(7) Statement showing the proportion of local fund receipts of each local board estimated to be spent on the several services (Statement No. XII).

EXPLANATORY REMARKS.

REVISED ESTIMATE FOR 1895–96.

Receipts.

Opening Balance.—Rs. 6,250 was the anticipated opening balance of the budget, 1895–96, whereas Rs. 17,768 is the actual opening balance as advised by the Accountant-General. The difference is due to Rs. 10,520, which was the debt-head balance at the end of 1894–95 against Rupees none anticipated and to minor differences between the estimate and actuals.

2. *Receipts.*—The principal variations between the budget and revised estimate are in the following items:—

		Rs.
(1) Government contribution for Berhampur-Govindapur road ..	+	10,000
(2) Loan from Government for feeder roads	+	5,000
(3) Increase under land-cess	+	3,550
(4) Increase under fisheries	+	1,494
(5) Debt-head receipts	+	2,302
Total ..		22,346

Items (1) and (2) explain themselves.

Item (3) is due to increase of land-cess anticipated by the Collector consequent on the revision of the assessment of the zamindaris of the district.

Item (4) is due to the increased amounts fetched at the auction sales.

The last item represents deposits made by fishery renters, &c.

Charges.

3. The Provincial contribution for Rs. 10,000 for the Berhampur-Govindapur road and the amount of Rs. 5,000 borrowed from Government, it is expected, will be spent during the year. Minor differences have been explained in the statement.

4. *Allotments.*—In order to meet the deficits in the funds of other taluk boards, the district board proposes to withdraw, with the sanction of Government, from the Berhampur and Chicacole taluk funds Rs. 27,326 with which they are expected to close.

5. *Repayment of Contribution to cover Deficits.*—According to the revised estimate the year is expected to close with a balance of Rs. 17,140, which is provided under the head, and of this Rs. 13,800 represent the probable balance under debt-heads at the end of the year.

BUDGET ESTIMATE FOR 1896–97.

Receipts.

6. *Balance.*—The year opens with no balance available for general purposes, as it is assumed that any balance that may exist will be appropriated for the sums due to Provincial. The sum of Rs. 920 shown in Statement I-A is the balance under Endowment fund.

7. (1) *Rates and Taxes—(a) Cess on Land.*—The estimate is based on the probable demand for fasli 1306 as detailed below :—

		Rs.
(1) Permanently-settled estates		1,18,603
(2) Shrotriem		7,651
(3) Ryotwar and miscellaneous		69,146
	Total ..	1,95,400
Add probable arrears as per revised estimate		22,172
Total demand for 1896–97 ..		2,17,572

Probable collections during 1896–97 are estimated at Rs. 2,00,000, or 92 per cent. of the demand. The increase is due to the expected increase in Rushikulya water-tax in Berhampur and Goomsur taluks and to the revision of the assessment of zamindaris.

8. (*b*) *Tolls under Act V of* 1884.—The current year's estimate is reduced by Rs. 2,000, as the opening of the railway has affected the income from tolls on the trunk road.

9. *Contributions from Municipalities.*—Current year's provision is reduced by Rs. 2,000, as the rate of contribution by the Chicacole Municipality has been reduced from one-half to one-fourth, as per G.O., Mis. No. 1497 M., dated 14th September 1895.

The Parlákimedi Municipality pays one-sixth of its net toll revenue.

10. *House-tax.*—The estimate is reduced by only Rs. 10.

11. (2) *Education—(a) School-fees.*—The decrease under the estimate is due to the abolition of the middle school at Tekkali and several board primary schools.

12. (*c*) *Sale-proceeds of Books.*—The current year's estimate is repeated.

13. (*d*) *Miscellaneous.*—Current year's estimate is reduced by Rs. 30.

14. (3) *Medical—(b) Sale of Medicines.*—Current year's estimate is repeated.

15. (*c*) *Contributions*—(1) *From Municipalities.*—The usual contribution of Rs. 5 per mensem by the Parlákimedi Municipality and Rs. 12 per annum by each of the Parlákimedi and Berhampur Municipalities towards the pay of the midwife and of the probationary compounders, respectively, are provided.

16. (3) *From Private Individuals.*—The Zamindar of Parlákimedi contributes Rs. 600, viz., 300 for Varanasi and Rs. 300 for Garabanda dispensaries. The balance of provision represents payments for medicines.

