Chief Secretary to Government Madras
Through the Collector of Vizagapatam,

Sir.

In forwarding herewith the plans and estimates amounting to Rs. 10500- for constructing a road from Band stand to the Judge's Bungalow at Waltair, I have the honor to state that the Honorable the Maharajah of Vizianagaram P. C. J. E. has kindly proposed to make a road in continuation of the Beach road to Waltair and generously contributed Rs. 10000- for the same. The amount was placed at the disposal of the Collector with a view to make the road under his supervision and to transfer the same after

its completion to the Municipal Council which agreed to maintain it. The Collector subsequently transferred the Contributions to Municipal funds and the work was begun under his orders. The Local Fund Engineer supervised the work and it has almost been completed. The Municipal Council required the Local Fund Engineer to furnish plans and estimates for the work soon after the amount was transferred to its funds. The Council at its meeting held on the 30th August 1894 sanctioned the estimates subject to the approval of the Superintending Engineer who after receiving the necessary information, returned the plans and estimates ~~to~~ to this office saying that it is of no avail to scrutinize the plans and estimates of a work which is nearly completed (vide his letter No. ³⁸⁰¹⁴ 22-8-95 herewith submitted)

I therefore request that you will be so good as to obtain the sanction of Government for the work,

I have the honor to be

Current No. of 189 , dated from the

Order.

1487 of 26-10-95

From the papers received with the
Chairman's letter, it is observed that although
the estimate for the road was sanctioned
by the municipal council on the 30th
August 1894, it was apparently not for-
warded to the Superintending Engineer until
the 16th August 1895, or nearly a year after-
wards. This delay should have been ex-
plained.

Under the circumstances stated,
however, the expenditure on the road in
question will be admitted in the munic-
ipal accounts.

The Honorable J. J. Price
Chief Secretary to Government Madras
(Through the Collector of Vizagapatam)

Sir.

With reference to your Memorandum,
No. 1487, dated 24th October last, I
have the honor to submit that the
Local Land Engineer was requested
on the 5th September 1894 to order the
preparation of the plans and estimates
of the masonry works to be constructed
on the road from the Band Stand
to the Judge's bungalow at Waltair
for submission to the Superin-
tending Engineer for approval as
required by para 2 of G. O. dated
16th January 1891, No. 79 L. But
he did not comply with my request
though two reminders were sent
to him for the same. I then
addressed the Collector on the

7th March 1895 requesting him to write
to the Local Fund Engineer to furnish
me with the plans and Estimates
I wanted. They were then received in
this office on the 8th March 1895, and
the same were forwarded to the
Superintending Engineer on the 14th
March 1895 for his approval
who returned them with his
letter No 10, dated 2^d April 1895
requesting me to furnish him
with further information on
the subject. The Local Fund
Engineer was again addressed
on the 11th April 1895 to supply
the information required
by the Superintending Engineer.
He furnished the information
finally on 6th August 1895
I forwarded the plans and
estimates to the Superintending
Engineer on the 16th August 1895

and he returned them to me with
his letter No. ³⁸⁰~~22-8-95~~.

In these circumstances, I beg
to submit that you will observe
that the delay in submitting to
Government the correspondence
for constructing the road from
Band stand to Judge's bungalow
was not occasioned in this office.
