GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From S. H. WYNNE, Esq., President, District Board, North Arcot, to the Chief Secretary to Government, dated Palmanér, 10th January 1896, Dis. No. 22-D.B.

I have the honour to submit, herewith, the consolidated budget estimate of local funds in the district of North Arcot for the official year 1896–97, together with the prescribed statements.

2. The budget was passed by the district board at its meeting of the 8th January 1896. A copy of the board's resolution and a map of the district are herewith submitted. It will be seen that some members disapproved of the orders of Government contained in G.O., No. 1686 L., dated 14th September 1895, and in G.O., No. 463 L., dated 11th March 1895, paragraph 5, two of them being Government servants.

3. The statement below compares the total receipts and expenditure as estimated for the current and ensuing years :—

—	1895–96.		1896–97.
	Original.	Revised.	
	RS.	RS.	RS.
Opening balance	34,830	71,050	73,290
Receipts	4,02,750	4,09,110	4,03,520
Total ..	4,37,580	4,80,160	4,76,810
Expenditure	4,13,690	4,06,870	4,39,750
Closing balance	23,890	73,290	37,060

REVISED ESTIMATE FOR 1895–96.

Receipts.

4. *Opening Balance.*—The year opened with a balance of Rs. 71,050 as intimated by the Accountant-General and it is distributed between the district and the taluk boards as follows :—

	RS.	RS.
District Board	..	8,610
Chittoor Taluk Board	18,200	..
Vellore do.	16,940	..
Ranipettai do.	32,100	..
Arni do.	— 4,800	62,440
Total ..	..	71,050

5. *Receipts.*—The receipts of the year are estimated at Rs. 4,09,110. Adding to this the opening balance of Rs. 71,050, the total assets come to Rs. 4,80,160 against the budget estimate of Rs. 4,37,580. The increase of Rs. 42,580 is the net result of an increase of Rs. 46,600 under the following items and a decrease of

Rs. 4,020 occurring mainly under the heads of "Avenues," "Land-cess," and "Municipal contribution for tolls":—

(1) Opening balance.
(2) Tolls under Act V of 1884.
(3) House-tax.
(4) Contribution from private individuals for education.
(5) Do. do for medical.
(6) Interest on Government securities.
(7) Do. on arrears of revenue.
(8) Market rents.
(9) Fees and fines.
(10) Fishery rents.
(11) Contribution from Special funds and sundry other items.

6. *Opening Balance.*—The increase of Rs. 36,220 under this head is chiefly due to the short expenditure under all the four grants (notably under Grant I) in 1894–95. The large decrease under Grant I was already explained in paragraphs 26 to 29 (both inclusive) of the Administration report for that year.

7. *Tolls under Act V of* 1884.—The increase under this head is due mainly to a keen competition at the lease of the several toll farms. The budget estimate of Rs. 13,200 was fixed with reference to the lease amount of 1894–95, which showed a falling off owing to the district board having framed rules permitting composition for tolls under section 87 (2) of the Act during that year. The number of persons who took advantage of the rules having, however, been but few, the bids for the lease of 1895–96 were raised.

8. The increase of Rs. 1,360 under "House-tax" is mainly due to the introduction of house-tax in Palmanér and Wandiwash unions under sanction accorded in G.Os., Mis. Nos. 1766 L. and 1330 L., dated 25th September and 29th July 1895, respectively. A larger income is also expected in the unions under the Chittoor and Ranipettai Taluk Boards with reference to the experience of the past year.

9. Under "Contribution from private individuals for education," the increase of Rs. 150 represents the arrear contribution due by the Zemindar of Kangundi towards the cost of maintaining the Kuppamu Middle school for 1894–95.

10. The increase of Rs. 400 under "Medical contribution from private individuals" represents—

(*a*) the arrear contribution of Rs. 150 due from the Zemindar of Kangundi towards the cost of the Kuppamu dispensary for 1894–95, and

(*b*) the sum of Rs. 250, being the amount of contribution recoverable from the American Arcot Mission on account of the difference between the pay and allowances of the First-class Hospital Assistant of the Ranipettai hospital and of the civil apothecary appointed thereto at the request of the mission body (G.O., Mis. No. 731 L., dated 29th April 1895).

11. *Interest on Government Securities.*—The increase of Rs. 710 under this item is due to—

(1) the realization of the arrear interest which accrued on the "Bommasamudram Krishnaiyar's school" Endowment fund held in Government securities; and

(2) the adjustment, to the credit of the Vellore Taluk Board, of the interest on the Endowment fund of Rs. 2,000 in favour of the Muhammadan Orphan school at Arcot, transferred to the management of the taluk board under G.O., Mis. No. 2023 L., dated 12th October 1894. This interest was hitherto held in the Postal Savings Bank deposit.

12. The increase of Rs. 290 under "Interest on arrears of revenue" chiefly represents the amount of interest recovered from the Karvetnagar zemindari on arrears of land-cess due therefrom.

13. *Market Rents.*—The increase of Rs. 300 under this head is due to competition for sale of the right to collect fees in the markets under the Chittoor, Vellore and Ranipettai Taluk Boards. The last-named board commenced levying fees in the weekly market at Pappireddipalli during the current year as per sanction accorded in G.O., Mis. No. 2605 L., dated 20th November 1893.

14. *Fees and Fines.*—The increase of Rs. 550 under this item is estimated by the Chittoor, Ranipettai and Arni boards with reference to the experience of the past year and the actuals of the first six months of the current year. Further the Towns Nuisance Act is in force in all the unions of the Chittoor Taluk Board from the current year.

15. *Fishery Rents.*—The increase of Rs. 1,500 estimated under this item represents the amount of fish-rent collectable by the Public Works Department on account of the Ranipettai Taluk Board, for which the taluk board did not take credit in the budget for the current year.

16. *Contribution from Special Funds.*—The amount of Rs. 70 exhibited under this item represents the contribution for one-fourth travelling allowance of the local audit clerk for inspecting the Special Fund accounts of taluks. The sum includes the arrears of past years recovered during the current year.