17. (*d*) *Miscelluneous.*—The current year's provision is repeated.

18. (4) *Interest—(a) On Government Securities.*—The choultry at Kanchili is endowed by one Haddanur Srinivasarao and the endowment in the form of Government securities for Rs. 11,100 is held by the Accountant-General. The interest for the year 1896–97 is provided under the head.

19. (*b*) *On Arrears of Revenue.*—The current year's estimate is repeated.

20. (*c*) *On Municipal Debentures.*—The amount provided under this head represents interest on the Bombay municipal debentures (Rs. 21,500) and Post Office Savings' Bank Investment (Rs. 200) held by the district board in trust for M.R.Ry. T. Sivaramayya Pantulu Garu's charities and for Mr. Horsfall's scholarships.

21. (5) *Miscellaneous—(a) Contributions for purposes other than Education, Medical or Works---* (3) *From Private Individuals.*—The Zamindars of Chikati, Mandasá and Kallikóta contribute Rs. 12, Rs. 11 and Rs. 8–4–0 per mensem, respectively, towards the cost of the scavenging establishments at those places. The Court of Wards contributes Rs. 9–8–0 per mensem, being half the cost of the scavengering establishment sanctioned in G.O., Mis. No. 2523 L., dated 10th November 1893, for Digupudi. The balance of provision represents contributions from private individuals for sinking tanks and wells and other sanitary purposes. The current year's estimate is reduced by Rs. 70.

22. (*d*) *Bungalow Fees.*—Estimate is reduced by Rs. 300. The decrease is due to the abandonment of the bungalows at Gopalpur and Tekkali, which are now little used owing to the opening of the railway.

23. (*e*) *Fees and Fines.*—The estimate is reduced by Goomsur and Chicacole Taluk Boards.

24. (*f*) *Ferry Rents.*—The estimate is increased by Berhampur and Parlákimedi Taluk Boards by Rs. 80.

25. (*h*) *Fishery Rents.*—The estimate is increased by Rs. 1,960 with reference to actuals.

26. (*j*) *Avenues.*—The estimate is reduced by Berhampur Taluk Board by Rs. 10.

27. (*l*) *Sundry Receipts.*—The current year's provision is reduced by Rs. 200 by Berhampur and Parlákimedi Taluk Boards.

28. (6) *Public Works—(b) Sale of tools and plant ; (c) Sale of old materials ; (e) Refund of expenditure ; (f) Miscellaneous.*—The current year's provision is repeated.

29. (7) *Contributions from Provincial Funds—(a) Education.*—The estimate is reduced by Rs. 1,120. Details are furnished in statement IV-A. The decrease is due to the abolition of the middle school at Tekkali and several board primary schools.

30. *Buildings and Furniture Grants.*—The estimate is increased by Rs. 50 by Berhampur Taluk Board and is recommended by the Educational authorities.

31. *Allotments.*—Rs. 31,226 are provided to meet deficits in the funds of Goomsur, Chicacole and Parlákimedi Taluk Boards and Rs. 96 to cover expenditure from district funds on account of pay of probationary compounders. The latter contribution is levied from the following taluk boards :—

	Rs.
Berhampur	48
Goomsur	24
Chicacole	24
Total ..	96

For want of funds and subject to sanction of Government the balance in favour of the Berhampur Taluk Board, viz., Rs. 3,240, is transferred to the district funds, and the balances in favour of unions to taluk funds concerned.

32. The total receipts, including balance, amount to Rs. 2,73,270 against Rs. 2,71,910, the estimate for the current year.

Expenditure.

33. *Grant I, Public Works—(a) New Works—(1) Communications.*—Rs. 3,250 are provided under this head by the district board and Rs. 2,220 by taluk boards as detailed in statement No. III-A.

34. (3) *Miscellaneous Public Improvements.*—The current year's provision is reduced by Rs. 80, as the Madapam casuarina plantation, for the maintenance of which this provision is made, no longer requires much watering.

