GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From W. A. WILLOCK, Esq., President, District Board, Vizagapatam, to the Chief Secretary to Government, dated 15th January 1896, No. 16.

I have the honour to submit herewith the revised estimate of the local boards of this district for 1895–96, together with the budget estimate for 1896–97 prepared in accordance with the instructions contained in G.O., No. 728 L.F., dated 14th September 1885.

REVISED ESTIMATE FOR 1895–96.

2. The total receipts during the year 1895–96 according to the revised estimate now submitted amount to Rs. 3,74,240 including the opening balance, of which Rs. 3,57,770 will be expended during the year, leaving a closing balance of Rs. 16,470.

3. A memorandum explaining the various items dealt with in the revised estimate is enclosed.

BUDGET ESTIMATE FOR 1896–97.

Receipts.

4. *Opening Balance, Rs.* 16,470.—The closing balance of the revised estimate is adopted as opening balance of the budget estimate for 1896–97. The balances carried forward by the local boards are as shown below :—

	Rs.
District Board	3,117
Narasapatnam Taluk Board	1,406
Vizagapatam „ „	1,942
Vizianagram „ „	4,049
Párvatípuram „ „	5,956
Total ..	16,470

5. *Rates and Taxes*—(*a*) *Cess on Land.*—The arrears of previous years remaining uncollected at the close of the year 1895–96 are estimated at Rs. 20,000 ; the demand for the current year is set down at Rs. 2,62,193. Of the total demand of Rs. 2,82,193, Rs. 2,64,193 will be collected before the close of the year, leaving a balance of Rs. 18,000.

6. (*b*) *Tolls under Act V of* 1884, *Rs.* 32,000.—The total realization from the seven toll bars under the management of the district board during the current year amounted to Rs. 25,090. I think that they sold below their value and I expect to get increased revenue of about Rs. 32,000 from the existing gates and from the new one proposed to be established on the Anakápalle-Chódavaramu road.

7. *Contributions from Municipalities, Rs.* 12,600.—As shown in the memorandum explaining the revised estimate for 1895–96, the district board's share of the Vizianagram, Anakápalle and Bimlipatam municipal tolls amounted to Rs. 7,100. In consideration of the falling off in the toll revenue of the Anakápalle and Vizagapatam Municipalities, the district board gave up its claim to half of the customary contribution from Anakápalle and the whole from Vizagapatam for the current year. It would like to make a similar concession during the coming year, but its funds are so low that it is unable to promise it at present. Credit has therefore been taken for the

enquired into. The taluk boards have made some trifling alterations in the maintenance grants of their roads.

27. (2) *Civil Buildings.*—Rs. 850 are provided to meet the cost of repairs to the inspection bungalows under the charge of the district board against Rs. 800 allotted in the current year. The taluk boards provided Rs. 4,240, against Rs. 2,930 in the current year, for the repairs of the hospitals, bungalows and schools, &c., under their charge as detailed in statement No. III. The increase occurs under the Narasapatnam and Párvatípuram Taluk Boards, who propose to make considerable special repairs to their hospitals.

28. (3) *Miscellaneous Public Improvements, Rs.* 10,160.—The following allotments are made by the local boards for improving and attending to the avenues along the roads in the district. The district board has reduced its usual allotment by Rs. 2,000 in consideration of so many trees being old enough now to need no further care :—

	Rs.
District Board	6,050
Narasapatnam Taluk Board	1,200
Vizagapatam „ „	150
Vizianagram „ „	2,440

29. (*c*) *Establishment—Local Fund Engineering Establishment.*—Rs. 26,440 are provided against Rs. 26,200 in the current year. The increase is due to the pay of an overseer on Rs. 50 having been raised to Rs. 60 in consideration of long and good service and a large addition to the mileage under his charge in a re-distribution of ranges connected with the reduction of expenditure on the trunk road. The following are the details of the establishment :—

30. (*f*) *Contributions to* (3) *Municipalities, Rs.* 680.—This is the amount annually paid to the Vizagapatam and Bimlipatam Municipalities for the upkeep of the local fund roads lying within their limits.

31. The total expenditure under Grant I is estimated at Rs. 1,74,520 against Rs. 1,95,250 in the current year.

32. The expenditure on communications is Rs. 1,26,770, which is considerably under the proportion ordered in G.O., No. 1686 L., dated the 14th September 1895, which I calculate to be Rs. 1,76,695. The balance at the disposal of the boards has fallen so low that it is necessary to economise during the coming year, and as it is impossible to effect further reduction under education and sanitation, it is proposed to allow expenditure on new roads to practically stand over for the present. As soon as the toll revenue recovers itself, as it probably rapidly will, new works will again become possible. The state of the existing roads would compare very favourably with most districts and additional expenditure on them is not required.

33. *Grant II, Education.*—I regret to say that I have been obliged to call on the taluk boards to revise their proposals in connection with this grant. My predecessor intimated to them that the state of the district board's finances was such that it would be impossible for it to make any grants to them and that they must make their income meet the expenditure during the coming year. The Narasapatnam Taluk Board consequently made sweeping reductions in its educational expenditure and the Vizagapatam Taluk Board did the same to a small extent. The position of the district board, however, turns out to be much better than was expected, and it has resolved to make a grant of Rs. 7,000 in aid of education to the taluk boards, distributed as follows :—

	Rs.
Narasapatnam Taluk Board	4,000
Vizagapatam „ „	1,500
Vizianagram „ „	1,000
Párvatípuram „ „	500

The decrease in expenditure on education will now be practically confined to the Narasapatnam Taluk Board, which has been comparatively extravagant in this respect hitherto. The taluk boards have been requested to recast their educational proposals in view of the additional funds now placed at their disposal. The following remarks refer to them as originally drawn up.