17. The decrease of Rs. 2,000 under "Avenues" occurs under the district board and is due to the lease amount having fallen short of expectations owing to a scanty tamarind crop.

18. *Land-cess.*—The decrease of Rs. 1,240 is the net result of a decrease of Rs. 11,230 occurring chiefly in Karvetnagar zemindari, and Chandragiri, Arcot and Gudiyáttam taluks, and an increase of Rs. 9,990 mainly in Kálahasti zemindari. The former is due to a bad season and the latter is only nominal, as the land-cess of the Kachinad taluk of that zemindari transferred to Chingleput from 1st April 1894 has been collected and credited in the accounts of this district. Provision is made for its refund in the next year's budget—*vide infra.*

19. Under "Municipal contribution for tolls," there is a net decrease of Rupees 530 due mainly to the reduction in the rate of contribution payable by the Tirupati Municipality from one-half to one-third under sanction accorded in G.O., Mis. No. 758 L., dated 4th May 1895.

20. The variations under the other items are explained in the remarks column of statement IX.

Expenditure.

21. Excluding the reserve of Rs. 23,949 (or Rs. 23,950 in round number) revised with reference to the Government Memorandum No. 372, dated the 17th June 1893, the budget grant for the current year amounted to Rs. 4,09,950. Adding to this, the subsequent allotments of Rs. 15,478 or Rs. 15,480 nearly (excluding the allotment of Rs. 370 made to the Ranipettai Taluk Board and sanctioned in G.O., Mis. No. 1932 L., dated 6th October 1895), the total allotment for the year comes to Rs. 4,25,430. The expenditure according to the revised estimate amounts, however, to Rs. 4,06,870 as particularized below :—

		Rs.
Grant	I	2,13,440
„	II	74,900
„	III	94,270
„	IV	24,260
	Total ..	4,06,870

The decrease of Rs. 18,560 appears under all the four grants, more especially under Grants I, II and III.

(*a*) The decrease under Grant I is chiefly due to—

(1) only 95 per cent. of the budget allotment for the maintenance of roads having been estimated for expenditure during the year with reference to the experience of the past years; and

(2) only half of the sum of Rs. 3,000 budgeted for constructing a lying-in hospital at Tirupati having been taken for expenditure in view of the fact that the materials are only being collected now when nearly nine months of the year have elapsed.

(*b*) The decrease under Grant II chiefly occurs under (*f*) Grants-in-aid to pure result schools and under "Results grants" and "Miscellaneous" in respect of boards elementary schools, which have been estimated with reference to the actuals of the past year.

(*c*) Under Grant III, the decrease chiefly appears under the heads (1) "Improvement of water-supply," (2) "Vaccination" and (3) "Miscellaneous contingencies" subordinate to (*a*) "Hospitals and Dispensaries." In the first case it is mainly due to the abolition of the tank-watchmen establishment in non-union villages under the Ranipettai Taluk Board with effect from 1st November last, as per sanction conveyed in G.O., Mis. No. 2277 L., dated 25th November 1895. In the other two cases, the decrease is estimated with reference to the actuals of the first six months and the experience of the past year.

22. The variations under the other heads of expenditure are explained in the remarks column of statement IX.

23. *Closing Balance.*—The year is expected to close with a balance of Rs. 73,290 distributed as follows:—

	Rs.
Union balance	5,930
Endowment Fund balance	20,040
Net balance available for general purposes	47,320
Total ..	73,290

Budget Estimate for 1896–97.

Receipts.

24. The receipts of the year are estimated at Rs. 4,03,520. Adding to this, the closing balance of the current year amounting to Rs. 73,290, the total assets come to Rs. 4,76,810 against Rs. 4,37,580 budgeted for during the current year. The increase of Rs. 39,230 is the net result of an increase of Rs. 49,010 under the items specified in A, and a decrease of Rs. 9,780 under those marked B below:—

A.

(1) Opening balance.
(2) Local Fund tolls.
(3) House-tax.
(4) Private contribution for medical.
(5) Interest on Government securities.
(6) Market-rents.
(7) Slaughter-house fees.
(8) Bungalow fees.
(9) Fees and fines.
(10) Fishery rents and sundry other items.

B.

(1) Land-cess.
(2) Municipal contribution for tolls.
(3) School-fees.
(4) Municipal contribution for education, &c.
(5) Provincial contribution for education and minor other items.

25. *Opening Balance.*—(*a*) Comparing the revised estimate for the current year with that for 1894–95, it will be observed that, during the current year, there is a large increase of assets and a large decrease in expenditure under Grants I, II and III only partly counterbalanced by a small increase under Grant IV. Hence the large increase in the opening balance for next year.

(*b*) The increase under items (2), (4), (5), (6), (9) and (10) has already been explained in paragraphs 7, 10 (*b*), 11 (2), 13, 14 and 15 *supra*.

(*c*) *House-tax.*—In addition to the explanation furnished in paragraph 8 *supra* for the increased income under this item, it may be noted that the tax will be collected from next year in the proposed union at Pallikonda under the Vellore Taluk Board (*vide* this office letter to Government, Ref. on G. No. 2458 * L.F., dated the 31st October last).

* Sanctioned in G.O., No. 2425 L., dated 16th December 1895.

(*d*) The increase under "Slaughter-house fees" occurs under the Vellore Taluk Board and is explained to be due to the fact that the slaughter-house at Ambúr is held under the departmental management of the local Union Panchayat.

(*e*) Under "Bungalow fees," the increase is estimated by the Chittoor and Arni Taluk Boards with reference to the actuals of the past year.

26. *Land-cess.*—(*a*) The figures are supplied by the Collector.

(*b*) *Municipal Contribution for Tolls.*—Besides the reduction of the rate of toll contribution payable by the Tirupati Municipality referred to in paragraph 19 above, the Vellore Municipality have sent a lower estimate of their toll income for next year.

(*c*) The decrease under items (3) and (5) is chiefly due to the abolition of the Middle School at Tirutani and also the 22 elementary schools under the several taluk boards specified in appendix to statement IV-A.