35. (*b*) *Special Repairs*—(1) *Communications.*—Nearly all the roads in the main division need extensive special repairs. All available funds, after providing for the annual maintenance grants of roads and other necessary charges under other grants, have been allotted for this purpose. The following are the particulars :—

	Rs.
District Board	6,034
Goomsur	6,817
Total ..	12,851

36. *Maintenance Grants.*—The following additions and alterations are proposed in the annual maintenance grants of roads :—

(*a*) *District Board.*—The maintenance grant of 45 miles of the Trunk road from Berhampur to Chicacole frontier is reduced from Rs. 200 to Rs. 150 a mile, as the traffic over this portion has decreased since the opening of the railway.

(2) The maintenance grants of the roads from Berhampur to Aska and from thence to Russellkonda and on to Kalingia have, however, been increased as noted below, as the road is at present in a bad state, and there is a heavy traffic over it of sleepers for the East Coast Railway :—

(1) Road from Berhampur to Aska from Rs. 200 to Rs. 230 per mile.
(2) Road from Aska to Russellkonda from Rs. 150 to Rs. 180 per mile.
(3) Road from Russellkonda to Kalingia from Rs. 100 to Rs. 150 a mile.

The last four miles of the road from Russellkonda to Kalingia have been transferred to the Agency department with reference to G.O., Mis. No. 699 L, dated 20th April 1895.

(*b*) *Taluk Board, Berhampur.*—The maintenance grant of the following roads is increased :—

(1) Road from Purushottapur to Jagannadhapur on Trunk road from Rs. 100 to Rs. 150 a mile.
(2) Branch line from Trunk road near Karlam to the Port of Baruva from Rs. 100 to Rs. 120 a mile.
(3) Branch line from Trunk road near Kanchili to the Port Baruva *viâ* Sómpéta from Rs. 100 to Rs. 120 a mile.
(4) Portion of a road from a point beyond the bridge over Mahendratanaya river to Goppili *viâ* Mandasá from Rs. 75 to Rs. 80 a mile.
(5) Portion of road from Aska to Humma on Trunk road from Rs. 100 to Rs. 150 a mile.
(6) The maintenance grant of the road from Purushottapur on Trunk road to Sonnapur is reduced from Rs. 100 to Rs. 80 a mile. This line has lost much of its importance since the abolition of the port of Sonnapur. The reduced grant is therefore quite sufficient to maintain the line in order.

(*c*) *Chicacole Taluk Board.*—The maintenance grant of the following roads is increased :—

(1) Road from Chicacole to Palkonda from Rs. 112 to Rs. 150 a mile.
(2) Portion of road from Maliaputty to Nowpada from junction at 6th mile on Kemidi-Púndi road from Rs. 80 to Rs. 100 a mile.

(3) Road from Parlákimedi to Calingapatam *viâ* Sárvakóta and Narasannapéta, including the feeder road, 9 miles, from Rs. 112 to Rs. 125.
(4) Road from Chicacole to Calingapatam from Rs. 115 to Rs. 125 a mile.

Under "works costing less than Rs. 300," Rs. 1,239 are provided against Rs. 575 in the current year. The increase is due to provision having been made for more village roads and to the maintenance grant of some roads having been raised.

(*d*) *Parlákimedi Taluk Board.*—The maintenance grant of the following roads is increased as the present allotments are found inadequate to maintain them in order :—

(1) Road from Parlákimedi to Varanasi from Rs. 100 to Rs. 115 a mile.
(2) Road from Parlákimedi to Púndi from Rs. 100 to Rs. 120 a mile.
(3) Road from Alikam to Battile from Rs. 100 to Rs. 125 a mile.

The following roads are abandoned :—

(1) Road from Tekkali Raghunadhapur to Hiramandalam *viâ* Tembore over which there is not much traffic owing to the removal of the District Munsif's Court from Raghunadhapur to Sómpéta.
(2) Road from Pattupur to Goppili.
(3) Road from Uppalada to Gusadi.

The last two roads were recently handed over to the taluk board by the Zamindar of Parlákimedi. They are of very little use as through lines of communication. The zamindar will now be requested to resume charge of all the above three roads and maintain them.

No alterations are made in the grants for roads under Goomsur Taluk Board.

