Mr. A. Struthers was engaged under me as Engineering Assistant for a period of 8 months during that time I found him willing & anxious to carry out the work entrusted to him.

I have no doubt with a little practice
he will make a useful Assistant, as he

he) appears to understand the theory of his work very well.

Mr. H. Bruthurst a qualified Assistant Engineer of the Madras C. & C. College has been employed under me as a Sub-Div. Officer for about 5 years.

He has been the best Sub-Div. Officer I have had & I am happy to testify to his professional abilities.

He has had a great deal of experience in the Nellore District in which he is still my Assistant.

I should add that he acted for me, while I was on leave. I give this certificate as I am about to leave the country.