34. (*a*) *Inspection, Rs.* 4,340.—There are no changes in the inspecting agency employed by the district board. The Muhammadan inspecting schoolmaster is paid consolidated travelling allowance at the rate of Rs. 20 per mensem. The educational officers propose to reduce it to Rs. 10 as facilities for travelling are increased by the opening of the railway.

35. (*b*) *Sessional Schools*—(1) *Salaries of Masters, Rs.* 300.—In his budget proposals for 1896–97 the Assistant Inspector of Schools proposed to work only one sessional school throughout the whole year at different centres, as is the case in some of the southern districts. Provision is therefore made for one teacher on Rs. 25 per mensem.

usual contribution and the board will remit the amounts now claimed again from the councils later on if it can afford to do so and the circumstances of the municipalities concerned render help necessary to enable them to meet their current expenditure.

8. (*c*) *House-tax.*—Rs. 11,410 is the amount which the taluk boards expect to realize under this head against Rs. 11,140 entered in the revised estimate for the current year. The Vizianagram Taluk Board propose to establish a union at Viraghottam and levy house-tax from the 1st April next. Hence the increase.

9. (2) *Education*—(*a*) *School Fees.*—Rs. 7,460 are expected under this head against Rs. 8,230 entered in the current year's revised estimate. The decrease is due to the reduction of the standards of some secondary schools and to the abolition of some elementary schools. These changes will be dealt with in detail under expenditure.

10. (*b*) *Contributions from Private Individuals—Education, Rs.* 360.—This is the amount annually contributed by the proprietor of the Kasimkóta Estate towards the upkeep of the middle school at Kasimkóta.

11. (3) *Medical*—(*c*) *Contributions from Private Individuals, Rs.* 500.—This is the amount annually paid by the Raja of Bobbili towards the cost of the male hospital at Bobbili. He contemplates replacing this by an endowment of Rs. 20,000 to the hospitals at Bobbili, but as arrangements regarding this are not complete yet, credit has only been taken for the customary contribution.

12. (*e*) *Miscellaneous, Rs.* 650.—This is the amount expected to be realised by the sale of unserviceable articles in the hospitals and dispensaries and the sale-proceeds of inoculated calves, calf-lymph, &c.

13. (5) *Miscellaneous*—(*a*) *Contributions from* (3) *Private Individuals, Rs.* 380.—The taluk boards expect to realise Rs. 380 against Rs. 360, entered in the current year's revised estimate, on account of contributions from people interested in the improvement of water-supply.

14. (*b*) *Choultry Rents, Rs.* 1,020.—This is the income expected to be realised from the lands belonging to the choultries under the management of taluk boards, and fees collected at the Palkonda choultry.

15. (*c*) *Market Rents.*—The taluk boards estimate the rents of the markets under their charge at Rs. 5,350 as shown below :—

		Rs.
(1) Chódavaramu market	.. ..	400
(2) Kottavalasa ,,	.. ..	1,500

(5) Sálúru ,,	.. ..	1,350
(6) Párvatípuram ,,	.. ..	1,000
	Total ..	5,350

16. (*f*) *Ferry Rents, Rs.* 350.—The rent of the ferries at Sankili and Marripenta under the charge of the district board is estimated at Rs. 350 as shown in the current year's revised estimate.

17. (*h*) *Fishery Rents.*—Rs. 500 are expected to be realised by the sale of fish in the tanks of the Vizianagram taluk.

18. (6) *Public Works*—(*d*) *Contributions*—(1) *from Municipalities, Rs.* 1,200.—This is the amount expected to be realised from the tolls at the Turner's pontoon bridge at Vizagapatam, and is the sum which the municipal council agreed to pay to the district board towards meeting the cost of the upkeep of the bridge in question.

19. (3) *From Private Individuals, Rs.* 150.—This is the amount annually paid by the proprietor of the Kasimkóta Estate towards the upkeep of the union roads at Kasimkóta.

20. (7) *Contributions from Provincial Funds*—(*a*) *Education and Building Grants, Rs.* 4,890.—The taluk boards expect to realise Rs. 4,890 under this head, as detailed below, against Rs. 6,040 entered in the current year's revised estimate :—

21. The following grants to taluk boards are proposed, to enable them to meet their liabilities :—

	Rs.
Narasapatnam	10,000
Vizagapatam	3,500
Vizianagram	1,000
Párvatípuram	500
Total ..	15,000

22. The total receipts including the opening balance are estimated at Rs. 3,63,930 against Rs. 3,76,580 in the current year.

23. *Expenditure—Grant I, Public Works*—(*a*) *New Works*—(1) *Communications, Rs.* 2,250.—The district board has provided Rs. 1,000 for putting metal and gravel on the road from Pondur to the railway station. Rs. 250 are provided for constructing a tools shed on the Vizagapatam-Bowdara road. The Narasapatnam Taluk Board has provided Rs. 1,000 for constructing village roads. The Vizianagram Taluk Board provided Rs. 1,500 for constructing a village road from Chípurupalle to Laveru. This sum was proposed to be found from the balance to the credit of the Palkonda market, 26 miles away. The district board has struck out the provision. The total grant under this head amounts to Rs. 2,250.

24. (2) *Civil Buildings.*—Rs. 530 are provided under this head for the following works :—

	Rs.
(1) For constructing porches to the doors of the school at Nakkapalli ..	80
(2) ,, fencing the compound of the school	100
(3) ,, improving the bungalow at the Narasapatnam road station ..	150
(4) ,, constructing a dead-house at Sálúru	200
Total ..	530

25. (3) *Miscellaneous Public Improvements.*—Rs. 400 are provided under this head for constructing a compound wall to the Chódavaramu market and Rs. 650 for constructing godowns in the market at Chípurupalle, the total sum made available for expenditure being Rs. 1,050.