Half the land-cess and the net income from tolls, as estimated, amount to Rs. 1,31,750, and this should, under G.O., No. 1686 L., dated 14th September 1895, have been provided for construction and repair of communications; but after all possible economies have been effected in all the other grants, the Board has found it impossible to provide more than Rs. 1,07,100 during the year against Rs. 1,05,620 provided in the current year. Full reserve at 10 per cent. on the receipts has, however, this year been provided for the district and all the taluk boards, and about three-fourths of it, viz., Rs. 20,310, will probably be allotted for communications during the coming year. The actual expenditure may, therefore, come to very little short of the limit fixed by Government. More funds for communications cannot be provided this year without causing hardship. The instructions, however, contained in the Government Order will be borne in mind and endeavours made next year to provide a larger amount for "Communications."

37. (2) *Civil Buildings.*—Rs. 1,320 are provided for repairs of buildings against Rs. 1,300 in the current year. The details are furnished in statement No. III-B.

38. (3) *Miscellaneous Public Improvements.*—Rs. 2,940 are provided against Rs. 2,960 in the current year for the following purposes :—

	Rs.
Maintenance and extension of avenues	2,700
Repairs to markets	180
Maintenance of the casuarina plantation near Mofazbunder road ..	64

39. (*c*) *Establishment charges*—(1) *Public Works Department for scrutiny of plans and estimates.*—The current year's provision is repeated.

45. (*b*) *Sessional Schools.*—The Assistant Inspector's proposal for the establishment of a permanent sessional school is disallowed for want of funds and as these schools have not been an entire success here. Each year forty scholarships used to be provided; but, with all the efforts of the educational officers, they never were all taken up. Provision is therefore made for only one sessional school for six months with twelve scholarships instead of two schools each for three months. The details are given below :—

61. *Grant III—Medical Services—(a) Hospitals and Dispensaries—(2) Medical Subordinates.*—Provision is made for twelve dispensaries as usual. The Medical officer in charge of the Police hospital at Russellkonda is also in charge of the local fund institution. For the remaining dispensaries four civil apothecaries and seven hospital assistants are provided. There are now two lady apothecaries working in the district. The Berhampur Municipality contributes two-thirds of the pay of the one and the Chicacole Municipality half the pay of the other. The total charges under the head amount to Rs. 10,220 against Rs. 9,870 in the current year.

62. *Clerks and Servants.*—Rs. 3,230 are provided against Rs. 3,320 in the current year. The decrease is due to the following causes :—

66. *Midwives.*—Rs. 400 are provided on account of pay and house-rent against Rs. 340 in the current year. Provision was made in the current year's budget for an additional midwife at Chatrapur, but there were no applicants for the appointment. The provision is therefore reduced. Should any one be found to fill up the post, funds will be sanctioned from reserve.

(1) *Improvement of water-supply.*—The increase is due to the increased provision made by the Berhampur Taluk Board for construction of tanks and wells in the taluk other than union villages (+ Rs. 270).

The Parlákimedi Taluk Board reduced the allotment from Rs. 200 to Rs. 100 for want of funds (— Rs. 100).

A tank watcher on Rs. 3 per mensem is provided by the Parlákimedi Taluk Board on a tank in Garabanda reserved for drinking purposes.

(2) *Improvement of village-site.*—The decrease under the head is made by the Parlákimedi (Rs. 100) and Berhampur (Rs. 40) Taluk Boards.

(3) *Scavenging Establishment.*—Rs. 8,870 are provided against Rs. 10,430 in the current year. The scavengering establishments in some non-union villages, where there has been no close supervision and where they are not working well, are proposed to be abolished. The following are the alterations proposed in some of the establishments at the other places :—

	Rs.
Two additional scavengers—one on Rs. 3 and one on Rs. 2-8-0 per mensem—are proposed to be entertained at Sómpétá	66
Two additional scavengers on Rs 2-8-0 each per mensem are proposed at Purushottapur	60
Two additional scavengers on Rs. 3 each per mensem are proposed to be entertained at Calingapatam	72
Total ..	198
The pay of the sweeper maistry of Suradá union is reduced from Rs. 7 to Rs. 5	24
The scavengering establishment at Mondimori in Dhárákóta zemindari is proposed to be abolished from October next, as the estate will then be handed over to the zemindar and there will be no responsible person at the place to supervise the establishment. The savings thus effected amount to	30

The scavenging establishments in the district are recruited solely from the class which does the work of removing fœcal matter as part of their duties. These therefore remove fœcal matter when it is mixed up with street sweepings or any rubbish, but the establishments, as a whole, are no where solely employed for the removal of fœcal matter except in the three unions in Chicacole where part of the establishment is expressly employed for the work. There are, however, public latrines in these three places and the establishment expressly employed probably clear the latrines. In the union at Russellkonda private scavenging is in force. There is a separate staff of sweepers for the work.

