(Municipalities)

Sir,

I am directed to acknowledge the receipt of the Report on the Administration of the Madras Municipality for the year 1894-95 forwarded with your endorsement No. 1624M, dated the 9th October last.

2. With regard to Tables XVI, XVII and XVIII appended to the Report, which appear to have been drawn up in accordance with the suggestions contained in para 8 of the Memo: by the Army Sanitary Commission on the Health Reports of the Presidency Towns for the year 1889, I am to observe that the heading "Injuries", which is one of the general divisions of diseases given in the Provincial Sanitary Reports, has been omitted from Table XVIII, though this does not appear to have been intended by the Army Sanitary Commission.

3. I am to invite attention to the Resolution of this Department, No. 2 Sany. 154-164 dated the 29th May 1890, and to request that, with the permission of His Excellency the Governor in Council, the heading "Bowel Complaints" in Table XVIII may be changed to "Dysentery and Diarrhoea." In this table, also, the words "per 1000" should, in order to avoid possible misapprehension, be inserted after the word "Ratios".

I have the honour to be,
Sir,
Your most obedient Servant,

C. H. A. Hill
