PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

Endorsement of the Local & Municipal Department, dated 11th January 1896 No 28, on letter from the Agent to the Governor, Vizagapatam, dated 12th December 1895 No 1311:—

With reference to Government Order No 1103 L Mis dated 26th June 1895, regarding the introduction of the Local Fund Act into the Agency of this District, I have the honor to state that I always contemplated this step ^{being} ~~having been~~ taken as soon as the management of the Jeypore Estate terminated. ^{on} the appointment of Mr. French as Estate Engineer I placed him in the position of ^a Local Fund Engineer and introduced the Local Fund form of account for all works under his charge with ^{new} ~~a~~ to facilitating the change.

2. Before submitting proposals there is one point on which I would like information. In section 3 (1) of the Local Fund Act a district is defined to be "any local area which for the purpose of the Collection of Land Revenue shall have been placed for the time being under the charge of a Collector of a district! Does this render it necessary that the agency tracts should be added on to the charge of present District Board or would it be allowable to have a separate Board for the Agency? I fear that the former view is the correct one. It would be much easier to work the agency with a separate Board and though I do not think that it would be impossible to add it on to the present Board's charge there would be some serious objection to doing so such as the fact that the agency would be practically unrepresented at its meetings and the work of the ordinary portion of the area in the matter of budgets, administration reports and returns of all kinds generally hampered by delays, mistakes and omissions in the agency area.

It will be necessary to take a lenient view of the short comings of the Agency Taluks and officers for some years and this could be much better done if the two areas constituted separate District Boards.

Endorsement of the Local & Municipal Department, dated 24th February 1896 No 254, on Proceedings of the Board of Revenue Land Revenue, dated 14th February 1896 No 778.

Letter from the Surgeon General, dated 2nd March 1896 No 158.
Letter from the Agent to the Governor, Vizagapatam, dated 9th ^{April} March 1896, No 332.

With reference to Government Order No 1227, dated 12th June 1895, I have the honor to submit herewith a comparative statement showing the revenue raised and the expenditure made by Government in the Jeypore Estate during the official year 1894-95.

2. On receipt of the Government Order information was called for from different departments working in the Agency but that rendered by most of them being found inaccurate it had to be gathered from the accounts kept in this office which show the receipts and charges for the district in lump. To distinguish that relating to the Jeypore Estate alone has taken some time and hence the delay.

Order No 881, dated 18th May 1896.

The Government considers that there are serious objections to placing a Jeypore Local Board under the Vizagapatam District Board and the question of forming such a Board must therefore lie over until an amendment of Act V of 1884 can be made which will permit of Jeypore having a District Board of its own.

2. Meanwhile the Government will accord sanction to the construction of a mud and thatched dispensary at Malkanagiri if the Surgeon General can appoint a hospital assistant to the place who knows the local language. The Surgeon General will be requested to report upon this point.
