Note

According to No. 80 of the Loca Fund Rules sanctioned in G.O. No. 187 dated 7th August 1891, masters emplo in Local Fund schools of the middle and higher classes ~~[illegible]~~ prior to 20th May 1881, are entitled to pension. In clause (3) of para. 1 of the above ~~Government~~ Order, it was pu that servants of Local Fund Board holding one or other of the appointme named in the above rule and appointed prior to 20th May 1881, who accepted promotion in Local Fund service after that date ought to have been perfectly aware that they were thereby engaging themselves to perform the duties of posts, the incumbents of which are not entitled to pension. On further consideration however the Government modified this rule and laid down that servants of Local Boards holding one or other of the appointments named in No. 80 of the Local Fund Rules ~~and appointed~~ before the 20th May 1881, would on subsequent promotion to any higher appointment referred to in that rule not lose their claims to pension, provided that they continued to be paid from the same funds. Vide G.O. No. 2988 L dated 27th November 1891, and No. 526 L dated 2nd March 1892.

2. In the present case one Viswanadha Phadke was employed

a

as 2nd master of the Narayana-devarakeri secondary school from st March 1881 to 14th July 1884, and on 5th July 1884 he was appointed as head master of the Kottur school, which s a primary school. On 6th August 886 he was appointed as second master of the Local Fund middle school at Harpanahalli and continued as such until 1st July 1887, when he was transferred to the Hospet primary school. Here he remained up to 31st March 1889, when he was appointed as 2nd master of the Hospet middle school — his present place. Thus it will be seen that though Viswanadha Phadke began service in a pensionable appointment, he was subsequently transferred to non-pensionable service as teacher in a primary school on two occasions, and therefore forfeited his claims to pension though the transfers ~~were~~ are now stated to have been made on public grounds. — Vide para. 3(a) of G.O. No. 864 J dated 19th April 1893.

Sir

In submitting an applicatio from Viswanat Sitaram Phadke asst Master Board Lower Secondary School Hospet requesting that the G. O. No: $\frac{1956}{3.10.9}$ so far as it affects his title to pension b reconsidered for reasons stated, I have the honor to add my humble testimony to the energy & devotion to work evinced by him during his long career of 14 years as a teacher.

2 His transfer to the Primary School was made on public grounds to suit the requirements of the School and probably through ignorance of the pensio rules. Otherwise Viswanat Rau whose career as a teacher was brilliant

through

throughout would not have been offered a non-pensionable appointment.

3 I therefore beg to recommend that a lenient view of his case be taken and that his request be complied with.

4 DEC. 94

To

The President,

District Board,

Bellary.

Sir,

I beg to bring to your notice that the Government in their G. O. No. 1956/3-10-94, communicated to me with the Hospet Sub-Assistant Inspector's foot note No. 3601/21-10-94, state that I have lost my title to pension by holding a non-pensionable appointment, viz., the Headmastership of a Primary School, from 1st July 1887 to 31st March 1889.

The Primary School referred to in the G. O. is the present "Local Fund Primary School, Hospet." Prior to 1st July 1887, there was only one School at Hospet, styled "Local Fund Anglo Vernacular School Hospet" containing all the classes from the Infant to the IV Lower or the present II Form.

I was then the permanent 2nd Master of the School, and continued to teach the then 3rd class or the present I Form, till the above mentioned date, when to suit certain educational requirements and the convenience of the people at Hospet, the School was split up into two, the Middle and the Primary under separate Head Masters for each of them.

Although I had nothing to do with the Primary classes in the capacity of the 2nd Master of the Middle School, yet when this division took place, I was ordered, but not at my request, to take charge of the newly constituted Primary School on the same pay, as I had given satisfaction in all my work, and as no better and experienced teacher was then available. By this arrangement my services were, as it were, lent temporarily to the Primary School for 1 year and 9 months as will be seen from my resuming charge of the same 2nd Master's post on 1st, April 1889.

If my superiors had then known that by their transferring my services to the Primary School though temporarily, my claim to pension would be affected at some future date, I feel assured that they would not have given me the transfer, as it was not their intention, to ruin the prospects of a teacher of 7 years standing then, who had given them satisfaction in his work.

The Government in their G. O. state that I have lost my title to pension, simply because I had the misfortune of my services being transferred to a Primary School, although the transfer was made on public grounds and in the interest of Local Fund service.

To convince your honor of the way in which I have discharged my duty even in Primary School, I beg to represent that during my short stay of 1 year and 9 months, as Head Master, the strength of the School rose from 75 to 130 and the staff of teachers was supplimented by the entertainment of 2 more teachers, and the efficiency of the School also very much increased as may be seen from the inspection reports in the School.

I joined this department on the 1st March 1881, when I was 18 years old and produced a health certificate as in the case of other pensionable appointments, since then I had been steadily doing my duty, and I have not on a single occasion attempted to quit the department, under the firm belief that my service entitled me to claim pension, and after having served 14 years, I am now informed that for an unforeseen technical objection I have lost my title to pension, through no fault of mine. This, I humbly beg to represent, is a deadly blow for me who am now in my 32nd year especially when it is considered that I can hardly complete my full term of pensionable service commencing it afresh now.

