Sir,

Under G.O. dated 24-1-95 No. 154 L. the
Hospital Assistant at Talavadi was
allowed the usual house rent of Rs 5 per
mensem for the months of April, May
and June for his quarters at that place.
The Taluk Board in its resolution no 38
dated 26th October 1895 took objection to
the above grant on the ground that the
building is not within 200 yards from
the dispensary as required by para 3 of
the above G.O.

2. Mr. Robertson the late District Medical and Sanitary officer made the following remark when he inspected the dispensary in May 1894.

"That in a wild and outlandish place like this it should be the Board's aim to make the Hospital Assistant as comfortable as possible."

3. I quite concur with the ^{District} Medical and Sanitary officer and recommend that in consideration of the unhealthiness of the locality and the difficulties in procuring suitable accommodation within a distance of 200 yards, the Government will be pleased to treat the case of the Talavadi Hospital Assistant as a special one and grant him house rent for his present quarters.

4. A copy of the Taluk Board's resolution sanctioning the house subject to the approval of

Order

The President's request in para. 3

of his letter cannot be complied with, as the object ^{attained} ~~is~~ viz, that hospital assistants may live close to their work, would be defeated if the limit of disbursements already fixed is exceeded. Under the circumstances stated, the Taluk Board should build headquarters with the least possible delay.
