Enclosure.

SIR,

With reference to para 37 of
G. O. No 2323 dated 29th November 1895,
calling on me to explain certain dis-
crepancies in Vaccination Statistics,
as given in the Annual Vaccination
Report for 1894-95, and as furnished to
Government by the Presidents of the
Coimbatore & Vizagapatam District Boards,
I have the honor to annex a statement
explaining the discrepancies referred to.

I have the honor to be,
Sir

District	No given in the General & 2. Term		No given in the Vaccination Report	
	1st	2nd	1st	2nd
Cornwall	-	52,252	-	52,258
Weymouth	72,039	65,235	72,044	65,240

Remarks

The difference was brought about by an erroneous classification of "successful cases under unsuccessful." The Deputy Inspector of Vaccination at Exeter was advised against the Commission of similar mistakes.

The figure given in the Vaccination Report is therefore the correct figure is wrong.

Here the Deputy Inspector reported incorrect figures to the President, District Board. The was furnished for this. The figures given in the Vaccination report are therefore right.
