likely to be held at Chicaola and the members that will be nominated to represent the Parlatimedi Taluk will generally find it inconvenient to attend every meeting held at Chicaola.

(5) The average educational qualifications of the Parlatimedi members will be deteriorated by the exclusion of the educated gentlemen, at present on the Board, whose professional duties, will hereafter prevent them from attending meetings held so far away from the station.

(6) The amalgamation is a retrograde step and is calculated to frustrate the object which Government have in view, in establishing this institution of Local Self-government.

Sir,

I have the honour to submit herewith an extract from the proceedings of a meeting of the members of the Reading-Room, Parlatimedi for the favourable consideration of the Government.

The sanction of the Government recently published, to amalgamate the Taluk Board of Parlatimedi and Chicaola was simply a surprise to the people of this Taluk. Neither the people of the Parlatimedi Taluk nor even the members of the Taluk Board were given an opportunity to express their opinion on the subject. Nay, they were not aware of the proposal. As the disadvantages of the amalgamation are detailed in the body of the Resolution appended, it is not necessary to dwell on them again here.

The members of this association request that the Government will be pleased to reconsider the subject and cancel the recent order before it is given effect to on the 1st April 1896.