The G. O. under reference not only declares that I have lost my title to pension, but also indirectly punishes me by a reduction of 3 Rs. a month from my pay, in as much as I have to contribute this amount for pension, ignoring my long and faithful service of 14 years in the department.

Under these circumstances I throw myself on the mercy of Government and humbly beg to request, that your honor will be pleased to recommend that the period of 1 year and 9 months from 1st July 1887 to 31st March 1889, during which I was ordered by the Local Fund to serve in the Primary School be treated as service lent temporarily, as indeed it was really the case, and be left out of calculation for pensionary purposes and that I be considered to have put in a pensionable service of twelve years only.

For which act of kindness I shall ever pray.

I beg to remain
Sir
Your most obedient servant

Read letter No. 166 dated 28-10-94 from the Headmaster, Board Lower Secondary School, Hospet, forwarding the application of Viswanatha Sitaram Phadke, Assistant

masters

master of the School requesting that the period of his service as the Head master of the Primary Department may be treated as service lent temporarily and left out of calculation for pensionary purposes.

Read also footnote No 1673, dated 20-11-94 of the President, District Board, Bellary received with the favorable remarks of the Educational authorities on the subject.

Petition is forwarded to the President, District Board. The Board considers that this should be treated as a special case and that Viswanath Sitaram Phadke should be allowed to count his fourteen years service towards pension, the period of one year and nine months being excluded during which his services were temporarily lent to the Primary School. The Board has no objection to regarding the period of 1 year and 9 months as a period during which Viswanath Sitaram's services were lent to the Primary School.

SIR,

In submitting for favorable consideration the petition presented by Viswanath Sitaram Phadke, Second master, Lower Secondary School, Hospet, praying that the order regarding his services under the Local Funds, passed in para 5 clause (3) of G. O. Dated 3rd October 1894, No 1956 L. Mis. may be reconsidered together with copy of the Hospet Taluk Board's Resolution in the matter with that Board Presidents footnote thereto, I have the honor to state that I approve of the of the recommendation made by the Hospet Taluk Board and its President regarding the petitioner's Services.

2. It would appear from the petitioner's Service Register herein enclosed, that he was first entertained in March 1881 and he occupied a pensionable appointment without interruption till 1st July 1887. He was then transferred temporarily till 31st March 1889 to a non-pensionable post under Local Funds and he is thus now deprived of his pensionary title wholly.

3. The above transfer is shown to have been made under orders of the President, Taluk Board, on public grounds and not at the petitioner's request and the petitioner would not have been put to any loss had the pension rules been duly consulted when the question of his transfer above referred to was proposed.

4. The petitioner is spoken of in very high terms and has been a useful and steady Servant of the Board, and I therefore request that you will be kind enough to move Government to treat the case under Section 463, clause E of Civil Service Regulations and consider the non-pensionable period in his Service as "on other duty" or "leave on loss of pay", duly recognizing his title to pension for the remaining Service.

I have the honor to be,
Sir,
Your most obedient Servant.

The President is requested to state whether the Local Fund schools at Narayanadevarakeri and Kottur, in which V. Sitaram Phadke was employed before his transfer to the Local Fund Middle school at Harpanahalli on the 6th August 1886, were Middle schools at the time and if they were not to explain how his service from 1st March 1881 was regarded as pensionable under No. 80 of the Local Fund Rules.

V.R. 9/3/95

Note

From the Service Register it will be seen that the appointment held by V. Sitaram Phadke prior to 20th May 1881 was that of 2nd master of Local Fund school, Narayanadevarakeri which is now a primary school. If it was a primary school before 20th May 1881 also, the man has no claim at all for pension under No. 80 of the Local Fund Rules. Again if the school at Kottur in which he was subsequently employed was a primary school he should be considered to have lost his pensionary rights, by accepting a non-pensionable post.

Sir,

With reference to Government Memorandum No 344 dated 8-3-95 calling for certain information regarding the Local Fund Schools at Narayanadevarakeri and Kottur in connection with the petition presented by Viswanath Sitaram Phadke 2nd Master Board Lower Secondary School Hospet praying for a reconsideration of the orders passed regarding his services in G O No 1956 L Mis dated 3-10-94. I have the honor to furnish the following information regarding the Schools in question, as gathered from the old records of this Office and from the reports received from the President Taluk Board Hospet and the Assistant Inspector of Schools III Division

i That the School at Narrainadevarakeri was started in 1868 as a rate School and was converted into a Local Fund School in 1871 when the Local Fund Act came into operation in the District

ii That the School was from the beginning a Middle School (Lower Secondary) with III class or 1st Form as the highest Standard.

iii In the Budget for 1886-87 it was for the last time shown under Secondary Schools; but there is nothing in the covering letter either of the District Board Budget for 1886-87 or 1887-88 regarding the reduction in the Standard of the School.

iv The Local Fund Board at its meeting held on 17th August 1885 resolved merely to levy the rates of School fees prescribed for "Primary School" in this School also from 1st July 1885 owing to the temporary abolition of the third class there (Please vide copy of Resolution enclosed)

v That the School at Kottur was started in 1880 and the highest Standard of of Education in the School has been ever since the IV or Primary Standard.

2 The delay in submitting this report is due to the difficulty felt in obtaining the above information which had to be traced so far back as 1868.