(*d*) *Municipal Contribution for Education.*—The Vellore Municipal Council has stopped the contribution of Rs. 10 per mensem hitherto paid by them for the services of the Local Fund Muhammadan Inspecting Schoolmaster.

Expenditure.

27. The total expenditure under all the four grants is estimated at Rs. 3,99,990 as particularized below:—

	Rs.
Grant I	2,05,540
„ II	66,480
„ III	86,510
„ IV	41,460
Total ..	3,99,990

Compared with the current year's budget, there is a decrease under Grants I, II and III and an increase under Grant IV as explained further on.

28. *Grant I, New Works.*—For want of funds, only *one* work is provided for under "Communications," none under "Civil Buildings," and only one under "Miscellaneous Public Improvements." The one under "Communications" is metalling the road from Punganuru to Sadam under the Chittoor Taluk Board with an allotment of Rs. 1,000. It is an incomplete work of past years, and is estimated to cost Rs. 6,820. The computed expenditure up to the end of March 1896 amounts to Rs. 5,400. Under "Miscellaneous Public Improvements" a sum of Rs. 420 is provided for constructing a compound wall to the market at Damalcheruvu.

29. *Repairs—Communications.*—A sum of Rs. 1,60,780 is provided for the maintenance of roads specified in statement III-B against Rs. 1,55,190 provided in the current year. The net increase of Rs. 5,590 appears under the District Board, and Vellore and Arni Taluk Boards, and is due chiefly to the following causes:—

(*a*) The rates of maintenance grant of the following roads have been increased in accordance with the directions in G.O., No. 1686 L., dated 14th September 1895, as shown against them:—

	Rate per mile. From Rs.	Rate per mile. To Rs.

(12) Road from Arni to Ettivadi	125	150

(*b*) The maintenance of the following roads under the Vellore and Arni Taluk Boards is newly provided for:—

	RS.
Vellore Taluk Board—	
(1) Road from Tiruvattur to Mamandur	1,400
(2) Thoroughly repairing the branch road to Saduperi village ..	410
(3) Road from Alinjikuppam to Gadamlur	400
Arni Taluk Board—	
(4) Road from Satyavijayanagaram to Mamandur	220

The amount which should be provided for communications in accordance with the directions in G.O., No. 1686 L., dated the 14th September 1895, is Rs. 1,65,980.* As already stated, an increase has been made but it has not been found possible to allot more than Rs. 1,61,780. Steps will be taken to reach the standard prescribed by Government as soon as possible.

* Out of Rs. 10,330 estimated as municipal contributions, Rs. 10,000 have been taken for calculation as the net income after deducting portion of expenditure, which the municipalities may have to incur on construction and repair of gates, &c.

30. *Civil Buildings.*—A sum of Rs. 760 is allotted for the repair of dispensaries, school buildings, chattrams and bungalows as particularized in statement III-B against Rs. 2,100 provided in the current year.

31. Under "Miscellaneous Public Improvements—Repairs," Rs. 6,600 have been provided against Rs. 9,030 in the current year, and it is distributed as follows:—

	RS.
Maintenance of avenues	4,800
Repairs of markets and slaughter-houses	1,800
Total ..	6,600

32. *Establishment.*—A provision of Rs. 31,980 is made to meet the cost of the engineering establishment, including travelling allowance, against Rs. 31,920 in the current year. The net increase of Rs. 60 is due to the following causes:—

(*a*) In the current year's budget, provision is made for the fourth and last annual increment to the engineer's pay at Rs. 25 per mensem for only five months from November, he having earned it only on the 1st October 1895, whereas, for next year, it is made for the whole year.

(*b*) The above increase is partly counterbalanced by a reduction in the pay of the engineer's head clerk from Rs. 50 to Rs. 40 per mensem sanctioned in G.O., Mis. No. 934 L., dated 27th May 1895. The percentage of the cost of establishment including contingencies to the total outlay on works amounting to Rs. 1,69,560 is 20·15. As in the current year, a provision of Rs. 110 is made for payment of contribution to the Public Works Department for the scrutiny of local fund plans and estimates and for the collection of the local fund revenue under Fisheries, &c.

33. *Tools and Plant.*—A sum of Rs. 1,690 calculated at 1 per cent. on the total outlay on works is provided under this head as required by Rule 19 of the Local Fund Rules. The cost of the engineering establishment, tools and plant and contingencies debitable to the several taluk boards is distributed among them at 16·45, ·86 and 1·19 per cent., respectively, in accordance with the instructions laid down in G.O., No. 1942 L., dated 5th August 1890.

34. *Total, Grant I.*—The total outlay proposed under Grant I is distributed between the district and the taluk boards as exhibited below:—

	Amount. RS.	Percentage on total assets.
District Board	97,630	50·94
Chittoor Taluk Board	19,580	31·86
Vellore do.	30,910	38·00
Ránipéttai do.	36,940	36·26
Arni do.	20,480	37·55
Total ..	2,05,540	41·87

35. *Grant II—Education.*—The assignments under this grant amount to Rupees 66,480, against Rs. 79,740 in the current year. The amount is distributed as exhibited below:—

	1896-97. RS.	1895-96. RS.
Inspection	4,640	4,640
Sessional Schools	1,680	1,920
Training Muhammadan, &c., teachers	290	290
Secondary Schools	12,450	14,250
Elementary Schools	33,070	39,460
Results grants	13,000	16,800
Building grants	200	700
Miscellaneous grants	50	200
Contribution to Municipalities	..	130
Miscellaneous	1,100	1,350
Total ..	66,480	79,740

36. *Inspection.*—As usual, provision is made for eleven inspecting schoolmasters including the Muhammadan inspecting schoolmaster of the district, and a sum of Rs. 4,640 is allotted for their pay and contingencies, &c., as in the current year. For want of funds and in obedience to the order of Government in G.O., No. 1686 L., dated 14th September 1895, and in G.O., No. 463 L., dated 11th March 1895, paragraph 5, the recommendation of the Director of Public Instruction for the reconstitution of this subordinate inspecting agency by an increase of their pay could not be accepted.

