Sir,

In reply to your Ref: on. C. No 1234/Pt dated 31st ultimo, I have the honor to state that the Complaint that Water Supply was not Supervised and that the Municipal Servants were quarrelling is utterly unfounded and that the Scarcity of Water Supply was grossly exaggerated.

2. On the 25th ultimo the Water Supply was stopped for a few hours by the Water Works Overseer as some repair had to be done to the main (Please vide Diary of W. Works Overseer dated 25th ultimo

Enclosed for prusal & return) owing to the air valve at the head Works having become rather too tight, the Supply was Spasmodic at high levels for very Short periods on the 28th and I hastened to the Bugga Works, found out the mistake and had the valve righted. Since then the Supply has been Steady and Copious.

3. Dr O'Hara and Mr Elliot were Supervising the Water Supply in my absence and I have since delegated my powers to Mr Elliot. I was encamped at Ontimetta, at an hour's journey from Cuddapah, ready to attend to any emergent Call.

4. The allegation that the Water Supply was not Supervised is unfounded. The Water Works Overseer was looking after it, and the Spasmodic, ~~was~~ Supply, for Sometime at high levels, was due to the air valve having become tight. The allegation that the Municipal Servants were quarrelling is equally false. I have never heard of Such quarrel at all.

5. I must Submit in this Connection that the author of this Telegram is one P. Vedavyasacharlu. He is an obscure person residing at Nandalur. I have reason to think that Mr V. Tirumal Row a Municipal Councillor who was recommended by me for removal from Council for reasons Stated in this Office Letter No ~~197/28.2.96~~ 43/21.4.96 is at the bottom of all this from Sheer Spite.
