Submitted to Government for favour of sanction, together with a draft notification for both the proposed unions. The notifications received with this letter had to be revised and combined into one.

Ref. on Cur. No. 116—D.B.

Submitted to Government with reference to memorandum, No. 721, dated 21st May 1895. The favour of sanction is requested for the constitution of an union at Kallakurichi. The Taluk Board President need not have waited for the sanction of the district board.

2. As regards the union proposed to be started at Ulundúrpéttai, Government will be addressed again on receipt of a reply from the Taluk Board President to the reference made to him in respect of the income that may be expected if Ulundúrpéttai were constituted an union.

3. A copy of the district board's resolution, No. 9, dated 29th ultimo, in this connection accompanies.

CUDDALORE, (Signed) A. E. CASTLESTUART STUART,
1st July 1895. *President, District Board, South Arcot.*

Enclosure.

Extract from the Proceedings of the District Board, South Arcot, passed at a meeting held on the 29th June 1895.

Read memorandum, No. 721, dated 21st ultimo, from Government requesting that the district board's opinion on the proposed formation of the Ulundúrpéttai and Kallakurichi unions may be obtained and communicated.

Resolution No. 9.—The district board approves of the proposal to constitute Kallakurichi an union and will recommend it to the favourable consideration of Government. As regards Ulundúrpéttai, it desires to have further detailed information regarding its probable income if constituted an union.

From M.R.Ry. P. RAJARATNA MUDALIYAR Avargal, B.A., President, Taluk Board, Tirukkóyilúr, to the President, District Board, South Arcot, Ref. on Regr. No. 378-Cur., dated 18th September 1895.

With reference to your foot-note Ref. on Cur. Regr. No. 116—D.B., dated the 8th July 1895, I have the honour to submit herewith a statement showing the probable annual income from the proposed Ulundúrpéttai union. The total income comes up to Rs. 1,120 and the total expenditure to Rs. 725, which leaves a balance of Rs. 395. There will therefore be no apprehension that there will be any necessity for contributing funds from the taluk board to meet the wants of the proposed union. What will make the union a self-supporting one is the large collections expected to be realized under "cart-stand fees." Ulundúrpéttai, as you are well aware, is on the high road to Panruti from Salem and a very large number of carts visit the place in consequence.

Submitted to Government for favour of sanction, together with a copy of the district board's resolution, No. 21, dated 30th September 1895 (*vide* memorandum, No. 721, dated 24th May 1895).

Enclosure.

Extract from the Proceedings of the District Board, South Arcot, passed at a meeting held on the 30th September 1895.

Read letter from the President, Taluk Board, Tirukkóyilur, No. 378, dated 18th instant, forwarding a statement showing the probable annual income that would be derived if an union were established at Ulundúrpéttai. (This statement was called for in the district board's resolution, No. 9, dated 29th June last).

Resolution No. 21.—The district board considers that Ulundúrpéttai should be formed an union and resolves to submit the proposal for the sanction of Government.

From M.R.Ry. T. RAGAVAYYA Garu, President, Taluk Board, Tirukkóyilúr, to the President, District Board, South Arcot, Ref. on Regr. No. 484-Cur., dated 14th November 1895.

With reference to your foot-note, Ref. on Cur. Regr. No. 116—D.B., dated the 3rd August 1895, to the Government memorandum, No. 1027, dated the 29th July 1895, I have the honour to submit herewith a statement showing the probable annual income from the proposed Kallakurichi union. In the statement, house-tax is calculated at full scheduled rates and the estimated income as per the statement amounts to Rs. 1,224. The expenditure as per budget estimate for 1896–97 is Rs. 942. If full scheduled rates be therefore levied, the income of the union exceeds its expenditure and it becomes self-supporting. But this board in its budget meeting dated 13th November 1895, suggested the levy of half scheduled rates for the first few years in newly-formed unions. If this suggestion of the Board comes to be approved, the estimated income falls short of the estimated expenditure by Rs. 138, and the union would require help from the taluk board to an extent of about Rs. 150 at least for the first few years. As, however, this sum is not large, it is submitted that the formation of the union is desirable considering the sanitary and other advantages accruing therefrom.