26. (*b*) *Repairs*—(1) *Communications, Rs.* 1,24,520.—The opening of the East Coast Railway has completely altered the cart traffic of the district and the board proposes to modify the maintenance grants of some of its roads so as to bring them more into accordance with present requirements. The trunk road which now absorbs a sixth of the total expenditure is affected by the line throughout its length so seriously that tolls are not worth collecting on it. It is proposed to save Rs. 7,694 on its repairs and Rs. 1,000 on the Vizianagram-Palkonda road between the first place and Chípurupalle, as the railway runs alongside of it also. The grants of the road from Párvatípuram towards the Chicacole road station, of the Mádugula-Anakápalle road, and other important roads connecting the interior with the railway stations, will be enhanced by nearly the amount so saved. They are in urgent need of increased allotments. A sum of Rs. 2,000 is allotted for special repairs to the Vizianagram-Bimlipatam road, which is reported to be in bad order. It certainly should not be so as it has had an ample allowance of late, and the matter will be

36. (2) *Stipends of Students, Rs.* 900.—Provision is made for payment of stipends to fifteen students at Rs. 5 per mensem.

37. *Stipends, &c., of Teachers under training.*—Rs. 400 only are provided under this head against Rs. 600 in the current year as a large proportion of the teachers in the boards' schools have already undergone training.

38. (3) *Contingencies.*—Rs. 40 are provided under this head on account of house-rent and other contingent charges.

39. (*c*) *Secondary Schools*—(*a*) *Salary System*—(1) *Salaries of Masters.*—Rs. 8,270 are provided under this head against Rs. 10,570 allotted during the current year. The decrease is chiefly due to the conversion of the high school at Ellamanchili into a lower secondary school. The increments provided in the current year's budget to the head master, second master and third master of the Kasimkóta middle school and to the head and third masters of the Palkonda middle school not having been sanctioned by Government, provision is made by the taluk boards in this budget to meet their salaries, as in the previous year. The increments provided in the current year's budget for the second master and the gymnastic instructor of the Narasapatnam middle school were also objected to by Government for want of sufficient reasons to justify them. The second master having since passed the required test to qualify himself for a half-grant from Provincial funds, the taluk board allowed the increment of Rs. 5 per mensem proposed for him in the current year's budget from 1st April next. The pay of the gymnastic instructor of the Párvatípuram school who has undergone training is proposed to be raised from Rs. 10 to Rs. 15. The following statement shows the scale of establishment for the coming year :—

40. (2) *Clerks and Servants.*—Rupees 430 are provided under this head against Rs. 640 entered in the current year's budget. The decrease is due to the following reasons. The pay of the peon of the Palkonda middle school was proposed to be raised from Rs. 4 to Rs. 5 in the current year's budget, but the Government did not sanction it for want of sufficient reasons. It is therefore entered at the rate of Rs. 4 only in this budget. The pay of the Yellamanchili school sweeper is reduced from Rs. $1\frac{1}{2}$ to As. 8 per mensem and that of the sweepers at Chódavaramu, Narasapatnam and Kasimkóta from Re. 1 to As. 8. Night-watchers in the schools at Yellamanchili, Chódavaramu, Narasapatnam and Kasimkóta have been dispensed with and the pay of the toties of these schools is reduced from Re. 1 to As. 8 per mensem. With the above changes, the cost of servants in the secondary schools amounts to Rs. 432 as shown below :—

41. (*b*) *Salary-result System*—(1) *Salaries of Masters.*—Rs. 800 are provided under this head against Rs. 5,090 allotted in the current year. The decrease is due to the reduction of the secondary schools at Jami, Srungavarapukota, Lakavarapukota, Baljipeta, Mádugula, Sabbavaram, Veeraghottam, Razam and Chípurupalle to the primary grade. There are no alterations in the scale of establishments of the schools at Sálúru and Gajapatinagaram.

42. (2) *Clerks and Servants, Rs.* 40.—The decrease under the current year's budget estimate of Rs. 230 is due to the reduction of the standards of the schools mentioned above.

43. (3) *Results Grants.*—Rs. 90 are provided under this head for payment of grants to the schools at Sálúru and Gajapatinagaram.

44. (*d*) *Elementary Schools*—(1) *Salaries of Masters, Rs.* 16,160.—The provision under this head is Rs. 16,160 against Rs. 15,940 entered in the current year's budget. The Narasapatnam Taluk Board resolved to abolish the primary schools at the following places from 1st April 1896 :—

(1) Pulaparti,
(2) Etikoppaka,
(3) Rambilli,
(4) Pedabodugulam,
(5) Jaggampeta,
(6) Narasapatnam Muhammadan school,
(7) Kasimkóta Pariah school,
(8) Mádugula night school,
(9) Chódavaramu night school,

and to abolish the post of second master in the schools at Giduturru, Makarapalem, Dimile, Pengole, Rayavaram, Kondakerla, Vempadu, Nakkapalli and Tummapala, their average attendance not being satisfactory. New schools for Hindu boys are proposed to be opened at Sabbavaram and Mádugula. At the latter place two more are proposed for the exclusive use of Muhammadans and Pariahs. The pay of the head master of the Kasimkóta Hindu school is increased by Rs. 2 as the strength of the school has improved. The pay of the assistant master of the school at Waddadi is reduced from Rs. $5\frac{2}{3}$ to Rs. 5. In the place of the secondary schools at Jami, Srungavarapukota and Lakavarapukota abolished by the Vizagapatam Taluk Board primary schools have been provided for, and those at Sinecodipalem and Dharmavaram are abolished. The pay of the head masters of the schools at Kallapalle, Devada, Vepada, Kanite, Turakaladevada, Peddipalem, Sompuram and Pendurti is reduced by Re. 1. The junior assistant masters of the schools at Fakirtekya, Veeranarayanam and Alamanda will be dispensed with. The pay of the teachers of the Gangavaram Hindu school and the Srungavarapukota Pariah school is reduced from Rs. 7 to Rs. 5. The Vizianagram Taluk Board provided for primary schools in place of the secondary schools at Veeraghottam, Razam and Chípurupalle which were working as secondary schools during the current year; it has abolished the school at Penta Sreerampuram and the second master's post at Pandranhi. The pay of the teacher at Gudiváda is reduced by Re. 1. The Párvátipuram Taluk Board will close the school at Old Bobbili and open one at Baljipeta in place of the secondary school abolished.

