GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Camp, Nandyál, 2nd January 1896, No. 49-S.

I have the honour to request the favour of the issue of an order by Government directing the attention of district boards and municipalities to the desirability of their correctly observing the terms of G.Os., Nos. 846 and 2102, dated 26th April and 11th November 1880, and G.O., No. 721 L.F., Financial, dated 26th June 1886, requiring that budget statements should be referred to this office for remarks.

2. It will be found, on reference to the remarks of this office and to the orders of Government thereon, that year after year the attention of certain local bodies is drawn by Government to the necessity for supplying full statements, with, however, very little result—in that the documents for 1896-97 now passing through this office present the usual incompleteness.

3. Should Government approve of the issue of this reminder, I would ask that it be also required that bodies which have submitted incomplete statements for 1896-97 should now forward the information omitted by them.

ORDER—No. 91 L., dated 15th January 1896.

Communicated to all Presidents of District Boards and Chairmen of Municipal Councils, with the request that complete information may be furnished punctually to the Sanitary Commissioner and also to the Surgeon-General and the Director of Public Instruction.