Submitted to Government with reference to memorandum, No. 1027, dated 29th July 1895, together with a copy of the District Board's resolution, No. 11, dated 30th November 1895.

Enclosure.

Extract from the Proceedings of the District Board, South Arcot, passed at a meeting held on the 30th November 1895.

Read letter from the President, Taluk Board, Tirukkóyilúr, No. 484, dated 14th instant, furnishing the information required by Government in memorandum, No. 1027, dated 29th July last, regarding the proposed Kullakurichi union.

Resolution No. 11.—Under the circumstances reported, the Board recommends that Kallakurichi be constituted an union and that house-tax at full rates be levied from 1st January 1896.

From M.R.Ry. T. RAGAVIAH Garu, President, Taluk Board, Tirukkóyilúr, to the President, District Board, South Arcot, dated Tirukkóyilúr, 20th November 1895, Ref. on Regr. No. 378-Cur.

With reference to your foot-note, dated the 4th instant, Ref. on Regr. No. 116—D.B., to Government memorandum, Local and Municipal Department, I have the honour to inform you that the taluk board has resolved at its budget meeting held on the 13th instant, to levy only half scheduled rates at first in the newly-formed unions (copy of resolution enclosed). This would apply to Ulundúrpéttai union also. But even after calculating house-tax at half the scheduled rates the accompanying statement would show that the expected receipts exceed the expected expenditure; consequently there would be no necessity for any contribution from the taluk board funds. As is the case in the Tirukkóyilúr union, the date of commencement of the collection of house-tax may be fixed as the 1st July of every year.

Enclosure.

Extract from the Proceedings of the Taluk Board, Tirukkóyilúr, passed at a special meeting held at Tirukkóyilúr on the 13th November 1895.

2. The board is of opinion that half the scheduled rates of house-tax should be levied in newly-formed unions for the first few years. The board has been flooded with appeals consequent on the levy of full scheduled rates in the Tirukkóyilúr union for the current year and the ryots who are for the most part poor suffer a good deal.

Submitted to Government with reference to memorandum, No. 1538, dated 29th October 1895, together with a copy of the district board's resolution No. 12, dated 30th November 1895. The district board is of opinion that the house-tax should be levied at *full* rates in the proposed Ulundúrpéttai union from 1st January 1896.

Enclosure.

Extract from the Proceedings of the District Board, South Arcot, passed at a meeting held on the 30th November 1895.

Read letter from the President, Taluk Board, Tirukkóyilúr, No. 378, dated 20th instant, furnishing the particulars called for by Government in memorandum, No. 1538, dated 29th ultimo, regarding the proposed Ulundúrpéttai union.

Resolution No. 12.—The board resolves to submit the required information to Government and to adhere to its former resolution recommending the constitution of Ulundúrpéttai an union, house-tax being levied at full rates.

Order—No. 92 L., dated 15th January 1896.

The proposal of the local boards to constitute the unions of Ulundúrpéttai and Kallakurichi from 1st April 1896 is approved, subject to the condition that house-tax is levied in them at full rates as suggested by the district board. The following notification will be published in the Fort St. George and South Arcot District Gazettes:—

NOTIFICATION.

Under sections 6 and 122 of the Madras Local Boards Act (V of 1884), the Governor in Council is pleased to declare that the villages in the revenue taluks of Kallakurichi and Tirukkóyilur in the South Arcot district, specified in the annexed schedule, shall be unions for the purposes of the said Act from 1st April 1896, and that the maximum number of members to be appointed for the Panchayats of the said unions shall, for the time being, be seven in each case.

Schedule.

Taluk.	Union.	Villages comprised in the union.
Kallakurichi	Kallakurichi	Kallakurichi, Emapper and Kiranur.
Tirukkóyilúr	Ulundúrpéttai ..	Ulundúrpéttai, with its hamlet Kiranur, and Ulundandarkoyil.