45. (2) *Servants, Rs.* 690.—The Narasapatnam Taluk Board provided salaries for all school sweepers at a quarter of a rupee per mensem instead of at one rupee, in the current year. The Vizagapatam Taluk Board has made a similar reduction except in the case of the Jami, Srungavarapukota and Lakavarapukota schools, which are provided with sweepers on As. 8 per mensem.

46. (*e*) *Grants-in-aid*—(2) *Results Grants, Rs.* 9,930.—This is the amount provided by the taluk boards under this head against Rs. 11,300 in the current year's budget.

47. The total expenditure under Grant II is estimated at Rs. 50,840 + Rs. 7,000 now allotted in aid by the district board for education against Rs. 64,080 in the current year.

48. *Grant III, Medical Services, &c.*—(*a*) *Hospitals and Dispensaries*—(2) *Medical Subordinates.*—Rupees 10,660 are provided by the taluk boards under this head to meet seven-eighths of pay and charge allowance of the medical subordinates in charge of the hospitals and dispensaries under their control. The Narasapatnam Taluk Board provided for a junior apothecary at Narasapatnam and for a second-class hospital

assistant at Chódavaramu instead of a senior apothecary at the former place and a first-class hospital assistant at the latter. At Nakkapalli, a first-class hospital assistant is provided for instead of a second-class officer. At Chípurupalle and Gajapatinagaram, the Vizianagram Taluk Board provided for second-class instead of first class hospital assistants through want of funds. Provision is made for the senior apothecary who is now in charge of the Palkonda hospital as the junior officer who held charge for a long time has lately been transferred. The district board provided Rs. 1,800 to meet the pay and charge allowance of the female apothecaries in charge of the female hospitals at Bobbili and Vizianagram. As they now draw charge allowance at Rs. 25 per mensem, the grant is Rs. 600 above that of the current year. The salary and charge allowance of the apothecary in charge of the Victoria gosha hospital at Vizagapatam is paid by Sree Raja G. N. Gajapati Rau, C.I.E.

49. (3) *Clerks and Servants, Rs.* 4,610.—The Narasapatnam Taluk Board provided for a compounder at Yellamanchili on Rs. 9 per mensem, instead of on Rs. 15 as in the current year. The pay of the cook and sweeper of the Nakkapalli hospital is reduced to Rs. 3 and Rs. 2, respectively. For the Jami hospital, a compounder on Rs. 12 is provided in place of one on Rs. 15. The Párvatípuram Taluk Board provides funds for the entertainment of an additional female ward cooly at the Párvatípuram hospital on a salary of Rs. 4 per mensem and for the increase of the pay of the sweeper from Rs. 3 to Rs. 4. For the Sálúru hospital, a compounder on Rs. 9 is provided in place of one on Rs. 12. As in the current year, Rs. 360 are provided by the district board to meet the cost of servants in the Victoria gosha female hospital at Vizagapatam. A further sum of Rs. 204 is provided to meet the cost of servants at the Bobbili female hospital which will be opened shortly in the new building erected for the purpose by the Raja. The following are the details of the establishment :—

50. (4) *Diet of Patients.*—Rs. 2,270 are provided under this head against Rs. 2,310 in the current year.

51. (8) *Medicines and Surgical Instruments.*—Rs. 6,360 are provided for expenditure under this head, including Rs. 800 estimated by the District Surgeon to be the cost of medicines and instruments required for the female hospital at Bobbili. The cost of medicines necessarily increases with the increased attendance.

52. (10) *Midwives.*—Rs. 1,840 are provided under this head against Rs. 2,580 in the current year. The decrease is due to the following causes. The Narasapatnam Taluk Board provided for the salaries of the midwives in its employ at the rate of Rs. 12 instead of Rs. 15 or Rs. 20 in the current year. No provision is made by the

Vizagapatam Taluk Board for a midwife at Srungavarapukota, as there is no trained woman available for employment. For the same reason, the provision made in the current year for a midwife at Veeraghottam is struck out. Instead of Rs. 20 per mensem for the midwife at Palkonda only Rs. 15 are provided for.

53. *Midwifery Pupils, Rs.* 400.—There are now four midwifery pupils undergoing training in Madras. Rs. 400 are provided for payment of their stipends for ten months.

54. (11) *Medical Pupils.*—Rs. 430 are provided under this head for payment of stipends to the four candidates sent by the district board for training in the Medical College as hospital assistants.

55. (*b*) *Vaccination*—(1) *Fixed Charges.*—Rs. 7,500 are provided, as in the current year, for expenditure under this head as shown below :—

	Rs.
1 First-class Deputy Inspector of Vaccination on Rs. 60 per mensem.	720
1 Second-class Deputy Inspector of Vaccination on Rs. 40 per mensem	480
Travelling allowance to Deputy Inspectors	324

3 Calf peons on Rs. 5 each per mensem	180
1 Calf peon on Rs. 4 per mensem at the Vizagapatam calf vaccine depôt	48
Total ..	7,502

56. (2) *Contingencies.*—Rs. 5,000 are provided under this head against Rs. 4,000 provided in the current year. The increase is due to the provision for rewards to vaccinators having been raised to Rs. 1,700 with reference to the current year's expenditure under this head. The details are as given below :—

	Rs.
Rewards to vaccinators	1,700
Stationery charges	300
Postal charges	600
Miscellaneous	600
Charges connected with the preservation and preparation of animal lymph including the cost of calves	1,800
Total ..	5,000

57. (*c*) *Sanitation*—(1) *Improvement of Water-supply.*—Rs. 1,610 are provided by the taluk boards for expenditure under this head against Rs. 2,030 entered in the revised estimate. The Vizagapatam and Vizianagram taluk boards reduced the current year's grants in consideration of the fact that there is ample water-supply everywhere at present.

