Order.

I don't think this is what India meant. It says "market-place" & groups it with "town halls and public gardens" under the description of "works which are merely or mainly ornamental or convenient" as distinguished from "works of public or general convenience & utility" — By "market-place" I understand an open space where people congregate to buy & sell. But these people want a "market" that is, a building — I don't see why they should not have their loan.

The Municipal Council will be informed that, under para 4(1) of the Resolution of the Government of India No. 13, dated 1st January 1889, communicated in G.O. No. 322 L, dated 8th February 1889, the loan applied for cannot be granted.

2. In the statement of receipts and charges submitted with the Chairman's letter the figures for 1893-94, 1894-95 & 1895-96 should have been given instead of those for 1892-93, 1893-94 & 1894-95.

Letter to
The Secretary to Govt. of India

Sir,

An application by the Kurnool Municipality for a loan of Rs 5000 ~~for~~ in view to the construction of a market having recently been received by this Govt. I am directed to submit it with the following remarks for the orders of the Govt. of India. ~~India~~ Resolution (Dept. of Finance & Commerce) No 13, para 4(1), of 1 June 1889 ~~[illegible]~~ of [illegible] & [illegible] laid down that loans to municipalities from Provincial funds ~~may~~ ~~might~~ may be granted only for works of public & general convenience or utility ..... & not for ~~[illegible]~~ works, which are merely or mainly ornamental or convenient such as a town-hall, public garden, or market place. It appears however to H.E. the G. in C. that by the term "market place" is meant an open space where people may ~~congregate~~ assemble to buy & sell, ~~& as such it has been classed in the same category as a public garden. But such this is not the same thing as~~ that it was not intended to cover a "market", that is a covered building erected for the convenience of the public, and fitted with regular stalls ~~in which may be brought~~ at which the necessary commodities of life ~~& sold the necessary commodities of life,~~ are ~~brought and~~ sold & which should therefore be classed as a work of public & general convenience & utility. I am ~~therefore~~ accordingly to request that ~~this~~ loan ~~of~~ sought by the Kurnool Municipality may be ~~sanctioned~~ approved, & that this Govt. may be authorized to sanction all ~~such~~ similar loans in future –

Sir,

An application ~~by~~ from the Kurnool Municipality for a loan of Rs.5000 in view to the construction of a market having recently been received by this Government, I am directed to submit it with the following remarks for the orders of the Government of India. In Resolution (Dept. of Finance & Commerce), No.13, para. 4 (1), dated 1st Jany. 1889, it is laid down that loans to Municipalities from Provincial funds may be granted only for works of public and general convenience and utility,... and not for works which are merely or mainly ornamental or convenient, such as a town-hall, public garden, or market place. It appears, however, to His Excellency the Governor in Council that by the term "Market place" is meant an open space where people may assemble to buy and sell, and that it was not intended to cover a "market", that is, a covered building erected for the convenience of the public and fitted with ~~separate~~ ~~into~~ stalls at which the necessary commodities of life are sold and which should therefore be classed as a work of public and general convenience and utility.

3 I am accordingly to request that the loan sought by the Kurnool Municipality may be approved, and that this Government may be authorised to sanction ~~all~~ ~~similar loans~~ in future all loans applied for for similar purposes.