2. The taluk board will be informed that Government is of opinion that the upkeep of unions is not a legitimate charge on taluk board funds, and that all unions should, as far as possible, be self-supporting. There is no reason why house-tax should not be levied at full rates from the date of the constitution of a union.

There will therefore be no apprehension that there will be any necessity for contributing funds from the taluk board to meet the wants of the proposed union. What will make the union a self-supporting one is the large collections expected to be realized under "cart-stand fees." Ulundúrpéttai, as you are well aware, is on the high road to Panruti from Salem and a very large number of carts visit the place in consequence.

Submitted to Government for favour of sanction, together with a copy of the district board's resolution, No. 21, dated 30th September 1895 (*vide* memorandum, No. 721, dated 24th May 1895).

ENCLOSURE.

EXTRACT from the Proceedings of the District Board, South Arcot, passed at a meeting held on the 30th September 1895.

Read letter from the President, Taluk Board, Tirukkóyilur, No. 378, dated 18th instant, forwarding a statement showing the probable annual income that would be derived if an union were established at Ulundúrpéttai. (This statement was called for in the district board's resolution, No. 9, dated 29th June last).

Resolution No. 21.—The district board considers that Ulundúrpéttai should be formed an union and resolves to submit the proposal for the sanction of Government.

From M.R.Ry. T. RAGAVAYYA Garu, President, Taluk Board, Tirukkóyilúr, to the President, District Board, South Arcot, Ref. on Regr. No. 484-Cur., dated 14th November 1895.

With reference to your foot-note, Ref. on Cur. Regr. No. 116—D.B., dated the 3rd August 1895, to the Government memorandum, No. 1027, dated the 29th July 1895, I have the honour to submit herewith a statement showing the probable annual income from the proposed Kallakurichi union. In the statement, house-tax is calculated at full scheduled rates and the estimated income as per the statement amounts to Rs. 1,224. The expenditure as per budget estimate for 1896–97 is Rs. 942. If full scheduled rates be therefore levied, the income of the union exceeds its expenditure and it becomes self-supporting. But this board in its budget meeting dated 13th November 1895, suggested the levy of half scheduled rates for the first few years in newly-formed unions. If this suggestion of the Board comes to be approved, the estimated income falls short of the estimated expenditure by Rs. 138, and the union would require help from the taluk board to an extent of about Rs. 150 at least for the first few years. As, however, this sum is not large, it is submitted that the formation of the union is desirable considering the sanitary and other advantages accruing therefrom.

Submitted to Government with reference to memorandum, No. 1027, dated 29th July 1895, together with a copy of the District Board's resolution, No. 11, dated 30th November 1895.

EXTRACT from the Proceedings of the District Board, South Arcot, passed at a meeting held on the 30th November 1895.

Read letter from the President, Taluk Board, Tirukkóyilúr, No. 484, dated 14th instant, furnishing the information required by Government in memorandum, No. 1027, dated 29th July last, regarding the proposed Kullakurichi union.

Resolution No. 11.—Under the circumstances reported, the Board recommends that Kallakurichi be constituted an union and that house-tax at full rates be levied from 1st January 1896.

From M.R.Ry. T. RAGAVIAH Garu, President, Taluk Board, Tirukkóyilúr, to the President, District Board, South Arcot, dated Tirukkóyilúr, 20th November 1895, Ref. on Regr. No. 378-Cur.

With reference to your foot-note, dated the 4th instant, Ref. on Regr. No. 116—D.B., to Government memorandum, Local and Municipal Department, I have the honour to inform you that the taluk board has resolved at its budget meeting held on the 13th instant, to levy only half scheduled rates at first in the newly-formed unions (copy of resolution enclosed). This would apply to Ulundúrpéttai union also. But even after calculating house-tax at half the scheduled rates the accompanying statement would show that the expected receipts exceed the expected expenditure; consequently there would be no necessity for any contribution from the taluk board funds. As is the case in the Tirukkóyilúr union, the date of commencement of the collection of house-tax may be fixed as the 1st July of every year.