37. *Sessional Schools.*—A sum of Rs. 1,680 is assigned under this head against Rs. 1,920 provided during the current year. The decrease of Rs. 240 appears under the head Stipends of Students, provision being made for only eight stipendiaries for each of the two sessional schools, against ten in the current year.

38. As usual, a provision of Rs. 290 is made for training three Muhammadan teachers in the Muhammadan Branch training school at Triplicane on a stipend of Rs. 8 each per mensem.

39. *Secondary and Elementary Schools.*—The total allotment under these heads is Rs. 45,520 against Rs. 53,710 in the current year. It is distributed among the several taluk boards as under:—

	1896-97. RS.	1895-96. RS.
Chittoor Taluk Board	14,040	14,400
Vellore do.	14,390	17,510
Ránipéttai do.	7,980	9,910
Arni do.	9,110	11,890
Total ..	45,520	53,710

The decrease of Rs. 8,190 is explained in detail in appendix to statement IV-A in the accompanying book of statements.

40. *Results Grants.*—A sum of Rs. 13,000 is assigned under this head against Rs. 16,800 during the current year. The decrease of Rs. 3,800 occurs in the case of

the Vellore, Arni and Ránipéttai Taluk Boards (notably in the last-named board). For want of funds the Taluk Board of Ránipéttai has fixed the results grants to be paid at 50 per cent. of the amount earned, and have accordingly reduced the amount from Rs. 5,500 in the current year to Rs. 2,500 for next year. For the same reason, and to carry out the orders of Government in its review of the current year's budget (paragraph 5), the other two taluk boards mentioned above have also made a total reduction of Rs. 800 as compared with the current year's figure.

41. (*a*) *Building and* (*b*) *Miscellaneous Grants.*—Rs. 200 and Rs. 50, respectively, have been allotted by the Vellore Taluk Board under these two heads. The other taluk boards have provided nothing. Funds are insufficient and the amount provided in the current year is not utilized, not being found necessary.

42. No provision is made for the contribution of Rs. 130 to the Gudiyáttam municipality towards the maintenance of the municipal school there, as the district board has declined to continue payment of the contribution in future.

43. (*g*) *Miscellaneous.*—The assignment of Rs. 1,100 under this head comprises: (*a*) Rs. 800 for the purchase of elementary school books to be supplied to the depôts of the several inspecting schoolmasters for sale in the local fund and result schools in the district; (*b*) Rs. 120 for commission on sale of books to be paid to the inspecting schoolmasters; and (*c*) Rs. 180 for the purchase of the following books and periodicals:—

(1) The *Indian Journal of Education.*
(2) The *Medical Practitioner.*
(3) The *Lancet.*
(4) The *Maharani.*
(5) The *Janavinodini.*
(6) The *Vivakachintamani.*
(7) Dr. Sibthorpe's Clinical Manual.
(8) Dr. Waring's Bazaar Medicines.
(9) The Manual of Midwifery.

44. *Total, Grant II.*—The following exhibits the total allotment for education, together with the percentage on the total assets:—

	Amount.	Percentage on total assets of the local board concerned.
	Rs.	
District Board	7,610	3·97
Chittoor Taluk Board	16,860	27·43
Vellore do.	18,870	23·20
Ránipéttai do.	10,510	10·31
Arni do.	12,630	23·16
Total ..	66,480	13·94

45. *Grant III—Hospitals and Dispensaries.*—A sum of Rs. 36,530 is provided for the maintenance of the several hospitals and dispensaries in the district against Rs. 37,980 in the current year. The decrease of Rs. 1,450, which is arranged in pursuance of the orders of Government already quoted, is the net result of a decrease of Rs. 2,200 under the heads—

(*a*) Clerks and Servants,
(*b*) Medicines and Surgical Instruments,
(*c*) Supplies,
(*d*) Diet of patients, and
(*e*) Contingencies and Miscellaneous;

Partly counterbalanced by an increase of Rs. 750 under—

(*f*) Medical Subordinates,
(*g*) Midwives, and
(*h*) House-rent to Hospital Assistants.

46. (*a*) There is a decrease under "Clerks and servants" under Chittoor, Ránipéttai and Arni Boards with a slight increase under the Vellore Board as explained below:—

(1) The services of the watchman and the gardener of the Palmanér hospital on Rs. 5 each per mensem will be dispensed with as recommended by the District Medical and Sanitary Officer.
(2) The above reduction is only partly covered by provision made for the increased rate of pay of the compounder of the Palmanér hospital which he will become entitled to from April 1896.
(3) In the current year's budget, Government refused sanction for the entertainment of a clerk on Rs. 12 per mensem in the Ránipéttai hospital, but did not omit the allotment when revising the budget. It is omitted for next year.
(4) It is proposed to abolish a peon's post on Rs. 5 per mensem in the Ránipéttai hospital, and to have a waterman instead on Rs. 4 per mensem for the reason that the present arrangement of having a water-cart with two bullocks is decidedly more costly. It is also proposed to dispense with the services of the totty attached to the Ránipéttai lying-in-hospital.
(5) Provision is made for the increased rate of pay to the compounder of the Kalahasti dispensary for the whole of the next year, whereas it is made for only a portion of the current year.
(6) The posts of washerman in the Arni civil hospital and of female cook in the Arni lying-in-hospital on Rs. 5 and Rs. 4, respectively per mensem, are proposed to be abolished, and the pay of the waterman and the sweeper of the Wandiwash dispensary is proposed to be reduced from Rs. 5 to Rs. 4 each per mensem.
(7) The compounder of the Tiruvattur dispensary has been transferred to the Kuppamu dispensary. Provision is made for the higher rate of pay to him and to the compounder of the Ambúr dispensary for the whole of next year, whereas it was made only for a portion of the current year. A compounder of the lower grade has been appointed to the Tiruvattur dispensary.

(*b*) The decrease of Rs. 400 under "Medicines and Surgical instruments" appears in the case of the Ránipéttai and Arni hospitals and the dispensaries at Polur and Wandiwash, reductions having been made by the taluk boards concerned.

