SIR,

I have the honor to submit for sanction and publication a draft declaration for the acquisition of 16 acres of land in the Town of Bellary required for public purposes. The land adjoins the Railway Station and contains a portion of the main supply channel of the mainwaring tanks upon which the people of the whole of Brucapetta depend for water for drinking purposes. It was acquired in 1870 as a free hold by Messrs Dymally and lately passed into the hands of one Mr R. K. Kasturi Chetty a pensioned Talukdar who is intending to make use of it in a manner that would affect the sanitary condition of the tanks who has already cut down all the trees on it except two. The District Medical and Sanitary Officer and the Sanitary Commissioner consider its reservation to be absolutely necessary in the interests of sanitation, and under their advice, the Municipal Council has decided to acquire the land.

2 The statement obtained from the owner of the land is enclosed with a translation in English.

I have the honor to be

Yours faithfully,
E. C. Rowson
