OFFICE OF SURGEON-GENERAL

Mdras, 18 April 1896.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal

DEPARTMENT.

SIR,

With reference to Grant III of the budget estimate of the District Board, Madura for the year 1896-97, I have the honor to state that the proposal of the board to abolish the dispensary at Tiruchuli for want of funds does not commend itself to me. The institution at Tiruchuli was once a Hospital but was reduced to a dispensary in 1893. To abolish it now will be a retrograde step and the District Medical and Sanitary Officer Madura who was consulted by me in the matter is strongly opposed to its abolition.

I have also received a petition from the inhabitants of the station protesting against the proposal on the following grounds.

(1) Tiruchuli is in the centre of the town.

(2) It is the head quarters of a Sub magistrate and Deputy Tahsildars, Sub Registrar, Police Inspector &c.

(3) They have appreciated English treatment better than several others in other parts of the district, and now find it difficult to revert to the old and ancestral mode of native treatment.

2. The substitution of a 1st class Hospital assistant at Attampolliem in place of

of the civil apothecary meets with my approval
3 Provision made for the entertain-
ment of a cook for the hospital at Esilampatti
and of a compounder for the dispensary at
Andipatti appears necessary.

I have the honor to be,

Sir,

Your most obedient Servant,

C. Pitt-Rivers

In para. 36 of the budget letter printed in G.O. No. 458h of 11th March 1896, it is proposed to abolish the dispensary at Tiruchuli. But the Surgeon General for the reasons given in his letter read above strongly objects to this. In this connection please see para. 38⁶ of the budget letter printed in G.O. No. 374h of 2nd March 1895, and statement XII accompanying the budget for 1896-97, from which it appears that the Revenue Rs. 158. spent more on Grant III than on Grant II. 2. The entertainment of a cook on Rs 5 and a compounder on Rs 9 for the dispensaries at Uoilampatti and Andipatti respectively, proposed in para. 37 of the budget letter in the G.O. read above may be sanctioned.

The Surg. Genl's reasons against
J.S.
27/5/96, abolishing the dispensary are

Sh is only 7 miles from
one dispensary & 16 from
another

not very strong & could be adduced
with as much force in favour of
any dispensary -

the dispensaries at Usilampatti &

The proposals to abolish the dispensary
at Tinchuli is also approved,
as there are other dispensaries close
by, & as the expenditure by the Rannad
Taluk board under grant III is (very)

large, considering the requirements of
the roads in that Taluk, for which

more money is needed.