(*c*) Under "Supplies" a reduction of Rs. 120 appears in the case of the civil hospital, Chittoor, and in the medical institutions under the Arni Board, except Wandiwash, and has been made as per requirements.

(*d*) On grounds of economy, and with reference to the experience of the past year, a reduction of Rs. 800 is proposed by the district board and the Ránipéttai and Arni Taluk Boards.

(*e*) The net decrease under "Contingencies and Miscellaneous" has been proposed as per requirements.

Proposition statements will be submitted shortly in the case of changes described in (*a*) (1) (4) (6) *supra.*

47. (*f*) The net increase of Rs. 690 under "Medical Subordinates" is due to the following causes:—

(1) Provision is made for the pay of higher grade to which the civil apothecary at Palmanér and the hospital assistant at Venkatagirikóta will become entitled in the course of next year.
(2) Provision is made for the rate of pay of higher grade for the whole of next year to the hospital assistants of Arcot, Kuppamu, whereas in the current year it was made only from 1st July.
(3) Instead of the first-class hospital assistant, a civil apothecary has been appointed to the Ránipéttai hospital as per sanction accorded in G.O., No. 731 L., Mis., dated 29th April 1895.
(4) Provision is made for the local fund portion of the Telugu allowance of Rs. 2 per mensem to be given to the hospital assistant attached to the

dispensary at Venkatagirikóta, as he has passed the colloquial examination in that language. A similar provision made for the Kalahasti dispensary in the current year is omitted for next year, the hospital assistant entitled to the allowance having been transferred elsewhere.

(*g*) The net increase of Rs. 40 under "Midwives" is explained below :—

(1) A midwife on Rs. 8 per mensem has been appointed to each of the dispensaries at Tiruvattur and Kuppamu from 1st August 1895.

(2) The above increase is partly counterbalanced by a decrease due to the abolition of the post of midwife in the Puttur dispensary on Rs. 8 per mensem and to the reduction of pay of the Ránipéttai midwife from Rs. 20 to Rs. 15 per mensem.

Proposition statements for the above changes will be submitted for sanction.

(*h*) The net increase under "House rent to Hospital Assistants" is due to following causes :—

(1) In consideration of the difficulty felt in securing houses at Arcot, Tiruvattur, Ambúr, Kalahasti, Arkónam and Puttur the house rent to be given to the hospital assistants of those places has been increased.

(2) The provision of Rs. 20 made in the current year for the Kuppamu hospital assistant's house rent has been omitted for next year, as the hospital assistant puts up in the premises of the dispensary—a local fund building.

(3) Similarly, the provision of Rs. 36 for each of the hospital assistants at Ránipéttai and Tirupati has been omitted for next year, in the former case owing to the replacement of the hospital assistant by a civil apothecary, and in the latter, owing to the fact that there are no houses within a distance of 200 yards from the hospital (*vide* G.O., No. 154 L., dated 24th January 1895).

48. A sum of Rs. 790 is provided for the cost of the District Medical and Sanitary Officer's establishment and contingencies as usual.

49. *Vaccination.*—There are, as usual, three vaccination circles, viz., Chittoor, Vellore and Karvetnagar. Appendix B, annexed to the accompanying book of statements, details the number and pay and contingencies of the vaccine staff. A sum of Rs. 12,900 is provided under this head against Rs. 12,680 during the current year. The increase of Rs. 220 (in round number) represents the pay of the additional first-class vaccinator at Rs. 18 per mensem for the vaccine lymph depôt sanctioned in G.O., No. 1155 L., Mis., dated 4th July 1895.

50. *Sanitation.*—The assignments under this head amount to Rs. 21,340 against Rs. 31,250 in the current year, as per particulars given below :—

	1896-97.	1895-96.
	Rs.	Rs.
(1) Improvement of water-supply	2,130	5,690
(2) Do. of village-site	560	2,060
(3) Scavenging establishments	16,830	21,800
(4) Arrangements at fairs and festivals	1,400	910
(5) Other sanitary outlay	420	790
Total ..	21,340	31,250

51. The net decrease of Rs. 3,560 under item (1) is chiefly due to the following causes :—

(*a*) Agreeably to paragraph 4 (4) of G.O., No. 463 L., dated 11th March 1895, reviewing the current year's budget, the tank watchmen establishments in non-union villages under the Ránipéttai Taluk Board, except Trichanur, have been dispensed with, as per sanction accorded in G.O., No. 2277 L., Mis., dated 25th November 1895. The other taluk boards have also proposed the abolition of such establishments except in the case of Murukumbut (under the Chittoor Taluk Board) which is situated at a distance of about three miles from Chittoor and has a very good fresh-water pond much used by the public of the place as well as by many of the Chittoor townsmen. Proposition statements will be submitted for sanction.

(*b*) The services of the following, out of the existing establishments, are proposed to be dispensed with :—

(1) The spring superintendent in Chittoor union on a monthly salary of Rs. 4.

(2) Two tank watchmen in Palmanér union, each on a monthly salary of Rs. 4, and another in Punganuru union on Rs. 3-8-0.

(3) One tank watchman on Rs. 4 in Kuppamu union and two others (each on Rs. 3-8-0) in Tiruvattur and Chendragiri unions.

(4) A tank watchman on Rs. 2 in Wandiwash union.

(*c*) Instead of two spring coolies on Rs. 3 each and a temporary watchman on Rs. 4 per mensem in Arcot union, it is proposed to have a permanent tank watchman on Rs. 4 per mensem.

(*d*) A sum of Rs. 670 is provided for the repair of fresh-water ponds and wells in villages and unions against Rs. 940 in the current year.

(*e*) Provision is made for an additional tank watchman for Kaverippakam union on Rs. 3-8-0 per mensem, as the present establishment of one watchman is found insufficient.

52. The large decrease of Rs. 1,500 under "Improvement of village-site" is chiefly due to the fact that the several taluk boards have proposed to have prickly-pear and rank vegetation cleared by kudimaramat to the relief of their funds.