74. *Choultries.*—There are, under the management of the local boards in this district, two chattrams where food is supplied to Brahman travellers. These are at Kanchilli and Chatrapur. The former is managed by the Taluk Board, Berhampur, and the latter by the district board. Both are endowed and the income from the endowment is proposed to be expended as follows :—

Taluk Board's Office Establishment.—Proposals for the amalgamation of the Chicacole and Parlákimedi Taluk Boards are separately submitted. In anticipation of sanction of these proposals, the office establishments of the two boards are revised and the combined office establishment is the strength required for the amalgamated taluk board.

An increase of Rs. 2 per mensem is proposed for the Goomsur Taluk Board clerk, as it is difficult to get competent men to take up the post or remain in it.

It is also desirable to strengthen the office establishment of the Berhampur Taluk Board and it is proposed to do so from the savings effected in the Chicacole and Parlákimedi Taluk Boards' office establishments should Government be pleased to sanction the amalgamation. The establishments, as revised, are detailed below. Should Government not sanction the proposal, the figures for Chicacole and Parlákimedi Taluk Boards shown below should be replaced by those sanctioned for the current year:—

96. *General Remarks.*—Every effort has been made to give effect to the orders of Government contained in G.O., No. 1686 L., dated 14th September 1895. The communications in this district undoubtedly most urgently require increased expenditure to bring them even into a tolerable condition.

It has, however, been found quite impossible to go more than a little way in the direction indicated by Government.

In a malarious and unhealthy district like Ganjám, it is most undesirable to abolish institutions affording medical relief, and vaccination demands if possible increased expenditure. It was therefore impossible to reduce to any extent the charges under Grant III, but the expenditure on scavengers under this grant has been largely reduced as it was doubtful if in many villages there was any proper return for the expenditure incurred.

Large reductions under Grant II are proposed.

It has been my opinion and that of all Presidents, Taluk Boards, that an excessive amount has been spent under that grant for years past in this district and the results have been most discouraging except in the statistics of the Educational Department.

It is now proposed to abolish a large number of salary-result schools, and it is mainly by this proposal that we hope to effect the necessary economy. Results grants have also been diminished.

It will probably be desirable to abolish more of the schools supported directly by local boards, but any great further reduction of the Educational grant cannot perhaps be easily made as funds saved by abolishing local board schools should, if possible, be given to result grants.

The financial position of the local boards is so far improved by the provision of the full amount of the reserve.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 28th January 1896, No. 178-S.

With reference to the budget estimate of the Ganjám District Board for 1896–97, I have the honour to state that I consider the sanitary grant proposed, which forms

but 4·6 per cent. of the probable receipts, as far below requirements. The allotment under "Improvement of water-supply" is only Rs. 1,310, and from its distribution as given in column 6 of statement VI it is evident that no improvements of a permanent character will be effected. Considering that no works which would fall under this category are budgeted under Grant I, the need for a very much larger provision for this most important feature of village sanitation is urgent, and I accordingly advise that additional funds be made available for this purpose, and that the District Sanitary officer be consulted in respect to the selection of works.

2. The scavengering establishments that will be employed in the areas proposed to be conserved are not particularized in statement VI, and in consequence their adequacy or otherwise cannot be ascertained. The expenditure under this head also is very much under-estimated.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Berhampur, 28th January 1896, No. C-12.

