OFFICE NOTE.

From The Joint Secretary,
P.W. Department.

To The Chief Secretary,
Local & Municipal Dept.

Adverting to G.O.No. 298 W d/
24th Jany. '96, it seems necessary --
that a decision should be come to
as to the incidence of the cost of
the establishment, instruments, &c --
required for the Ootacamund Water
Supply Project, the investigation of
which has been entrusted to Mr.G.T.
Walch M.I.C.E.

2. The Chief Engineer will provide
an upper subordinate from the Public
Works Department and will endeavour
to engage the office establishment
required by Mr.Walch, but the cost
cannot apparently be charged to the
P.W.Budget grant, as the rules of --
the P.W.D. do not allow of Municipal
expenditure being so debited.

3. It seems desirable that an order
of

of Government should issue in the
Local and Municipal Department ac-
cepting the expenditure as a charge
against the Municipality.