53. The net decrease of Rs. 5,030 under "Scavenging establishments" is explained below :—

(*a*) It is proposed to dispense with the scavenging establishments in non-union villages in accordance with the remarks of Government in paragraph 5 of the current year's budget review, excepting those in the villages of Venkatagirikóta, Katpadi and Tiruchanur. The first-named village is a very unhealthy place, and is the head-quarters of a Deputy Tahsildar who can exercise control over the sanitary establishment. Katpadi is an important railway junction and Tiruchanur, being a place of pilgrimage, is much resorted to. Proposition statements for the abolition of the establishments referred to above will shortly be submitted to Government for sanction. The decrease of Rs. 30 in the provision proposed for Tiruchanur for next year is due to the omission of the amount provided in the current year for purchasing hand carts.

(*b*) The scavenging establishments of the several unions are proposed to be revised as exhibited in the appendix to statement VI, the net result being a large decrease as compared with the current year's figure.

54. The net increase of Rs. 490 in the provision made for "Sanitary arrangements at fairs and festivals" is explained below :—

(*a*) The provision for the Tirumalai festival has been increased from Rs. 140 to Rs. 600, in consequence of the inadequacy of the former amount. Every year, the Ránipéttai Taluk Board have to apply to the district board for funds to supplement the budget provision, and it is to put a stop to this state of affairs, the increase has been provided.

(*b*) The current year's provision of Rs. 50 for Tirutani union is found quite insufficient and it has, therefore, been increased to Rs. 100.

(*c*) A new provision of Rs. 25 for Kondapoliem near Sholingur and of Rs. 5 for Puttur union has been made.

(*d*) The above increases are, to some extent, counterbalanced by a decrease of Rs. 50 in the provision for Chittoor union and of Rs. 10 in that for Yadameri village.

55. *Other Sanitary outlay.*—The details of expenditure proposed under this head are given in the remarks column of statement VI.

56. *Markets.*—There were, at the commencement of the year, fifty-seven markets and four slaughter-houses. The market at Valapandal, sanctioned in G.O., Mis. No. 108 L., dated 19th January 1895, and the one at Papireddipalli, sanctioned in G.O., Mis. No. 2605 L., dated 20th November 1893, were opened during the year. Thus, for next year, there will be fifty-nine markets and four slaughter-houses. A provision of Rs. 1,830 has been made for the establishments and contingencies of markets and slaughter-houses against Rs. 1,820 during the current year. The net

increase of Rs. 10 is chiefly due to the proposed entertainment of an additional watchman for the Ránipéttai weekly market on Rs. 4–8–0 per mensem and the abolition of the post of sweeper of the Kalasapakkam weekly market on Rs. 3 per mensem.

A proposition statement in respect of the abolition last referred to will shortly be submitted for sanction.

57. *Choultries.*—A provision of Rs. 2,680 is made under this head, the same as in the current year. The Arni Taluk Board have proposed to reduce the pay of the sweeper attached to the Teturai choultry from Rs. 3–8–0 to Re. 1 per mensem. A proposition statement will be submitted for sanction. The contingent charges of Annadana chattram at Sholingur are proposed to be increased by Rs. 30 for purchasing culinary utensils.

58. *Public Bungalows.*—A provision of Rs. 860 is made for the upkeep of twenty bungalows against Rs. 840 provided in the current year. The net increase of Rs. 20 is chiefly due to the provision made for the entertainment of a watchman on Rs. 3 per mensem in the Venkatagirikota traveller's bungalow. The sanitary pygust at the place who was also looking after the bungalow having been dispensed with, it has been found necessary to have a watchman for the bungalow. Some reduction has been proposed under contingent charges of the bungalows under the Arni Taluk Board. A proposition statement for the establishment referred to above will be submitted for sanction.

59. *Contributions to Provincial Services.*—The actuals of 1894–95 have been adopted in the next year's budget as per G.O., No. 641 L., dated 2nd April 1887.

60. *Contribution to Municipalities.*—The following items are provided for under this head :—

	RS.
(*a*) To the Vellore Municipality for the upkeep of the dispensary at Vellore	1,200
(*b*) To the Vellore Municipality for the upkeep of the lights at the Palar bridge	100
(*c*) To the Wallajapet Municipality towards the upkeep of the dispensary at Wallajapet	610
(*d*) To the Gudiyáttam Municipality towards the upkeep of the dispensary at Gudiyáttam	450
Total ..	2,360

61. (*h*) *Miscellaneous.*—The reduction to Rs. 3,580 from Rs. 4,270 under this head is due to reduction in lighting charges in Chittoor, Arcot, Ambúr, Polur and Arni unions.

62. *Total Grant III.*—The total allotments under this grant are distributed between the district and the taluk boards as follows :—

	Amount.	Percentage on total assets.
	RS.	
District Board	23,970	12·50
Chittoor Taluk Board	14,130	22·99
Vellore do.	12,920	15·88
Ránipéttai do.	25,610	25·14
Arni do.	9,880	18·11
Total ..	86,510	18·16

63. *Grant IV.*—The expenditure estimated under this grant amounts to Rupees 41,460 against Rs. 24,250 provided in the current year. The net increase of Rs. 17,210 is due, in the main, to provision made for the payment to the Chingleput district board, of the amount of land-cess collected in this district from the Kachinad taluk of the Kalahasti zemindari (transferred to that district from 1st April 1894) during the faslis 1303 and 1304. It is shown against the head "(*f*) Refunds." The changes proposed under the head "Local board's office establishments" are as follows :—

(*a*) The services of the additional bill-collector in Chittoor union on Rs. 6 per mensem have been dispensed with.

(*b*) Provision is made for the entertainment of a clerk on Rs. 10 and a bill-collector on Rs. 5 in the proposed union at Pallikonda now * pending sanction of Government.

* Since sanctioned.

(*c*) The Taluk Board of Vellore have provided for the pay of a peon for their office on Rs. 6 per mensem, whom they have already entertained in anticipation of Government sanction as being very necessary.

(*d*) The services of the two sweepers on As. 12 each, one in each of the unions at Arni and Polur, are proposed to be dispensed with.