58. (2) *Improvement of Village Sites.*—Rs. 2,810 are provided under this head against Rs. 3,410 entered in the current year's revised estimate. The Narasapatnam Taluk Board reduced the current year's grant under this head by providing for only one conservancy establishment for clearing and improving village sites, &c., in the four taluks under its charge instead of a separate staff for each taluk as in the current year. The Vizagapatam and Vizianagram Taluk Boards also reduced the current year's allotments for want of funds.

59. (3) *Scavenging Establishment, Rs.* 12,430.—This is the amount provided by the taluk boards against Rs. 12,080 in the current year. The increase is chiefly due to provision having been made for the entertainment of a scavenging establishment in the union newly established at Madugula. With reference to G.O., No. 1791 L.,

dated the 30th September 1895, the President of the Vizianagram Taluk Board reports that in the Gajapatinagram and Razam unions, there are toties entertained for the removal of fœcal matter from the latrines and that in other unions the men employed in the scavenging establishment remove both fœcal matter from the latrines and rubbish from the streets. No information is given on the subject by the other Taluk Board Presidents. Their attention has been called to the question.

60. (*d*) *Markets.*—Rs. 170 are provided under this head against Rs. 160 in the current year to meet the cost of sweepers, &c., in the markets under the taluk boards. The details are as follows :—

	Rs.
Pay of two sweepers in the Palkonda market at Rs. 3 each per mensem.	72
Pay of a sweeper on Rs. 3 per mensem in the Chípurupalle market ..	36
Contingent charges	12
Pay of the sweepers in the Párvatípuram market at Rs. 3 per mensem.	36
Contingent charges	14
Total ..	170

61. (*e*) *Choultries*—(1) *Establishment, Rs.* 530.—The increase of Rs. 30 over the current year's budget estimate is due to the Vizagapatam Taluk Board having increased the pay of the servant attached to the Jalluru Narsubayamma choultry from Re. 1 to Rs. 3 per mensem and to the Párvatípuram Taluk Board having increased the pay of the sweeper attached to the Jubilee chattram at Bobbili from Rs. 2–8–0 to Rs. 3.

62. (*g*) *Contributions to* (1) *Provincial Services*—(1) *Medical College, Rs.* 1,700.—

63. (2) *Vaccine Inspecting Agency, Rs.* 1,100.—

These figures have been put down with reference to the actuals of the year 1894–95.

64. (3) *Municipalities, Rs.* 3,300.—The Narasapatnam and Vizianagram Taluk Boards contribute Rs. 500 and Rs. 300, respectively, towards the cost of hospitals at Anakápalle and Bimlipatam annually. Rs. 2,400 is the annual contribution paid by the district Board towards the cost of the civil hospital at Vizagapatam. The Vizagapatam Taluk board provided Rs. 100 as contribution to the Vizagapatam Municipality for maintaining the water pandal in the compound of the Collector's office : *vide* paragraph 4 (4) of G.O., No. 346 L., dated the 25th February 1895, sanctioning the contribution.

65. The total expenditure under Grant III is estimated at Rs. 73,800 against Rs. 74,370 in the current year.

66. *Grant IV, Miscellaneous*—(*c*) *Local Boards' Office Establishment, Rs.* 6,700.—In submitting the current year's budget, the Párvatípuram Taluk Board proposed to increase the pay of the office attender from Rs. 10 to Rs. 12 per mensem, but it has not been approved by Government with the remark that the necessity for the increase was not apparent. As the attender is in fact doing the duties of a clerk, the board propose to alter his designation to that of second clerk on the ground that there are such clerks in the Narasapatnam and Vizianagram taluk board offices who have about the same amount of work to do, and requests sanction to give retrospective effect to the increase of pay from 1st April 1895. The peons of the taluk boards of Vizagapatam, Vizianagram and Párvatípuram are now paid only Rs. 5 per mensem. Their pay is considered insufficient and it is proposed to increase it to Rs. 6 in consideration of the amount of travelling they have and the increasing demand for labour in this district after the opening of the railway.

67. The total expenditure under Grant IV is estimated at Rs. 19,370.

68. The grand total expenditure including reserve amounts to Rs. 3,45,388.

Enclosure.

Revised Estimate for 1895–96.

Receipts.

Balance, Rs. 22,547.—The balance at the close of the year 1894–95, communicated by the Inspector of Local Fund Accounts in his result statement, No. 137-A.A.Z., dated 17th September 1895, on the supplemental account for March 1895 has been adopted as the opening balance of the revised estimate.

2. (1) *Rates and Taxes*—(*a*) *Cess on Land, Rs.* 2,78,456.—There was a balance of Rs. 36,263, including arrears of previous years, remaining uncollected at the close of last year. The demand for the current year was Rs. 2,62,193. Of the total demand of Rs. 2,98,456, it is expected that Rs. 2,78,456 will be realized before the end of the year, leaving a balance of Rs. 20,000 to be collected in 1896–97. Of the balance at the end of the last year, Rs. 14,410 had actually been paid by the Maharaja of Vizianagram in Ganjám before the end of the year but not credited to the district board, so that the apparent arrears were greater than the true arrears by that amount.