ENCLOSURE.

EXTRACT from the Proceedings of the Taluk Board, Tirukkóyilúr, passed at a special meeting held at Tirukkóyilúr on the 13th November 1895.

2. The board is of opinion that half the scheduled rates of house-tax should be levied in newly-formed unions for the first few years. The board has been flooded with appeals consequent on the levy of full scheduled rates in the Tirukkóyilúr union for the current year and the ryots who are for the most part poor suffer a good deal.

Submitted to Government with reference to memorandum, No. 1538, dated 29th October 1895, together with a copy of the district board's resolution No. 12, dated 30th November 1895. The district board is of opinion that the house-tax should be levied at *full* rates in the proposed Ulundúrpéttai union from 1st January 1896.

Resolution No. 12.—The board resolves to submit the required information to Government and to adhere to its former resolution recommending the constitution of Ulundúrpéttai an union, house-tax being levied at full rates.

FOR ORDERS.

In this case the Taluk Board proposes to constitute the village of Ulundurpettai with its two hamlets into a Union, and to levy house tax at half the maximum rates from 1st Jany 1895, as they consider that the tax should be collected at this rate in newly formed Unions for the first few years; and as it appears from the Statement submitted with the last of the currents read above that the anticipated receipts exceed the charges, even when credit is taken for house tax at half rates. The estimate of receipts however, includes an item of Rs 545 from the cart-stand, Rs 65 from the market, and Rs 100 from fines, which may be b[illegible]d as contributions by the Taluk Board, as Panchayats are not entitled to them as a matter of right under Section 140 of the Local Boards Act. On the other hand nd, the District Board recommends the levy of the tax at the axcimum rates; but even if this proposal is sanctioned, the Union cannot be self supporting, unless it is allowed to take credit for the cartstand and market fees and fines above referred to. Orders are Solicited as to the rate at which the tax should be levied.

if the Union is to be constituted.

The expenditure is estimated at Rs 913 & if house tax is levied at full rates, the receipts therefrom will be Rs 750, leaving the Taluk Bd to pay Rs 163 – 35 (pandal fees) i.e. Rs 128. Considering the large income the Tk Bd will receive from the Cartstand (Rs 5205) submitted that this may be allowed.

H.M. For Orders

Please see the notes and orders on the first of the currents read above. The Taluk Board proposes to levy house tax at half the maximum rates in all newly formed unions for the first few years. If this proposal is approved, the Kallakurchi Union would require a contribution of Rs. 138 from the Taluk ~~Board~~ funds. The District Board, however, recommends the levy of the maximum rates, which would make the proposed Union self-supporting if pandal fees & sundry receipts (Rs 40 + Rs 180) are included; the expenditure is estimated at Rs 942, & the house tax receipts at Rs 840. Submitted that ½ rates cannot be sanctioned as it leaves a deficit, even after inclusion of receipts which properly belong to the Taluk Board.

SIR,

With reference to your footnote No Reference Regr No. 116/583 dated the 3d August 1895 to the Government Memorandum No. 1027 dated the 29th July 1895, I have the honor to submit herewith a statement showing the probable annual

Board recommends
be constituted

In the statement, house tax is calculated at full scheduled rates and the estimated income as per the statement amounts to Rs 1224. The expenditure as per Budget estimate for 1896-97 is 942. If full scheduled rates be therefore levied the income of the Union exceeds its expenditure and it becomes self supporting. But this Board in its Budget meeting dated 13.11.95 suggested the levy of half scheduled rates for the first few years in newly formed Unions. If this suggestion of the Board comes to be approved, the estimated income falls short of the estimated expenditure by Rs 138 and the Union would require help from the Taluk Board to an extent of about Rs 150 at least for the first few years. As however this sum is not large it is submitted that the formation of the Union is desirable considering the Sanitary and other advantages accruing therefrom.

With reference to your footnote No. Refer Regr No. 116/803 dated the 4th instant to Government Memorandum L.M.