With reference to the educational portion of the budget estimate of the Ganjám District Board for 1896–97, I have the honour to observe that the board has made reductions amounting to Rs. 8,530 under Grant II and has proposed the abolition of as many as forty of its schools, solely for the purpose of setting free more funds for communications, in accordance with G.O., No. 1686 L., dated 14th September 1895. I think it unnecessary to repeat what I have already said in remarking on the budget estimate of the Cuddapah District Board with regard to the sudden reduction in the grant for education; and shall content myself now with saying that during the past two years there has been a steady and marked decline in the number and strength of primary schools in the district in consequence of the refusal of the board to register for aid all the schools recommended by the department. I think this board need not have been so hasty in making such large reductions in the expenditure on education, seeing that the net charges proposed under Grant II amount to only Rs. 31,070, which is but 15·5 per cent. of the estimated income from the land-cess. A backward district like Ganjám requires a larger percentage of the taxes (land-cess) for educational purposes, and I would strongly recommend that the allotment for results grants be raised by Rs. 2.000 at least, and that results stipends in salary-results schools be paid at the standard rates by all the taluk boards in schools for Panchamas and other backward classes. The expenditure on results grants during 1894–95 amounted to Rs. 15,251, and on the abolition of board schools a larger number of schools will seek aid on this system. I have just had an opportunity of personally discussing the educational condition of the district with Mr. Weir and we are both of opinion that the salary-results system is not well adapted to the rural primary schools of Ganjám. The managers and teachers have little ambition and are content with the barest subsistence allowance in the form of fixed salary. When they receive in the form of fixed salary just enough to live upon, they rarely care to trouble themselves to work zealously and efficiently with a view to secure the percentage of the results grant. The result system (pure and simple) would probably answer better with people having so little ambition, and I would not object to the closing of so many salary-results schools provided that increased provision were made for results grants. The thoroughly inefficient salary-results schools would die a natural death, leaving only the better class of schools to work under the results system.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 5th March 1896, No. 174.

With reference to Grant III of the budget estimate of the District Board, Ganjám, for the year 1896–97, I have the honour to state that the pay provided for the apothecary at Calingapatam should be increased from Rs. 780 to Rs. 1,313, as he

has completed seven years' service and will be entitled to higher rate of pay subject to passing the prescribed examination.

ORDER—No. 498 L., dated 14th March 1896.

REVISED ESTIMATE FOR 1895–96.

2. The current receipts and charges are now estimated at Rs. 2,88,010 and Rs. 3,04,860, respectively, against Rs. 2,65,660 and Rs. 2,70,660 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, contributions from Provincial funds on account of public works and loans, and that in the charges under Grants I and IV, Repayment of contribution received from Provincial funds to cover deficits, being partly counterbalanced by a decrease under the reserve. The district board's proposal to withdraw from the Berhampur and Chicacole Taluk Boards the anticipated closing balance of Rs. 27,326 in their favour is approved. The provision for repayment of contribution from Provincial funds to cover deficits will be reduced from Rs 17,140 to Rs. 10,000, with reference to G.O., No. 1021, Financial, dated 17th December 1895, communicated with G.O., No. 97 L., dated 17th January 1896. The balance to be carried forward to the ensuing year's budget will then be Rs. 8,060 — Rs. 7,700 under district and Rs. 360 under taluk funds.

BUDGET ESTIMATE FOR 1896–97.

3. *Receipts.*—The receipts for the ensuing year are put down at Rs. 2,72,350 against Rs. 2,88,010 in the revised estimate, the decrease under tolls, contributions from Provincial funds on account of public works and loans being partly counterbalanced by an increase under land-cess. The district board's proposals to withdraw the anticipated closing balance of Rs. 3,240 in favour of the Berhampur Taluk Board and to transfer to taluk funds the balances standing to the credit of some of the unions are approved.

4. *Charges* (1).—The probable charges are taken at Rs. 2,72,350 against Rupees 2,97,720 in the revised estimate, the decrease under all grants being partly counterbalanced by an increase under the reserve.

(2) *Grant I.*—The allotment for communications is Rs. 24,650 less than half the anticipated receipts from land-cess *plus* the net income from tolls, and the cost of the Local Fund Engineering establishment, including contingencies, is 22 per cent. of the allotment for works, or 2 per cent. in excess of the limit prescribed in No. 68 of the Local Fund rules, but it is hoped that the minimum prescribed in G.O., No. 1686 L., dated 14th September 1895, will be reached and the cost of the establishment will be kept within the prescribed limit when the actual expenditure on works is increased, as promised in paragraph 36 of the President's letter. With reference to the remarks in paragraph 36 (*d*) of his letter, regarding the two roads proposed to be handed over to the Zemindar of Parlákimedi, it should be reported in what circumstances the roads were originally transferred to the taluk board by the Zemindar, and in view of section 49 of the Act under what authority it is proposed to retransfer them to him.

