The following points are noticed in the budget statements and the Presidents letter:—

(1). In Statement V the provision for the salary of the servant attached to the dispensary at Dhone is given as Rs 72, whereas according to the proposition statement it amounts to Rs 60.

(2). From Statement VI it appears that certain alterations are contemplated in the scavenging establishments employed in some of the non-union villages, but these are not shown in the proposition statement.

(3). Column 21 of statement VIII

not been filled in.

(4) In Statement X the details of establishments for each institution, office or village should have been given separately and not lumped together.

(5). In para. 40 of the President's letter it is stated that third and fourth instalments of increments have been provided for the third and fourth clerks respectively of the District Board's office, whereas from statement X it appears that there are only three clerks in that office and that the first and second clerks are to get increments.

(6). From the proposition statement, it appears that the pay of the teacher on Rs. 5 employed in the Rudravaram school is to be raised to Rs. 7, while the services of the other on Rs. 4 are to be dispensed with, and that some of the Upper primary schools are to be converted into lower primary ones and vice versa, but no reference is made to these alterations in the President's letter, nor has the necessity for them ~~alterations~~ been explained in the proposition statement.

(7). In the proposition statements the establishments relating to schools and markets in which no changes are to be made should have been omitted.

(8). The resolution of the District Board passing the budget has not been submitted.

2. The discrepancies noticed in clauses (1) and (5) of the preceding paragraph and the omissions pointed out in clauses (2) and (6) should be explained, and the omissions referred to in clauses (3) and (8) should be supplied as

soon as possible.

SIR,

I have the honor to reply to the several points referred to in para 1 of Government Memorandum No. 246 dated 22nd February 1896.

Clause (1)— The entry of Rs60 in the proposition Statement should be Rs72 and not Rs60.

Clause (2)— A proposition Statement is herewith Submitted.

Clause (3)— A revised Statement VIII is Submitted herewith with the omissions supplied.

Clause (5) — There are 5 clerks in the District Board's Office. The manager (which designation has been adopted from Board's Proceedings recorded in G.O dated 4th September 1871 No. 426) is Considered for the purposes of Statement X as Head clerk and the Accountant is also considered for the same reason as the 2nd clerk. Thus it will be seen that the 3rd and 4th clerks are to get increments.

Clause (6).— The explanations which have been called for from the Presidents of Taluqs are awaited and will be submitted on receipt.

Clause (8)— A memorandum explaining in detail the various items of the Consolidated Budget as prepared in this office was placed before the meeting on 10th December 1895, and its opinions

recorded in the margin thereof. But as the Subjects of discussion were numerous, and required time to reduce to proper form, they were not recorded in the Minutes book at the meeting. I have now drafted a resolution in accordance with the notes taken on the above Memorandum and Submit a copy of the same for the information of Government.

SIR,

In continuation of this office letter No. 81 dated 16th March '96 and with reference to clause (b) of Government Memorandum No. 246 dated 22d February '96 I have the honor to state that there was not enough work for two teachers and therefore only one teacher on Rs 7 was recommended for the Rudravaram School.

2. As there were not sufficient pupils in the IVth standards of some of the Upper Primary schools the IVth standards were abolished and the schools reduced to the Lower Primary grade.

3. As the Upper Primary Schools under private management were not many in number and most of them were not likely to fulfil the conditions of recognition, such of the Board Lower Primary Schools as were able to fulfil the conditions required for Upper Primary schools were raised to that grade.

4. These alterations were made in accordance with the suggestions of the local Educational Officers.
