92,090 in the revised estimate, the decrease under tolls, market rents, avenues and public works being partly met by an increase under land-cess and house-tax.

4. *Expenditure.*—(1) The probable charges are placed at Rs. 5,38,100 against Rs. 5,61,560 in the revised estimate, the decrease under Grant I being partly met by an increase under the reserve.

(2) *Grant I.*—No expenditure should be incurred on any of the new works provided for in the budget until the plans and estimates have been sanctioned by competent authority. The revision of the Local Fund Engineering establishment, proposed in paragraph 21, is sanctioned.

(3) *Grant II.*—The additions to, and alterations in, the educational establishments, referred to in paragraphs 24, 25 and 29 to 32, are sanctioned. The District Board's special attention will be drawn to the Director's remarks in his letter read above with its accompanying copy of his Proceedings, dated 11th January 1896, regarding the excessive cost of the Technical institute at Madura; steps should at once be taken to revise the expenditure on the institution in the light of those remarks.

(4) *Grant III.*—The provision for hospitals and dispensaries will be passed subject to the remarks of the Surgeon-General. The additions to, and alteration in, the vaccination and bungalow establishments proposed in paragraphs 42 and 47 cannot be approved in the absence of any explanation of their necessity. Those in the market and choultry establishments referred to in paragraphs 45 and 46 are sanctioned. The suggestions of the Sanitary Commissioner in his letter read above

will be referred to the taluk boards for consideration. Any savings effected under other heads should, as far as possible, be assigned as additional allotments for the improvement of existing sources of water-supply.

(5) *Grant IV.*—The contribution for controlling establishments at the Presidency will be reduced from Rs. 3,270 to Rs. 3,040, with reference to G.O., No. 2190 L., dated 19th November 1895. The alterations in the Melúr and Ramnad Taluk Board's office establishments, proposed in paragraph 52, are sanctioned.

5. The budget, as revised by Government, closes with a balance of Rs. 24,660, of which Rs. 5,540 appertain to Union and Rs. 13,450 to Endowment funds, leaving only Rs. 5,670 or 1·4 per cent. of the ordinary receipts available for general purposes.