(3) *Grant II.*—The additions to and alterations in the educational establishments, referred to in paragraphs 45, 50 and 52, are sanctioned. Before sanctioning the closing of the Lower Secondary school at Tekkali, the net cost of which appears to be Rs. 273, the Government will await the report called for in its memorandum No. 336, dated 14th March 1896. The allotment for result grants will be raised by Rs. 2,000 as recommended by the Director in his letter read above and his suggestion to pay result stipends at the standard rates to salary-result schools for Panchamas and other backward classes will be commended to the taluk boards for consideration.

(4) *Grant III.*—The provision for hospitals and dispensaries will be raised by Rs. 540 as recommended by the Surgeon-General in his letter read above. The alterations in the establishment of the Tekkali hospital proposed in paragraph 62 are approved. The payment of a Maliah allowance of Rs. 2 per mensem to each of the vaccinators at Varanasi and Gurandi, proposed in paragraph 72, is sanctioned. The additions to and alterations in the scavenging, choultry and bungalow establishments, referred to in paragraphs 73, 74 and 75, are sanctioned. The Sanitary Commissioner's suggestion in paragraph 1 of his letter read above to provide additional funds for sanitary works will be referred to the taluk boards for consideration.

(5) *Grant IV.*—Under printing work done at the Government Press, the actuals of 1894–95 will be repeated as usual. As the amalgamation of the Chicacole and Parlákimedi Taluk Boards has been approved in G.O., No. 164 L., dated 24th January 1896, the revised establishment proposed for the office of the new Chicacole Taluk Board and the increase of the pay of the clerk of the Goomsur Taluk Board's office from Rs. 20 to Rs. 22, referred to in paragraph 85, are sanctioned. The provision of Rs. 900 for repayment of contribution from Provincial funds to cover deficits will be struck out with reference to G.O., No. 1021, Financial, dated 17th December 1895, communicated with G.O., No. 97 L., dated 17th January 1896.

5. *Allotments.*—The allotment from taluk to union funds will be raised by Rs. 125 — Rs. 50 in order to avoid the deficit with which the transactions of the Chatrapur union would otherwise close the year and Rs. 75 for meeting the lighting charges proposed to be incurred in the Ichápuram union. It is observed that over and above the lighting charges, contributions amounting to Rs 2,016 are to be made from taluk to union funds. The greatest care should be taken to limit the contributions from taluk boards, so that unions may not benefit disproportionately, at the expense of the non-union areas.

6. *Reserve and balance.*—The reserve calculated at 10 per cent. of the estimated receipts should be Rs. 25,890; but for want of funds only Rs. 24,190 will be provided. The budget, as revised by Government, closes with a balance of Rs. 9,290, of

which Rs. 80 appertain to unions and Rs. 920 to endowed institutions, leaving Rupees 8,290, or 3·2 per cent. of the receipts, available for general purposes.

Revised Estimate for 1895-1

2. The current receipts and charges are now estimated at Rs. 288,010 and Rs. 304,860 respectively against Rs. 265,660 and Rs. 270,660 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land cess, contributions from Provincial funds on account of public works and loans, and that in the charges under Grants I & IV—Repayment of contributions to cover deficits, being partly counterbalanced by a decrease under the Reserve. The District Board's proposal to withdraw from the Berhampore and Chicacole Taluk Boards the anticipated closing balance of Rs. 27,326 in their favour is approved. The provision made for repayment from Provincial funds of contributions to cover deficits will be reduced from Rs. 17,140 to Rs. 10,000, with reference to G.O. No. 1021 Financial

1895 communi-
cated with G.O. No. 972 dated 17th
January 1896. The balance to be
carried forward to the ensuing
year's budget will then be Rs. 8,060 —
Rs. 7,700 under District, and Rs. 360
under Taluk Funds.

and loans, being partly counter
-balanced by an increase under
land cess. The District Board's
proposals to withdraw the anti
-cipated closing balance of Rs. 3240
in favour of the Berhampur Taluk
Board and to transfer to Taluk
Funds the balances standing to
the credit of some of the Unions are
approved.

4. Charges. — (1). — The probable charges
are taken at Rs. 242,350, against
Rs. ~~304,860~~ 317,720 in the revised estimate,

-balanced by an increase under
the Reserve.
