Sir,

Enclosures.
1. Extract from Fort St. George Gazette 9.7.95.
(2) Letter from head clerk, Madras Municipality.

I have the honour to request permission to appear before a Medical Board with regard to my fitness or otherwise to return to duty.

I was appointed to my Office by the Governor in Council under Section 37 of the City of Madras Municipal Act, No. 1 of 1884 amended by 11 of 1892. Section 45 brings me under the leave regulations applicable to the Government service. I was granted leave for twelve months on the certificate of a Civil Medical Board by G.O. dated 9th July 1895, and availed myself of it from the 20th July.

I was informed by the Head Clerk, Madras Municipality after inquiry in the Accountant General's Office that it was not necessary for me to report my arrival at the India Office as I drew my allowances direct from the Municipality. He has also written to inform me that any application for leave should be made under Section 902 of the Civil Service Regulations.

I have, etc.,

My dear Sir,

I am exceedingly glad to hear of your recovery and hope you will be soon with us here. In case you intend extending your leave you will have to apply to the India Office for appearing before Board under article 902 of the Regulations. But it seems to me that you can appear before the Board direct as the Secretary of State for India does not pay your leave allowances, but you are drawing it direct from this Office. I have asked the Accountant General's Office on this point and they seem to apply Article 902 in this case.

The report of the Sanitary Commissioner was again considered by the Commission and their resolution is embodied in the cutting herewith sent.

House to House Conservancy is to be introduced in 4th and 5th grades from 1st of February next and arrangements are fast being made.

Government has granted a contribution of a lac of rupees for constructing an Incarator for disposal of rubbish. A trial Incarator is to be constructed on that vacant land to the East of Basin Esplanade Road. For the buying of the contractor's conservancy carts and for making new ones as may be required, a further contribution of Rs.50,000 was made by Government, and Commrs. at their meeting held yesterday thanked Govt. for their liberality.

Everything is getting on smoothly, thanking you for conveying me the compliments of the season and wishing you many many returns of the same,

I remain etc.,

Medical Board,
India Office,
21st April 1896.

We certify to have carefully examined Mr. J.N.Cook, Health Officer, Madras Municipality, and find that he was invalided from Madras in June 1895 on account of debility caused by constipation, disordered liver, and piles.

In October-November last he had a sharp attack of remittent fever. He is much better now, but still suffers from constipation and piles, which latter he purposes to have removed by operation. He requires an extension of leave for this purpose, and to enable him to undergo further general treatment.

We therefore recommend that he be granted an extension of leave for three months for the recovery of his health.