(*e*) House-tax having been introduced in Wandiwash union, provision is made for the increase of pay of the union clerk from Rs. 7 to Rs. 10 per mensem and for the entertainment of a bill-collector on Rs. 5 as per G.O., No. 1091 L.F., Financial, dated 6th September 1886.

64. Under Contingencies and Miscellaneous provision has been made with reference to the actual requirements.

65. The sum of Rs. 2,510 provided towards the cost of the "Controlling establishment at the Presidency" has been worked out at ·62 per cent. of the total receipts for 1894–95 as required by G.O., No. 2190 L., dated 19th November 1895.

66. The sum of Rs. 630 shown against the head "Printing charges at the Presidency" has been fixed with reference to the actual payment during the current year.

67. *Reserve.*—The following amounts have been provided under this head in favour of the several local boards, and their percentages on the total estimated receipts are shown against them (*vide* G.O., No. 1301 L.F., dated 11th October 1886) :—

	Amount.	Percentage on total receipts.

69. *Closing balance.*—The year is expected to close with a balance of Rs. 37,060 as distributed below :—

	RS.
Union	4,940
Endowment	14,530
General	17,590
Total ..	37,060

Excluding the endowment fund balance, the amount available for general purposes comes to Rs. 22,530, and it is distributed among the several local boards as follows as per Government Order quoted in paragraph 67 *supra*:—

From the Hon'ble Mr. D. DUNCAN, M A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 8th February 1896, No. 1117.

With reference to the educational portion of the budget estimate of the North Arcot District Board for 1896–97, I have the honour to observe that, like the Cuddapah and a few other district boards, this board has reduced the allotment under Grant II by a large amount, namely, Rs. 13,260, or in other words by nearly one-sixth. This has been done under the mistaken impression that the G.O., No. 1686 L., dated 14th September 1895, has called for immediate and heavy reduction in the expenditure on education. Seeing that the proposed net expenditure on this head (Rs. 66,480—Rs. 29,390) Rs. 37,090 is only 13·4 per cent. of the estimated income from land-cess, and that the amount proposed to be reduced is too large for one year and will prove a serious blow to the cause of elementary education, I would strongly recommend that the allotments for results grants and building and other special grants be increased by Rs. 2,000 and Rs. 200, respectively. The expenditure on results grants during 1894–95 amounted to over Rs. 14,000. In consequence of the abolition of Board schools a large number of schools should be expected to apply for results grants, and an allot.nent of Rs. 15,000 is therefore necessary. An increase in the provision for building and special grants is indispensable to enable results schoolmasters to fulfil the requirements of the Educational rules.

2. The estimate under provincial grant should be reduced to Rs. 10,000 with reference to the actuals of 1894–95.

3. With the above modifications, the net expenditure on education will be Rs. 40,590 which is less than 15 per cent. of the estimated income from land-cess.

From Surgeon-Lieut.-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 20th February 1896, No. 356-S.

I have the honour to state that the District Board, North Arcot, estimates it expenditure on vaccination and sanitation during 1896–97 at Rs. 12,900 and Rs. 21,340 respectively, against Rs. 12,680 and Rs. 31,250 sanctioned for the current year The variations are explained in the President's letter. The sanitary allotment is 53. per cent. of the anticipated current receipts and is very much under-estimated, being especially so as regards the sub-heads "Improvement of water-supply" and

"Scavenging establishment." In connection with these branches of village sanitation, I have already placed before Government the necessity there is for largely supplementing the usual allotments made by the board—*vide* my remarks on the budget for 1895–96. As an instance in point, I would respectfully request the attention of Government to the letter received from the Ambúr Union Chairman impeaching the wisdom of the board in curtailing expenditure, which is quite essential as conducive to the health of the population concerned. The theory as to sweepers being comparatively useless when compared with toties is quite correct. This should, however, I think, be applied by the board with a certain amount of discretion—having regard to the extent of population. Thus, it is not safe to demand that in a town of 12,000 inhabitants incomplete arrangements for rubbish conservancy should exist. In this case, I estimate that 12 sweepers and 24 toties are necessary.

ORDER—No. 459 L., dated 11th March 1896.

The estimated Local Fund receipts and charges of the North Arcot district for 1896–97, as passed by Government, are compared below with the budget and revised estimates for 1895–96 and the actuals of 1894–95:—

REVISED ESTIMATE FOR 1895–96.

2. The current receipts and charges are now estimated at Rs. 4,09,110 and Rs. 4,06,870, respectively, against Rs. 4,02,750 and Rs. 4,13,690 in the sanctioned budget. The increase in the receipts occurs under tolls, house-tax, interest and fishery rents, being partly counterbalanced by a decrease under land-cess and avenues; while the decrease in the charges under Grants II and III, and the Reserve, is partly met by an increase under Grant I. The entertainment of a peon on Rs. 6 for the Vellore taluk Board's office, referred to in paragraph 63 (*c*) of the President's letter, is sanctioned.

BUDGET ESTIMATE FOR 1896–97.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 4,03,520 against Rs. 4,09,110 in the revised estimate, the decrease, which occurs chiefly under land-cess and school-fees, being partly counterbalanced by an increase under house-tax and avenues. Proposals should be submitted for levying the house-tax in the Renigunta union at an early date, as it is not fair that the general funds of the taluk board should be spent disproportionately for the benefit of the small section of the

inhabitants residing in unions. The contribution from Provincial funds on account of education will be reduced from Rs. 11,300 to Rs. 10,000, with reference to paragraph 2 of the Director's letter read above.

4. *Charges.*—(1) The charges are estimated at Rs. 4,39,750 against Rs. 4,06,870 in the revised estimate, the increase under Grant IV, Refunds and the Reserve, being partly met by a decrease under Grants I, II and III.

(2) *Grant I.*—The allotment for communications falls short of the minimum prescribed by Government by Rs. 4,200, and the deficit should be reduced as far as possible by re-allotments during the year.

(3) *Grant II.*—The additions to and alterations in the educational establishments, referred to in the Appendix to Statement IV-A, are sanctioned. It is observed that the Ránipéttai taluk board has largely reduced the allotment for result grants, which will therefore be raised by Rs. 1,000 with reference to the Director's suggestions in paragraph 1 of his letter read above, which cannot however be carried out in their entirety for want of funds.

