Sir,

Referring to your reference on current
No. 159 dated the 11th October 1895, I have
Comp
the honor to state that though the President
of the Negapatam Taluk Board has applied
for only 40 x 80 sq. feet of land marked
K. D. M. L. in the enclosed sketch for the
Construction of a Pariah School at
Sitha Kamangalam the Tahsildar of
Nannilam is of opinion that the portions
marked H. J. C. D. and H. K. L. G. therein
Should also be taken up, the former for a
pathway and the latter for the use of the School.

The total extent to be taken up is 9 cents, for which a draft declaration is herewith Submitted.

2. The lands in question were measured as "~~2 1/2~~ 2000" in the old cadjan accounts and in the A-Register as 'jari', some of the portions of the whole paimash numbers having been assigned in Fasli 1269.

To the north of the spot selected there are huts and the lands are reported to have been used as backyards thereof and for other purposes. The enquiries made by the Tahsildar clearly show that the lands have long been in the enjoyment of the ancestors of Visvanath Aiyar, from whom they have descended down to him.

Although the lands are measured by the Settlement Department as 'natham', I think that Visvanathaiyar has got claim to them and must be paid compensation. Visvanathaiyar has, in his Statement dated 22nd August 1895 before the Tahsildar, consented to rent out

the lands at Rs 1-8 per mensem but is unwilling to have them acquired. His objection seems to be mainly due to a faction between him and the pariah population of the village. The lands were selected by the Educational Department as being centrally situated and the objections made by Visvanathaiyar do not deserve consideration.

3. The connected records on the subject are herewith Submitted for reference and favour of return.

To

SIR,

I have the honour to forward herewith, under Section 6 of Act I of 1894, a draft declaration with respect to a piece of land measuring .09 acres in Survey No. 155 in Sithakkamangalam Namnilam Taluk, required by the Taluk Board Kelapatam for the construction of a School house for pariahs.

2. The Land belongs to 3 individuals, of whom, one is absent from the Village and the other two who are present are unwilling to part with the Land. Owing, it is said, to the Existence of a faction

in

in the village, between them and the pariah
Community for the benefit of whose children
the School house is proposed to be constructed.

The objection being frivolous, may be overruled,
and the land ordered to be acquired and
made over to the Taluk Board for the pur-
pose required.

3. Copies of the statements given by the above
two individuals (with English translation) and
the Head Assistant Collector's letter ^{Ref on Curr.} No. 4660 _{Rev}
dated 13 March 1896 are enclosed for reference.
