Read letter no. 5 dated 4th January 1896 from the Head master of the Board Training School recommending that the owner of the building in which the institution is kept may be given an advance of Rs. 400 towards the repairs of the building damaged by the late floods for the execution of certain improvements such as attaching a masonry verandah with tiled roof to the rooms occupied by the training department and erecting a pukka latrine.

Read also the Head master's letter no 72 dated 22nd February 1896 reporting that the cost of the above mentioned works may roughly be estimated at Rs. 717, of which Rs. 217 will be covered by the value of old materials and the amount the owner can afford to lay out and recommending that a sum of Rs. 500, instead of Rs. 400, may be given as an advance.

An advance of Rs. 500 is sanctioned.

 Current No. 1002 of 1895.

From,

A. H. B. Higgins Esquire,
 President, District Board,
 Simsbury.

The Chief Secretary to Government,
 Fort St. George.

Sir,

The rented building in which the Board Training School and the Industrial class are located was seriously damaged by the late floods. The cost of repairs and the erection of a verandah and a pukka latrine, which improvements are absolutely necessary, is estimated at about Rs. 700, which the owner of the building is incapable of laying out immediately. He has promised to execute the necessary works before the end of March next if an advance of Rs. 500 is given him, which is to be recovered from the sanctioned monthly rent of Rs. 50. As no other building is available to be rented and as the repairs indicated above require to be carried out at once, the District Board has in its Resolution no. 10 dated 24th February 1896, sanctioned an advance of Rs. 500.

2. I have the honor therefore to request that Government

Government may be pleased to accord its
Sanction for the payment of the advance.

3. A Copy of the District Board's Resolu-
- tion is enclosed.

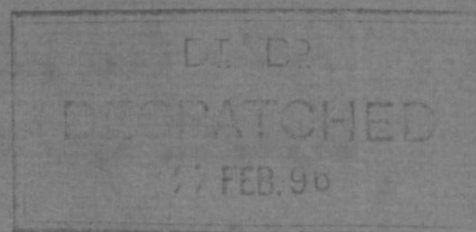

I have the honor to be,

Sir,

Your most obedient servant,

James H. G. G.