3. (*b*) *Tolls under Act V of* 1884, *Rs.* 25,090.—The right of collecting tolls at the seven toll-bars under the management of the district board was leased out for Rs. 25,090 against Rs. 35,640 entered in the budget. The whole of it will be collected before the close of the year.

4. *Contributions from Municipalities, Rs.* 7,721.—The municipal tolls at Vizianagram, Bimlipatam and Anakápalle were sold for the current year for Rs. 26,590 as shown below, and the district board's share thereof in the ratios noted against each amounts to Rs. 7,096. The whole of this will be collected.

Name of Municipality.	Amount of tolls.	District Board's share.	Remarks.
	Rs.	Rs.	
Vizianagram	12,000	3,000	25 per cent.
Bimlipatam	5,620	1,405	25 ,,
Anakápalle	8,970	2,691	30 ,,
Total ..	26,590	7,096	

There was a balance of Rs. 625 due by the Vizianagram Municipality on account of the previous year, which has already been collected. The total realizations under this head will thus amount to Rs. 7,721. The district board allowed the municipal councils the same concession as in the previous year on account of the diminution in the toll revenue.

5. (*c*) *House-tax.*—The taluk boards expect to realize Rs. 11,140 under this head against Rs. 10,170 entered in the budget. The increase is due to the opening of a union at Mádugula during the current year and to the revision of house-tax registers in a few existing unions.

6. (2) *Education*—(*a*) *School Fees.*—Rs. 8,230 are entered under this head by the taluk boards against Rs. 10,370 estimated in the budget. The decrease is explained to have been due to the levy of school-fees at reduced rates under the Government notification published in October 1894 and to the non-conversion of some elementary schools into vernacular secondary schools as originally proposed.

7. (5) *Miscellaneous*—(3) *Contributions from Private Individuals.*—Contributions paid by the people who are interested in the improvement of water-supply are usually credited to this head. This year, the season being favourable, the taluk boards expect to get only Rs. 360 against Rs. 750 entered in the budget.

8. (6) *Public Works*—(*d*) *Contributions from Municipalities, Rs.* 1,200.—The amount realized by the sale of tolls at the Turner's pontoon bridge which the Vizagapatam Municipal Council agreed to pay to the district board towards the cost of the upkeep of the bridge is credited to this head.

9. (7) *Contribution from Provincial—(a) Education.*—The taluk boards expect to realize Rs. 5,240 under this head against Rs. 6,750 entered in the budget. The decrease is explained to have been due to the refusal of the Director of Public Instruction to sanction new and increased grants as expected.

10. *Cash Recoveries, Rs.* 780.—The Párvatípuram Taluk Board appears to have over-paid this amount to Messrs. Burgoyne, Burbidges & Co. in excess of the value of medicines supplied by them for the use of hospitals under its charge. Steps have been taken for its recovery.

The total receipts, including the opening balance, are now estimated at Rupees 3,74,240.

Expenditure.

11. *Grant I, Public Works—(a) New Works—(1) Communications, Rs.* 14,640.—When the budget was prepared the district board provided Rs. 8,500 for the execution of the following works :—

	Rs.
(1) For constructing a railway feeder road from Pondur to the railway station	4,500
(2) For completing the Bhimasinghi-Srungavarapukota road ..	3,000
(3) For constructing a tools shed at the Vizagapatam pontoon bridge.	700
(4) For other petty works	300
Total ..	8,500

Subsequent allotments made for the execution of petty works amounted to Rupees 2,440.

The total amount available for expenditure was thus Rs. 10,940. The road to the Pondur railway station is now estimated to cost only Rs. 2,500. Earthwork and masonry only can be completed at a cost of Rs. 1,500 before the close of the year, as gravelling and metalling must await the rains. The district board's expenditure under this head is therefore estimated at Rs. 7,940. The taluk boards estimate their expenditure at Rs. 6,700 as follows :—

	Rs.
(1) For constructing a village road from Chípurupalle to Laveru ..	2,000
(2) „ „ a tools shed	150
(3) „ „ the Narasapatnam-Waddadi road	1,460
(4) „ completing a road in Kasimkóta	300
(5) „ constructing village roads	1,800
(6) „ „ roads in union villages	990
Total ..	6,700

12. (2) *Civil Buildings, Rs.* 7,650.—Rs. 4,010 were provided in the budget for the completion of a hospital and an inspection bungalow at Razam and for the construction of a few minor buildings. Subsequent allotments and transfers made by the local boards for the construction of an inspection bungalow at Gajapatinagram, a dead-house at Bobbili and a few other works of minor importance amounted to Rs. 1,281, making the total sum available for expenditure Rs. 5,291. The sum allowed for the Razam inspection bungalow is excessive and the estimate will have to be revised. The grant is therefore reduced to Rs. 350, which reduces the above sum to Rs. 4,941. The total expenditure under the district and taluk boards is, however, put down as Rs. 7,650. The excess over the allotments is required to meet the cost of completing the unfinished hospital at Veeraghottam, a school at Chípurupalle, &c.

13. (3) *Miscellaneous Public Improvements.*—Rs. 1,590 were provided in the budget for fencing the Sálúru market and constructing godowns therein. Subsequent allotments under this head made by the local boards up to the end of September last amounted to Rs. 729. The total expenditure before the end of the year is estimated at Rs. 3,645, provision having been also made for the execution of the following works :—

	Rs.
For constructing an embankment to the Vizinigiri gedda	400
„ digging a tank at Papayyarajupalem	300
„ „ „ at Narasapatnam	580
„ constructing latrines, &c.	46
Total ..	1,326

14. *(b) Repairs—(1) Communications.*—Rs. 1,26,620 were provided for the repairs of the district and taluk boards' roads. Including subsequent allotments sanctioned by the local boards it amounted to Rs. 1,28,020. The total expenditure is estimated at Rs. 82,700 under the district and Rs. 44,845 under taluk boards, or Rs. 1,27,545 in all.