(4) *Grant III.*—The provision for hospitals and dispensaries will be passed, subject to the remarks of the Surgeon-General, which should be expedited. The abolition of the Sanitary establishments, referred to in paragraphs 51 (*a*) and 53 (*a*), is approved. The remarks of the Sanitary Commissioner in his letter read above will be referred for the careful consideration of the taluk boards of Vellore and Arni, which have provided only a very small proportion of their receipts for expenditure on sanitation. Unions should also be urged to improve their receipts in order to meet claims on this account. The abolition of the post of market sweeper at Kalasapakkam, the reduction from Rs. 3–8–0 to Re. 1 in the pay of the choultry sweeper at Teturai, and the entertainment of a watchman on Rs. 3 for the travellers' bungalow at Venkatagirikota, proposed in paragraphs 56, 57 and 58, are sanctioned.

5. *Reserve and Balance.*—The reserve calculated at 10 per cent. of the estimated receipts, excluding those of unions and endowments, is Rs. 35,460. The budget, as revised by Government, closes with a balance of Rs. 39,060, of which Rs. 4,940 appertain to unions, and Rs. 17,160 to endowments, leaving only Rs. 16,960 or 4·7 per cent. of the receipts available for general purposes. Steps should be taken to expend the large balance under endowments either on the improvements to the institutions themselves, or on roads leading to them.

6. The delay of one month in the submission of the budget should have been explained.

APPENDIX TO STATEMENT IV-A.

I.—Secondary Schools.

(*a*) *High School, Chittoor.*—Excepting an increased provision under the head "Miscellaneous" made for purchasing chemicals and science apparatus, the provision under the other heads is the same as in the current year.

(*b*) *Middle School, Arni.*—The provision made under "Salaries of masters" of this school exhibits a decrease of Rs. 384, which is due to the reduction in the scale of pay of the teachers sanctioned in G.O., Mis. No. 837 L., dated the 10th May 1895.

(*c*) *Middle School, Kuppamu.*—In view to minimise the net cost to the board of maintaining this school, the Taluk Board of Vellore has resolved to reduce the scale of pay of the teachers as shown below:—

	Present scale.	Proposed scale.
	Rs.	Rs.
Headmaster	20	17
First Assistant	17	15
Second do.	10	10
Third do.	7	7
Fourth do.	7	7
Fifth do.	5	to be abolished.
Gymnastic teacher	7	

N.B.—As the school will not be eligible for grant, if gymnastics are not taught to the pupils thereof, the taluk board have made a provision of Rs. 60 at Rs. 5 per mensem to be paid as remuneration to one of the teachers who may teach that subject. The abolition of the fifth assistant mastership is pursuant to the recommendation of the educational authorities.

(*d*) *Middle School, Wandiwash.*—With a view to reduce the net cost to local funds, the Taluk Board of Arni has, as recommended by the educational officers, proposed to reduce the pay of the headmaster from Rs. 20 to Rs. 15 per mensem and to abolish the fourth assistant mastership on Rs. 6 per mensem.

(*e*) The Taluk Board of Ranipettai has proposed to abolish the lower secondary school at Tiruttani.

Proposition statements for changes exhibited in (*c*) and (*d*) above will be submitted to Government shortly.

Reductions have also been made in the contingent charges of the secondary schools at Arni and Wandiwash and in the result grants of Kuppamu, Karvetnagar and Wandiwash schools.

II.—Elementary Schools.

(*a*) The Vellore Taluk Board alone has provided for the opening of a new school at Pasumathur for the education of the Panchamas of the place. The establishment is to consist of a teacher on Rs. 6 and a sweeper on As. 8 with result grants and contingencies amounting to Rs. 60.

Revised Estimate for 1895-96.

2. The current receipts and charges are now estimated at Rs. 409,110 and Rs. 406,870, respectively, against Rs. 402,750 and Rs. 413,690 in the sanctioned budget. The increase in the receipts occurs under tolls, house tax, interest and fishery rents, being partly counterbalanced by a decrease under Land cess and avenues; while the decrease in the Charges occurring under Grants II and III, and the Reserve, is partly met by an increase under Grant I. The entertainment of a peon on Rs. 6 for the Vellore Taluk Board's office, referred to in para. 63 (c) of the President's letter, is sanctioned.

Budget Estimate for 1896-97.

3. Receipts. The receipts for the ensuing year are placed at Rs.

Rs. 4,03,520 against Rs. 4,09,110 in the revised estimate, the decrease, which occurs chiefly under land cess and school fees, being partly counterbalanced by an increase under house-tax and avenues. Proposals should be submitted for levying the house tax in the Renigunta Union at an early date, as it is not fair that the general funds of the Taluk Board should be spent disproportionately for the small section of the inhabitants residing in ~~should be made to contribute as far as possible towards the cost of the schools in these~~ unions. The contribution from Provincial funds on account of education will be reduced from Rs. 11,300 to Rs 10,000, with reference to paragraph 2 of the Director's letter read above.

4. Charges. (1). The Charges are estimated at Rs. 4,39,750 against

Rs.

68

Rs. 406,870 in the revised estimate, the increase under Grant IV - Refunds and the Reserve, being partly met by a decrease under Grants I, II and III.

(2). Grant I. The allotment for communications falls short of the Minimum prescribed by Government by Rs. 1,200, ~~but~~ and the deficit to be reduced as far as it is hoped that early steps possible by allotments during the year. ~~will be taken to reach this standard. reduce this deficit by allotments from the reserve.~~

(3). Grant II. The additions to and alterations in the educational establishments, referred to in the Appendix to Statement IV-A, are sanctioned. It is observed that the Ranipettai Taluk Board has largely reduced the allotment for result grants, ~~which~~ it will therefore be raised by Rs. 1,000 with

~~The lighting charges in Unions in many cases exceed the amount of the contributions from Taluk Boards, the total excess in all unions being Rs 2920. This sum will therefore be added to the contributions from Taluk Boards to the balances under Unions~~