15. (2) *Civil Buildings.*—Rs. 4,280 are put down under this head against Rs. 4,845 allotted. The small decrease is due to the buildings under the charge of the local boards requiring less repairs than expected.

The total expenditure under Grant I is estimated at Rs. 2,02,700.

16. *Grant II, Education—(c) Secondary Schools—Salary System—(1) Salaries of Masters.*—Rupees 10,360 is the estimated expenditure under this head against Rs. 10,570 put down in the budget. The small decrease is due to sanction not having been accorded by Government to small increments provided for certain teachers in the absence of sufficient grounds to justify them.

17. *Salary-result System—(1) Salaries of Masters.*—Rupees 5,090 is the amount entered in the budget as expenditure under this head. The standard of some of the elementary schools under the Vizianagram Taluk Board not having been raised to the secondary grade as originally proposed in the budget and the increments proposed to certain teachers in the Narasapatnam Taluk not having been given effect to, the allotment is reduced to Rs. 3,270.

18. *(d) Elementary Schools—(1) Salaries of Masters.*—Rupees 17,070 is the estimated expenditure under this head against Rs. 15,940 entered in the budget. The increase is provided to meet the salary of the teachers of the elementary schools whose standards were not raised as explained in paragraph *supra.*

19. (3) *Miscellaneous.*—Rupees 4,110 is the amount entered in the revised estimates of taluk boards against Rs. 3,861 allotted. The increase is chiefly due to provision having been made by the Narasapatnam Taluk Board for the supply of furniture to some of the schools under its charge.

The total expenditure under Grant II is now estimated at Rs. 63,610 against Rs. 64,080 entered in the budget.

20. *Grant III, Medical Services, &c.—(a) Hospitals and Dispensaries—(3) Proportionate Cost of Reserve Hospital Assistant.*—The budget provision of Rs. 300 under this head is not required for expenditure as no reserve hospital assistant is employed this year.

21. (8) *Medicines and Surgical Instruments.*—The expenditure under this head is now estimated at Rs. 6,950 against Rs. 6,030 entered in the budget. The Narasapatnam Taluk Board reduced its budget allotment by Rs. 67, while the Vizagapatam, Vizianagram and Párvatípuram Taluk Boards increased their allotments by Rs. 8, Rs. 100, and Rs. 879, respectively. The large increase under the Párvatípuram Board is chiefly due to its having made a payment to Messrs. Burgoyne, Burbidges & Co. in excess of the value of medicines supplied by them. Steps have been taken for its recovery.

22. *Midwives, &c.*—The expenditure under this head is estimated at Rs. 1,720 against Rs. 2,461 allotted. The decrease is chiefly due to the midwives at Narasapatnam and Ellamanchili having resigned their appointments and the one at Palkonda being dismissed for bad conduct. There were no trained women available to replace them.

23. *Cholera Charges.*—As there has been practically no cholera during the year and it is improbable that there will be any serious outbreak in so good a season, only Rs. 60 are put down in the revised estimates of the taluk boards against Rs. 440 allotted in the budget.

24. (*g*) *Contributions to Municipalities, Rs.* 3,300.—Rupees 500 and Rs. 300 are annually paid by the Narasapatnam and Vizianagram Taluk Boards towards the cost of the Anakápalle and Bimlipatam hospitals, and Rs. 2,400 are paid by the district board towards the cost of the civil hospital at Vizagapatam. The Vizagapatam Taluk Board obtained sanction of Government—*vide* paragraph 4 (4) of G.O., No. 346 L., dated 25th February 1895—to contribute Rs. 100 to the Vizagapatam Municipality for the upkeep of a water-pandal in the compound of the Collector's office. The contributions will be paid before the close of the year.

The total expenditure under Grant III is estimated at Rs. 72,100.

The grand total expenditure under all grants is now estimated at Rs. 3,57,770 and leaves a balance of Rs. 16,470 to be carried forward to the coming year's budget.

From the President, District Board, Vizagapatam, dated 22nd January 1896, No. 46.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 10th February 1896, No. 1175.

I have the honour to submit the following remarks on the educational portion of the budget estimate of the Vizagapatam District Board for 1896–97.

2. *Receipts.*—The reduced estimate under fees may be accepted, as the local boards have resolved to close several schools under their management. The Provincial grant for education should be reduced from Rs. 4,870 to Rs. 4,000, with reference to the actuals of 1894–95 and the contemplated reduction and abolition of board schools. The total educational receipts will then be Rs. 11,860.

3. *Charges.*—The reductions proposed under Grant II are very heavy; but the action of the district board in assigning a lump grant of Rs. 7,000 in aid of the taluk board funds will, to a certain extent, avert the serious blow which the retrenchments would otherwise cause to the progress of elementary education. I am in favour of the reduction of the Yellamanchili High school and some of the weak and expensive Board Lower Secondary schools. A large portion, if not the whole, of the lump assignment should be utilized in increasing the allotment for results grants, a sum of Rs. 500 being reserved for building and furniture grants.

4. Including the lump allotment by the district board, the net expenditure under Grant II will be Rs. 45,980 (Rs. 57,840 —11,860) which is about 17 per cent. of the estimated income from land-cess. This, I submit, is not a high percentage considering the backward condition of elementary education in the district.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Bellary, 14th February 1896, No. 293-S.

Adverting to the Vizagapatam District Board's budget for 1896–97, I have the honour to state that the proposed expenditure on vaccination and sanitation is placed at Rs. 12,500 and Rs. 17,810, respectively, against Rs. 11,500 and Rs. 20,040 entered in the current year's budget, the variations being explained in paragraphs 56 and 57 of the President's letter. The proportion which the sanitary allotment bears to the probable current receipts cannot be ascertained as the latter are no where stated. The assignments for the improvement of water-supply and village-site are insufficient for requirements, and should be considerably increased in consultation with the District Sanitary Officer. The fact that the sources of drinking water have a plentiful supply is no reason why the expenditure on them should be curtailed. Mechanical means for the securing of protection from direct pollution, or by entrance of foul

surface or sub-soil water, is essential. No less than 14·3 per cent. of its total income was spent last year by this board on education, against 5·5 per cent. on behalf of sanitation.

2. Statement VI that accompanied the budget does not detail the scavenging establishments maintained in the villages therein mentioned. I am therefore unable to say whether they are in harmony with actual needs. I would, however, advise that, in localities where night-soil conservancy is attempted, the number of scavengers be fixed at the rate of two for every 1,000 of the living.

REVISED ESTIMATE FOR 1895–96.

2. The current receipts and charges are now estimated at Rs. 3,51,690 and Rs. 3,57,770 respectively, against Rs. 3,48,980 and Rs. 3,67,950 anticipated in the sanctioned budget. The increase in the receipts, which occurs chiefly under land-cess, is partly counterbalanced by a serious fall in the income from tolls, which has not been explained; while the decrease in the charges, which appears mainly under Grant III and the reserve, is partly met by an increase under Grant I.

BUDGET ESTIMATE FOR 1896–97.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 3,47,460 against Rs. 3,51,690 in the revised estimate, the decrease under land-cess being partly met by an increase under tolls. The contribution from Provincial funds on account of education will be reduced by Rs. 870, with reference to paragraph 2 of the Director's letter read above.

4. *Charges.*—(1) The probable charges are put down at Rs. 3,45,160 against Rs. 3,57,770 in the revised estimate, the decrease under Grants I and II being partly counterbalanced by an increase under the reserve.

(2) *Grant I.*—Owing to want of funds, only Rs. 1,26,770 or Rs. 49,925 less than the minimum prescribed in paragraph 6 of G.O., No. 1686 L., dated 14th September 1895, have been allotted for communications. The provision under this

head should be supplemented by additional allotments as funds become available in the course of the year, and for the present it will be increased by Rs. 6,000 transferred from Grant II in accordance with paragraph 4 (3) *infra*. The proposal to increase the pay of one of the overseers from Rs. 50 to Rs. 60, referred to in paragraph 29 of the President's letter, cannot in the state of the finances be approved; the saving of Rs. 240 (pay and additional travelling allowance) will be added to the allotment for communications—repairs.

(3) *Grant II.*—The additions to, and alterations in, the educational establishments referred to in paragraphs 34, 35, 39 to 42, 44 and 45 of the President's letter, are sanctioned, with the exception of the entertainment of a teacher in the elementary (Pariah) school at Madugula, and the reduction in the pay of the sweepers in the elementary schools at Chódavaramu (Pariah), Gangavaram and Srungavarapukota (Pariah), proposed in paragraphs 44 and 45, for which proposition statements have not been submitted. The increases in the salaries of the masters of the elementary schools at Medivada and Srungavaram, referred to in the proposition statement, cannot be sanctioned, as no reasons have again been assigned for them. With reference to paragraphs 3 and 4 of the Director's letter and paragraph 33 of the President's letter, it is observed that, excluding the lump allotment of Rs. 7,000, the taluk boards have provided Rs. 43,830 or about 26 per cent. of their receipts for education. As the Government considers this ample, the lump grant of Rs. 7,000 will be struck out.

(4) *Grant III.*—The remarks of the Surgeon-General on the allotments for medical services will be awaited. The reduction in the conservancy establishments referred to in paragraph 58 is in view of financial circumstances approved, pending submission of the usual proposition statement. The remarks of the Sanitary Commissioner in his letter read above will be referred to the taluk boards for consideration, and the President's attention will be drawn to the omissions noticed by him. The contributions from taluk funds to unions are excessive, and vigorous steps should be taken to reduce the amounts, which should, as a general rule, be merely sufficient to cover small lighting charges. In any case they should be most carefully limited so that unions may not benefit disproportionately at the expense of non-union areas. The savings effected should, as far as possible, be devoted to enhancing the allotments for the sanitary improvement of village-sites and water-supply. The entertainment of a sweeper on Rs. 3 in the market at Chipurupalle, and the increases in the salaries of the choultry servants, proposed in paragraphs 60 and 61, are sanctioned.

(5) *Grant IV.*—The entertainment of a clerk on Rs. 12 in place of an attender on Rs. 10 in the Párvatipuram Taluk Board's office from 1st April 1895, and the increase in the salaries of the peons of the Vizagapatam, Vizianagram and Párvatípuram Taluk Boards' offices from Rs. 5 to Rs. 6 each, proposed in paragraph 66, are approved.

5. *Reserve and Balance.*—For want of funds, only Rs. 19,860 or 6 per cent. of the receipts have been provided under reserve. The budget, as revised by Government, closes with a balance of Rs. 18,950, of which Rs. 1,050 appertain to unions and Rs. 9,920 to endowments, leaving Rs. 7,980, or 2 per cent. of the receipts, available for general purposes.

Revised Estimate for 1895-96.

2. The current receipts and charges are now estimated at Rs. 3,51,690 and Rs. 3,57,770 respectively, against Rs. 3,48,980 and Rs. 3,67,950, anticipated in the sanctioned budget. The increase in the receipts, which occurs chiefly under land cess, is partly counterbalanced by a decrease in the income from tolls, which has not been explained; while the decrease in the Charges, which appears mainly under Grant III and the reserve, is partly met by an increase under Grant I.
